

## CEO Bride 107

### Chapter 107

When Jupiter realized that he had bypassed the immediate chain of command, he quickly apologized, "I'm sorry, Chief, but time is running out and I had to come straight to you for permission!"

Nash snatched the phone from Jupiter and said, "Chief Zunk, this is Nash. Brian was kidnapped and if I can't find him, I can't save the Warden's life!"

Henderson shuddered when he heard Nash's voice.

The blood drained from his face when he heard that Brian had been taken.

The last part especially caused him to break out in cold sweat. "Mr. Cal... Mr. Calcraft, I... I'll make arrangements right away! Please pass the phone back to Chief Holt!"

Brian played a huge part in the Warden's life or death.

If anything were to happen to the Warden, then he would be held responsible.

Nash handed the phone back to Jupiter.

Henderson authorized Jupiter with the jurisdiction to transfer all the inspectors in Jonford as he wished.

When Jupiter had control, he immediately dispatched more than 300 inspectors to the Northern Suburb.

After what Nash said on the phone earlier, Jupiter and Angelica's expressions became more tense.

It seemed like... Nash and Brian were the Warden's doctors?

Cillian wiped his eye with the fingers on his right hand.  
His pitch-black pupils suddenly turned purple.  
In the sky, a flickering sky seemed to be shaking.  
In Cillian's purple pupils, there were countless complex and obscure stars reflected in them.  
After a moment, he turned to face the south and looked back up into the sky.  
Stellar followed his gaze.  
There was nothing but clouds in the sky.  
Lloyd said, "Colonel, my martial brother had opened his Third Eye. He can look into the universe as he wishes!"  
In Cillian's line of vision, the sky was full of stars.  
In the South's sky, a blurry seven-colored star was slightly flickering.  
He remembered that twenty years ago, his father introduced him to the seven-colored star.  
He remembered that twenty years ago, his father introduced him to the Seven-colored Star when they were watching the galaxy.  
He said that the Seven-colored Star was the Apocalyptic Star. Only Master Calcraft from Tili Mountain could bring the Apocalyptic Star into the Palace of Fate.  
Cillian slowly closed his eyes. "To save the Warden, you must call Master Calcraft from Tili Mountain..."
