

CEO Bride 143

Chapter 143

There would be another match between Mammoth of the Tiger Crown and Black Widow of the Phoenix Crown later.

The Watsons would first throw away 46 billion before manipulating and profiting heavily from a large number of unsuspecting investors.

In just three minutes, the number of votes for Tiger Crown reached one billion.

The corners of Nash's mouth curled up into a sinister smile.

If he had not come here today, the Watsons would have earned tens of billions today and many families would have been

ruined.

As his master had said, one could be a saint by accumulating virtue, doing good, and taking pleasure in helping others.

He shall be a saint today, then.

Nash put away his phone and went to the area.

Black Widow made a neck-slashing gesture directly at Bianca.

Nash walked up to the ring and said, "Bianca, be careful. Black Widow may try to kill you."

Bianca nodded fearlessly with her mouthguard in place before walking toward the middle of the ring. battle was imminent.

The match would be over the moment she was knocked out of the ring.

Black Widow did not want to end the game directly. She also needed to obey Kai's orders so that Bianca could not get up again.

She delivered a hook to the back of Bianca's neck and then pulled her back into the middle of the ring.

Bianca staggered and almost fell down.

Black Widow gathered strength for a powerful punch aimed at Bianca's temple.

At this moment, the right side of Black Widow's chest was in a relaxed defensive state.

An opportunity presented itself!

Nose bruised and eyes swollen, Bianca grinned.

Black Widow felt a sense of dread in her when she saw the grin.

Bianca delivered a straight punch at lightning speed.

Black Widow moved her left hand laterally but failed to defend herself from it.

Bianca hit Black Widow in the chest with a straight punch from her left fist and was a little dazed.

She, the three-time Phoenix Crown holder and the 2021 Women's Boxing World Championship gold belt holder, had actually been hit?

Nash's eyes flashed, and he quickly shouted, "Finish her off when she's down!"
