

## CEO Bride 151

### Chapter 151

Hera nodded.

Nash asked, "Do you like it?"

Hera shook her head. "It's beautiful but I don't like it!"

These roses were Kai's gift to Helena so obviously she would not like them.

Nash continued, "What if I was the one who prepared these roses for you?"

"Then, I still won't like them!"

"How much money did you waste on all these roses?"

"I don't like a man who's wasteful with money!"

"Alright, it's getting dark. Let's hurry and go inside so Skade and the rest don't wait for too long!"

Hera grabbed Nash's pinkie and started walking.

Soon, the two of them arrived at the entrance of the Chateau Hotel. Right opposite it was a massive green lawn.

On the grass, there was a heart made out of roses, and the center was 'Happy Birthday' written out with blue roses.

Hera smiled and greeted her enthusiastically.

Carmen glanced at Hera and nodded without smiling. Then, she walked over to the man in the suit by the roadside.

The smile on Hera's face became increasingly unnatural.

Skadi quickly explained, "Hera, that man is Carmen's boyfriend. I think he's the eldest son of the Second Tier Elite Family in Capiton!"

Hera was a bit unhappy but did not want to ruin the mood, so she just smiled and nodded.

Nash's calm gaze glanced at Carmen and the man.

Skadi truly had a lot of friends, especially those who were assholes that looked down on others.

Bianca complained, "Carmen's personality is like that. She can't be bothered by anyone who isn't in her circle of friends. Before I got the Phoenix Crown, she wouldn't say more than a word to me. However, when I got the Phoenix Crown today, she wanted my phone number immediately!"

Nash laughed. "You guys are from the same school?"

Bianca nodded and said, "Skadi and Hera are in the same class and I'm in the same year as them. Carmen is our senior!"

Nash crossed his arms around his chest and kept quiet.

Bianca lifted her gaze and carefully looked at Nash. "Coach Calcraft... you... could you still teach..."

"Nash, quickly come and take a picture of Hera and me!"
