

CEO Bride 152

Chapter 152

Skadi suddenly shouted for him to come over.

Nash immediately walked towards them.

Skadi found a good position for Nash, adjusted the night-mode settings, then went back into the center of the heart of roses. She posed with Hera by making a huge heart with their arms.

Nash took a few pictures.

Skadi changed their poses a few more times as they laughed as beautifully as flowers. Even a group of men nearby was drooling as they watched the girls.

Skadi then exchanged positions with Nash to take some pictures of Nash and Hera.

At that moment, Carmen brought her boyfriend over.

Carmen could not help but laugh, "Darling, let me tell you something interesting. Mr. Kai's girlfriend is my junior's older sister!"

The man looked surprised. "Really?"

Carmen continued, "Today is Hera's birthday. Helena's birthday is on the fifth of next month!"

The man was rather confused. "So why is it Helena's birthday celebration today instead of Hera's?"

Carmen replied mockingly, "There was no choice. Who's to blame Helena for finding a good man? Helena hates Hera so she's celebrating her birthday earlier!"

Cain and Herman had gentle and warm smiles on their faces.

This was the Chateau Hotel, the top winery in all of Jonford.

No one would die with regrets if they had the opportunity to dine here.

"Mr. Kai... you prepared so many roses! You're so kind!" Hubert chuckled.

Kai smiled and said, "I actually didn't know that my grandfather's premium membership card had such perks!"

Kai wanted to use his own diamond card but his grandfather wanted to make him look more presentable so he lent his card to Kai.

Helena was so touched, her eyes began to water. She hugged Kai's arm and said, "Thank you, Kai. This is the most unforgettable birthday I've ever had!"

Kai kissed Helena on the cheek. "As long as you like it!"
