

CEO Bride 188

Chapter 188

There was a snap, and the bearded man threw the clipboard in his hand on the table before asking coldly, "Are you here for dinner or what? If you're here to look for trouble, then you've come to the wrong place!"

"Kale, what's going on?"

The proprietor's wife came over after placing a steaming bowl of fish stew on a table.

"Oh, Mr. Calcraft is here."

When the old woman saw Nash, an excited smile appeared on her face.

Seeing the sour expression on the bearded man's face, she hurriedly said, "Kale, this is a friend of Dr. Tanner's. He even had dinner with the richest man of Jonford in our restaurant!"

"I see."

The bearded man picked up the clipboard from the table and limped toward the kitchen.

"He's my nephew. He accidentally broke his leg while climbing a tree when he was young and grew up with a bad temper. You don't have to lower yourself to his level, Mr. Calcraft," the old woman said apologetically.

"It's okay. I'd like to invite the proprietor to have a few drinks with me. Is this a good time?" Nash was worried that the bearded man would escape to the back of the kitchen, so he winked at Jupiter and Angelica.

Angelica did not understand what Nash was trying to say. Jupiter asked with a smile, "Good lady, where's the toilet?"

Kale crossed over to the wall in two or three steps before jumping over the wall with a backflip.

Jupiter and Angelica jumped and grabbed the edge of the wall, pulling themselves over it.

Very soon, the sound of fighting was heard behind the wall.

Nash was about to follow them when the proprietor suddenly came out. "Mr. Calcraft, there were two guests who needed to use the toilet just now. The public toilet is relatively small, so there are only two separate toilets. Let me take you to my house for convenience's sake."

When the proprietor heard the fighting behind the fence, his expression changed suddenly.

Soon, the fighting stopped.

Jupiter and Angelica walked in through a large iron gate while pushing the cuffed bearded man.

The proprietor asked nervously, "Kale... Who... Who are you guys?"

Jupiter took out his ID. "We're from the Inspection Department. We suspect Kale is connected to the explosion that took place at the Lewis family's estate!"

The man's eyes widened in disbelief. "You... You made a mistake. Kale has been living with us since he came back from the countryside. How could he be behind such a crime?"

Jupiter answered solemnly, "Is he Kale or Wesley?"
