

CEO Bride 207

Chapter 207

Harrison noticed the look in Lauren's eyes and waved a hand in front of her. "What are you looking at?"

Lauren returned to her senses and chuckled. "Nothing. I just think this ring is really well- crafted!"

Harrison smiled. "I can get one made for you if you like it so much!"

Lauren pursed her lips. "We should head to bed. Hubert wants to meet us tomorrow, have no idea what he wants. We should rest up so we have the energy to deal with him!" She headed toward the doors after finishing her sentence.

"Mom, didn't you say you wanted to go to bed? Why are you heading out?"

Hera asked, confused.

"I don't sleep well in unfamiliar places. I won't be able to get a good night's sleep if I spend the night in this new mansion!"

Lauren did not even turn around when she replied.

Harrison immediately understood what Lauren meant, and smiled. "I should head back too... You two don't stay up too late!"

Hera was stunned. "Do unfamiliar places affect your sleep quality too, Dad?"

Harrison chuckled. "I can only fall asleep if I'm hugging your mom..."

He swiftly turned and headed off after finishing his sentence.

Maria untied her apron. "Mr. Calcraft, Ms. Hera, it's time for me to get off work as well..."

Nash and Hera were the only two people left in the mansion.

“Good morning, Mr. and Mrs. Lewis...”

Nash bid them good morning politely.

Harrison smiled and nodded at him.

However, Lauren pursed her lips. “You’re already married, but you’re still addressing us as Mr. and Mrs. Lewis?”

Nash blushed and scratched his head as he said awkwardly, “Mom.... dad...”

Lauren was overjoyed when she heard Nash address her as “mom”. “Gosh... that’s more like it. We’re a family now, you’re our son!”

Harrison beamed.

However, Hera’s face turned bright red as she lowered her head.

She and Nash had not known each other for a very long time.

Yet, he was her husband now.

Perhaps it was because she was used to being single, but it felt weird.

Nash washed up and changed into a well-tailored suit.

The family enjoyed breakfast together before heading toward Hubert's mansion.

Nash drove while Harrison sat in the passenger seat next to him.

Hera and Lauren sat in the backseat. Hera leaned against Lauren's shoulder and asked, "Mom, why does Uncle Hubert want to meet us?"
