

## CEO Bride 228

### Chapter 228

Bianca actually knew Mike's moves. Had she also trained under him? Mike had told her that he had never taught others, though!

Just when Wanda was distracted, Bianca struck out toward the right side of her face with a left hook again before she could even react.

The next three straight punches struck Wanda's chest.

They were quick, accurate, and ruthless. They even left after images.

The force behind the strikes was immense, and Wanda experienced a surge of turbulence during the fight!

The final jab landed on Wanda's head.

If it were not for them wearing gloves, those punches would have been enough to give Wanda a concussion.

The King of Fighters, Mike Thorson, had killed many of his opponents with his fists while wearing gloves.

"She's asking for trouble."

The Grim-Faced Juggernaut's expression sank. She got up and went toward the octagonal cage so fast that she appeared by the door in almost the blink of an eye. With withered hands, she then grabbed the iron door.

There were no rules to the match anyway, so she could hit her however she wanted. She was no saint!

“S-Stop! Stop! I-I give up. I give up! Stop hitting me!”

Wanda had already started begging for mercy.

She knew Bianca was prepared to kill her and was terrified at this moment.

Bianca struck Wanda’s throat hard for the last time, putting a lot of her strength into it.

Wanda’s head tilted, and Bianca slammed her fist on the floor.

Bianca created a hole in the floor, the glove on her right hand bursting apart.

The floor of the octagonal cage was made of ten-centimeter wooden boards and asphalt with a soft carpet on top of it, making it quite tough. One could tell from this that Bianca’s punch had been incredibly powerful.

Wanda’s entire head was swollen as she lay on the ground on her last breath. She was looking at Bianca with eyes full of fear.

She had won 52 boxing matches consecutively after returning to Somer.
