

CEO Bride 229

Chapter 229

She had been full of herself, thinking that she would have no worthy opponents within the world of women's boxing. She even claimed to be the next Mike Thorson.

All her arrogance disappeared after the punch Bianca had landed on her just now, however.

At this moment, Wanda saw Mike's image overlapping Bianca's. Perhaps, she was the next Mike Thorson.

Wanda lost, overwhelmingly and devastatingly.

Panting, Bianca stood up from the ground and looked at Wanda condescendingly as she said, " People practice taekwondo to strengthen their bodies and temper their wills, not to kill. If you're going to kill someone, you'd better prepare yourself to get killed too!"

Bianca turned and walked out of the octagonal cage after leaving her cold, final words behind.

She took off her gloves and threw them to Rose, who had been on guard outside.

Members of Neo Power Club immediately gathered around her and cheered.

The Grim-Faced Juggernaut got someone to carry Wanda out before quickly leaving with another group.

In a business car downstairs, Simon roared indignantly. "Nash crossed the line! How dare he attack the Grim-Faced Juggernaut? Does he really think that the Green Bamboo Association is a pushover?"

He looked like he was talking to himself when he was actually deliberately speaking to the Grim-Faced Juggernaut who was almost 90 years old and part of the Green Bamboo Association's earliest group of prominent figures.

Megan, on the other hand, was looking at Nash, completely starstruck. His gaze never left him the
moment he sent the old lady flying. He was such a macho man!
"Megan!" Bianca asserted angrily.
Megan regained his composure and looked at Bianca curiously. "Ah, Bianca, I'm here."
"Bianca is asking for your phone," Rose reminded.
Megan heard this and hurried to the office.
"Go and change your clothes. You don't need to call. Skadi was seriously injured, so she won't be able to
answer," Nash said in a low tone.
"I-Injured?"
Bianca's expression changed slightly, and her beautiful eyes fixed on Nash.
After being stunned for more than ten seconds, she then hurried to the dressing room to
change. Ten minutes later, they were locking up Neo Power Club.
Nash had just parked the car at the Zabels' villa when he saw an acquaintance.
It was Father Cillian
