

CEO Bride 241

Chapter 241

After twenty-plus years, the descendants of the Young family have grown to a terrifying level.

If he were given a few more years, even the Klein family might be envious of them.

“Nutcracker... kill him... kill him now...”

Howard tried his best to suppress his fear and shouted with a crack in his voice.

The Nutcracker Juggernaut raised his right leg above his head before swinging it forward.

A fearful amount of energy was directed at Nash.

Slap!

Nash smacked his hands on the ground, kicked his feet onto the wall in a flash, and his body went flying toward the Nutcracker Juggernaut like an arrow.

Boom!

The force of the kick caused the villa to split in half.

Nash managed to knock the Nutcracker Juggernaut out of the villa.

The cables inside the villa made snapping noises.

Immediately after, a raging fire broke out.

Howard, Giant, and Unibrow quickly ran out of the villa.

However, the Nutcracker Juggernaut was already locked in a fight with Nash.

The sword pierced the Nutcracker Juggernaut in the heart.

Heaps of blood flowed out of him in a diamond pattern.

The Nutcracker Juggernaut specialized in a very unique set of skills. He could exert the peak of his power at the brink of defeat.

However, everything else was pointless against Taoism.

Taoism!

It was the weakest form of power.

The only thing different about Taoism was that they used talismans and spells.

If the Nutcracker Juggernaut had not been in a daze and was at his fastest speed, he would not have been grazed by the Five Bolts of Lightning Curse.

However, the inevitable led him to a huge disadvantage.

Immortal cultivators could summon lightning by raising their hands like masters.

After a minute.

The blood in the Nutcracker Juggernaut's body had been drained and his body was burned into a crisp.

Nash raised his hand and zapped a beam toward the Nutcracker Juggernaut's body.

His body burst into ashes, with nothing else remaining.

Then, he turned to Howard and the others.

Plop!

Howard was terrified. When he met Nash's cold and unmoving eyes, he fell on his knees onto the ground. "I... I'll tell you... I'll tell you everything..."
