

CEO Bride 244

Chapter 244

"Babe..."

Olivia picked up the phone and whispered to not disturb Nash, "Why are you up so late?"

"I was woken up!

"Oli, something serious happened to Jonford!"

Theo said agitatedly.

Olivia asked, confused, "What happened?"

There was a sound of a cigarette being lit on the other side of the call. Theo took a deep breath and said, "Green Bamboo Association sent six Juggernauts to Jonford, right? Amongst them, Nutcracker Juggernaut, Giant Juggernaut, and Unibrow Juggernaut are dead, as well as thirty other grandmasters of the Green Bamboo Association!"

Olivia's pupils shrank immediately when she heard that.

She looked up again at Nash through the rearview mirror."

Theo continued, "It was probably Nash who did it. Let Xeno follow Nash for a few days, he should know some good help who can help Nash settle some problems!"

"Alright... I understand..."

Suddenly, Nash caught a whiff of a smell of a corpse in the air.

The smell of the corpse smelled like it had been dead for roughly three hours.

Could it be that Kristian could have killed himself?

Nash followed the smell to a park and found the body of a student of the martial club.

Nash's eyes sank. “They're here...”

He guessed that the Green Bamboo Association would come to Zabel's villa.

It just so happened that Justin Yang was pretending to be the Smiling Grim Reaper.

He was certain that the Hidden-Ghost Juggernaut and the others would not dare to make a move without thinking it through as they were scared of the Smiling Grim Reaper.

That was why he was bold enough to approach the den of the remaining juggernauts.

If the remaining juggernauts did not disband, then all would be destroyed.

If they disbanded, it would be safe for the Zabel family if they had someone pretending to be the Smiling Grim Reaper so that Nash could get some gains.

Nash dragged the body to the garden of Zabel's villa.

Zakariah's face dropped. “What... what is this?”

Nash gave a brief explanation.
