Chapter 288

“Royal Bay has Nash who’s a Profound Reality Realm expert. He can take care of seven Level Three Great-Grandmasters easily.” The Velvet-Thunder Juggernaut spoke slowly before changing the topic. He said in a cold and doubtful tone, “The highest level of cultivation in the Zabel family is the Grandmaster Realm. Did none of the seven Level Three Great-Grandmasters even escape?”

His words made the other six Juggernauts shiver.

The Hidden-Ghost Juggernaut said with a solemn expression, “Could it be that Nash and the Smiling Grim Reaper are two different people?”

Royal Bay had Nash.

The Zabel family had the Smiling Grim-Reaper.

The people they had sent out never returned.

“If we face Nash and the Smiling Grim-Reaper at the same time, what are the chances of winning?” The Gingerhead Juggernaut asked.

“We have three experts from the Profound Reality Realm, forty Great-Grandmasters, two hundred Grandmasters, and a thousand-and-thirteen Inner Energy Experts. That’s more than enough to deal with the two of them. Plus... my husband had already broken through the Mystique Loyalty Realm and is on his way over now!” The Grim-Faced Juggernaut confidently said.

Everyone relaxed when they heard that.

“It’ll be midnight soon. Do you think Nash is afraid to show up?”

The Hoodlum Juggernaut who had been silent all this while sneered and said, “Nash probably set the time to midnight so that he can delay the time and run away!”

Everyone fell silent.

They came all the way from Sagen and prayed not to return empty-handed.

The death of the three Juggernauts must be avenged.

"This feeling is like holding a knife to the throat of the unparalleled expert you admire the most!"

Xeno tried his best to explain.

Finn glanced at Nash through the rearview mirror.

Holding a knife to Nash's throat?

It truly was exciting!

“Mr. Nash... are we going over there with you?”

Xeno stopped the car and turned off the lights.

Before Nash could respond, Finn said, “Of course we’re going with him. We’ll live and die together with Mr. Nash!”

He was ready to get out of the car.

“Just wait for me in the car...”

“I’m going to show off for a bit!”

Nash had bought a new mask which made his voice sound deeper than before.

Xeno and Finn were taken aback.

They could not believe that such words would come out of Nash’s mouth.

They were about two hundred meters away from the people of the Green Bamboo Association.

At that moment, everyone from the Green Bamboo Association was staring at the car.

They all knew who was sitting in the car!

Simon and several members of the Green Bamboo Association subconsciously tensed up.
