Chapter 290

The Velvet-Thunder Juggernaut arrogantly stared at Nash.

“Kill him...”

“Kill him...”

“Kill him...”

All the members of the Green Bamboo Association started chanting.

The sound was so powerful that it was deafening and the intent to kill filled the entire manor.

Xeno and Finn who were hiding in the car turned as white as a sheet.

“Crap... Why haven’t Mr. Nash’s people arrived yet?” Xeno said with trembling lips.

“What about your people from the Dragon Tiger Gate?” Finn was extremely nervous.

“My people’s ranks are all low, how can they be compared to the Green Bamboo Association?” Xeno whined.

The Green Bamboo Association had more than a thousand Inner Energy Experts and each of them were capable of taking down ten people at once.

His people would be walking into a death trap.

The Velvet-Thunder Juggernaut put his hands behind his back as he looked at Nash and said, “If you kneel and admit your mistake... and pledge your alliance to the Green Bamboo Association... then I can ask the chief to name you the Smiling Juggernaut...”

Skadi was still in a wheelchair.

It took her a lot of effort to convince her grandfather to let her be there.

Bianca had been nothing but stunned all night.

She was once again stunned when she saw Skadi idolizing the Smiling Grim-Reaper.

“Heavenly Martial Arts Order requests that Zakariah Sinclair Zabel present himself before the Order’s leader!”

“Greetings!”

Everyone else followed Zakariah’s actions and knelt on one knee.

Cillian was no exception.

There were twelve Mystique Loyalty Realm experts as well.

Bianca and Skadi stood out from the crowd like a sore thumb and stayed still.

“Do we... do we need to kneel too?”

Bianca asked nervously.

“I don’t think so, it’s not like the Heavenly Martial Arts Order summoned us!”

Skadi said timidly.

Nash turned to face the group of people.

“Get up!”

His tone was calm but in reality, he was rather flustered too.

Half of the Great-Grandmasters and experts in the world were here!
