

CEO Bride 413

Chapter 413

“Yeah, I killed it...”

Nash spoke calmly as if he was talking about a trivial matter.

Bradley was at the front of the team.

His eyes were filled with tears.

The Youngs actually produced a Golden Amulet Master.

He believed that the ancestors would be smiling at this.

After three hours of hiking, they were close to the main peak of Seven Pinnacle Peaks.

“It smells like smoke...”

“There’s someone on the main peak!”

Nico caught a whiff of something.

Nash could faintly hear someone shouting.

‘I think they’re looking for someone...’ he thought.

Xeno took out his IMI Desert Eagle from his bag and placed it on his belt.

Nash reached out his hand and grabbed the bullet with his fingers.

There was a sly smile on his smile.

How was this possible? The man had a very confused expression as he questioned what had just
happened. This man caught the bullet with his bare hand. Was he even human?

Nash flicked the bullet back at the man, which pierced between his eyebrows.

Since the man had shot Nash first, it only made sense that no mercy was shown to him.

The people nearby heard the sound from the hand cannon and immediately moved closer.

Nash took the man's earphones and disappeared in a flash.

Around two in the afternoon, the people returned to the camp with the body.

Old Herera's people were heartbroken as they had not found Zain and the others.

Daniel said dejectedly, "These brats are so disobedient..."

"It must have been Zain's idea! Old Herera... you owe us an explanation!"

"That's right... Explain this!"

"Old Herera, if anything happens to my grandchild, I'll never forgive you!"

"That's enough!" Daniel stood up and shouted. "Now is not the time to fight amongst each other! We
need to come up with a plan to find them, dead or alive..."
