

## CEO Bride 415

### Chapter 415

Nico glanced at his surroundings and then pointed to an area in front of them. "Over there..."

He quickly ran over with Derek and Heidi following closely behind.

They ripped off the weeds and vines on the slope, revealing a pile of stones.

After removing some of the stones, there was an entrance to a dark cave.

Melody's eyes widened as she said, "I can't believe you... you actually found it!"

Nash burst into laughter. "His dad was here not long ago... He must have picked up the scent left by his dad..."

Melody chuckled. "No wonder... but his sense of smell is still admirable!"

While they talked and laughed, everyone gathered around the entrance of the cave.

The entrance was not very big as it was about two feet wide. If they were any fatter, it would have been difficult to crawl through.

Bradley took out the rope, tied one end with a grappling hook, and secured it on a stone before throwing it into the entrance of the cave.

"I'll go in and find a path for us!"

Nash rushed to the front of the line this time.

After that, he led the way, and everyone followed closely behind.

The walls of the underground palace were covered with erotic artwork.

The men looked at them with delight.

Melody and Heidi were red from head to toe.

Derek's eyes glowed with intensity as he looked at Melody.

"What are you looking at? I'll gouge your eyes out!" Melody scolded angrily.

Derek grinned and quickly looked away.

Nash chuckled. "There are so many different poses... I ought to try them when I have time..."

Heidi spat out the words, "Nash, you're so gross!"

Melody laughed. "I heard he's never done it with Hera before... That part of his probably doesn't even work anymore!"

Nash retorted, "I'll go home and do it as soon as I'm back! Unlike some people who are still single..
