

## CEO Bride 416

### Chapter 416

What he said hurt Melody's feelings.

She quietly lowered her head.

When Finn noticed, he gave Nash a displeased look. "Nash... you're being too harsh!"

Nash realized he had not watched his mouth. He smiled as he said comfortingly, "I wasn't thinking before I spoke, Melody... I'm sorry!"

Melody had an alluring figure and gorgeous-looking features.

Naturally, she had attracted the attention of countless men.

If she wanted to, she could get married to over a dozen men as long as she agreed to give her hand in marriage.

As for why she still had not been in a relationship... It was probably because she had not found the right man for her yet.

After all, she was a president with a several-billion-dollar net worth. She was well-versed in martial arts as well. It made sense for her to have extremely high standards.

Melody forced herself to smile. "It's alright..."

Nash scratched his head, unsure of what to do. "I'll find some time to introduce you to a couple of men who'd be an excellent match..."

men. One of them might

To be on the safe side, he said, "Nico and I will go scope out the surroundings. Everyone else, stay here and wait for us!"

Nico's face paled. "No... I won't go... I don't want to die just yet!"

"Bastard..."

Bradley turned and roared at him. "You'll have to go even if you don't want to!"

Nico had never seen his grandfather this angry, and he shuddered in fright.

Nash said, "I can go ahead and scope out the surroundings... You guys can stay here!"

It was extremely difficult to walk through the sludge, and their energy was limited. If they were going to make multiple trips, there was no way they would have enough energy to continue their journey.

Bradley frowned. "Sir... We can't let you take such risks..."

Nash smiled "This might be dangerous to you, but it's not at all difficult to me..."

Nash took a step forward after he finished his sentence.

His foot landed on the sludge, but it did not sink downward.

"Oh my god, how did you do that, Nash?"

Heidi had a dumbfounded expression on her face.
