

CEO Bride 427

Chapter 427

Xeno gave the two a quick look and said, "Didn't you people see my shooting skills in the dream?"

Only then did the two obediently shut their mouths.

In the dream, both Xenos were shot between the eyes and died.

"Let's go take a look..."

Bradley hurriedly walked around the edge of the cosmos diagram.

Anders lay on the ground, panting heavily.

He felt as if all the bones in his body were shattered.

Soon, Bradley and the others arrived at the scene.

Bradley helped Anders up and asked with a frown, "Mr. Anders... what happened? Who were those people just now?"

Anders replied in a panic, "They're from the nine major raider families. We found the ear chamber. The gold, silver, and jewels inside caused them to kill each other..."

He looked at Nash, his pupils slightly contracting. "Are you... from the Youngs?"

Nash nodded lightly. "I'm the son of Wolfgang Young!"

Anders immediately knelt halfway. "I, Tomb Whisperer Lineage's Anders Law, pay my respect to you!"

Nash smiled and said, "You're no longer of the Tomb Whisperer Lineage. There's no need to bow to me!"

From the moment Bradley called him Mr. Anders, Nash guessed that this man was Anders from the Tomb Whisperer Lineage.

He did not have a good impression of someone who left the Tomb Whisperer Lineage without permission.

He saved his life solely because of his long-standing relationship with Bradley.

Anders guessed Bradley had already told Mr. Nash about him.

With a guilty face, he said, "Mr. Nash... the truth is, when I left the Tomb Whisperer Lineage, I had my reasons... I..."

Before he could finish, Nash waved his hand to interrupt, "Let bygones be bygones... You don't need to explain anything!"

The Youngs were destroyed because of the betrayal of their own clan members.

He had no sympathy for those who betrayed the Youngs.

No matter the excuse or reason, he did not want to hear it.

Bradley chuckled "Let's first figure out how to find the main burial chamber!"
