

CEO Bride 430

Chapter 430

A wet, icy-cold hand grabbed Nash's wrist.

When Nash turned his head, it was shockingly an undead corpse.

The true energy inside him burst forth, and with a powerful force, he sent the undead corpse flying.

The undead corpse hit the coffin, producing a dull sound.

Inside the coffin, the eyes of four other undead corpses snapped open.

Their eyes glowed a haunting green, appearing extremely eerie.

Unlike the previous undead corpses, there was no blood on the surface of these undead corpses, and there was no scent of

gore.

Also, they were not as powerful as the undead corpse Nash saw the previous night.

Nash jumped into the coffin and began fighting with the five undead corpses.

All anyone could hear were monstrous roars.

In less than a minute, Nash emerged from the coffin.

five undead corpses were decapitated.

can be as freakish as Mr. Nash? Do you know how long the martial arts path to the Profound Reality Realm is?

"Martial artists have nine stages in the Energy Cultivation Realm. If you're talented, you might reach the first level in a year. If not, maybe two or three years. After the nine stages of Energy Cultivation, there are nine stages of Grandmaster Realm and then nine stages of Great- Grandmaster Realm!

"When my master took me as a disciple, he said I was a once-in-a-lifetime martial arts prodigy. Yet, I trained for nearly 20 years and only reached stage seven of the Great- Grandmaster Realm. If all goes well, I might break through to the Profound Reality Realm in three years!"

Finn's words were like a bucket of cold water pouring over Derek.

The martial arts path was not just about hard work; innate talent and bone vital.

Derek said, looking dejected, "Forget it... I'll just run errands for Mr. Nash!"

Structure were also

Not far away, Bradley and Anders gazed in the direction of the coffin, deep in thought.

Anders told Bradley about the descendants of Old Herera who had gone missing.

Upon hearing this, Bradley frowned. "Are you suggesting that the undead corpses in the coffin are those missing boys?"

Anders replied gravely, "They searched the mountains for over eight hours and found no one, dead or alive. I suspect they were taken by the Undead Corpse King!"

"Undead Corpse King!"

Bradley took a sharp intake of breath and then said worriedly, "I completely forgot... the necromancer's undead corpse should've evolved into an Undead Corpse King by now."

Anders added in a heavy tone, "That coffin must be the dwelling of the Undead Corpse King... We need to leave this place as soon as possible!"
