

## CEO Bride 458

### Chapter 458

Olivia had roughly guessed it.

Claude probably fell in love with this young girl at first sight. However, due to his brash personality, he was too proud to pursue her directly, which led him to use some extreme methods. Regardless, he should not have provoked Nash.

Punishment was still necessary.

At Royal Bay, the Harrison couple and Hera were sitting together, sorting out reports.

Skadi, sitting cross-legged on the floor, mumbled, "Your family is truly full of workaholics... Even at home, you never rest."

Hera playfully scolded, "What's wrong? Getting tired of us now?"

"I wouldn't dare. You're the darling wife of Jonford's strongest martial artist!"

Sighing, Hera placed the organized reports on the coffee table. "It's been seven days... I wonder when he'll return."

They had been having conflicts recently.

Just when things were resolved, he left for another place.

"Nash..."

With teary eyes, Hera threw herself into the arms of the man she had missed so dearly.  
Nash opened his arms and embraced her tightly.

"I missed you so much," Hera said, her voice choking with emotion.

Nash kissed her forehead gently. "I missed you too..."

Before he could finish, Hera tiptoed and pressed her lips against his.

They passionately kissed for a while.

When Hera finally pulled away, she was short of breath, and her face was flushed.

Nash then handed Hera the roses, saying gracefully, "For you. These are pink roses from the Love God  
Castle, symbolizing my intense love for you!"

"They're beautiful! I love you so much!"

Hera exclaimed, taking the roses.

Then, she took out her phone and said, "Quick... let's take a selfie!"

Such a romantic moment was definitely worth capturing and sharing to the world on social media.

They took several pictures in the living room.

The moment Hera posted them, Skadi liked the post and commented with a furious emoji: [ Shoot... You should just drop dead!]

Setting her phone aside, Hera asked, “Are you hungry? I’ll cook something for you to eat.”

“I’d rather have you!”
