

CEO Bride 467

Chapter 467

Hera heard footsteps and instinctively opened her eyes. Her eyes widened the next second as her entire face flushed. She covered her eyes and screamed, "Ah! Pervert!"

Nash really came out nude. Did he not know how to grab a towel?

"I asked you to get it for me, but you didn't want to." Nash smiled playfully before glancing at the incoming call display. He was surprised to see that it was from Fabian.

"Hello, Fabian," Nash greeted warmly.

There was a moment of silence from the other end with only some little cheers from the fox echoing in the back.

Fabian took a deep breath and replied, "The Jonesville branch's performance is currently at the bottom. From what Frankie told me, there are too many troublemakers there. If you have the time, please go deal with it.

"The branch can only continue to operate if their performance improves."

Hera clutched the blanket. She did not even dare to hug Nash to sleep, afraid that the naked
man might suddenly lose control.

Hera was curious about Nash's conversation over the phone earlier and could not help but ask, "By the way, who called you just now? Where do you need to report?"

"I found a job at Universal Group. The HR department asked me to start work tomorrow."

“Found a job? Why do you still need a job? Besides, you’re already working as a security manager in my company!

“Oh, I get it. You just don’t want to work with me!”

Hera left some words unsaid. Nash must have gotten the job at Universal Group with Melody’s help. He would likely be commuting to work with Melody in the future. Even though she trusted Nash, she could not help but feel a bit jealous.
