

CEO Bride 493

Chapter 493

The endless fear in David had made him numb to the pain of his crushed fingers. Just as he said what he did, a cold feminine voice came from outside the door.

“Do you know that the Long Lake Industrial Zone has been sold to me?”

Following the voice, Sydney and Queenie arrived with around 30 people. Among them, there were seven grandmasters and two great-grandmasters. They had just come from school and were still in their school uniforms.

David’s pupils constricted sharply. He was one of the prominent figures in Jonford, so, of course, he recognized the sons and daughters of the city’s top five wealthiest families.

Queenie was the heiress to the richest family, and Sydney was from the Zell family. Then, there was Xeno from the Dragon Tiger Gate, and of course, Nash.

Had he poked a hornet’s nest today?

“You’re from the Black Tiger Hall, right?” Sydney said with great leader to come here.”

Sydney snatched the phone from David and casually said, "Mr. Tiger, how about you come over for a
chat?"

Black Tiger broke into a cold sweat. "I... I'll be right there."

He was a man of loyalty. With his right-hand man detained, Black Tiger had no reason not to go.

In a corner of the room, a skinny old man with a goatee approached.

and asked, "Boss, is something wrong?"

Black Tiger was in a daze. "David has been detained by Sydney and Queenie. It's likely there's trouble
afoot."

The skinny old man frowned and asked, "So what do you plan to do?"

Black Tiger paced back and forth with his hands behind his back. If he
brought his men with him, it would surely upset Sydney and Queenie.

He also did not know what had led to David offending these two young ladies.

However, should he go alone, what would he do if he were to be

detained as well?

The skinny old man seemed to sense Black Tiger's concerns and said softly, "I suggest bringing everyone to rescue David forcefully."
