

## **CEO Bride 548**

### Chapter 548

The basement communicator was similar to a walkie-talkie and could receive messages from the living room.

Nash furrowed his brows and asked, "Did he say what he wanted?"

"It seems like... he wants to discuss business with you," Maria replied.

"Alright, I'll be right there," Nash responded, concealing a sardonic smile.

Discuss business?

More likely, he was here to probe whether Nash had any dealings with the Watsons.

Finn and Kai had taken the herbal medicine the previous night, and their vital signs had stabilized. There would not be any immediate issues.

After melting all the medicines in the Divine Farmer's Cauldron, Nash began controlling the elixir fire for tempering.

This process would take an hour, providing him with enough time to

meet with Duncan.

Outside the villa, Duncan carried a box of expensive wines worth

three million bucks..

He was accompanied by an elderly man with sparse hair and dressed.

in an all-white suit who had a mischievous and devilish expression.

At the same time, Melody drove out in Hera's Maserati.

"Hello... Good morning, Mr. Lewis!"

Duncan half-squatted and waved at her.

"I'm so sorry, Mr. Duerson, I'm in a hurry, so I don't have time to

entertain you," Hera replied from the back seat while touching up her

makeup.

Duncan chuckled. "You don't need to bother with me, Ms. Lewis. You

can make your way to work."

As he spoke, Duncan noticed there was another stunning beauty sitting beside Hera.

The moment he saw her, Duncan was utterly stunned.

However, before he could react, Melody drove away.

beautiful, with delicate and fair skin, radiating

elegance and grace.

This was the conclusion Duncan came to at a glance.

Duncan took a deep breath and turned to his bodyguard behind him. Did you see the woman next to Hera? Give me all her information in

three minutes!”

The bodyguard scratched his head and replied, “I didn’t notice...”

“Useless!”

Duncan slapped him across the face. “Don’t you know how to check

the surveillance footage?”

“No need to check, Mr. Duerson. If you’d like to get acquainted, I can

introduce you to her!”

Nash strolled out, casting a glance at the elderly man next to Duncan.

There was no true energy fluctuation on his body, but Nash could sense a faint sense of danger.

Mystique Loyalty Realm!!

Only someone in the Mystique Loyalty Realm could make Nash feel threatened.

As Nash looked at the elderly man, the elderly man also looked at Nash.

It seemed that this young man was Nash Calcraft, the much-talked-about figure in Jonford's martial world?

Having the strength of the Profound Reality Realm at such a young age was indeed astonishing.

"Hello, Mr. Nash!"

Duncan smiled and stepped forward to shake hands with Nash.

If it were just him, he would definitely lower his stature and greet him respectfully.

However, with Boris by his side, he had no fear of Nash.

“Good to see you again,” Nash responded with a faint smile, extending his hand symbolically.

However, just as he was about to shake hands with Duncan, Duncan suddenly withdrew his hand and presented the gift he had brought with a playful smile. “Mr. Nash, I bought these bottles of wine at an

auction a few days ago. They’re worth over three million!”

Nash’s outstretched hand froze, and Maria’s expression subtly changed.

It was clear that Duncan Duerson had come here to cause trouble!

Duncan continued to grin at Nash.

On the other side, Boris’ lips curved upward.

He had heard that this young man had a bad temper.
