

CEO Bride 555

Chapter 555

Nash had accepted the video call, and he looked pale.

“Helena, don’t jump. I’ll let you see Kaigh away!” Here quickly turned her phone around for Helena to me.

When Nash saw Helena standing on the rooftop, he instantly realized what was happening. She went to Kai’s bed and turned the camera

toward him.

Helena could no longer hear anything, however.. Without even turning

back, she jumped straight down.

Helena!” Hera’s phone fell to the ground as she blacked out.

There was a gasp from the onlookers below. Melody leaped onto the

incubator swiftly and shot up toward the top floor.

What below erupted into chatter as Melody soared up to a

height of 20 meters. She used all her inner energy to catch He

herself/pouring rapidly.

Tertuigyaymeltgravitational force caused Melody to fail toward the

amedics svifits swiftly assessed Helena's condition. "It's just a

ase of blood pressure rising due to the gravitational changes.

fragile heart, and that's what caused her to faint

irily," the paramedics explained to the patrol officers

Relieved, Jupiter and Angelica let out a breath and managed a faint smile. The medical staff carefully placed Helena on a stretcher when Melody suggested, "Take her to Royal Bay."

There, Nash could treat her physical injuries, while Kai could help heal her emotional wounds. Being in Kai's presence would also work to

dissuade her from any thoughts of self-harm.

At that moment, Nash called. "Is Helena okay?"

Nash had been on edge the moment Helena jumped. However, he then recalled that Melody would also be where Hera was, and with a high-level martial artist like her present, he was certain Helena would

not suffer any severe injuries.

“Everything is fine, especially with me around!”

“That’s a relief. Bring her over to Royal Bay.”

“That was my plan as well!” Melody replied with a smile.

Just then, two female inspectors supported Hera as they made their

way out of the lobby. Melody approached her with concern, asking,”

Are you okay?”

Still filled with fear, Hera hugged Melody and choked out, “Melody,

thank you...”

If it were not for Melody, Helena might have been in grave danger. It

was Melody who saved her cousin.

“Alright, don’t cry. Let’s go home,” Melody said gently, patting Hera’s

back.

At the terrace of the Duerson family’s villa, Duncan and his godfather were exchanging toasts when a bodyguard walked over and reported, Boss, we’ve found information on that woman. She’s Brian Tanner’s granddaughter, Mireille Tanner. She’s 22 years old and single.”

The surveillance footage from Royal Bay had been difficult to obtain and required considerable effort.

“Mireille Tanner!

“What a delightful name. She looks even better. I must have her!” Duncan said as he played with the tall glass in his hand.

Expressing slight tipsiness, Boris set down his drink and asked, “Have you ever thought about why she’d go to Nash’s place?”

Duncan smiled lightly. “Thomas King is Dr. Tanner’s master and also Nash’s senior. Going by seniority, Brian would need to address Nash as his grandmaster. It’s not surprising for them to have connections

Boris smiled knowingly. Here he thought Nash had snatched the

woman up.

“Boss!” Another bodyguard ascended the staircase right then. “Helena jumped, but she was saved by Melody!”
