

CEO Bride 594

Chapter 594

Salvatore stood up slowly from his chair and looked at the tall figure at the door. "Go and bring Geordi and Sorn here."

The tall figure scratched his head and said with a simplistic smile, "Salvatore, they didn't come to work today."

Salvatore grabbed the landline phone on the table and made a call. When the call connected, he smiled and asked, "Hey you, is Geordi at home?"

"Salvator, isn't that guy at work?" The woman on the other end of the line sounded a bit annoyed.

Salvatore chuckled. "He might have gone for a stroll. I'll go look for him!"

After hanging up the phone, he dialed Sorn's home number and found

out that he was also not at home.

Salvatore looked at Angelica and asked, "Ms. White, this evidence you

mentioned..."

The people in the freight company were all simple villagers from the mountains. Although they lacked education, they knew that murder required the perpetrator to pay the price. Moreover, Salvatore had also often reminded them not to engage in illegal activities..

The industry that he had worked hard to legitimize was something he did not want to see destroyed.

Geordi and Sorn came from the same village as he did, and he knew them well. While he might believe someone else had committed murder, he could not bring himself to believe that Geordi and Sorn would dare to do such a thing.

Angelica claimed they had sufficient evidence. Salvatore wanted to know just how substantial this evidence was.

“We found the DNA of both individuals inside Lori during our examination. They violated her!” Angelica exclaimed, a chill in her tone.

Salvatore sat back in his chair, dumbfounded.

Angelica continued, “Lori was first humiliated, and then she had her kidneys removed while she was still alive!”

Salvatore slammed his hand on the desk.

The glass on the desktop shattered with a loud crash, and glass shards pierced into his palm, causing profuse bleeding.

“If they really did it, I’ll personally deliver them to the Inspection Office!

“Inform everyone to go out and find Geordi and Sorn. If you can’t find

them, don’t bother coming back!” Salvatore erupted in anger, and everyone in the office was on edge.

Just then, Jupiter called Angelica to inquire about the situation on her

side, so she briefed him about what had happened.

“Captain Holt, should I wait here, or should I go back to the Inspection

Office?” Angelica asked.

“Come back first. We’ve already brought Horace in.”

“Okay, got it!” Angelica hung up the phone and looked at Salvatore.” Remember what you just said. I’ll be waiting for you at the Inspection

Office.”

Although Salvatore was not some goodie-two-shoes, he did not dare

to act recklessly considering Nash’s reputation. He was, after all, the

one who wiped out the Green Bamboo Association and the Black Tiger Hall.

He did not want to see his company head down the same path.

Inside the interrogation room of the Inspection Office, Horace shackled to the interrogation table while Angelica prepared a pa and pen for recording.

“Talk. Why did you kill Lori? Just for organ trafficking ?” Jupiter was

sitting beside Angelica, holding a thermos cup. He did not expect Horace to confess immediately seeing how interrogations were always a prolonged battle.

“What? Lori... Lori is dead?”

Horace stared at Jupiter in disbelief, tears welling up in his eyes.

Jupiter and Angelica were used to such performances and just

watched Horace’s act as it silently unfolded.
