

## CEO Bride 75

### Chapter 75

If the Watson family managed to get on good terms with the Skye family, they would be able to remain a prestigious family for the next hundred years.

However, he was curious about the relationship between the Lee and Skye family.

Why did Theo address Mr. Lee as Grandpa?

"You arrived just in time, Theo. Have a few drinks with the warden on your grandfather's behalf!"

Joseph grinned as he spoke.

Theo leaned back into his chair and grinned, "Don't worry, father-in-law. I'll make sure the warden is in good company tonight!"

Father-in-law!

The corners of Walter's mouth twitched.

He glanced at Olivia from the corner of his eyes.

Olivia was staring at Theo lovingly.

Grant had a bitter smile on his face. "Mr. Lee, when did your granddaughter get married? Why didn't we hear even a word about it?"

All Mr. Lee did was grin at them.

"My father has Alzheimer's disease. You may direct any questions to me instead, Mr. Zell!"

Joseph smiled as he explained, "It's no fault of yours that you didn't know. My daughter and Theo got married overseas..."

At Herman's table.

Helena asked excitedly, "Grandpa, did you hear that? The Skye and Lee family are connected through marriage!"

Both the Lee and Skye family had nothing to do with her, but she was on good terms with the Watson family.

If the Watson and Lee family were on good terms, wouldn't that mean she stood a chance of befriending someone from the Skye family as well?

Herman smiled. "Yes, yes, I heard. You'll have to hurry up and get your marriage to Kai registered..."

Helena mumbled to herself, "Even the warden is Mr. Lee's former student. Did you form connections with the warden as well?"

Hera rolled her eyes at Helena. "Sour grapes. Would you believe me if I told you I can have a toast with the warden?"

"No, I don't..."

"What if I can do it?"

"You can do anything you want to if you succeed..."

Helena could not stand Hera anymore and began retaliating as a form of protest.

Hera crossed her arms over her chest and sniggered, "If I do it, you'll have to bark like a dog in front of everyone three times

Helena hesitated. "That's such a cruel request. Switch it to something else!"

Everyone in attendance was influential and powerful people. She would be embarrassing the entire Lewis family if she ended up losing!

"Just say you're a wuss! Don't interrupt me when I'm talking!"

Hera's goal was to embarrass Helena.

Helena got agitated, and puffed her cheeks out as she said, "Fine, I'll bet you..
