

## CEO Bride 88

### Chapter 88

Hera's face was filled with fear as she shrank back. "Who... Who are you? How much did my uncle pay you?"

When she appeared at the Lewis family's estate the last time, her uncle had a surprised look in his eyes.

Those assassins were definitely hired by her uncle.

Her kidnapping this time must also have something to do with her uncle.

After all, she had just won 1.5 million from them during the day.

This must be her uncle's family's revenge.

Crow threw the belt on the ground and chuckled. "What uncle? I don't know who your uncle is..."

Skadi stared coldly at Crow. "My grandfather is the head of the Martial Arts Association. If you touch me, my grandfather won't let you go..."

Crow laughed. "Those who have nothing to lose do not fear those in power. If your grandfather knows that we're from the Green Bamboo Association, he'll choose to turn a blind eye even if he knows that we've captured his granddaughter..."

Skadi was completely stunned. "You... You people are from the Green Bamboo Association?"

The Green Bamboo Association had a huge influence, with 18 branches throughout the country and over 30,000 members.

Skadi was now only in her undergarments.

Hera's heart was on the verge of collapsing.

Then, she suddenly noticed a fruit knife on the coffee table.

She clenched her teeth, grabbed the fruit knife, and stabbed it toward Crow.

He reacted quickly and kicked Hera, sending her flying into the wall. She immediately lost consciousness upon impact.

Crow sneered. "Stupid bitch! If it weren't for the fact that you're Hunter's woman, I would have my men take turns with you tonight..."

Skadi saw Hera being knocked unconscious and immediately rushed over.

Crow grabbed Skadi's shoulder, but Skadi twisted her body and slapped him with a backhand.

As the effects of the tranquilizer had not worn off yet, the force behind her slap was not strong.

Crow did not dodge and let the slap land on his face.

He seemed even more excited and directly carried her to the bed.

"You beast... Let me go..."
