

CEO Bride 92

Chapter 92

Xeno sent Nash to the gates of Rex District and said, "Nash, we're here."

Nash nodded. "I'm sorry to trouble you."

Overwhelmed by his remark, Xeno replied, "You exaggerate, Nash. You can look for me anytime if you need me in the future."

Nash got out of the vehicle with Hera in his arms.

Skadi was still looking at Xeno. She could not help but think that she had seen this person before. Still, she did not manage to put a finger on it even after some time passed.

Back at the apartment, Nash laid Hera on the bed and started massaging the back of her neck as he imbued his energy with every push.

"Is Hera alright?" Skadi asked nervously.

Nash nodded. "It's not a big problem. What happened, though? Did you two offend someone again?"

Seated on the computer chair, Skadi shook her head and answered, "Hera is so pure and kind. How could she have offended anyone? I wouldn't dare cause trouble out there either since I want to protect her."

now, she immediately felt aggrieved and shifted the blame to Nash. "You talk in Jonford? How

"Lauren, i-it's Skadi. Hera's phone ran out of battery when we were shopping!"

Skadi did not dare tell her what had happened just now as she did not want to worry her.

Lauren's tone softened a little when she heard that. "Where's Hera? Can you put her on the phone?"

"Hera, she... Uh...."

Skadi looked at Hera, who was still unconscious, and did not know what to say.

Nash got up and went toward Skadi. He grabbed the phone, answering, "Hello, Lauren. Hera's asleep right now."

Lauren heaved a sigh of relief when she heard Nash's voice but quickly frowned again. "You three are together?"

Nash laughed and answered, "They went to watch a movie tonight, so I tagged along. We're on our way home now. We're in the car."

Only then did Lauren feel her worry melt away. Right after that, she yelled, "Harrison, stop hitting him!"

Then, the call went dead.
