### Chapter 40 Sorry To Disturb You

"No problem Mr. Gu. I'll let her know."

Jared obeyed Kerr's demand as he turned around and led his way towards where Sunny was. However, Jared planned to change Kerr's message since the He family had a special relationship with the Gu family. He thought that Kerr's words were a bit rude to deliver to Sunny.

He knew that Sunny wasn't the person he would want to mess with. Jared was sure that she would cause a lot of trouble if she was irritated.

"Hello Miss He. Is everything alright?"

Mr. Gu was a little concerned because of the screaming that came from you."

Sunny nodded her head in a sign of affirming that there was nothing wrong as she walked directly to Kerr's office with Jared. Once she got to the office, she poured Kerr a cup of coffee and put it on his desk as she kept a gentle look at him.

"I will always be grateful with you for giving me this big chance to work in the Gu Group, Kerr. You must teach me well though if you want me to perform correctly here."

Jared decided to leave the office since Sunny's timid voice made him cringe.

"The Gu Group has a history record of excellent people that have ever worked with the Gu family, Miss He. I'm afraid that I can't intervene in your process if you don't behave like a qualified assistant."

Those were the emotionless words that came out of Kerr as he kept looking at his computer's screen with focused eyes.

In fact, Kerr had done enough for Sunny by letting her work in the company. Therefore, the least she could do was to behave properly.

"I know Kerr. I know what I have to do. You can trust me."

She grabbed the cup of coffee and handed it to Kerr as she widely smiled from left to right.

"You should have a little break for now and drink this cup of coffee."

Meanwhile, Lily brought back the document to Nicole in her office.

Nicole started to check every piece of data's detail like five times because she couldn't locate what Sunny stated that was wrong. And eventually, she found nothing wrong with the document as she looked at Lily with confusing eyes.

"I don't think I found anything wrong with it. It is weird for me that Jared felt that this document isn't good enough."

Nicole was probably the most meticulous person in the company when it came to business matters. She would never let any mistake to go past her sight.

Although she disagreed with the feedback, she had to take it seriously since Ke

Drugged one night by her ex-boyfriend, a mysterious man took advantage of her in an ecstatic night filled with sex.

To take her revenge, she married the man, and used him.

"As long as I'm alive, I'm still his legal wife, while all of you are just his mistresses."

She remained adamant even when he was involved in scandals with other women.

Eventually she stormed off after she learned that he had betrayed her again. But life brought her back to him a few years later, to his astonishment.

up to go after Nicole. But the chase had to be interrupted due to Kerr's phone which started to ring.

He decided to pick up his phone first since Nicole was still in his company. She couldn't escape from him anyway. He moved forward to the bathroom since his shirt was still dirty with coffee stains on it.

Jared stood at the door and watched the whole scene. When he saw Nicole angrily leading her way out of the office, he decided to go after her.

"Wait, Miss Ning. Miss Ning! Please don't leave like that. Miss Ning!"

When she heard Jared's desperate words, she took a deep breath again before turning back. She smiled professionally at him. She had no interest in venting her anger on others.

"Mr. Kang, you have anything to tell me? I need to get back to work now."

Jared simply stood in front of Nicole to stop her at once. He was slightly surprised as he noticed how much anger there was on her face. He never imagined that Nicole could care that much about Kerr. Otherwise, there would be no reason for her to be mad at Kerr and Sunny.

"I feel that I have the responsibility to explain some things to you. Miss He is the daughter of the He family. Both the Gu and He families have had a strong relationship throughout the years. The reason she's here working with us is simply because Mr. He asked Mr. Gu to keep her in the Gu Group.

Although Miss He has feelings for Mr. Gu, he's never had interest in her. But it's impossible for Mr. Gu now to avoid her while she's around here."

Jared knew that it had been hard for Kerr to ever approach Nicole since she always was on guard against him.
