Chapter 441 Too Willful

"You are beautiful even without makeup." Kerr looked at the blush on Nicole's face.

He smiled with satisfaction.

In the study on the second floor.

Standing in front of the French window, Jay looked at Kerr and Nicole's receding figures, with a faint sense of relief on his face. Perhaps he should accept the reality. Nicole was indeed very happy with Kerr now.

He could leave at ease.

He turned around and walked to Lucas's room. Looking at him in the crib, Jay said, "No one will take Mommy away from you in the future. Remember to be good. Don't make Mommy too tired, okay?"

Jay's voice was very low, and he exhorted Lucas like an adult, even though the latter had been sleeping with his eyes closed.

Lucas, who had always been quiet, suddenly opened his eyes when he heard Jay's words. Normally, no one could make Lucas open his eyes except for Nicole.

It was the first time that Jay had seen such bright eyes of Lucas.

Jay felt very angry. When their eyes met, Jay felt the smile in Lucas's eyes. Subconsciously, he reached out his hand to Lucas, trying to touch his little face.

But before his fingers touched Lucas, the later raised his hand and held Jay's fingers, as if telling him that he had heard what Jay had just said.

"Can you understand me?" Jay asked curiously. Although the little guy could not speak and his fingers were so soft, Jay could feel Lucas's strong desire for life.

"I'm relieved to have you by my side. I don't know if you can remember me when I come back. Perhaps you don't remember me, but I won't forget you."

Jay knew that he wouldn't leave for a day or two. Maybe by the time he came back, Lucas would be as old as he was now.

Drugged one night by her ex-boyfriend, a mysterious man took advantage of her in an ecstatic night filled with sex.

To take her revenge, she married the man, and used him.

"As long as I'm alive, I'm still his legal wife, while all of you are just his mistresses."

She remained adamant even when he was involved in scandals with other women.

Eventually she stormed off after she learned that he had betrayed her again. But life brought her back to him a few years later, to his astonishment.

From beginning to end, he held her hand and never let it go.

"That's okay, Mr. Kerr. In fact, we just arrived. Is this Mrs. Nicole? I've heard that Mrs. Nicole won the bidding project in the city when she worked in the Gu Group.

Mr. Kerr, you have a good taste in woman." The speaker was a middle-aged man. The moment Nicole came in, he had recognized her. He had participated in that project, so he had a deep impression on her.

But his company was much weaker than the Gu Group.

So he came here today to seek cooperation with Kerr. But before he came here, he had been well prepared. It was said that Kerr attached great importance to his wife.

He didn't know whether it was true or not, so he asked tentatively.

"I'm flattered, Mr. Zhang." Nicole nodded at that man. She had a good memory. Although she didn't take the Zhang Group seriously when she was in the Gu Group, she still remembered Mr. Zhang.

The man was surprised to hear Nicole call him like that. Apparently, he didn't expect her to know him, but he just nodded slightly to her.

Everyone present could see that Kerr cared so much about Nicole.

Chapter 442 Good News

"I have seen the contract and there is no problem. Mr. Zhang can come to the KN Group to sign the contract the day after tomorrow." Kerr said lightly.

He turned his face and looked at Nicole with loving eyes.

Kerr's words surprised everyone present. Everyone could see that Kerr was still serious when he first came in, but after Mr. Zhang praised Nicole.

His attitude changed immediately. Even Mr. Zhang himself was surprised to hear what Kerr said. He didn't expect that it would be so easy to get the contract.

For a moment, everyone's eyes were focused on Nicole.

"Mrs. Nicole is really a great helper to Mr. Kerr. Mr. Kerr is so lucky to have such a good wife!" Everyone raised their glasses and wanted to propose a toast to Nicole, but they dared not act recklessly in front of Kerr.

It was a little awkward. Everyone wanted to get more opportunities by flattering Nicole.

Nicole also noticed the intention of these people in the private room, so she turned her face and secretly glared at Kerr. In her impression, he had always been a principled man.

Why did he change today?

Nicole stood up and smiled at the people who were still praising her, "I'm sorry, everyone. I'm going to the bathroom." She wanted to go out to breathe some fresh air.

Kerr knew what Nicole meant. When he was about to stand up and go out with her, Nicole pressed his shoulder and said, "I can go by myself. I'll be back soon."

Nicole didn't want Kerr to leave an irresponsible impression in front of others.

She didn't want everyone to think that Kerr only focused on her.

Kerr nodded and gave Jared a look, indicating him to follow Nicole.

Nicole was helpless, but she didn't refuse. She walked out of the private room and breathed a sigh of relief. "You are also helpless to

one with ulterior motives heard this, Nicole and Jared would get into unnecessary trouble even if there was nothing between them.

"Mr. Phil!" Jared turned around and was about to refute him, frowning. Apparently, he was dissatisfied with what Phil Gu said.

Nicole raised her hand and patted Jared on the shoulder to stop him. After all, Jared had a different identity. If he offended Phil, he would get into trouble.

Looking at the contemptuous look on Phil's face, Nicole smiled faintly, as if her mood was not affected by his words at all. She walked up to Phil Gu and said, "Since Mr. Phil said so, does it mean that you have something to say to me?"

Jared, you may leave for a moment. I'm also curious about what Mr. Phil want to say." Said Nicole calmly. She had a clear conscience, but Phil had been targeting her since he appeared.

Nicole really wanted to know what he was going to do.

Hearing what Nicole said, a smile appeared on the face of Phil. It seemed that Nicole was a smart person. In this way, things would become much easier for Phil Gu.

Looking at Phil in front of him, Jared knew that he was up to something. He stepped forward and wanted to remind Nicole.

Chapter 443 Something Interesting

But Jared was forced back by a glance from Phil in front of him.

"Jared, you should pay attention to your identity. You should know better than anyone what you can do and what you can't do." Phil knew that Jared was Kerr's man.

But no matter how much Kerr trusted Jared, no man could calmly face such a thing, let alone Kerr.

"Mr. Phil, I know who I am, but I also hope that you can be careful with your words and deeds. After all, Mr. Kerr hates people who make trouble for him." Jared warned him.

Then, according to Nicole's order, he took a few steps back and waited for her at a place where he could not hear the conversation between Nicole and Phil. Kerr asked him to follow Nicole. Since Nicole did not go back, he could not go back either.

"Can you tell me now, Mr. Phil? From the moment the you saw me, you seemed to be hostile to me. Before that, I have never seen you. I don't know where I have offended you, Mr. Phil."

Nicole said indifferently after Jared went away.

Looking at the appearance of Phil, Nicole didn't know why she felt that the man in front of her was a little like Hebe.

"You didn't offend me, but I know you. I have to say that I really admire you, since you are able to marry my brother. You should know that marrying Kerr is every women's dream in A City.

So you are smart enough to make my brother fall in love with you among so many women. But if you don't want to lose everything you have, I hope you can be smarter.

Let me show you something interesting." Then Phil took out his phone from his pocket and showed a picture to Nicole.

Nicole took a closer look, and the picture clearly showed that she was talking to Jared just now. But because of the angle, from this photo, it seemed th

d to stall for time. She didn't want Phil to cause any trouble to Kerr now.

Phil thought that Nicole had taken the bait. "Okay, I'm waiting for your good news." After saying that, he turned around and left with a relaxed look on his face.

When passing by Jared, Phil gave a meaningful look at him and patted him on the shoulder.

After Phil left, Jared walked up to Nicole and asked, "Mrs. Nicole, what did he say? Does he want to get the shares of the KN Group?" Jared heard Nicole mention the shares just now.

In fact, the Gu family's purpose was obvious.

With a slight smile, Nicole didn't answer his question, "Let's go back. Otherwise, Kerr would be worried about me." Nicole didn't feel angry because of what Phil said, but she felt a little sorry for Kerr.

After all, it was really a pity for Kerr to have such a family.

Jared followed Nicole and knew that she didn't think too much, so he didn't ask any more questions and wanted to tell Kerr about it.

After returning to the private room, Nicole sat beside Kerr.

"Why did it take so long?" Kerr held Nicole's shoulder and asked her. If she didn't come back, he would look for her.

Chapter 444 What Did You Find

There was an mysterious smile in Nicole's eyes. "What's wrong? Are you still worried that I will get lost?"

She knew that Kerr was worried about her all the time.

Sitting next to him, Nicole looked at him and smiled.

Looking at Nicole, Jared didn't know if he should tell Kerr what had happened in the hall. But looking at Nicole, Jared didn't feel that Nicole was nervous about anything.

"No, I won't let you run away from me." Holding Nicole's hand, Kerr looked confident.

Looking at the time on his watch, Kerr knew that Nicole was ready to go to bed at this time of the day, so he stood up and took her out of the private room.

Just two steps out of the private room, Kerr heard a voice from behind, "Brother!"

Stopping his steps, Kerr knew who was calling out at him, but he didn't turn around. Recently, the Gu family seemed to be very active. No matter where Kerr went, he could run into them.

Nicole turned around and watched Phil who was approaching them with a smile on his face. She didn't know what Phil wanted to do. They had made a deal that he wouldn't let Kerr know about the photo for the time being.

She didn't know if Phil wanted to break his promise.

"I saw Jared in the corridor just now. I thought I mistook him for someone else. I asked the manager and knew that you are really here. Long time no see, Kerr." Phil looked at Kerr with a smile.

He then glance at Nicole and pretended to be surprised. "Kerr, is this your wife? It's the first time I've seen her. You have a good eye for choosing such a beautiful lady as your wife."

Phil praised Nicole, but there was a deep meaning in his eyes when he looked at Nicole.

Nicole knew that Phil was reminding her. If she didn't give Phil a satisfactory answer, he would give the

if he annoyed Kerr, Kerr would be against him.

Then it would not be easy for him to get the shares of the KN Group.

Then Phil turned around and left.

Looking at Phil's receding figure, Nicole shook her head. She had thought that Phil was smart, but she didn't expect him to be so stupid.

"When did you see him?" Kerr said in a firm tone. Judging from the reaction of Nicole and Phil just now, it didn't look like it was the first time they met.

Nicole looked at Kerr's side face in surprise, "How do you know?" Nicole didn't expect that Kerr could guess these things in their short conversation.

With a slight smile at the corners of his mouth, Kerr held Nicole's hand, turned around and walked towards the door.

"What did he want from you? What did he do to you?" Although Kerr didn't know much about Phil, he knew what Phil was up to, and he disdained it.

So Kerr could easily tell that there was something wrong between Nicole and Phil.

Sitting in the car, Nicole leaned on Kerr's shoulder with a smile in her eyes. "Kerr, did you install a camera on me? Why do you know everything about me?"

Nicole knew that it was because of his consideration for her.

Chapter 445 Protect My Wife

"Do you want me to investigate it by myself or just tell me about it?" Kerr lowered his head and looked at the little woman in his arms. Seeing that she didn't look so nervous, he felt relieved.

It meant that Phil didn't go too far. If Phil really brought trouble to Nicole, Kerr wouldn't let him go easily even if he was a member of the Gu family.

Feeling Kerr's serious gaze, Nicole didn't feel any pressure. "Kerr, what will you do if someone tells you that I have an affair with another man one day?"

Nicole asked deliberately as she was curious about Kerr's reaction when he knew this.

Hearing what she said, Kerr's face darkened. "I will kill the person who spread the rumor and the man who has an affair with you." Kerr wouldn't give anyone any chance to get close to Nicole.

In his world, Nicole belonged to him alone.

Looking at Kerr's serious face, Nicole was surprised. She thought Kerr would believe her, so he wouldn't believe the rumor at all. But she didn't expect to get such an answer from him.

"You don't believe me?" Nicole looked at Kerr seriously with obvious displeasure in her eyes. She had never expected that he would suspect her.

Such a thing would never happen to her.

Nicole looked into Nicole's eyes and knew her stubbornness. He lowered his head and wanted to kiss her, but she dodged.

"It's not that I don't trust you. It's just that as your husband, I have to protect my wife well. I don't believe any man who wants to get close to you." Kerr said overbearingly.

But he felt that it was the right thing to do.

That was exactly what he thought. He was not afraid that Nicole would know.

With a helpless look on her face, Nicole looked at Kerr and pinched his nose.

Drugged one night by her ex-boyfriend, a mysterious man took advantage of her in an ecstatic night filled with sex.

To take her revenge, she married the man, and used him.

"As long as I'm alive, I'm still his legal wife, while all of you are just his mistresses."

of them.

Looking at Kerr, Nicole began to feel sorry for him from the bottom of her heart.

"What are you going to do?" Kerr knew that when Nicole left the private room, Phil met her and threatened her.

That was why Kerr could forgive Nicole for not telling him about it.

"I can ask Jay to hack the photos in his mobile phone, so that he couldn't threaten me. I believe Jay can handle it."

Nicole believed in Jay's ability very much, but she was still sad when she thought that Jay would leave her soon.

Kerr stroked Nicole's hair and said, "You are very smart. Don't worry. Although Jay has left, me and Lucas are with you." Kerr noticed the disappointment in her eyes at a glance.

He knew it was hard for her to accept Jay's leaving, but she was forcing herself to accept it.

"I know. Don't worry. I'm fine. You go to take a shower first. I'll go to see if Jay is asleep." Nicole smiled at Kerr, stood up and walked out of the bedroom.

Carefully pushing open the door of Jay's room, Nicole felt the dim light in the room, indicating that he had fallen asleep.

Nicole fumbled to the bedside of Jay and lowered her head.

Chapter 446 Warmth

Looking at Jay's delicate appearance in the moonlight, Nicole knew that Jay used to light a night lamp at the bedside before going to bed.

It would make him sleep more comfortably. She knew that it was because Jay didn't have a sense of security. But ever since he came back to Kerr, it seemed that he had never used the night lamp.

She had to admit that Kerr had a great influence on Jay.

Touching Jay's hair, Nicole bent over and kissed him on the forehead.

It was the first time that Jay left her like that since he was born. "Jay, I hope you can be happy."

No matter where Jay was, she hoped that he could have the life he wanted. Only in this way could Jay be happy.

Nicole said in a low voice. Then she tucked him in and left the room.

Inside the bedroom.

When Kerr came out of the bathroom after taking a shower, he saw that Nicole was still sitting on the sofa in a daze. He shook his head helplessly and said, "If you are really so worried about him, I won't allow him to leave."

He would not let Nicole worry about anything.

Hearing Kerr's voice, Nicole came to herself. She turned around and looked at Kerr behind her.

Kerr was still wet with the vapor since he had just taken a shower. With a bath towel around his waist, he wiped the water drops on his hair with a towel in his hand. He frowned and looked at Nicole.

Nicole couldn't help laughing. No one could tell that the man in front of her was the father of

to win the beauty's smile.

So many people fixed their eyes on him.

"Mr. Moore!" The girl came to Moore who was holding a glass of wine in his hand. She grabbed his wrist and took the wine near her lips with obvious temptation in her eyes.

Seeing the action of the woman, Moore directly reached out his hand and held her in his arms.

"Ah!" The woman screamed, pretending to be surprised. The glass in her hand was not held tight and directly sprinkled on her body.

"Mr. Moore, you are so bad!" The woman grumbled, throwing away the glass in her hand, and gently slid her slender fingers across Moore's lips.

Moore smiled faintly and kissed the woman without hesitation

"Moore!" When Moore was immersed himself in the kiss, a sharp female voice interrupted him. Even if Moore didn't raise his head, he knew who it was.

All his fun was ruined. Moore let go of the woman in his arms, stood up and walked out of the bar with a gloomy look on his face.

Chapter 447 Running Out Of Patience

"Stop, Moore!" Sunny looked at Moore angrily, but since she appeared, Moore had never looked at her.

When they walked out of the bar, Sunny stopped Moore and stood in front of him. "Moore, what do you mean? What do you think of me in your heart?"

Sunny didn't expect that Moore would really love her, but it never occurred to her that Moore would almost get drunk in this place every day.

He didn't even care about Ron.

"Sunny, do you think I keep you by my side because I love you? Don't talk nonsense to me. You know exactly what I want. If you can't do it, don't get in my way!"

Moore warned Sunny coldly. In his eyes, if Sunny could no longer threaten Kerr, then she was worthless to him.

"What do you want? Everything you have now was stolen from Kerr! Do you really think that you can rest assured in this way? Let me tell you, no matter how hard you try, you can't beat Kerr!"

Sunny looked at Moore angrily and spoke without thinking. She obviously felt his anger.

"Clap!" A loud slap fell on Sunny's side face.

Moore's face was full of anger. "Let me tell you, Sunny, you'd better know what you are talking about. You still love Kerr, right? Do you want to go back to him?"

Reaching out his hand, Moore directly strangled Sunny's neck, with cruelty in his eyes.

"Ahem! Let... Let go off me!" Sunny felt difficult to breathe.

There was obvious threats in Moore's eyes. Sunny had no doubt that Moore would kill her in the next second.

"I..." Sunny wanted to explain, but she couldn't say anything.

Moore was furious at that moment. Seeing that Sunny's face turned red because she was out of breath, Moore slowly released his hand.

"If you dare to t

le."

Edward comforted Sunny.

But it didn't make her happy.

Sunny smiled and said, "Edward, don't worry. I won't compromise so easily. I'll let those who hurt me pay the price."

She had never changed her mind.

Looking at Sunny, Edward knew what was on her mind.

"Miss, no matter what you do, I will always support you."

Sunny looked at Edward with a smile, "Tomorrow is Wednesday. According to Freya's previous habits, she will go to the hall to select new products. We will go there tomorrow."

Although Moore didn't treat her well, he didn't restrict her too much in economic terms, so she had the ability to negotiate with Freya.

Edward nodded and drove to the villa.

The next day, Sunny put on a delicate makeup and looked at herself in the mirror. If she didn't look carefully, the swelling on her face was not that serious.

She didn't want anyone to see her embarrassed look.

Edward parked his car at the gate of the hall and watched Sunny get off the car.

Sunny knew that every time Freya was here, she would be in the same private room, since she often accompanied Freya to come here.

Chapter 448 Mother And Daughter

Sunny had been here with Freya before, so after Sunny gave the waiter a generous tip, The waiter didn't make things difficult for Sunny. He asked Sunny to wait in the exclusive room of Freya. Not long after she sat in the room, she heard the voice from the door.

"Mrs. Freya, here you are. Please come in." The staff greeted Freya warmly.

Freya smiled faintly and walked towards her private room. As soon as she opened the door, she saw Sunny sitting inside. Her face darkened with obvious dissatisfaction.

"What's going on? Isn't this my private room? Why is there someone else here?" Looking at Sunny, Freya thought of what she had done and could not help feeling angry.

"Auntie, don't you remember me? I'm Sunny. I know there were some misunderstandings between us before, so I'm here to apologize today. I know that your membership is about to expire, so I renew it for you for a year."

Sunny knew that Freya had been paying her membership fees in advance every time. Now it seemed that Freya's economic situation was really not optimistic.

Hearing Sunny's words, Freya's face softened a little. She waved at the staff, indicating that they could leave. She walked to the opposite of Sunny and sat down.

"Sunny. How dare you show up in front of me? You cheated me with a bastard for so long. It really surprised me."

Freya's face was full of disdain. Since the last time Sunny and Moore left the Gu family, she had no news of Sunny, but the He family had been destroyed by Kerr.

In fact, it didn't matter much whether she could find Sunny or not.

She didn't expect that Sunny would suddenly appear in front of her. She was quite generous. The membership fee here was as high as millions dollars a year. She d

u can't get back to Kerr, if you can really make that bitch leave him, I will treat you well.

If you cannot be my daughter-in-law, you can be my daughter." Freya reached out her hand and held Sunny's, her eyes were full of expectation.

Sunny knew that Freya had believed her words, so she nodded at Freya, with complacency in her eyes.

In Kerr's villa.

Nicole saw Jay standing in front of her in black casual clothes. Perhaps it was because she was too careless that she didn't notice that Jay had grown taller than before and even reached to her chest.

Obviously, he was no longer the child who needed her protection.

"Mommy, don't worry. I will take good care of myself." Jay nodded earnestly to Nicole, and then turned to Kerr, "You must take good care of mommy and Lucas."

In fact, he had believed in Kerr. After so many things, Kerr did not give up Nicole. He knew that Kerr would not give up her in the future.

As long as Nicole could get happiness, he would be satisfied.

"Daddy, I'm sorry." Jay knew that his willfulness had caused Kerr a lot of trouble, but Kerr had never blamed him.

Nicole looked at Kerr in surprise.

Chapter 449 A One-Way Ticket

She knew what Jay meant, but she didn't know how Kerr would react.

Kerr was calm, and he just nodded slightly, "Come back soon." In fact, the training arranged by Kerr for Jay had great flexibility. If Jay could adapt it quickly enough...

Maybe Jay would come back to Nicole soon.

Jay nodded and walked towards the door.

With tears in her eyes, Nicole threw herself into Kerr's arms. Then she resisted her impulse to stop Jay.

At the gate of the villa, Jay heard Nicole's voice. He clenched his fists, turned around and looked at Nicole and Kerr not far away. Jay's knees fell to the ground.

"I'm sorry, Mommy." Looking at Nicole, Jay felt sorry for her, but this was his choice and he had to stick to it.

As soon as he finished speaking, Jay stood up and left directly. This time, he did not look back. He was also worried that he would not want to leave if he saw Nicole's tears.

Until the sound of the car driving away completely disappeared...

Nicole dare to turn around. Looking at the empty door, she realized that Jay had really left.

"You still have me." Kerr hugged Nicole from behind, rested his chin on her shoulder and whispered in her ear.

He knew that Nicole was sad, but he also knew that she would feel better since she still had him and Lucas with her.

Hearing Kerr's words, Nicole nodded and forced a smile.

Jared came in with a pile of documents in his hand and stood in front of Kerr. "Sir, this is the document you asked me to prepare for Mr. Phil. The flight ticket is booked at night."

Although Kerr just said that he just wanted Phil to leave as soon as possible, Jared directly booked the earliest flight. In the past, Jared just felt that

ing happened to Phil, he would have no one to rely on, so it was impossible for him not to be anxious.

"No way!"

Phil slammed the documents on the ground and walked outside.

Sitting on the driver's seat, Phil held the steering wheel angrily, stepped on the gas and drove towards Kerr's villa.

This morning, he found that there was something wrong with his mobile phone. He didn't expect that Nicole would act so fast. Fortunately, he had the backup. Otherwise, he really couldn't do anything to her.

But Phil could tell that Kerr had already known that he had threatened Nicole. If things went on like this, there was no way he could stay in the A City.

The car stopped near the Kerr's villa. Phil forced himself to calm down and seriously thought it through. If he broke into Kerr's house like that...

And Kerr happened to be at home, he would be in big trouble. He had to think of a solution.

Suddenly, a person came to his mind. He took out his phone and dialed the number of Hebe.

In the Kerr's villa.

"You really don't want to go to the company with me?" Kerr looked at Nicole who was tying his tie.

Chapter 450 Congratulations

Kerr asked Nicole seriously. He didn't want her to stay at home alone.

He was worried that Nicole would miss Jay and think too much.

Nicole shook her head and smiled, "Don't worry about me. I'm fine. I've accepted the fact that he left. Lucas's still at home. I want more time to accompany him.

"I'll be back to the company in a while. By that time, we can still work together." Nicole understood what Kerr meant. She also wanted to stay with Kerr all the time.

Hearing what Nicole said, Kerr gently kissed her side face, and then left the villa under her gaze.

Seeing he leave, Nicole sighed, turned around and went back to Lucas's room. Seeing he was lying on the crib with a cute face, Nicole smiled slightly.

"How long can you stay with me? Will you also want to leave me when you grow up?" Nicole looked at Lucas gently.

Fortunately, Lucas was with her now.

Hearing Nicole's voice, Nicole opened his eyes, with a smile in his big eyes and a little chubby face, as if he was trying to comfort Nicole.

Nicole pointed at Lucas's nose gently and held him in her arms.

"Knock, knock, knock!" There was a knock on the door behind her.

When she turned around, she saw Vedder standing at the door.

"Uncle Vedder, what's up?" Nicole asked.

"Mrs. Nicole, Miss Hebe is here. She wants to visit Lucas." Vedder looked at Lucas in Nicole's arms.

Nicole frowned. From Kerr, she had known what Hebe was thinking, so she didn't have a good impression of her. She didn't know what Hebe was going to do here.

Nicole nodded, "I see." Then she lowered his head and looked at Lucas in his arms. "Do you want to see your aunt?" In fact, Nicole knew that Lucas couldn't understand.

But she still asked.

But Lucas's reaction w

will have a wedding soon." Nicole let go of Hebe's arm and walked to the sofa, intending to sit down.

But she was stopped by Hebe, "Nicole, the weather is so good outside. Let's go shopping together, okay? I've been back for so long. I've been scolded by aunt for several times just because I supported you."

With an aggrieved look on her face, Hebe said, "By the way, Jack is my uncle, and Freya is my aunt." Worried that Nicole might not know their relationship, Hebe explained to her.

With a faint smile, Nicole said, "Mrs. Freya hopes that Kerr will meet someone more suitable for him than me. It's fine, but I'm afraid Mr. Freya would be disappointed. I just heard from Uncle Vedder that you are here to see Lucas?"

I'm afraid I'll let you down, Hebe. He just fell asleep." What Nicole's meant was obvious.

She didn't want to see Hebe stay here any longer.

Seeing the indifference on Nicole's face, Hebe held her arm and said, "Nicole, I've suffered so much because of you and Kerr. Shouldn't you make it up for me?"

Nicole didn't want to let go of Nicole. She believed that she could get more from Nicole since she was so generous last time.
