### Super CEO Daddy

#### Chapter 6

Juliette had long grown bored after staying home for days, so she cheered and leaped in joy. “Yay!”

Just then, the housekeeper, Camille, came back. She was carrying groceries, as she had gone out to buy them earlier.

As she was single and had been with Gwendolyn for six years, she treated the latter's family as if they were her own.

Upon seeing Juliette put on a furry coat with rabbit prints, Camille smiled before asking, “Are you going out with your mommy, Juliette?”

The little girl was a miniature version of Gwendolyn and could charm anyone with her cute expression and large, blinking eyes.

Coupled with her sweet voice and pink coat, she looked extremely adorable.

Gwendolyn picked up the bag that contained the coat before holding Juliette's hand.

“I'm heading out for a bit, Ms. Ziegler. Please fetch the boys when school ends.”

Camille smiled. “Will do. Have fun with Juliette.”
