Chapter 8 Proved to be Innocent by the surveillance video

Natalie was furious. Staring at the “couple” who were hugging each other tightly in front of her, she sneered.

“Julian, I find that you really can’t recognize people. Have you forgotten why the Graham family was on the verge of bankruptcy? One reason is that you can’t recognize people clearly. The woman in your arms is not like what you think! Think about it!”

Julian stared at Natalie with sharp eyes, “I can’t recognize people clearly? Yes! I really can’t recognize people!”

“I have always thought that you are a gentle, kind and good wife, but I didn’t expect you to be jealous of others all day long and even fight others! How could you be so jealous!”

Did he think she fought with Niki because she was jealous of Niki?

Was she jealous that Niki could win his heart? Was she jealous that Niki can live happily with him in the

future?

It was so funny!

He came to blame her without distinction, regardless of how much she had helped the Graham family!

Hearing this, Niki believed Julian’s conjecture. She hugged Julian tightly and said, “Don’t be angry, Julian. Niki is fine. Niki is willing to be wronged. It’s all because you are too excellent that you gets so much jealousy...”

Hearing this, Julian knew that his conjecture was right. He stared at Natalie and said in a decisive tone, “Natalie, apologize to her!”

This man was so ruthless! After met his unrequited love, didn’t he care about what she had done?

“Why should I apologize? She hit me first!” Said Natalie, looking fearless and domineering at Julian.

“Niki hit you? Niki is too weak to hit you.”

“What’s more, Niki is a gentle girl. How could she hit others on her own initiative?” Obviously, Julian didn’t.

believe her.

“Don’t try to defend yourself anymore. Apologize to her then I’ll take it as nothing has happened.”

Natalie sneered, “If I said I won’t apologize, then I won’t apologize!”

“You don’t apologize? I’ll teach you a lesson!”

Julian tried his best to hold back his anger. He didn’t want Natalie to be too embarrassing, but if Natalie kept challenging his bottom line, he would let her pay for her reckless assault.

The eyes of Natalie were full of firmness and even provocation when she looked at Julian.

“Natalie, you have to be punished for hitting others.” Julian was obviously irritated. “I’ll say it again for the last time. Apologize to Niki!”

Niki pulled his sleeve in his arms and added more anger to the man. “Julian, she just bullied me because I was not in good health and didn’t dare to fight back...”

Looking at the delicate look of Niki, Natalie felt extremely disgusted.

She didn’t want to argue with them anymore, so she waved at the employee and said, “Please check the surveillance video of your shop. Thank you.”

When the surveillance video was shown, it would be clear who initiated the fight!

She had never been wronged like this!

She wanted to leave a trace of dignity for Niki, but Niki was insatiable. Don’t blame her for being rude!

When Niki heard that Natalie was going to get the surveillance video, her face turned pale and her hands trembled slightly, grabbing the corner of Julian’s clothes.

“Julian, forget it. Niki is fine. It’s worth it for Niki to be wronged because of you...”

She didn’t expect that Natalie would remember to get the surveillance video.

If Julian saw it, she would be done...

Staring at Niki whose face was pale, Natalie said with a playful smile, "This is true weakness. The disguise just now didn't look like it at all."

Julian held the woman in his arms and said, "It's okay, Niki. I'll back you up. Now that the surveillance video is here, there's no reason for her not to apologize to you."

Niki's shoulders trembled, and her hands held by Julian were shaking. Obviously, she was extremely scared.

The shop assistant came out of the monitoring room and said to Natalie with respect, "Miss, I've got the

surveillance video for you. Please move here."

"Let's go and see what's going on, you two!" Said Natalie, looking at Niki who was trembling.

"Oh, what's wrong with you? Why are you shaking so hard? Do you need me to help you, Miss Linch?" Natalie

reached out her hand to Niki and smiled politely.

Without answering her, Niki's face turned pale and she clenched the corner of the man's clothes.

With the help of Julian, Niki went to the video room.

Staring at Niki with deep eyes, Natalie raised her finger and pressed the play button without hesitation.

As the video was played frame by frame, Niki's face turned paler and paler, and Julian's face turned from

anger to surprise.

The expressions of the two changed from time to time, and a wonderful scene unfolded.

The video was placed at the moment Julian arrived, Natalie reached out her hand to pause it.

She walked to the opposite of Niki in a slow pace and looked into Niki's guilty eyes. "Miss Linch, do you want to apologize to me as Mr. Graham said?"

Julian looked at the delicate woman in his arms in shock, with a bit of coldness in his body.
