

After the Divorce, CEO Realizes He's the Stand-In Lover By Madison King

Chapter 9 Where did you get so much money?

Niki's face turned paler. She clung to Julian's clothes, and her hands were trembling.

"Julian, let me explain..."

Niki stood up from Julian's arms, trembling, with tears in her eyes.

Looking at the woman who was crying in front of Julian, Natalie raised her eyebrows.

It was a pity that Niki didn't choose to be an actress.

"I came with Gina to buy some daily necessities today. And then I saw Natalie ran pass us in a Maybach. I just wanted to say hello, so I followed her."

There was a nervous edge to her voice, and Niki made a stress on Maybach, like she wanted Julian to notice

this.

"You were following me?" said Natalie coldly as she looked at this "delicate" woman.

Niki didn't answer but continued to explain to Julian in a crying voice.

"And then I saw Natalie intended to buy a house here as soon as I came in.

She pointed at the luxury introduction list on the counter.

Julian looked at the list and his eyes darkened.

Niki observed Julian's expression carefully and felt relieved when she saw the change in his eyes.

Even the Graham family couldn't afford the Greenlife villa that easily.

"The houses of Greenlife are so expensive that ordinary people can't afford it." Niki continued.

“Yes, the Graham family can afford it, but you earned your money through hard work. There’s no way people can spend your money so recklessly.” Niki said in an aggrieved voice and looked at Natalie with mournful

eyes.

Natalie casually looked into Niki’s complaining eyes. She couldn’t care less about this woman.

It was true that the Graham family couldn’t buy a Greenlife villa that easily like she did.

But it had nothing to do with her whether the Graham family could afford it or not.

Natalie waved at the staff next to her again and said, “Have you got through with the procedures? Just ignore these two people. I can pay for this. You can use my card.”

Seeing that Natalie was still so arrogant, Niki was furious. She put her hands on Julian’s arm and said, “Julian, look at her. She is still so arrogant while spending money of the Graham family...”

Thriftiness was the tradition of the Graham family. Niki was sure that Julian would not tolerate this woman’s

extravagant spending.

With a playful smile, Natalie waved the car key in her hand to Niki and said, “Ask your dear brother Julian, did

I take the money from the Graham family?”

Niki could not submit to such words. She gently tugged at Julian, indicating him to say something for her.

Julian moved the woman’s hand away impatiently and frowned at Natalie with inquiry in his eyes.

Then he said in a deep voice, “I never gave her that much money.”

Hearing this, Niki was a little stunned. The tears in her eyes stopped, being replaced by an undisguised

shock.

“How... How could it be possible? Then where did this woman get so much money?” Niki lowered her voice, obviously lacking of confidence.

Hearing Julian’s answer, Natalie nodded slightly with appreciation in her eyes.

Julian was honest. He didn't try to lie and say that the money was from his family.

The staff of the sales office finished the procedures and respectfully came to the side of Natalie, handing out the card. "Hello, Miss. Spears. The procedure of purchasing a Greenlife villa has been completed. You can

move in tomorrow."

Under the gaze of Julian and Niki, Natalie took the black card and thanked the staff politely.

Julian narrowed his eyes and looked at the black card with more inquiry.

How could Natalie, an orphan, get so much money and even buy a Greenlife villa?

Niki was not reconciled. She frowned, looking at the respectful employee and Natalie who was in luxuriously dressing. She couldn't help clenching her fists.

Natalie signed her name on the paper and looked at Julian and Niki who both got disapproving looks on their faces. "If there's nothing else, I'll leave first. You can also choose a villa carefully. There are better houses in Greenlife.

Niki glanced at Natalie whose face resembled her face, and her eyes were full of anger.

Suddenly, Niki's eyelids twitched slightly, as if she had remembered something. She turned to Gina and

asked, "Gina, is Natalie the one who is in charge of the Graham family' money?"

Gina lowered her head and replied, "Yes, it was Miss Spears who was in charge of money before, but now it is the butler who is in charge of money."

Niki raised her eyebrows. She knew that there was something fishy going on with Natalie's money!

She waved her hand to let Gina leave, then pulled Julian beside her and said in a low voice, "Julian, it's impossible for her to have that much money. I know where her money comes from."

This woman's money must come in disgrace!

Hearing this, Julian looked at the Niki with deep eyes and nodded slightly, indicating her to go on
