### Chapter 311 A Warning For The Weak

The person sitting across from him was Leon Williams. After hearing Daniel Lee's crazy idea, his expression changed. "Lee, don't blame me for not warning you in advance."

"You are just digging your own grave if you did that."

What kind of person was Oliver Walker?

How could his wife be tainted by others?

Don't be fooled by Oliver Walker's harmless appearance. That was because he had not been provoked yet.

Without a doubt, his family was his bottom line!

Leon Williams was interested in Emilia back in the days.

However, if anyone dared to do it, they would definitely experience the taste of despair.

"Cough cough ..."

Daniel Lee laughed awkwardly. "It can't be that serious, would it?"

"Although this kid does have some moves, but ..."

It was true that he had caused a ruckus at the banquet yesterday and made people look at him in a new light.

However, they were all clear about why that man was not held accountable for what he did last night.

Davis was indeed in a terrible fix but it would be easy for them to kill Oliver Walker. He just didn't have the time.

"Since we've known each other for so many years, I'll give you a heads up. Do you remember the notice that Luke Adams's secretary gave us?"

Leon Williams said with a serious expression, "The Davis will not fall but Emilia will definitely be taking over the company soon!"

"The reason I'm saying so much to you today is entirely because you helped me back then!"

"That's all I have to say. Take care!"

"Also, if you dare to go against Oliver Walker, then we shall be strangers from now on."

"Goodbye!"

After saying that, Leon Williams left.

The reason for this reminder was mainly because of the favour he had received from Daniel Lee.

However, that was all he could do. That little bit of kindness was not enough for him to reveal that the number one war god, Aiden Wilson, and the sacred doctor of Chinese medicine, Hendrik Smith, were both Oliver Walker's disciples.

Along with the strange situation in the Davis group's stock market, was there any need to think more about it?

Who was Luke Adams?

One of the eight gods of wealth in America!

If no one told him about it, for someone at his level, would he really care about the Davis Group who was in Colorado?

It was simply hilarious!

Even if Luke Adams didn't know Oliver Walker, there was definitely a connection between them.

Therefore, he knew very well that the mastermind behind what was happening to Davis was Oliver Walker himself.

"F \* ck!"

Daniel Lee was dumbfounded. When he finally reacted, he chased after them, "Williams...!"

But... Leon Williams was nowhere to be seen!

What did he mean by that?

If he laid hands on Emilia, would they no longer be friends?

No!

It wasn't that simple!

The most important thing was that when Leon Williams said those words, he looked so scared!

This ...

Didn't that mean that even the richest man in Colorado, Leon Williams, couldn't touch Oliver Walker?

With the help of the Shangri-La Hotel, he was indeed doing well and could be ranked in the top ten in Colorado. However, compared to Leon Williams, it was still a huge gap.

Therefore, he realized the seriousness of the matter.

"Xiao Wen!" He hurriedly shouted. "Which table is Emilia sitting at?"

He had to go out and welcome them!

After all ...

"Mom, honey, I'll pay for the bill!"

At this moment, the lunch was finally coming to an end.

"Alright!"

"Hurry up and go!"

Isaac Davis, who was drunk, quickly shouted at the top of his voice, "I have to say, this good wine is really different."

"Ah ..."

"It would be great if I could drink such good wine every day!"

“Hehe ...”

When he finished speaking, he even patted his round stomach and burped!

Emilia was so angry that she couldn't say a word!

On the other hand, Mary Grimm asked weakly, “How much is this wine?”

She didn't know much about wine!

After all, when the waiter brought it over, the bottle had already been opened without any packaging.

Thus, she had thought that it wasn't very expensive. However, after hearing this, it was clear that things weren't that simple.

Chapter 312 Enemies Of The Past

“This is a collector's item, Maotai. It's a 50-year-old wine cellar and is only worth 170 thousand yuan.”

“That kid, Daniel Lee, is a kind man!”

Isaac Davis was slightly drunk, so he accidentally blurted out the truth, “Hehe ...”

“That kid is going to bleed a lot today!”

“He doesn't have much money left with him!!”

One hundred and seventy thousand?

A bottle of wine that costs 170000 Yuan?

Such news was like a bolt of thunder striking Mary Grimm and Emilia's hearts!

This ...

The mother and daughter were instantly speechless. This table that was filled with dishes would cost more than 200000 Yuan!

This was crazy!

This was maddening!

Mary Grimm's eyes were filled with tears. "You're too much!"

"Are you even human?"

"How can you trick your own son-in-law like this?"

"It's not easy for that kid, Oliver Walker, to make money!"

She was furious!

She was filled with monstrous anger!

Mary Grimm had felt that Isaac Davis had gone overboard with this but for the sake of family harmony, she had been putting in a good word for the man!

But ...

Now!

It was simply unforgivable!

“Why are you making so much noise?!”

Isaac Davis slammed the table and roared under the influence of alcohol, “In any case, you’re still the young mistress of Davis. How can you be so uncultured?!”

“What’s wrong with spending two hundred thousand on a meal?”

“If it’s not easy for that kid to make money then don’t f\*cking marry my daughter!

“Emilia is a beautiful woman. There are many people who will want her in bed!”

“They will be lots of people who will want to pay for my bills!”

These words rendered the furious Emilia speechless. She instantly stood up with a sullen expression and said, “You ...You’re sick!”

It was her!!!!

Although Isaac Davis was her biological father, he had brought her so much harm!

Now that he had returned home, not only did he not repent, he had done such an absurd thing!

What was even more abominable was that with his words earlier, it was clear that he wanted her to divorce Oliver Walker and then find another rich man!

It was simply outrageous!

“Bah!”

“Is this how you talk to me?”

“I’m forcing you to get a divorce! It’s for your own good!”

However, Emilia had already left and all Issac Davis could do was to groan at the people who were quickly leaving with his eyes half-closed!

Unable to bear it any longer, Mary Grimm picked up the water on the table and splashed it on the drunk Isaac Davis. “You ...”

“You’re only doing this for yourself!”

She was leaving!

She left Isaac Davis in tears.

Her daughter was right. This man was beyond any saviour!

“Hahahahaha!!!!”

But the next moment, because of how drunk he was, Isaac Davis fell into a chair and fell asleep.

At the cashier ...

“The bill!”

Oliver Walker’s tone was flat and even without any fluctuations. His father-in-law wanted to eat him up in one go but Issac Davis was being narrow-minded.

In fact, he had noticed the bottle of wine long ago but he didn't expose it so that his wife and mother-in-law wouldn't be affected during the meal.

"Oh ...?"

At this moment, the high-spirited William Davis leaned against the cashier with a toothpick in his mouth.  
"You ..."

"Are you even qualified to eat here?"

Oliver Walker wasn't bothered to pay him any attention. After all, how long would this man still be able to say such things?

It was no exaggeration to say that the more arrogant he was now, the more miserable he would be tomorrow!

William Davis, who had been ignored, was even more furious but he knew the strength of the person in front of him. So, he chose to continue mocking, "Don't tell me you're here to order a plate of shredded potatoes and a bowl of rice just to take a picture of a high-end hotel and upload it online?"

Seeing that the other party was going on and on, Oliver Walker slowly replied, "Does it have anything to do with you?"

William Davis snorted coldly. "Hmph! This is a high-class hotel. How can a low-class person like you taint the nobility of this place?"

"I spent more than twenty thousand yuan on my own and you still dare to say that it has nothing to do with me?"

Chapter 313 Noblemen

The staff at the checkout counter felt awkward. She naturally knew who William Davis was and she wanted to hint at him. After all, the bill was already paid.

If Oliver Walker was able to pay for this meal....

He would have embarrassed himself!

But at this moment, she clearly had no place to interrupt. After all, it was too intense between them.

“According to you, those who spend less don’t deserve to come here?”

Oliver Walker’s tone was calm and there were no emotions in his voice.

He knew that his troublesome father-in-law did not give him any peace of mind. Just that bottle of wine alone would cost more than twenty to thirty thousand Yuan on average for four people.

“Of course!”

William Davis arrogantly said, “The people who come here are all prominent nobles. How can they let a lowly commoner like you lower their status?!”

“I’d like to see how many dishes you’ve ordered!”

He was sure that Oliver Walker was a petty man!!!

Therefore, he slammed the cash register and shouted, “Tell me! Or you’re afraid that he’ll be embarrassed?”

Oliver Walker remained silent and did not bother to respond!

This kind of person was a madman who didn’t have a good memory!

They should be beaten to death with a stick or else, they would never learn their lesson. They would continue to disgust others like a cockroach.

“Mr Walker... it’s a total of 218300!”

The cashier replied weakly. She knew that it was more than fifty thousand Yuan per person for the family of four.

Even at the Shangri-La Hotel, the expenses were definitely in the upper-middle class.

The main thing was that he wasn’t treating them to a meal, he was only here for lunch with his family.

It was just a simple lunch!

“Two ... 218,300?”

William Davis was dumbfounded ...

He glared at the cashier with his eyes that were about to pop out. He even f\*cking thought he had heard it wrongly!

This ...

The cashier nodded awkwardly and confirmed this matter!

William Davis was in a bad mood, and his face turned red as he roared, “With what?!”

“Are you here to dine and dash?!”

This must be it!!!

It has to be!!!

Was this wild dog trying to be the public enemy of Colorado?!

He ...

Was this what he had in mind?!

“Transaction successful!”

However, the next moment, reality gave William Davis a heavy blow!

He paid for the meal?!

F\*ck!

If it wasn't for the fact that Oliver Walker's methods were too big of a blood for him, he would have cursed out loud.

How detestable!

William David has been defeated once again.

Tap tap tap --

Just then, Daniel Lee jogged over. With Leon Williams's words itself, he knew that Oliver Walker was not a simple man.

Even the richest man in Colorado had to curry favor with him. What right did he have to not come out to welcome Oliver Walker.

“Cough cough ...”

William Davis knew that his spending was lower than Oliver Walker’s. So, he shut up and turned to the other side, “Isn’t this Chairman Lee?”

“I’m just here for a casual meal. There’s no need for you to come out and welcome me personally!”

With Davis’s status in Colorado, second only to Leon Williams, under normal circumstances, Daniel Lee would have to curry favor with him.

After all, rich people were also divided into different classes!

Even though they were in the same circle, this circle was divided into the core and the periphery!

There was no doubt that Davis was the core of the society. Who would dare to not respect him?

After all, he was the young master of the Davis family.

He definitely had a reputation!

So he thought that Daniel Lee must have come to apologize for his sudden departure at the dinner party last night.

Therefore, he had a very arrogant look on his face. He also did not forget to glance at the country bumpkin beside him with a smug look!

Perhaps, Oliver Walker’s retirement fee was almost exhausted.

However, true nobility was not something that could be advanced just by spending one or two times!

“Mr Walker..... Hu...”

However, at this moment, Daniel Lee ignored William Davis, who had extended his hand to shake hands. Instead, he walked past William Davis and stood in front of Oliver Walker.

After taking two deep breaths, he smiled and said, “It’s my fault that I didn’t come out to welcome you, Mr. Walker!”

At least, he had made it!

Chapter 314 Another Surprise

He would definitely have to leave a good impression in front of the VIP!

As for William Davis?

Who was he?

Not to mention him, even if Micheal Davis himself came, according to the current situation, he wouldn’t even make small talk.

After all...

Luke Adams had his eyes on him!

As for the reason why Luke Adams was willing to help, Leon Williams might have given a vague explanation, it was not difficult to imagine that it was definitely related to the man in front of him.

“You ...I ...”

William Davis was dumbfounded!

Motherf\*cker!

He had misjudged the situation again!

What was going on?

At this moment, he was standing behind them with his face covered in dust and dirt. He had been humiliated!

He couldn't leave either!

He didn't want to leave!

He could only glare at Oliver Walker with resentful eyes and suppress the unhappiness in his heart!

“En!”

Oliver Walker nodded slightly and did not have the desire to respond. “I just brought my family over for a casual meal. There's no need to do this. After all, we don't know each other.”

He hated it when strangers tried to befriend him!

It wasn't that he was unreasonable, but with his status, he didn't need to feign civility for the sake of the world.

Be your real self. If you don't want to be friends with them, then don't.

William Davis gulped. This motherf\*cker ...

There was nothing else in his mind other than curses for Oliver Walker.

“Um ...”

Daniel Lee was at a loss for what to do but he also understood that Oliver Walker’s attitude was expected.

Oliver Walker’s status was too high for him and there was no need for Oliver Walker to entertain him.

From what Leon Williams said, it wasn’t difficult to know that Oliver Walker was someone who liked flattery. Oliver Walker just didn’t think too highly of them.

After all, this man was close to Luke Adams. Why would he be bothered with talking to Danial Lee?

Who was Luke Adams?

He was one of the eight gods of wealth who was ranked in the top 50 of Forbes’s Wealth list!

The difference between them was like heaven and earth!

Therefore, Danial Lee, who was good at reading people’s expressions, no longer pestered Oliver Walker. He then said, “No matter how much Mr. Walker has spent, it’s on the house.”

This was probably the only thing he could do.

Oliver Walker waved his hand. “There’s no need for that. I’ve already paid the bill.”

“You can head back to what you were doing before.”

Looking at Oliver Walker’s back as he left, Daniel Lee definitely wasn’t feeling happy about this.

This ...

He started to hate himself. Why didn’t he come earlier?

“Listen ...”

At the next moment, William Davis, who had reached the end of his patience, finally exploded. “The Davis Group has successfully gone public. Times have changed!”

“The grudges between us will be settled one by one!”

He was unwilling to accept this!

He had been embarrassed!

If he didn’t say something ruthless, he wouldn’t have any sense of existence. This was what he couldn’t accept the most.

“Hmm?”

Oliver Walker replied indifferently but he didn’t even stop to speak to William Davis.

Such disregard made William Davis, who had wanted to show off, once again feel what humiliation was. He could no longer hold it in. “Wild dog!”

“Listen carefully!!!”

“The stock price rose sharply and our family made billions in just one day!”

He couldn't take this anymore!

He definitely couldn't tolerate it!

How could this guy still insult him like this?

It must be because the wild dog didn't know how to read the stock market. Otherwise, how could it not know how high his current value was?

Daniel Lee didn't say anything. Although he had learned a lot from Leon Williams, he was still in the dark. He didn't know what kind of person Oliver Walker was. So, he would wait and see how Oliver Walker would be answering this.

As for the Davis group's stock price?

What a joke! It was clearly a trap and everyone who had eyes could tell it easily.

They would only be able to celebrate for a few more days and Micheal Davis would definitely end up crying!

“Enjoy the glory that I'm giving to Davis!”

Oliver Walker replied indifferently, “Also, go back and tell Micheal Davis to prepare another chair for the meeting tomorrow.”

“My wife will be attending it.”

Chapter 315 White Lies

In fact, from the beginning, Oliver Walker didn't plan on torturing those from the Davis Group. Otherwise, why would there be so much trouble?

He didn't even need to use a billion to buy 20% of the shares.

However, his grandfather's kindness to him was as heavy as a mountain and Davis was still his wife's family.

Of course, it had nothing to do with Micheal Davis's family!

If he were to go back, he would have to go back with his head held high and his chest out. It would be a shock to the rest of them.

"Pfft ..."

"Who do you think you are?"

"If Emilia can join the Board of Directors, I'll change my surname to yours!"

William Davis's face was filled with shame and anger as he roared in a rage, "Let's wait and see. Davis will not let you get away with this. You will pay for what you have done to my sister!"

However, Oliver Walker did not say another word until he disappeared from William Davis and Daniel Lee's sight.

In fact, no matter how many harsh words he said, it was impossible to shut William Davis's foul mouth.

Even if William Davis was as ferocious as a demon, they would not be able to stop Oliver Walker's revenge!

"Stop screaming!"

From now on, the Shangri-La Hotel will not allow barbarians like you who utter vulgarities!” Daniel Lee said coldly.

Oliver Walker had already made himself clear. The Davis group’s stock was being controlled by Oliver Walker.

This ...

What does that mean?

Even if Leon Williams was the richest man in this city, he could only be controlled of his own shares...

It was impossible for anyone to control the shares of other companies!

However, Oliver Walker did it. As he thought about it, it was indeed terrifying.

William Davis was still holding on to Oliver Walker’s money and still had the guts to show off. This man was the typical one that was brainless.

“Hmph!”

“You’ve got guts, Daniel Lee!”

“When I take over the Davis Group, you’ll be the first one I’ll make a move on!”

The arrogant William Davis felt extremely humiliated. After leaving behind these harsh words, he stomped out of the hotel.

On the other hand, Daniel Le scoffed and never took his words seriously. William Davis wanted to take over the Davis Group?

Forget about this lifetime, even in the next one, it was impossible for him to have that chance.

It could only be said his ignorance was too terrifying. If it wasn't for Leon Williams's kindness earlier, he would not have known about this and if he made a move on Emilia...

After thinking about it carefully, he suddenly heaved a sigh of relief. Daniel Lee had a feeling that he had just survived a disaster.

Although he didn't manage to befriend Oliver Walker, at least he didn't offend him!

In fact, in a situation where there was nothing good that would come out of it, making no mistake was equally good enough.

"Honey!"

Just as Oliver Walker was about to head back, he found that his wife had already come to the hall.

She was sitting on the sofa with his mother-in-law!

"Have you paid the bill?"

Emilia's pretty face was filled with sorrow. Apart from the anger, her beautiful eyes were filled with heartache.

She knew all along what kind of man her father was.

Therefore, she should have chased her father out of the car and not allow him to join them for lunch.

Otherwise, this would not have happened!

“I settled it.”

With that said, Oliver Walker asked, “Where is he?”

He was indeed puzzled. He could understand why his wife had left but with his mother-in-law’s character, no matter how angry she got, she wouldn’t leave Isaac Davis behind.

“Don’t worry about that man!”

Emilia’s voice was choked as she stared at the man before her. “Tell me the truth. How much did this meal cost?”

This man still had the mood to be smiling so happily.

With his intelligence, there was no way he didn’t know that Issac Davis was deliberately trying to torture him.

However, Oliver Walker wasn’t angry at all. Was it because he was afraid that she would be worried?

This man may be intelligent but he can be stupid at the same time!

He was so stupid that it made her heart ache!

“It’s not expensive!”

Oliver Walker knew that his wife was worried about the money. So, he smiled and said, “It’s only a little more than 10000 Yuan in total. Although it’s a little expensive, it’s not enough to break my bones!

It was a total of 218300 Yuan but he only mentioned a fraction of it.

This way, his wife and mother-in-law would not feel as bad!

It should be within the acceptable range!

“I ...”

However, at the next moment, Emilia felt a stinging sensation at the tip of her nose. In order to not expose her husband’s lie, she forcefully endured it.

Chapter 316 Reporting To His Mother

Then, she covered her mouth and quickly left the hall.

Emilia could feel her husband’s love for her!

She could feel it clearly but she suddenly felt that she was not worthy of such love!

Her husband had clearly been stabbed by her father!

But, why wasn’t he angry at all? Instead, he lied on purpose in order to comfort her?

“Umm...”

Oliver Walker quickly turned around and wanted to run after Emilia.

Mary Grimm, who felt ashamed and disappointed, quickly said, “Isaac Davis told us that the bottle of wine alone was worth 170000!”

Her heart was beating quickly.

It was undeniable for most part of her life, there has been a mix of fortunate and unfortunate events.

She was fortunate to have been blessed with such a good daughter and son-in-law, as well as a well-behaved and sensible granddaughter!

But unfortunately ...

Why did she marry a man like Issac Davis?

Oliver Walker was petrified. He had never thought that Issac Davis would actually tell the truth.

Suddenly, he didn't know whether to laugh or cry. He finally understood why his wife reacted in this way.

"Mom!"

"It's fine, I still have enough!"

"You don't have to worry!"

Oliver Walker quickly comforted her. In fact, the money used on the meal was indeed nothing. It was important that it didn't break the hearts of his wife and mother in law.

"Ah ..."

"It's my fault!"

"It's all my fault!"

“Let’s go home!” Mary Grimm blamed herself for what had happened.

This was definitely a torture to him physically and mentally.

It was indeed uncomfortable.

She treated Isaac Davis with a sincere heart but Isaac Davis treated her like a fool ...

After returning home, Emilia locked herself in her room and cried with her head covered under the blanket.

It was because she didn’t know how to face her husband. She had remained quiet the entire time.

Oliver Walker knocked on the door a few times but his wife ignored him.

Ring ring ring --

At that moment, his phone rang. He immediately answered the call and asked, “Is everything done?”

Luke Adams’s voice came from the other end of the phone. “Yes, master!”

“I’ve already sent someone to Colorado to get the agreement. As long as you sign it, you will be the second largest shareholder of the Davis Group, alongside Micheal Davis!”

Oliver Walker was slightly surprised. “Micheal Davis only has such little shares?”

He had never checked up on the status

So, with just one move, his wife was able to be on equal footing with Micheal Davis in terms of shares?  
This was not what he expected!

“It’s true!”

“The Davis Group is now a public company now and we can find out who the controlling shareholder is.”

“Ma’am Davis, herself, has 50% of the shares alone!”

“As for Micheal Davis and his son, they originally had a total of 30% but William Davis later threw out another 10% of his share.”

“This means that Micheal Davis would have the same amount of shares as your wife now.”

Luke Adams explained it in detail. After receiving his master’s instructions, he organised a team and investigated the Davis Group thoroughly.

“Alright, I got it from here!” Oliver Walker responded with a smile.

This was getting interesting!

Now, he would only have to wait for his wife to sign the document!

By then, those from the Davis Group would be left in rage as they clenched their jaws. There would be nothing that they could do!

Back at the Davis Group!

“Mom!”

“Great news!”

“As the group went public, the stock price fell short of supply. The stock price has risen to almost half of its original price.”

Micheal Davis proudly reported the good news as he had specially invited Ma’am Davis over his house.

He had done all these to prove that he was not inferior to Emilia.

“En!”

There was also a slight smile on her face.

Michelle Davis quickly asked with guilt, “Mom, do you want to sell more shares?”

“So that we can continue to expand and exceed the Williams!”

Chapter 317 The Truth Uncovered?

The reason why he said this was because Micheal Davis had secretly ordered his son, William Davis, to sell away his shares without informing Ma’am Davis.

If Ma’am Davis agreed with it now, he would be able to continue to cash in.

After all, their group wasn’t progressing well. How else would they be able to earn enough money without selling their shares?

If they didn’t sell it when the price rose and only sold it when it fell ...

Wouldn’t they suffer a huge loss!

“No!”

“Absolutely not!”

Ma’am Davis’s face quickly turned cold. “The Davis Group can only belong to the Davis family!”

“We can’t allow anyone else to taint the board of directors!”

She was a stubborn woman.

The only reason why she agreed for the company to get listed was because she knew how miserable their state was currently.

After all, it would be easier for them to make money if they became listed.

Even if there was a large capital injection, with this small amount of equity, it would be impossible for anyone to interfere with the Davis Group.

However, if there were more, then ...

Everything would change.

This was also the reason why she still controlled 50% of the company even though she had retired from the management.

“Um ...”

Micheal Davis was stunned at first. Then, there was a frown on his face. He could not help but show a helpless expression. “Yes, of course...”

He felt bitter!

If Ma'am Davis found out about the truth, would she kill him instead?

As he thought about it, his back was completely covered in cold sweat.

Ma'am. Davis also seemed to have noticed that something was wrong and her turbid old eyes burst out with a bright light. "You ...Is there something you're hiding from me?"

Why wouldn't she know about the son that she raised.

Although Micheal Davis was a hardworking man, he still lacked talent. Coupled with his great ambition, it was inevitable that he would do something incredibly stupid behind her back.

However, out of her three sons, only her second son was one that was smarter than the rest.

Although Isaac Davis's daughter was most capable, she was still a girl after all!

Therefore, he had no choice but to hand over the company to Micheal Davis.

"Ah ..."

Micheal Davis instantly felt chills running down his spine as he trembled. "No....of course not!"

"Absolutely not!"

"Mum! I will never lie to you. I will never be able to run away from your sharp eyes!"

He felt guilty!

He was indeed frightened!

He was worried that Ma'am. Davis would send someone to investigate and that would be a big problem!

"Hmph!"

"I don't expect you to be successful," Mrs. Davis said coldly. "It would be good enough for you to just do your job!"

"By the way, what happened to Jessica?"

She had heard that Jessica Wright Davis was in the intensive care unit.

This meant that it must have been serious!

"Mom!"

At the mention of his daughter, Micheal Davis's entire body trembled. He gritted her teeth and said, "That wild dog, Oliver Walker, is too damn hateful!"

"They aren't taking us seriously and that woman, Emilia..."

"I ..."

He really wanted to curse!

If it wasn't for Oliver Walker who caused a scene at the banquet, the first war god wouldn't have been pissed.

The Davis group's listing wouldn't be as bad as it was in the morning and they wouldn't be in a predicament!

He could only say that.....

His hatred toward them was simply monstrous and had already reached a point where it could not be extinguished!

"Compared to what you did back then, they've been kind."

Ma'am Davis glanced at him coldly. "Let's just forget about it!"

If her grandson was the one who got injured, she would have been furious.

But ...

Jessica Wright Davis was merely her granddaughter, a girl. Ma'am Davis was also someone who valued men over women and so, she wasn't bothered about it.

This sentence caught Micheal Davis off guard and he was confused. She could only say, "Mom, you ... What do you mean by that?"

Could it be that ...

What did his mother find out?

No!

That would be impossible.

He had clearly done it in secret!

How would it be possible that the news got leaked?!

Chapter 318 An Invitation

“Hmph!”

“If you don’t want others to know about it, you shouldn’t have done it in the first place!”

“The heavens are watching you!” Ma’am Davis rebuked.

“If you don’t know how to stop, it will only get worse for you!!”

Micheal Davis’s expression turned extremely ugly.

“Mom ....” He tried to rebuke himself.

“I ... I ... I don’t understand what you mean by that...”

The doctor who delivered the baby took the money once it was over and left the country!!

So now, there would be no one to testify to it. He would never admit to what he has done.

“Is that so?”

Ma’am Davis saw how her second son was still unwilling to admit to his mistake and immediately said, “The doctor who helped your sister-in-law deliver her baby went abroad and extorted money from me.”

“He even threatened me that if I don’t pay up to five million, he’ll expose this to the world.”

The moment she said that ...

Micheal Davis gulped in an instant and his forehead was covered with sweat!

His eyes were filled with panic!

After all, in order to obtain the right to inherit the company's property, Micheal Davis bribed the doctor to create the illusion that Mary Grimm was having a difficult labour and in the end, he made her infertile...

If this got out, it would be a serious crime.

Back then, test-tube babies didn't exist!

Especially with that doctor.....

If he had the audacity to threaten Mrs. Davis, he must have solid evidence in his hands or else...

"Mom!"

"I ..."

"I'm sorry."

The next moment, Michelle Davis knelt on the ground with a loud 'thud' and wailed, "After I did it, I also regretted it!"

"But ... But there's no medicine for regret in this world!"

"I ... I ... I ..."

"I'm an animal. I'm not worthy of being your son!"

"But I'm the chairman of the group now! If something happens to me, it will be a huge blow to the company that just got listed."

This scandal itself was enough to ruin everything...

The...

The consequences would be unimaginable!

"Stop it."

"I'm not here to get even with you," Mrs. Davis said lightly. "Let the past be in the past!"

What did she mean by this?

It was clear that his mother wanted him to stop.

Isaac Davis heaved a sigh of relief in his heart but ...

This was not what he wanted.

After all, he had suffered so much at the hands of Oliver Walker and Emilia!

"I want to see them at my birthday banquet. I think you know what you have to do now."

Mrs. Davis finally revealed her purpose. She was already in her 80s and she might die one day.

In any case, Isaac Davis was her eldest son and she always wanted to meet him.

After all, the company's assets were already set in stone and no outsiders would be able to change anything.

"Umm..."

Micheal Davis's face was pale as she took a deep breath and could only say, "Yes!"

"Mother, don't worry about it. I promise you'll be satisfied!"

Even though he didn't want to allow Emilia to return home, was there any other way?

"Hmmm....."

"I'm old and I'm exhausted now."

"I have to go back and nap."

Ma'am Davis left with her dragon-headed walking stick with an indifferent expression. Was she feeling heartache over what had happened to Emilia's family?

That was not the case.

After all, they gave birth to a girl and they lost their rights to fight for property!

She just wanted to be forgiving before she passed away so that there would be more of them who would be by her grave.

This was how the mind worked for those in the older generation.

As they continued living, they would always worry about the things that would happen after their death; afraid that they wouldn't have a grand funeral.

"Oliver Walker, Emilia!"

"Both of you got lucky!"

Micheal Davis had never taken his big brother seriously because he wasn't someone worthy!

However, he also hated his useless brother for giving birth to such a smart daughter!

This was something that he hated most!

Chapter 319 Let's Be Friends

In the evening, Emilia still stayed in her bedroom because she felt guilt.

After all ...

She was annoyed.

She was still thinking about how she would make up to her husband.

But in reality, she had nothing now!

She could only smile bitterly.

"Emilia!"

Just then, Mary Grimm asked Oliver Walker softly, “She’s still inside?”

She didn’t feel good either!

After all, if it wasn’t for her, this wouldn’t have happened.

She knew her daughter well and so this was going to be something difficult for them.

“Hmmmmmm”

“That’s alright.”

“I’m going to pick up Olivia from school!” Oliver Walker said with a smile.

He had just gotten the share transfer agreement.

After that, he told them to stop by Olivia’s preschool.

He would also pick up Olivia from school and then return home to have a good chat with his wife.

To be honest, with how his wife was acting right now, he wasn’t pissed at all. Instead, he felt heartbroken.

“Alright!”

Mary Grimm sighed. “Go and pick up Olivia. I’ll have a good chat with her!”

In fact, she was quite helpless now that things had come to this.

It was completely beyond her expectations!

Fortunately, Oliver Walker was a kind man that didn't make things difficult for them!

He didn't blame them at all.

In fact, it was precisely because of this that they felt even more apologetic!

At the entrance of the kindergarten!

There was a large group of children and under the guidance of the teacher, they formed a long line and walked to the parents 'pick-up area.

"My mother is here to pick me up!"

"My mother is here to pick me up!"

At that moment, a chubby little girl said happily, "Olivia Walker, look! My mother just bought a new car!"

Olivia Walker followed the direction of her finger and saw a car of an unknown brand.

She did envy her friend but she was never jealous of her.

"Congratulations, Tiantian!" She said with a beautiful smile.

In fact, she also wanted to have a beautiful car at home but it was just a dream and she never mentioned it.

“Thank you, Olivia!”

Tiantian held Olivia Walker’s hand and happily walked over. “Mom, this is my best friend!” He said.

The woman in the car, who was wearing sunglasses, finally shifted her gaze from the Rolls-Royce Phantom that was parked in front.

The woman was looking at the luxury car that was worth tens of millions but then, she saw his daughter with a little girl in tattered clothes, her face turned cold. “Tiantian, How many times do I have to tell you?”

“Don’t play with the children who come from poor families! It will affect your future development!”

These words caused Olivia Walker to lower her head.

She also couldn’t help but let go of her classmate’s hand!

“Mother!”

“But Olivia’s father is a hero who came back from the frontlines!” Tiantian said with a frown.

She loved being friends with Olivia.

After all, a child’s world was innocent and naive. They also dreamed of having a heroic father.

“Pfft ...”

“A hero?”

“They’re just a bunch of barbarians who are fighting!”

“You’re going to be a star in the future. How can you play with the children of barbarians? ”

Karen’s expression became uglier and uglier. She grabbed Tiantian’s hand and forcefully pulled her to the side. “Look at her. Only a future superstar can drive such a luxury car!”

“Do you know what brand that is?”

“Rolls-Royce Phantom! It cost tens of millions!”

“What kind of temperament will you gain if you play with the children of barbarians?”

These words made Tiantian’s eyes fill with tears of grievance.

She didn’t know any brands and didn’t want to be a big celebrity in the future. So, she said timidly, “But mom, I want to be an angel in white in the future!”

These words infuriated Karen, and she slapped her. “You good-for-nothing, how much can you earn as a doctor?!”

“What kind of rubbish school is this?”

“Next year, I’ll definitely send you to an elite school for training!”

In fact, she and her husband did not have much money in the past when they started their business. However, they had made a comeback this year. Not only did they buy a new car, they also managed to get a new car.

Chapter 320 Barbarians?

This was why she had been ambitious and her expectations for Tiantian were sky high!

The huge slap caused all of the parents nearby to turn and stare at him.

“Huhuhu ...”

“I don’t want to be a celebrity. I just like to be an angel in white!”

“Mum!”

“I want to study hard. I don’t want to learn piano!”

“...”

Tiantian began to cry as she sat on the ground ...

“How dare you still cry so loudly?!”

“You good-for-nothing!”

“Your dad and I spent so much money just so that you can be a doctor and be penniless?”

“Hurry up and come home with me for your piano lessons!”

Karen rolled up her sleeves and was ready to hit her child again.

Then...

At this moment, Oliver Walker also passed through the crowd and walked to the side of the black car. He grabbed Karen’s arm that was about to land on the child and scolded, “Is this how you educate your child?”

In fact, he had heard the entire conversation just now.

It was just that there were too many people and he didn't have time to stop her!

A woman like her had indeed shattered his view about the world.

Since when did the soldiers who guarded the land and protected their homes become barbarians?

They were men with heart and flesh. They were definitely not barbarians.

Why were they fighting at the front lines?

Wasn't it for the lives of thousands of families?

Forget about what parents would have wanted from their children, this was ridiculous!

Oliver Walker was a soldier!

He was also a doctor!

He had taught so many disciples and so he was also considered a teacher!

"You ..."

Karen was stunned. She had never expected the man in front of her to be so overbearing and berate her right in the face. She was completely stunned!

Who was this?

Why was he being so nosy?

“Daddy!”

At that moment, Olivia Walker shouted excitedly, “Tiantian, my daddy is here!”

Tiantian, who was sitting on the ground and crying, immediately opened her eyes.

She just looked up at the hero!

“Ohhh so this is how it’s going to be!”

“I was wondering who you were.”

Karen understood and immediately sobered up from her daze. She roared, “So, you’re the barbarian! Listen up, tell your cheap daughter to stay away from my Tiantian!”

“My Tiantian can’t be a barbarian or a poor doctor!”

“She must become a big star!”

Celebrities nowadays would earn buckets!

Even an infamous celebrity could earn hundreds of millions just by stirring up gossip.

Who wouldn’t have to have that?!

“It’s none of my business what career you want my daughter to choose in the future!

“But... you insulted the soldiers who fought at the border as barbarians. Did you ever think that if it wasn't for those barbarians, you would be starving and suffering in the wild?!” Oliver Walker spoke in a cold tone.

“You're living a great life now and you have the audacity to slander those men?!”

This question instantly aroused the anger of the people!

That's right!

If not for those cute 'barbarians', how would they be able to live such a peaceful life?

Would they still have a chance to live and work in peace?

“This is too much!”

“That's right!”

“This woman doesn't know what's happening!”

“...”

Hearing how the onlooking parents start to attack her, Karen's expression suddenly changed.

She wanted to refute but she didn't know how!

“I know these 'barbarians' personally.”

Oliver Walker could not hide his anger and shouted, “They're not barbarians who didn't know etiquette, justice or shame. They're just ordinary men made of flesh and bones.”

“If you are the type of people that they are serving, I can say that their sacrifice was not worth it at all !!!”
