### Chapter 321 Showing the Barbarians the Right Way

Were they barbarians?

Of course not!

They were iron-blooded men who were loyal with extremely high beliefs. They were willing to risk their lives and give up on reuniting with their families for the sake of the others.

Karen's words undoubtedly touched the scars on Oliver Walker's wounds.

He could still vaguely remember the soldiers who were dressed in military uniform like him. They knew that they would die if they charged forward and even if they watched their comrades fall one by one in front of them, they still didn't run away from their enemy.

They received a meagre salary but they did the most difficult, tiring, and dangerous work. Now, they were being humiliated as barbarians?

Oliver Walker felt that it was not worth it for those men to sacrifice their lives!

"You ..."

Karen was extremely embarrassed. She was rendered speechless by the criticism around her.

Perhaps Oliver Walker was really angered by what she said.

He didn't stop but continued to move forward and said sternly, "If a country doesn't even worship heroes, then this country is not far from being destroyed!"

“If all those men in military uniforms die at war, then a woman like you would have to live an ignoble life!”

Live an ignoble life?

It was still questionable if she should still be allowed to live.

History has already given them the answer.

No invader would have a benevolent heart!

Even if they didn't dream of being a soldier, they must never look down on soldiers!

Parents are allowed to plan for their children's future but they must not instil bad values into their children at a young age!

As a father, he would never educate Olivia in such a manner!

“Well said!”

“Well said!”

Clap clap clap --

The audience burst into applause. Those who were filled with righteous indignation cheered with all their might because Oliver Walker had said what they wanted to say. It was just that they didn't have the words for it.

“A doctor?”

“What’s wrong with being a doctor?”

“Not only am I a doctor, I am also a soldier.”

“I am also a teacher who appreciates and cultivates talent. What’s wrong with that?!”

He was indeed infuriated.

It wasn’t that Karen had specifically mentioned all these professions.

But..... soldiers, doctors, and teachers. Which of these three professions were not glorious professions?

They were respectable roles, how could they be humiliated like this?

“Enough!”

“That’s why you deserve to be poor for the rest of your life,” Karen yelled. “I would never want my daughter to be as poor as you!”

“It’s my business how I educate my child!”

“See that Rolls-Royce Phantom over there? You’ll never be able to drive it your entire life!”

“Trash!”

“What right do you have to lecture me?”

Desperate times called for desperate measures!

She also realized that she shouldn't have said those words in front of everyone to show her sense of superiority.

Otherwise, she would not have been criticised by that damned father of Olivia Walker, who stood on the moral high ground!

She had a simple mind.

She just wanted her daughter to become a big celebrity and earn lots of money!

This....

There was in fact nothing wrong with it.

However, when setting goals for their children, how could they simply trample on the dignity of those who were working in different industries?

Bak --

However, at that moment, the door of the Rolls-Royce Phantom opened!

A middle-aged man in his forties came down with a file. This was Luke Adams's driver. He then joined the crowd and said, "Mr. Walker, this is the share transfer agreement that you wanted!"

He wasn't speaking loudly, but in that instant, it caused an uproar!

This ...

That was a Rolls-Royce Phantom!

Why would a driver of a luxury car worth tens of millions hand over a document to Oliver Walker?

Could it be ...

As an ordinary man, although it was hard to imagine how noble he was, they knew that Oliver Walker definitely wasn't an ordinary man!

Karen, in particular, looked even more embarrassed ...

Her heart felt as if it was blocked by something and she felt stuffed.

Chapter 322 The Father and Daughter Duo

They were dumbfounded by what they saw!

“En!”

Oliver Walker took the share transfer agreement and immediately said, “You can head back first.”

The crowd turned quiet as they watched the driver leave obediently!

Oliver Walker didn't want to pay any more attention to a woman like Karen. Instead, he took a step forward, squatted down, and smiled gently. “Tiantian, no matter what you're going to do in the future, remember the values I teach you now.”

“There are things that can be admired and things that cannot be infatuated!

“You're the best!”

He gently reached out and wiped away the tears on Tiantian's face.”

These children were the future!

When they grow old, these children would eventually grow into adults.

“En!”

“I know! Uncle Walker.”

Tiantian revealed an innocent smile. Her eyes were filled with admiration. She had personally witnessed how Olivia Walker’s father took out those dazzling medals.

At that time, she really hoped that she would have a heroic father!

“Let’s go!”

Karen gulped. Then, with a pale face, she hurriedly got Tiantian into the car!

The truth was that her family was not really rich.

She could barely keep their heads up!

Therefore, after tasting the sweetness of money, it was inevitable that they would be overwhelmed by it!

She wasn’t a bad woman.

She was just an irrational one.

“Your daughter is great. I hope that as a parent, you can set a good example for her.”

As Oliver Walker calmed down, he said, "I was being too impulsive just now. I'm sorry!"

He took a deep breath!

"Olivia, let's go home!"

Apologize?

This was something that no one could understand!

Why did Oliver Walker apologize?

He was the one who was right.

However, this apology cleared up Karen's mind.

Looking at the view of the father and daughter, her lips moved and finally ...

She wanted to say something but she couldn't.

However, he had learned a lot from Oliver Walker with how he had dealt with her.

He could have nailed her to the pillar of shame and let her suffer but in the end, he took a step back and apologised first!

He was not a coward. He was a polite and modest gentleman!

In fact, there was no deep hatred between her and Oliver Walker!

In addition to that, Karen was just an ordinary person and so it was understandable that she had been blinded by money.

After all, there were plenty of people who were more capable than her and had been indulging in luxury all day long!

“Daddy!”

Olivia Walker held her father’s hand and said in admiration, “You were so handsome just now!”

“Then, in the future, are you willing to become a person like your father?” Oliver Walker smiled at his daughter.

Olivia Walker hesitantly shook her head and said in a childish voice, “But ... But I don’t know how to fight!”

“Being a useful person in society is beautiful.” Oliver Walker answered her daughter.

“There’s no distinction between noble and lowly professions. It’s fine as long as you abide by the law!”

“Do you see those men?”

“They have also done their best for the construction of the country.”

“This also makes them the most adorable people in the city.”

Olivia Walker nodded, not fully understanding what her father was saying. Perhaps at her current age, it was already difficult for her to understand the the life of an adult.

Not to mention, her father was a man who stood at such heights.

“Olivia, run!”

“There’s good food at home tonight. If we go back late, they may finish it.”

The father and daughter, one tall and one short, chatted and laughed as they disappeared from the entrance of the kindergarden.

As for those people, they suddenly realized that the pretty boy they were ridiculing was actually a gentleman. They suddenly felt shameful.

On the other hand, it was time for Oliver Walker to show his cards with this contract.

It was time to give an explanation to his family and his wife who has been through thick and thin with him. It was also the responsibility of a man who wants to be responsible towards his family.

Chapter 323 Behold! Your Husband is Loaded!

That night, Isaac Davis did not go home. He probably thought that he had spent all of Oliver Walker’s money and there was nothing left for him at home!

In fact, this family was much more harmonious without him!

“Dad, mom, grandma, this is delicious!”

“I’ve never eaten anything so delicious!”

Olivia Walker, who was eating the delicacies that they had brought back from lunch, said in a tender tone, “You guys should eat quickly too!”

These few words and the satisfied smile on her face made Emilia’s heart ache.

She felt like she had owed her daughter too much.

“We’ve already had lunch,” Mary Grimm said with a smile. “Hurry up and eat!”

In fact, she had not eaten anything at all for lunch.

This was because she didn’t have the appetite for it.

She wanted to save her share for Olivia.

“Honey!”

Oliver Walker said quietly, “Can you come out for a moment?”

In fact, he wanted to live a simple life as well but as a father, he couldn’t help but feel sad after seeing his daughter in such a pitiful state,

In addition to that, it was time to let his wife know that Davis had gone out of control.

“What?”

Emilia’s expression was slightly startled as she asked in confusion, “What’s wrong?”

Oliver Walker didn’t say anything more. Instead, he mysteriously pulled his wife into the bedroom.

Then, he took out the document bag that contained the share transfer agreement!

He was looking forward to his wife’s surprised expression when she saw it!

“This ...”

“What is this?”

Emilia’s phoenix-like brows furrowed slightly. She felt that something that definitely wouldn’t be something simple for her husband to act so mysteriously.

This ...

From the look of it, it looked like a stack of A4 papers.

Could it be a contract?

“I’m going to tell you tonight whether you believe it or not!”

Oliver Walker said in a serious tone, “Actually, I’m not at all short on money.”

“We don’t have to be so tight on our spending.”

“As long as it’s something that you want, I can buy it for you even if it means you want the whole country!”

Was this an exaggeration?

Of course not!

As the master of one of America’s eight gods of wealth, it was no joke that he was as rich as a country.

Plus, he had long forgotten how much wealth he had!

Even the world's top company, the Rothschild company, had to be respectful when they saw him.

This was because he was involved in too many things.

It wasn't just money!

"You ..."

A look of bewilderment appeared on Emilia's pretty face. She then quickly reached out and placed her hand on her husband's forehead. After touching it for some time, she said, "Hmmm... you don't have a fever."

Her reaction was undoubtedly cute and adorable.

However, Oliver Walker held back his laughter. Instead, he grabbed his wife's hand and said in a solemn tone. "Of course I don't have a fever and I'm not talking nonsense!"

"If you don't believe me, you can open the file and see what's inside!"

Would it be possible that his wife had let go of everything in the Davis Group?

That would be impossible!

Even Oliver Walker himself couldn't let them go.

This was all for their grandfather who was once reasonable and knew the good from the bad.

Therefore, the contents of the document bag would definitely be a huge surprise for his wife!

“I ...”

Emilia wanted to say something but she hesitated. In the end, she removed the seal and opened the folder with a heart full of doubts.

She wanted to see why her husband would say such unbelievable things.

However, when she took out the document, the words ‘Davis Group Equity transfer contract’ shocked her.

After being in a daze for half a minute, she finally reacted. “Share transfer agreement?”

What was this?!

She couldn’t believe it!

She hurriedly raised her head and looked at her husband, who was smiling gently with his beautiful eyes!

This ...

How was this possible?

Why does this feel like a dream?

She ...

Her heart trembled.

Her entire body was trembling as well.

“En!”

Oliver Walker nodded and motioned to his wife to continue reading through the documents.

On the other hand, Emilia pursed her red lips and quickly looked at the contents with a frown!

This was a sight to behold!

The more she read it, the more she felt like it was a lie!

Chapter 324 Something Unexpected

But ...

She used to be the boss of the business world as well.

It would be impossible to fake these!

There were 20% of shares in total!

This was simply ...

Right now, her mood was like a rocket that shot up to the sky!

“Everything I said will come true!”

Oliver Walker spoke in a serious tone. “I said that I’ll let you return to the Davis Group with glory and I’ll do it!”

This was a man's promise to his woman who lived with him without any regrets!

A smile appeared on Emilia's pretty face but it wasn't an obvious one!

Her heart was also filled with excitement!

Did she not want to return to the Davis Group?!

Of course she wanted to!

That was her root, the place where she had grown up!

She just didn't want to be pitied or to lower her head and admit her mistakes. She didn't want to return in a sorry state like a sinner!

This was because she had done nothing wrong!

This contract was enough to help her re-establish the Davis Group!

This time, she would never be soft-hearted and repeat the same mistake!

As for what her husband had said at Davis 'banquet last night, she had always thought that he was just spouting nonsense but now she finally realised the truth!

She also finally knew why the stock prices this morning were so strange after they got listed!

However, after the wild joy, she sobered up and asked, "This ... Where did you get this?"

It was impossible for a husband to have that much money!

According to the current share price of Davis Group, that was equivalent to 1.6 billion!

In fact, it was only one billion Yuan at the time of the acquisition!

However, her husband who had just returned from the front line would not have so much money with him!

“I promise you that this share transfer agreement will come in the right place!”

“I bought them from the stock market, one by one!”

With a serious expression, Oliver Walker said, “You have to believe that with my status, I would not do anything stupid that would violate the law!”

At this very moment ...

No matter how many questions she had in her heart, they all disappeared like smoke!

She ...

Even if she didn't believe the rest of the world, she would still believe this man standing in front of her!

This was all because.....

Not only did he come home to them, it was only him that caught her when she was at her most miserable state. While she was being sanctioned by the Colorado business community, he was the one who had always protected her, her mother, and her daughter!

Then, Emilia cried.

Tears flowed endlessly into that warm chest!

She released all the bitterness that had been suppressed in her heart for years, as well as for her dreams that had been scattered when her wings were broken.

These actions were better than words!

That night, Emilia hugged the share transfer agreement and fell asleep!

She was going to return to the Board of Directors!

She would be telling them that this was not how they should be running the business.

While some of them were filled with joy, there were others suffering in despair. Emilia had a good sleep tonight but ...

Micheal Davis's family, on the other hand, had a sleepless night!

"What?"

"Let them come back to celebrate grandma's birthday?"

William Davis's face looked disgusted as if he had eaten sh\*t. He instantly jumped up from the sofa.

"No... you can't ..."

"This ... Absolutely not!"

"I don't agree with this!!"

How could he allow Emilia to come home?

This was something that scares him!

“I don’t have the final say in this matter!”

Micheal Davis said with a cold face, “I’m guessing that it’s probably Emilia who found your grandmother and apologised.”

“Otherwise, with your grandmother’s stubbornness, she would never have made such a decision!”

William Davis was furious, “She ...How could she be so despicable?”

“She ...”

“No!”

“I won’t make it easy for her!”

“Even if she returns home, she will only be a joke to us!”

He was furious!

He was infuriated!

He never expected Emilia to be such a capable woman. How terrible would it be if he didn’t knock her down earlier?

William Davis then took out his phone and dialled Issac Davis’s number. He said in a trembling tone, “Where are you?”

“I have something to tell you!”

Chapter 325 Returning the Kiss of Judas

Such a muddled operation made Micheal Davis, who was already burning with rage, even more furious.

“Why are you looking for him?”

“Don’t tell me you want him to come to our house?”

The Davis mansion was actually where the Davis family lived. Of course, there were also some of them who bought houses outside and moved out, but they still had the right to use the old house.

Micheal Davis had spent a lot of effort to kick out his elder brother, and now his son had the audacity to ask them to come home?

Was his son going against him?

“Dad!”

William Davis frowned and said, “You may not know this, but Emilia has the ‘Kiss of Judas’. If she takes it out and presents it to grandma for her birthday, we may be put into a horrible position.

“Isn’t the Kiss of Judas with you?” Micheal Davis was furious.

He clearly remembered that Emilia had left the family empty-handed.

She did not take away anything that belonged to the family.

“This is what makes them so hateful!”

William Davis clenched his fists and became angry. "He ... They've tricked me into giving it back to them!"

As he thought about it, he was filled with grievance!

Wasn't this a sin?

It was clearly a gift for the divine Chinese medical doctor, Hendrik Smith, but in the end, it went back to Emilia!

This was absurd!

"You bastard!"

"I don't even know what to say about that!"

Micheal Davis was so angry that smoke was coming out of his orifices. His face turned red, and the veins around his neck were popping. "Then we shall be even more ruthless and replace that painting with a fake one!"

"We'll make your grandmother completely lose hope in them!"

Does Emilia want to return to the Davis family?

Motherf\*cker!

She must have secretly fed Mrs. Davis some kind of magic potion!

It was simply unforgivable!

Since they have done this, they shall be even more ruthless!

“Dad!”

“That’s a smart move!” William Davis exclaimed.

“I’m going to find that old bastard, Isaac Davis!”

Older men were definitely wiser.

If Mrs. Davis discovered that the painting sent by Emilia was a fake one , then ...

She would definitely be furious!

Mrs. Davis’s temper was well known for being stern. So, the consequences of it were obvious.

William Davis left the mansion on a happy note.

In fact, he didn’t know if Emilia would actually present the painting as a gift but ...

Besides the Kiss of Judas, what else could that family offer which would satisfy Ma’am Davis.

On the road outside of the Davis Mansion.

When Issac Davis saw a Mercedes-Benz parked on the side of the road with its double flashing lights, he quickly got out of the taxi.

In fact, after he sobered up, he did not return to his own house because it wasn’t necessary for him to.

Anyway, Oliver Walker had no money left and so what else could he do even if he went back?

“Hehe ...”

“William, you were looking for me?”

Isaac Davis asked with a smile, “Do you have anything to offer me?”

His usual expenses were costly.

Therefore, the money he had earned previously has been completely used up. The most important thing was to get more money so that he could continue having fun.

As for William Davis, if there was nothing for Isaac Davis, William would never call him.

Since William Davis called him, it would definitely mean that there was something for him to do.

“En!”

William Davis lit up a cigarette and took a deep breath. Then, he said slowly with smoke coming out of his nostrils, “There’s indeed a small matter I need to discuss with you!”

He clearly knew what kind of person this man was.

Therefore, he must not show that he was desperate or he would definitely end up being slaughtered.

“Oh?”

Isaac Davis was immediately interested and said, “What’s the matter? Let’s talk and we can discuss more about the price of it!”

When he expressed his strong interest, he also made himself very clear.

The thing with him was that...

If they didn't have enough money to offer him, there would be space for a discussion!

Chapter 326 Returning Home

If William Davis continued, it would naturally mean that he had tacitly agreed to having to pay a price for this!

"That wild dog, Oliver Walker, stole one of my famous paintings. It must be at home now!"

William Davis's eyes flashed with disdain as he said, "As long as you can get it back, find a counterfeit shop and replace it with a fake 'Kiss of Judas', that would be a mission complete."

"But ..."

"You have to give me the real painting before tomorrow night!"

That's right!

If he was too late.....

It would cause a big problem. They could not be delay until the morning of the day after tomorrow, which would be Ma'am Davis's birthday.

"Kiss of Judas?"

Isaac Davis felt that the name sounded familiar but he couldn't remember where he had heard it before. Then, his face turned stiff. "That is a valuable antique painting. You will have to tell me what you can give me in exchange for that!"

He didn't know that this was the dowry his father had prepared for Emilia when he was still alive.

It could be said that Issac Davis had never been a qualified father!

Otherwise, he wouldn't have done so many things that harmed his family just for the sake of his own enjoyment.

Just like now, he knew that the painting was a valuable antique but he didn't think that he should stop the other party. Instead, his eyes lit up with excitement. He didn't expect that shabby house had such treasure!

This ...

How was this even possible?

"Ten thousand!"

William Davis stated his price with a gloomy expression. To him, the old man in front of him was only worth this much.

Giving him this much was already an honour for Issac Davis.

Was there a need for him to compliment this man?

"Ten thousand?"

Isaac Davis sneered, "If it's less than a hundred thousand this time, I wouldn't be called Issac Davis if I agreed to it!"

The truth was that Issac Davis had no idea how much the painting cost.

This was why he set a high price for it. He assumed that 500 thousand was the price of the painting and if there was anything lower than that, Issac Davis would never accept it.

"You ..."

William Davis was furious and he finally said in a cold voice, "The most that I can give you is 50 thousand. It's up to you whether you want to do it or not. If you don't, I can always hire someone else to do so."

In that instant!

Isaac Davis's face turned serious. "Anything less than 80000 is out of the question!"

"And you'll have to pay half of the money first!"

William Davis thought about it seriously.

Even though that painting was worth tens of millions ...

Plus, 80 thousand Yuan was nothing to him but he didn't want to give this man even a penny more!

However, Issac Davis would be the only one who could do this secretly. So, William Davis took out his phone and began to transfer the money. "You'd better remember this. If you dare to run away with the painting, I won't let you off even if I have to go to the ends of the earth."

"If you dare to play any tricks on me, I'll cripple your limbs!"

From the warning itself, it was obvious that William Davis did not take this man seriously even when Issac Davis was his biological uncle!

In short, in William Davis's eyes, Issac Davis was a cheap labour!

"Hehe ..."

"Why don't you trust me?"

Isaac Davis looked at the transaction on his phone and said with a smile, "There are still ethics amongst thieves!"

With the money that he had just received, he turned around and left.

He only had to find a fake one and replace the real one!

What was so difficult about that?

Just like that, he had easily earned 80000 Yuan. Although it was not as much as before, he could still be carefree for a while.

"Rubbish!"

William Davis looked at the back of the figure that disappeared into the dark night with extreme disdain. Then, he thought of how smart he was as he muttered to himself. "Emilia, you want to return to the board of directors with the help of grandma?"

"In your dreams!"

"I'll make sure you're stuck in hell forever!"

He had come to a sudden realization.

He was wondering how that stray dog, Oliver Walker, dared to make a scene at the banquet.

It turned out that Emili had gotten her grandmother's support once again. However, if she wanted to return to the Board of Directors just like that, she would be underestimating his determination.

It was simply wishful thinking!

What he didn't know was that the reason why Emilia was able to return to the Davis Group has got nothing to do with Ma'am Davis. Since the day that Emilia had been expelled from the company, they had never met each other!

She was only able to return to the Davis Group with her head held up because of the choice she made ten years ago!

It was Oliver Walker who had gave her such confidence!

Chapter 327 Travel Back In Time

The next morning, after Emilia woke up from her sleep, she was completely dumbfounded when she saw the folder in her arms!

She thought that she was dreaming!

She had a beautiful dream that was impossible for it to be a reality!

In the end ...

There was indeed a folder in her arms.

In order to confirm the authenticity of it, she forced herself to be clear-headed and quickly opened the folder. When she saw that it was indeed the agreement for the share transfer, a sweet smile appeared on her face!

That kind of joy was really indescribable!

“Mummy!!”

Olivia Walker said happily, “Your smile is so beautiful today!”

She always slept by her mother’s side. Plus, with how she has been tortured by her illness since she was young, she often woke up before dawn.

That was why she knew that her mother would always have a worried look on her face in her sleep!

“Olivia!”

Tears of joy welled up in Emilia’s eyes as she pulled her daughter into her arms and said guiltily, “Mummy will never let you suffer again!”

“Your father is amazing!”

From the moment she saved Oliver Walker, she never thought that this day would come!

Perhaps that man had never been as useless as she thought and was someone who had to rely on her for protection.

It might have been because she was so domineering that the man would rather be protected by her.

Now that she had fallen from her almighty status, that man had stood up against their enemy and had taken back everything for her.

Her dignity!

As well as her career!

“En!”

Olivia Walker said sweetly, “I’m feeling great right now!”

“There’s you and Daddy!”

“I’m the happiest child alive!”

In fact, she did not know what a good life was but she knew that ever since her father came home, the children in school no longer bullied her.

And ...

Her father was a great hero!

Such sensible words made Emilia tear up.

“Go wash up and have grandma take you to school, I ...” Emilia said quickly.

“There’s something I need to do today.”

Today would be the day where she returned to the Davis Group for the first time in eight years!

She would be at the same position as Micheal Davis!

Therefore, she would never let down Oliver Walker's good intentions!

She would not be as soft-hearted as she was eight years ago!

She ...

She will take back everything that she had lost all these years!

She would be sitting at the same conference table, confronting those who had chased her family out of the company!

After putting on the white dress that her husband had spent over 100000 Yuan on for her, she walked out of the bedroom!

"You're awake!"

Oliver Walker smiled slightly but in an instant, he found that his wife's temperament had changed drastically!

It was confidence!

It was the confidence that she had when she was dominating Colorado when they first met!

He knew that his wife had regained her previous glory!

"Hubby!"

"Thank you!" Emilia said with a wide smile on her face.

She did not know what else to say!

But ...

She knew how much the man in front of her had sacrificed for her!

It had healed her wings that had been broken by Micheal Davis and even gave her another chance to soar again!

“Why are you thanking me?”

“I’m still waiting for you to make money and buy me a big house!” Oliver Walker grinned.

Such ‘rascally’ words were like those of a pretty boy who lived off a wealthy woman...

This caused Emilia to cover her face and laugh. At this moment, silence was better than words!

She finally understood why her husband always did things that she thought were so insolent.

It turned out ...

They were not insolent!

It was because he had the abilities to make them come true!

These shares were worth at least a billion Yuan. Why would she need to earn more money to just buy a simple house?

However, she was still doubtful.

Chapter 328 The Kiss Thief

What kind of person was her husband?

Why did he have such a large amount of money?

Moreover, acquiring scattered shares in the stock market was not something that could be done with money. It also required people, power, and connections!

She didn't need to ask where the money came from.

This was because she believed that her husband would never do anything stupid!

However, she would definitely ask him about it when she returned. After all, she didn't want to be headless with who her husband was.

"I'm going to work!"

Emilia tried her best to calm down the waves in her heart!

"I'll go with you," Oliver Walker answered quickly.

After all, this was the first day. Although his wife held a large amount of shares in her hands, the shameless people of the Davis Group would do unimaginable things.

Therefore, he could not be at ease!

"En!"

A hint of confidence and determination appeared in Emilia's beautiful eyes!

With her husband around, she could be at ease!

Just as they were about to leave, Isaac Davis, with dark circles under his eyes, sneakily opened the door and entered with a rectangular box wrapped in a bag in his hand.

Perhaps it was because of her guilty conscience, he suddenly became stiff after seeing his daughter and son-in-law, "You ...Why haven't you guys left yet?"

Emilia recalled what happened yesterday and said in a bad mood, "Since you're here now, I'll be leaving.

She really didn't want to see this hateful man in front of her!

With that, she turned around and left!

Not only did Isaac Davis not show any remorse but he also heaved a sigh of relief. That expression ...

It was obvious that he was up to no good!

Oliver Walker could tell. So, he stepped forward and warned in a low voice, "You can come home but you'd better not cause any trouble!"

"Also, I was the one who allowed you to do all those things yesterday."

"But, don't ever think that I will really tolerate your misdeeds!"

Isaac Davis's face suddenly turned red. "You ..."

However, Oliver Walker simply ignored him and left!

“Bastard!”

“Who do you think you are?!”

Isaac Davis roared in rage, “Watch how I’m going to deal with you two!”

If he had known that there was such a treasure at home, there was no need for him to put on such an act.

As for William Davis, that man also treated him like a fool!

William Davis actually wanted him to steal a painting worth five million Yuan with just eighty thousand Yuan?

William Davis must be sick in the head!

Even if he didn’t know the market price of ‘Kiss of Judas’, he would be able to ask anyone around him.

The money that he had asked for was just for the cost of his escape.

After that, as long as he swapped the paintings...

Hehe ...

He would be rich!

By then, he would be a millionaire again.

If he took a trip to the casino, his wealth might even double and he would be able to live comfortably.

So, when he saw that there was no one at home, he sneaked into his daughter's room without hesitation and said with a look of disgust, "Idiots! You're really good-for-nothing! You have such a good treasure in your hands but you don't even know how to sell it!"

"Hehe ..."

"I'll take it that you're giving this to me as a token of your filial piety!"

Such words were simply shameless!

However, he didn't think much of it. He didn't think it was that difficult. After all, this house was small. Where else could it be hidden?

Finally, he found the treasure of his dreams in the simple closet. He hugged it and kissed it twice. After exchanging the packaging with the fake 'Kiss of Judas' in his hand, he sneered, "A bunch of idiots!"

"You want to come after me now?"

He had a cold grin on his face.

William Davis didn't know that he had already bought a plane ticket and was ready to escape.

So, he hummed a little tune happily and left the house!

However, once he got downstairs ...

He noticed a black car parked at the stairway!

From inside, four men in suits with extraordinary temperament came out and stared at him with a smirk ...

He was so frightened that he quickly put the 'Kiss of Judas' on his back and stuttered, " "You ..You ... Who is it?"

Such an action of making such a huge scene in order to cover his one track were a subconscious actions of his.

These four men were definitely here for the 'Kiss of Judas'. Even if they didn't know what it was, they would now know that it was something expensive.

Chapter 329 A Snake Trying To Swallow An Elephant

"Hand over the item and I'll spare your life!"

"If you dare to resist, we aren't people that you would mess around with.

The leader had a cold smile on his face while the other three started to rub their hands together.

Not only that, they were getting closer to Issac Davis!

"You ..."

Isaac Davis panicked and said angrily, "What you're doing now is illegal!!"

He had been shouting quite loudly before but after how the leader flashed his dagger ...

There were no other sounds heard!

"Gulp ..."

Isaac Davis swallowed his saliva and felt cold sweat all over his body. Damn it, that was a real dagger!

It was a white and shiny dagger and once it get thrust into his body, it would turn red!

This was crazy!

All four of them must be crazy!!

“What’s wrong?”

“Are you going to do anything about it?”

The leader had an evil smile on his face.

Such an imposing manner caused Isaac Davis’s face to suddenly turn pale, and he quickly said with a trembling voice, “Big ... Big brother, there’s ... If there’s anything you want ... just let me know.”

“You .. You’re still so young, why bother ... Why do you want to commit such crimes?”

Issac Davis was badly frightened!

How could he not be?

Having been in the casino for many years, he knew how terrifying these people were!

To them, chopping off one’s hands and feet was a common occurrence!

But ...

They were asking him to pass over the painting that was worth millions....

He also couldn't bear to!

"Motherf\*cker!"

"The boss is being polite with you and you still have the audacity to ignore him?!"

"Brothers, let's beat him up!"

"..."

As soon as the leader finished speaking, all of his underlings ran and greeted Isaac Davis with punches and kicks.

The pain.....

It was heart-wrenching!

"Ah ..."

"I beg ... I beg you! Please don't hit me ... Don't hit me ..."

"Aiya ... Don't hit me ... Don't hit my face ..."

"Boom ..."

"Bang ..."

Isaac Davis was in trouble. Under the siege of the people, he knelt on the ground and curled up into a ball, protecting his vital parts like a Porcupine.

As for “Kiss of Judas”?

He had already lost it!

The leader picked up the scroll and listened to Issac Davis scream like a child. Then he said disdainfully, “Let’s go!”

William Davis had predicted it like a god. He knew that Issac Davis would run away after getting the Kiss of Judas.

After following him closely, they found out that this idiot had bought a flight ticket for this morning last night once he got the money!

“Motherf\*cker!”

As he watched the unlicensed car leave, Isaac Davis wailed, “How can you all be so despicable?”

“I swear I’ll never forgive you!”

“F\*ck you, Yancao Hall!!!”

He didn’t think that these were William Davis’s men. Instead, he thought that the other party was an expert in antique imitation and was someone who was highly accomplished!

After all, he bought the fake painting from them last night.

Plus, he was the one who went around asking about it.

Places like that where the good and the bad mixed together was likely to attract disaster like what happened earlier.

Issac Davis was now in an extremely sorry state, with footprints and bruises all over his body. After all, the three people had not been gentle.

The most important thing was ...

There was blood coming out of his nose and mouth.

How was he going to go out when he was so concerned about his reputation?

He could only return home in a sorry state and continue to nest!

“Mr. Davis, I’ve got the item!”

“Plus, as per your request, I taught Issac Davis a good lesson.”

When the news reached William Davis’s ears, he lazily stretched his back. “Damn! After so long, there’s finally some good news.”

“That man was not content with what he got and wanted to act like a snake who would swallow a f\*cking elephant. How dare he fool me as such?”

“He actually had the audacity to run away?”

“Isaac Davis...Oh Isaac Davis, you f\*cking deserve it!”

With that said, William Davis stood up, tidied his suit and walked towards the meeting room in a good mood!

Chapter 330 Change of Plans

After all, the morning meeting was about to begin!

“Good day, Mr. Davis!”

“Good Morning, Mr. Davis!”

“Mr. Davis, what’s the matter? Why are you so happy?”

“...”

On the way to the conference room, William Davis’s aura was imposing.

It was as if he was invincible!

Emilia wanted to rely on a famous painting to please Ma’am Davis in order to return to the Davis Group.

What a joke!

Now that she had no way out, he would like to see how Emilia would join the Board of Directors!

Hmph!

Did she want to fight him?

She was simply asking for suicide.

“What did that kid, Oliver Walker, say the night before?”

“Didn’t he say that he wanted Emilia to return to the Board of Directors? ”

“He was just bragging!!!”

“It’s time for the meeting, but where’s Emilia? ”

“Hahaha ...”

The meeting room became lively.

After all, the Davis group’s stock price had risen, and they had also followed suit!

As long as they could maintain their current momentum, they could throw away the shares they held at any time and cash out.

After all, the fear of being dominated by Micheal Davis’s family definitely wasn’t a good thing.

“Her?”

Just then, William Davis entered the meeting room and proudly said, “If she returns to the Board of Directors, I’ll f\*cking walk upside down and leave this place!”

The next moment, he sat down next to the chairman.

After all, he was now the General Manager of the Davis Group, a man with true authorities!

“William is right!”

“Among the younger generation of Davis, William is the most promising!”

“Was there anyone who could go against him?”

“Emilia is merely a stray dog!”

“ ... ”

In an instant, the conference room was filled with harmonious flatteries!

William Davis also enjoyed being complimented by his aunts and uncles!

This was something that Emilia would never be worthy of!

At the entrance of the Davis Group ...

A rental car stopped and the people who got out were Oliver Walker and Emilia!

“Stop right there!!!”

“What are you guys doing here?”

At that moment, the bodyguard of the Davis family at the door immediately blocked the way and said arrogantly, “Don’t you know that this is the Davis Group?”

This was the young lady who had been chased out of the company and the man next to her was a little puppy raised by a young lady. They actually wanted to step into this place?

This was absurd!

Soon, a few security guards surrounded them!

If this couple was allowed entry, it would be their dereliction of duty.

“Move!” Oliver Walker shouted.

“Shut up!” Emilia rebuked coldly. When she left, none of them here treated her with kindness.

Instead, she got abused and insulted!

Therefore, now that she has returned, she naturally doesn't need to be polite to anyone!

She used to be an abandoned young lady whom even David's bodyguard could mock. But now, with these shares, she was at the same level as Micheal Davis.

Why would she accept such mockery?

“I'm sorry!”

“My bones are too heavy and I can't move!”

The bodyguards sneered. “Hmph! I'd advise you not to cause any trouble. Otherwise, you'll only bring humiliation upon yourself!”

With that statement, the rest of the bodyguards stepped forward one after another.

He even puffed out his chest and sized up the couple in front of him with a teasing look.

“Can you read this?”

Emilia took out the share transfer agreement from the folder and placed it in front of everyone.  
“Unfortunately, I’m your boss now!”

Although she was no longer a part of the Davis family, Davis Corporation had gone from a family company to a listed company.

She didn’t need the identity of Miss Davis. Just the shares in her hands were enough to make these people shut their mouths!

Instantly....

The entire place turned quiet.

The eyes of these men were about to pop out of its socket.

On the contract, it was clearly written that Emilia currently owned 20% of the Davis Group.

This ...

Would that make her their boss as well?
