Chapter 481 Protecting The Sovereign

Such words added fuel to the fire for Emilia, who was already mentally unstable.

"I've already informed you in advance," she replied in a neither servile nor overbearing manner.

"If you're here to negotiate, you're more than welcome."

"If you want to force me to let go, then I'm sorry, but I refuse to agree!"

She had informed Ma'am Davis before she went to the factory.

But what kind of answer did she get in return?

That was to ignore it. After all, Micheal Davis had the absolute upper hand at that time.

Now that he knew that Emilia was really angry, he turned around and blamed her instead. It was obvious that these people were really forced into a corner.

"You're so brave, Emilia. Where did you get the guts to talk to Grandma like that?"

William Davis said with a fierce and domineering expression, "Is this the attitude a junior should have?"

"I think you've been living with that wild dog Oliver Walker for too long. You've even f*cking forgotten about propriety, righteousness, and even manners!"

"Hurry up and apologize!"

"I don't want to see you here. Please leave immediately. Otherwise, don't blame me for being rude!"

If it was just her, then it was fine!

However, he called Oliver Walker a wild dog. This was an insult that she could not accept!

"You're going to play rough on us?!"

"I'd like to see what you can do!" William Davis sneered.

"If you have the guts, come at me!"

He thought that Emilia was just being stubborn and would never dare to be impudent in front of Ma'am Davis!

But he was wrong!

He was ridiculously wrong!

Emilia picked up the walkie-talkie and said coldly, "The security department?"

"There's someone causing trouble in front of the Sovereign. Please come over and get rid of them."

Where was the nobility of the Sovereign?

There was a dedicated security personnel in charge of security, and the intercom system was directly connected to the security department of the Garden Villa. b e dno v e l. c om

William Davis naturally knew about this, so his face turned green. He gritted his teeth in hatred and said, "Fine... You win!"

Emilia remained silent as she looked at William Davis and fled in a sorry state.

Ma'am Davis was furious. "You..."

She really wasn't going to respect even her own grandmother?!

It was said that one had to look at the owner before hitting the dog, but Emilia...

"If you're here to negotiate, then I'll open the door and welcome you!"

"If you're here to force me to submit, then I'm sorry. Perhaps when the security department comes later, they might treat you as a troublemaker!"

There was an iron gate between them. Through the fence, they stared at each other!

This time, Emilia did not choose to lower her head. In other words, no one could use moral coercion to force her to lower her head.

She had given in before!

However, what she got in return was far worse than what she imagined.

In order to raise money for Olivia's medical expenses, her mother had gone from being the young mistress of Davis to being a street cleaner overnight.

She had never suffered like this in her entire life.

Olivia had never enjoyed a peaceful life since she was born. Those past events were still vivid in her mind.

How could she forget?

Honk, honk, honk --

In the next second, more than 30 security guards of the Garden Villa had already arrived at the gate on their electric bikes.

"Honorable Ms. Davis, is she the one who disturbed your rest?" The leader asked hurriedly.

Soon, the security guards surrounded Ma'am Davis.

This was probably the first time Ma'am Davis had been humiliated like this since she left the business world in Colorado.

Micheal David, in particular, scolded angrily, "Bastards, open your dog eyes and see who is standing in front of you!"

"Even if Leon Williams is here, he'll have to be respectful toward us."

They are still from the Davis family and Ma'am Davis was still the head of the family!

Davis might have declined, but Ma'am Davis's reputation was irreplaceable in Colorado

"I'm sorry, but our duty is to protect the Sovereign!"

Chapter 482 Negotiation Part 1

"No matter who the opponent is!"

The security captain's tone was also tough, not giving him any face at all!

Micheal Davis was so angry that he went forward and wanted to continue arguing. If he really couldn't do it, he would even fight them physically!

However, Ma'am Davis was clear-headed. She stared at Emilia and said coldly, "You're really something. Since that's the case, let's have a negotiation!"

"I want to see what you want by doing this!"

Ma'am Davis was still a smart woman after all.

She was still being so stubborn by admitting defeat.

Emilia did not mind. Instead, she opened the iron door and said to the person outside, "The person who threatened my life has left the scene!"

"Thank you, everyone!"

"You're welcome, Ms. Davis!" The security captain quickly said.

"Brother, we've just investigated the surveillance footage. We'll give William Davis a warning. If he dares to do it again, we'll expel him from the Garden Villa!"

Perhaps in Emilia's eyes, this was a very small matter.

However, in the eyes of these security personnel, the title of Sovereign was the most honorable existence. It was a huge matter if the owner of it was disturbed by ordinary people.

Therefore, it could not be considered making a mountain out of a molehill!

Even though William Davis was the first owner of the Garden Villa, he could not do anything provocative to the honorable owner of the Sovereign

Once there was a conflict, then the Sovereign would be an inviolable existence.

This was an order from Leon Willaim directly.

"Please come in!"

After the security personnel left, Emilia made a gesture of invitation.

Ma'am Davis did not resist further. She walked into the living room with her dragon-headed walking stick and sat on the main seat!

"What do you want?" she asked arrogantly. "Tell me what you want. What do you want in exchange for you to lift the charges against Micheal?"

Emilia replied firmly, "I want the entire Davis Cosmetics to be independent of the Davis Group and be under my full control."

"As for what he did, I can deal with it personally."

The reason why she asked for Davis Cosmetics was actually very simple. She did not want to accept any shackles from the rest of the Davis family anymore.

This was not an unreasonable request.

But compared to what Micheal Davis did, it was a thousand times more generous.

"Impossible!"

Ma'am Davis said with a gloomy face, "This is impossible!"

Independent?

If it was before, she might have agreed. After all, Davis Cosmetics had long lost its profit point, and its market share had also fallen!

But now, with the Heavenly Doctor Beauty Mask, how could she agree to such an ace product?

"Since that's the case, there's no need to talk about it!"

"Grandma, I think it's time for you to leave." Emilia stood up domineeringly.

There were some bottom lines that couldn't be touched!

There was no room for discussion!

The reason why she made such a decision was because she knew that it was impossible to revitalize Davis with the involvement of the people from Davis family.

Gaining a subsidiary company would also be considered to get the bloodline of the Davis family. If it slowly expanded, it would naturally be considered that she was inheriting his grandfather's will!

"In that case, let's wait and see!"

Ma'am Davis's face was cold as she stood up arrogantly. "Micheal, let's go back!"

"I want to see how my granddaughter will deal with an 80-year-old woman like me!"

"I want to see if you can withstand being cursed for being unfilial!"

"Hahaha ..."

Then, Ma'am Davis left.

The negotiations naturally ended on bad terms!

Emilia had no intention of asking her to stay!

She also knew that Ma'am Davis had always been aggressive. If she took a step back, Ma'am Davis would definitely make her take ten or even a hundred steps back!

She looked at Ma'am Davis's back as she left, and her mood fluctuated greatly!

But.... wouldn't they have done the same as well?

Ma'am Davis had repeatedly done things that she could not accept. It was undoubtedly because Ma'am Davis thought she had hands on Emilia's weakness.

Therefore, this was also the reason why Emilia was unwilling to give in!

Chapter 483 Let's End The Contract

In fact, Oliver Walker had witnessed everything and could understand the predicament his wife faced before he returned.

Moreover, his wife had absolute control over the situation now. Even so, the people from Davis Company were still so confident.

Perhaps it was because they were used to blindly demanding things, which led them to think that their wife's concession had become a matter of course.

The next morning, Micheal Davis, who had not slept the entire night, knocked on Ma'am Davis's door anxiously with red eyes.

"Mom!"

"How is the situation?"

He knew that he had f*cked up big times!

Moreover, the Leo Group was still putting pressure on them. If they didn't get the goods within a day, it would be considered a breach of contract.

How could he afford the sky-high penalty?

"Don't worry. She won't dare to do anything to you!"

"My son should not be a coward!" Ma'am Davis said with a gloomy face.

Why did she dare to say such a thing?

It was because she knew that Emilia wouldn't go too far.

The request that she mentioned yesterday were all words of rage.

Micheal Davis heaved a long sigh of relief. "Thank you, Mom!"

"I will never let you down in the future!"

What kind of consequences would be caused by excessive indulgence?

That was the anger of the victim!

There was no doubt that Ma'am Davis was taking a risk. She was betting that Emilia did not have the audacity to sue her own uncle.

After Micheal Davis relaxed, he rushed over to the company.

But, as soon as he walked in, Fernando Walter appeared behind him. "Mr. Davis, when can you supply it?"

"I'm already prepared for the publicity work. Do you know how much money I'll lose if I delay it for a day?"

He was really anxious!

After all, he had already spent all his money on the Heavenly Doctor Beauty Mask. He was just waiting to make a fortune out of it and surpass the Heavenly Dragon Group in one fell swoop.

But now that the goods had not arrived, it was getting troublesome.

"Mr. Walter, please do not worry!"

Micheal Davis smiled and said, "I definitely supply them."

"This is written in black and white. What are you afraid of?"

Hearing this, Fernando Walter was relieved!

That's right!

What was there to be afraid of?

"Dad!"

"Something bad has happened!"

At this moment, William Davis rushed in with a pale face and a trembling body. He held a document in his hand. "She... She really sued you!"

"This is a summon from the court."

Such news was like thunder on a sunny day!

It directly struck the confident Micheal Davis until he was dizzy and couldn't find his way.

"No, no, no. That's impossible!!!!

"Your grandma clearly said..."

Micheal Davis staggered two steps and fell against the wall in exhaustion. She was in a bad state. After reading the summon in despair, she roared, "How can she be so heartless?"

"I am her uncle by blood!!!!"

In fact, he understood that the evidence was conclusive.

What he was about to face was not only sky-high compensation, but also a lifetime prison sentence!

"Mr. Davis, what kind of tricks are you playing?"

"You've asked Oliver Walker to come to me yesterday," Fernando Walter said angrily. "You're doing it again today. Do you really think I'm a fool?"

In his eyes, this was clearly a bitter drama.

The Heavenly Dragon Group must have offered a higher price which was why Micheal Davis wanted to switch over and break the deal that they had signed earlier.

However, he had high hopes for the Heavenly Doctor Beauty Mask, and it was impossible to replace it.

"Mr. Walter, I'll be honest with you!"

At this moment, Micheal Davis's attitude turned humble. He cried out with a long face, "We are indeed in trouble."

"The contract is invalid because Davis Cosmetics is managed by Emilia. I have no authority in it!

"How about this..."

"I... I'll return the money to you and terminate the contract, okay?"

He was really about to cry!

He had also tasted the consequences of his impulsiveness!

"Hmph!"

"What a f*cking joke!"

Chapter 484 Naive, Childish, Ridiculous Men

Fernando Walker sneered. "I've been doing business for years, but I've never seen such a stupid trick!"

"You want to breach the contract? Dream on!"

"Let me tell you, the promotion of the Heavenly Doctor Beauty Mask has already begun!"

"The online and offline advertisements are already overwhelming, and you're talking about breaking the contract with me now?"

"Where do you want me to put my face?"

He could not believe that this was true!

So he turned around and left!

"Mr. Walter!"

"Mr. Walter! You... Let me explain!"

Micheal Davis hurriedly chased after him, her face full of anxiety. "It's really not what you think!"

"If you can't supply the goods," Fernando Walter said coldly, "We'll see you in court!"

As soon as he finished speaking, he left in an imposing manner!

At the same time, he bumped into Emilia and shouted angrily again, "No matter how glorious you were in the past, you can't change the fact that you're an abandoned daughter of the Davis family!"

"What's wrong?"

"Are you also working for Micheal Davis now?!"

"But I'm not that easy to fool!"

"What my husband told you yesterday was the truth!" Emilia spoke indifferently.

"I'm now fully responsible for Davis Cosmetics. The agency contract you signed with Micheal Davis does not have any legal effect!"

"Since you're also a victim, I'll give you a piece of advice. You'd better return the goods immediately, or you'll regret it!"

After warning him, she could continue the rest of her plans without feeling guilty.

Fernando Walter, on the other hand, cursed and shouted, "You b*tch, did you really think that I have no idea of your background?"

"You want to lie to me?"

"Dream on!"

Fernando Walter left indignantly like a mad beast!

How could he choose to let go?

Oliver Walker was angry!

But then, Emilia shook her head. "Forget it!"

At the same time, Micheal Davis also walked out and begged loudly, "My dear niece, I was wrong!!!!"

"I'm apologizing to you now, okay?"

"Let me go this time. I promise I won't do it again!"

He was really afraid, or else he wouldn't have apologized!

He had also forgotten how arrogant he was before and did not care about Emilia's feelings at all.

He even treated Emilia as a soft persimmon that he could knead at will!

"Hahahaha!"

"Do you think that an apology can solve the problem now?" Oliver Walker asked with a smile.

Naive!

Childish!

This was ridiculous!

Micheal Davis roared in madness, "This is an internal affair of the Davis family! How can an outsider like you interfere?"

"If you don't even respect my husband, then there's really no need for us to talk!" Emilia gave a cold reply and left.

"So, I refuse to accept your apology!"

Things had come to this!

No matter who wanted to go back on their word, they had no way out!

It wasn't that she was heartless, it was that these people had gone too far with it.

"Emilia! You!"

Micheal Davis roared with bloodshot eyes, "Don't be so cruel. You'll be struck by lightning if you do this!"

However, Emilia did not stop.

It wasn't until she entered the office that she asked with a haggard heart, ""Hubby, do you think that by doing this..."

She was too embarrassed to finish her sentence!

"Well..."

Oliver Walker comforted her, " you can think about it from another perspective. If Micheal Davis was the one who was in your shoes, would he let you off the hook easily? You would then get an answer from it.

"The business world and the battlefield are actually the same!"

"Whoever is moved by compassion first will definitely be defeated!"

"Being kind to the enemy is being cruel to yourself!"

"If you allow him to get away with it, he wouldn't be grateful toward you. He would only bite you back in the ass."

"This is reality!"

Chapter 485 Alliance Of All Parties

That's right!

This was reality!

Cold-blooded reality!

Was the lesson from eight years ago not profound enough?

However, Emilia could not understand. She was too embarrassed to say those words, but why could the people from Davis Company do it so confidently?

It was obvious that the conscience in their minds was different.

At the same time, Micheal Davis, who was in a desperate situation, rushed back to the Davis Mansion without saying anything!

He had no other choice!

He didn't want to go to jail, and he didn't want to face a sky-high fine!

So...

He could only wait and see what Ma'am Davis could do!

Fernando Walker was not idle either. After his order was given, the advertisement of the Heavenly Doctor Beauty Mask had already covered the entire state of Colorado through various channels.

He had invested too much, so he naturally had to earn it back!

Obviously, the unit price of the Heavenly Doctor Beauty Mask was too high.

It was impossible for ordinary people to afford it!

However, as the chairman of the Leo Group, did he really want to sell facial masks?

It wasn't!

He just wanted to use the magical effect from the mask to draw people to his mall.

At the same time, the sales of this mask would definitely bring in profits as well.

Due to how Fernando Walker was not a businessman, he did not have such a big market in Colorado but he knew better than anyone how big the domestic market was.

Although he only got the general agent in Colorado, he could still sell it to other people secretly!

At the Adams Group!

After Emma Adams saw the overwhelming advertisements, she instantly felt a sense of crisis. As the leader of the cosmetics industry in the state of Colorado, how could she watch as Davis Cosmetics rose again?

"Mr Frost!"

Emma Adams took a deep breath. "You said you have a way to turn the situation around. What is it?"

Ever since the charity dinner, she had been so worried that she could not sleep at night!

But now, Arnold Frost had personally come to her door. This made her feel as if she had grasped onto a life-saving straw. How could she be willing to give up?

As long as there was a one percent chance, he had to give it his all!

"Ms. Adams, I have the formula for the Heavenly Doctor Beauty Mask!"

"And it's definitely the real deal," Arnold Frost said with a smile. " If you're willing to pay a little price, I can guarantee that you'll beat Davis Cosmetics to a pulp!"

How did he get it?

Naturally, he learned from William Davis that Ellie Walker had an accurate formula.

Therefore...

"What do you want?"

Emma Adams 'eyes lit up.

If it was something that she could afford, she would agree to it without wasting any time.

After all, the cosmetics industry was her only livelihood!

Arnold Frost crossed his legs and said with a smile, ""I don't want much. I'll provide the formula and give me the agency rights for free. In addition, I'll take 30% of the net profit."

"This isn't too much, right?"

His heart was filled with pride. Poor William Davis, that unlucky fellow. He really had no business sense at all. He did not know how expensive the formula was!

However, Ellie Walker was smart. She was unwilling to tell William Davis no matter what. Instead, in exchange for this formula, she wanted to be Arnold Frost's woman.

Helplessly, he could only agree.

It was fortunate that Ellie Walker wasn't an ugly woman... bednov e l . c o m

He could still barely accept it!

Emma Adams's eyes shone brightly. "Sure!"

"You have a deal!"

"If the formula is in place, I'll apply for a production license now and start production immediately. I'll put it on the market before Davis Cosmetics hits the market!"

"But you must guarantee that the effect of the formula is not inferior to the Heavenly Doctor Beauty Mask!"

"Without this diamond, how would I dare to do the work of porcelain?" Said Arnold Frost with a smile.

"Hahaha ..."

The two of them hit it off immediately!

He wanted to kill Amelia!

Back at the Davis Mansion!

When Ma'am Davis heard this, her face was filled with disbelief. "She... Did she really do that?"

Initially, she thought that Emilia was just someone big with words, but now it seemed that she was serious.

This caused the arrogant Ma'am Davis to become unprepared!

"Mom!"

"It's absolutely true!"

Micheal Davis quickly took out the summon. "Look!"

Chapter 486 Fooling A Soft-Hearted Woman

If it wasn't because the fire was already in his own backyard, would he be so anxious?

The pain was indescribable!

"Pfft ..."

After reading it, Ma'am Davis, who was furious, suddenly spat out blood, and her face turned pale and powerless!

Her entire body was trembling!

"Mom!"

"You... What's wrong?"

Micheal Davis panicked!

Although he had been waiting for Ma'am Davis to pass away and inherit a huge fortune, nothing can happen to Ma'am Davis now!

Otherwise, even if he inherited all the assets, he would not have the time to spend!

After all, there was no place to spend money in prison!

"She... She..."

Ma'am Davis's eyes widened. "Go... Get Mary Grimm over here!"

Micheal Davis's face turned green. "Why are you still looking for her?"

Could it be that Ma'am Davis still wanted to...

"Idiot!"

"She's the only trump card in my hands," Ma'am Davis said angrily. " She's the only one who can save you!"

"Hurry up and go!"

Why did she allow Mary Grimm to stay in the old mansion?

Wasn't it because Emilia was too powerful and it could easily get out of control?

In fact, no matter how strong a person was, they also had weaknesses!

This was why Ma'am Davis was still considered one of the best.

A moment later, when Mary Grimm heard that Ma'am Davis's condition was not good, she rushed in with tears in her eyes. "Mom, what's wrong?"

Ever since she returned to the family, Ma'am Davis had treated her well.

It was as if she was making up for her previous mistakes!

However, how could Mary Grimm, who was simple-minded, know that Ma'am Davis only wanted to use her when the time was right?

"Humph!"

"You still have the face to cry in front of us?!"

Micheal Davis scolded shamelessly, "If it weren't for that precious daughter of yours, Mom wouldn't be so angry!"

"If anything happens to Mom, you won't be able to absolve yourself of the blame!"

What did this have to do with Mary Grimm?

However, the shameless Micheal Davis immediately put the blame of disobedience on Mary Grimm, quickly occupying the highest point of morality!

After all, compared to Emilia, her mother was much easier to deal with!

"Mom!"

"I... I really don't know what happened! What's going on!"

"What?" Mary Grimm panicked. "What did Emilia do?!"

She was a very traditional woman. Otherwise, she wouldn't have been able to swallow her anger for so long with Issac Davis.

More importantly, it was easy to fool a soft-hearted person!

"Sigh ..."

"Forget it! Forget it!"

Ma'am Davis said weakly, "It's my fault!"

"It's only right for Emilia to hate me. However, as a member of Davis Group, she shouldn't have listened to the bewitchment of someone with a different surname!"

"I... Cough cough... I..."

"If I die..."

It had to be said that Ma'am Davis's acting skills were absolutely top-notch!

She was even better than those who had the best actress award.

Did she really not blame Emilia? Did she really have no hate toward her?

It was only because she knew how to deal with Mary Grimm!

Taking care of Mary Grimm was naturally equivalent to keeping Emilia in check. As for Oliver Walker?

That coward who was afraid of his wife was nothing to be afraid of!

It had to be said that her heart was not an ordinary ruthless one!

She could come up with all sort of plans to deal with them!

"Mom!"

"You won't die!"

"You'll definitely be fine. I... Let's go see the doctor first. I'll tell Emilia!"

Mary Grimm was filled with guilt. She had really been deceived by Ma'am Davis's superb acting skills.

Micheal Davis shouted in cooperation, "Get lost!"

"You're not worthy of it!"

"This is my mother. It has nothing to do with you!"

Chapter 487 Stubborn Mothers and Unfillial Children

It could be said that this pair of mother and son had Mary Grimm under control in their palm.

Mary Grimm stood there, unable to even say a word!

Ma'am Davis pretended to be unconscious, and everyone in Davis ran to the hospital!

On the other hand, Mary Grimm was ignored. She could only make a call hurriedly. "Emilia, where are you?"

"Why did you make your grandmother so angry that she vomited blood?"

"What exactly did you say?"

After a round of criticism, she hung up the phone and ran for a few miles before calling a taxi.

Emilia was completely stunned. She frowned and said, "This is a ruse!"

"We still missed out on one very important person!"

She could see clearly that Ma'am Davis was using her mother's weakness to make things difficult for her.

Ma'am Davis was trying to force her to let things go.

For a slight moment, Emilia felt lost.

Oliver Walker shook his head. "This is really treating you as a pushover!"

It had to be said that the people from Davis family were putting on one show after another!

He really didn't know what they were after!

"What should I do?"

A hint of worry appeared in Emilia's beautiful eyes!

She was not worried about Ma'am Davis!

It was her mother who had suffered with her for eight years!

She knew too well what kind of person her mother was!

The people from Davis family had indeed racked their brains to deal with her!

They didn't even care about how thick-skinned this entire matter was!

Oliver Walker shrugged. "No matter what decision you make, I have no objections. If anything happens, I'll take responsibility for it!"

He could withstand it!

However, he was afraid that his wife would not be able to take it!

After all...

There were things that could get difficult.

Emilia was very depressed. After getting into the car, she rushed to the hospital!

At this moment, outside the VIP ward of the hospital in Colorado!

All the people from Davis family were present, except for Mary Grimm, who was blocked outside the door and was subjected to all kinds of vicious abuse and threats!

"If anything happens to Grandma, you'll die a horrible death!"

"Your family is an ingrate. You're not even human!"

"This is too much!!!"

"..."

Mary Grimm stood there without saying a word. She just lowered her head and felt uncomfortable!

According to the people from Davis family, it was all her daughter's fault. Her daughter had sued Micheal Davis.

How could she do that?

She was left alone and squatted on the spot, sobbing aggrievedly!

"Mom!"

When Emilia arrived, she immediately went forward and shouted, "You can't just let them bully you like this!"

That's right!

The people from Davis family were getting more and more outrageous!

It was so much that she could no longer tolerate it!

"Don't talk to me!"

"Don't you know what you've done?" Mary Grimm shouted angrily.

"Even if what happened back then made you feel wronged, your grandmother hasn't done anything wrong since we came back, right?"

She hasn't done anything wrong?

Did she really not do anything wrong?

At that very moment, Emilia felt aggrieved.

She could disregard anyone's feelings but...

"Mary Grimm, you really gave birth to a good daughter!"

"She's so filial!"

"If she can treat your mother this way, she would be able to do the same to you!"

"..."

It looked as if the rest of the Davis family found that things were not messy enough and were still trying to stir up even more trouble.

They were also gloating at the scene in front of them!

No one could stop Emilia, but no matter how strong a person was, they still had weaknesses!

"Mom!"

"Don't believe what they say."

Emilia felt wronged and quickly explained, "It's not what you think!"

"Don't call me Mom!" Mary Grimm said coldly.

"I don't have an unfilial daughter like you!"

Chapter 488 Arresting The Culprit

She knew Emilia's temper and was well aware that Emilia would actually do such things.

However, she could not accept this!

The rest of them from the Davis family laughed out loud.

Seeing how Emilia was suffering all kinds of grievances, they only felt that their hearts that had been suppressed for so long seemed to have been released!

Oliver Walker looked at the evil faces and immediately rushed forward. He could not watch his wife suffer.

This kind of grievance should not be borne by his wife!

He has to admit that Ma'am Davis had pulled the right card in this situation.

But...

To him, it was useless!

"What are you doing?"

"You're not allowed to enter!"

"Impudent!"

"..."

In an instant, William Davis took the lead and blocked the entrance!

Meanwhile, Oliver Walker, who was furious, shouted angrily, "Get lost!"

It was just two words, but it was mixed with the aura of an army!

It was like a bolt of lightning that exploded in the minds of the people from Davis Company!

William Davis, in particular, had a pained expression on his face as he covered his buzzing ears uncontrollably!

Oliver Walker, who had not interfered in Davis's internal conflict, grabbed William Davis's shoulder and threw him aside as he was now getting angry.

With a bang, the others were so frightened that their faces turned pale and they stood rooted to the ground.

Staring at Oliver Walker in a daze, he pushed open the door of the ward!

"Bang..."

Soon, it was closed again by Oliver Walker!

Mary Grimm, who was sad, squatted in the corner and obviously did not notice this scene. Otherwise, how could she have allowed it?

Emilia had been accepting her mother's criticism and apologizing profusely.

She only hoped that her mother could understand her actions!

In fact, she just wanted to inherit her grandfather's will and lead Davis Corporation back to its peak.

However, there were so many people who were trying to stop her from doing it!

Step by step, they forced her into a situation where she had no choice but to resist!

At the same time, Ma'am Davis was lying on the hospital bed, motionless, as if she was really unconscious.

"You..."

"What else do you want to do?" Micheal Davis shouted angrily.

"Do you want to piss her off until she's dead before you become satisfied?!"

His trump card had already been used!

He did not believe that Emilia would not bow down to them.

Since Emily had lowered her head, Oliver Walker would not dare to be presumptuous no matter how capable he was!

"You really have the face to say such shameless words!"

Oliver Walker took a step forward in a domineering manner. "Are you sure you want to play this trick today?"

"Then I'll play with you until the end!"

"Since you don't think that it's miserable enough, I'll let you know soon how it feels to be miserable!"

Ma'am Davis, who was on the bed, was clearly pretending to be unconscious. He knew at a glance!

Perhaps her blood pressure might have rose due to feeling angry but she was far from being dead.

"How dare you!"

Micheal Davis stubbornly roared, "If anything happens to my mother, you won't be able to bear the consequences!"

In fact, Ma'am Davis overheard everything clearly.

However, she couldn't get up. This was a desperate attempt. If she got exposed, everything would be over.

What was she betting on?

She was hoping that Mary Grimm would be able to stop Emilia.

However, she had miscalculated one thing. The enraged Oliver Walker was not under anyone's control!

"I hope you can continue to be stubborn until the very end."

Oliver Walker was on his way here. He had already informed someone to come over!

Didn't these people like putting on an act?

Then, he would play along. He wanted to see what kind of ability Davis had and whether they could withstand his crazy anger!

In fact, didn't they only do this because they saw the profit that was coming from Davis Cosmetics and wanted to kick his wife out of the picture?

It was obvious that they didn't know any better.

How could Oliver Walker agree?

At the same time, George Lee led ten Imperial Guards in black suits and rushed to the door with a solemn expression!

"Who are you?"

William Davis had just been taught a lesson. He was filled with anger and had no place to vent it!

When he saw that there was a stranger that stomped into the hospital, he revealed his true self.

"Look at it clearly!!!"

George Lee took out his ID and said with killing intent, "Whoever dares to stop us will be considered as obstructing the officials. If you don't want to be executed on the spot, you'd better get lost!"

Chapter 489 Waiting For The Right Moment

His imposing manner was like a mountain, and his words were firm. The faces of the people from the Davis family turned pale, and no one dared to step forward.

Imperial Guards!

Everyone knew what it meant!

These were the most elite troops in the entire country!

They were the soldiers who had crawled out of the pile of corpses with glory!

They had great privileges and could enforce the law anywhere!

So, what were they doing here? *bednovel. org*

Could it be that this matter had alarmed those from the Capital?

Surely not?

William Davis gulped and quickly retreated to the side!

George Lee and his men opened the door and rushed in!

That aura made the atmosphere in the VIP ward extremely oppressive!

"You... You..."

"Did you call them here?" Micheal Davis shouted angrily.

Oliver Walker didn't deny it. He just said indifferently, "Ma'am Davis, do you still want to continue acting with me?"

This act of self-pity had deceived his mother-in-law.

It even caused his wife to suffer.

However, since they had already decided to take action, he could not be merciful anymore!

Ma'am Davis was lying on the hospital bed, and there was still no movement!

In fact, she was awake. As Oliver Walker said, she was just pretending to be unconscious to deceive Mary Grimm!

"Alright then!"

Oliver Walker said calmly, "Since you liked acting, I will then cooperate with you to finish the act."

Ma'am Davis still didn't move!

She was waiting!

She was waiting for Mary Grimm to disrupt the situation. This was her only trump card!

Her son must not be sent to prison by his sister-in-law!

The rejuvenated Davis Cosmetics must not leave the control of the Davis Group!

If Emilia thought that she could escape from her grasp, then she must be dreaming!

Half a minute later, Oliver Walker did not say anything else. Instead, he winked at George Lee!

"Mr. Micheal Davis, please come with me!"

George Lee took a step forward and took out the arrest warrant. He said coldly, "Don't try to resist or put up any form of resistance. Otherwise, your actions will only implicate the entire Davis family!"

He was not joking!

A small family like the Davis would not be able to stir up any storm.

Even though Ma'am Davis had a complicated network of connections in the state of Colorado and everyone had to be respectful, they did not have to.

Apart from Oliver Walker, no one else could order them to stop!

"You... Who are you?"

Micheal Davis saw the two men in black take out their handcuffs. His entire body was trembling as he roared hysterically, "Why are you arresting me?!"

"Where are you taking me?"

Then...

The next moment, the two Imperial Guards use handcuffs to restrain Micheal Davis 'hands.

When there was a clanging sound, Ma'am Davis, who was lying on the bed, clearly moved her eyebrows and fingers. These were the instinctive reactions of a nervous person.

No matter how good his acting skills were, it would be difficult to hide it!

"Take him away!"

George Lee shouted and turned to leave.

At this moment, Micheal Davis looked like he was about to be escorted to the execution ground. His eyes were filled with emptiness and confusion, and his body was frozen cold.

He was getting dragged away from the hospital.

Ma'am Davis was anxious and couldn't hold on any longer!

Why wasn't Mary Grimm here yet?

Could it be that she was also...

"Oliver Walker!"

"I'm begging you as a mother. Can you stop fooling around?"

Just as Ma'am Davis couldn't hold it in any longer and was about to get up, Mary Grimm rushed in with tears in her eyes. "If you take him away, what will others think of us?"

"Do you want Emilia to bear eternal infamy?"

"She loves you so much! She likes you so much! Why would she want to harm her?"

The heart-wrenching sounds made Emilia frown. It was completely indescribable.

Ma'am Davis was right. Her mother was her only weakness!

It also made her lose her wits!

"Sister-in-law, I'm your brother-in-law!"

Chapter 490 You Were Never Married To Emilia!

"Big Brother and I are like broken bones that are still connected to tendons!"

Micheal Davis seemed to have found his last hope. He knew that Mary Grimm was soft-hearted, so he quickly tried to get close to her.

However, when he did those shameless things, he never thought that Emilia was his niece!

When he was in high spirits, he had never looked Oliver Walker in the eye!

This was human nature!

"Mom!"

"I'm just an ordinary person," Oliver Walker said frankly. "What do you want me to do?"

"To interfere with the law?"

"Even if I want to plead, they have to listen to me!"

"He was the one who committed the crime. What can I do about it?"

His wife had concerns, but he did not!

So what if he had to bear the infamy?

When had he ever cared about that?

Mary Grimm was stunned!

That's right!

Her son-in-law was just an ordinary person. How could he interfere in other people's cases?

"Auntie, don't listen to his nonsense!"

At this moment, William Davis saw the change in the situation and rushed in. "We haven't gone through the legal procedures yet. As long as he withdraws the complaint, it'll just be a family matter!"

"He has evil intentions!"

"I just want to piss off Grandma to death so that my dad won't be able to send her off!"

Such provocation had hurt Mary Grimm once again.

"What if something happens to the old lady? How are we going to live?" she shouted even more angrily.

"She's already in the hospital!"

"The doctor even said that her days are numbered!"

"Why did you harm Emilia like this?"

"How can you be so cold-blooded?"

Those accusations made George Lee and the others feel uncomfortable.

Logically speaking, that was indeed the case. The legal process will only take place once Oliver Walker handed in the documents.

Once Emilia withdrew the complaint, they indeed did not have the right to arrest anyone!

However, it was obvious that Emilia had been wronged, and Oliver Walker did not want to let it go easily!

Oliver Walker also knew that if he couldn't help his wife gain a foothold this time, the shameless Davis Company would use the same trick again in the future, and they might even go overboard!

"Mom!"

"It's not that I'm heartless, but I have no choice. Besides, Ma'am Davis is fine. What do you want me to do?"

"My mother is unconscious," Micheal Davis roared. "How dare you say she's fine?"

"Are you saying that my mother is just pretending?!"

"Sister-in-law, you have to think carefully. Once I'm arrested, then your daughter will be the one to bear the infamy in the future."

"When he leaves, how will Emilia be able to deal with all these alone?"

Such pressure was clearly accurate. Mary Grimm would definitely believe it.

This was a desperate battle. It all depended on who was crazier than the other!

As long as Oliver Walker stopped, the management rights of Davis Cosmetics would naturally return to his hands and have nothing to do with Emilia anymore.

Naturally, he could also hold the priceless Heavenly Doctor Beauty Mask in his hands!

He had also settled the contract with the Leo Group!

The most heart-wrenching one was undoubtedly Emilia. She knew what Ma'am Davis was up to, and she also knew about their sinister intentions.

However, she could not bear to go against her mother's wishes!

At this moment, she could only take a deep breath!

But she knew that her husband was right!

No matter what choice she made, her husband was always right!

At this moment...

It would depend on whose heart was more ruthless!

William Davis's eyes were filled with ruthlessness. The current situation was very clear!

"Oliver Walker!"

"If you insist on doing this, just pretend that I didn't save you ten years ago!"

"You were never married to Emily!"

"I beg you, please leave!"

Mary Grimm's words were filled with determination, and her eyes were filled with crystal clear tears.

She only believed what she saw with her own eyes!

At this moment, Ma'am Davis was lying on the hospital bed and she was really in danger!
