

Chaplain 531

Chapter 531 Fantasy

The trembling Leon Williams became more and more frightened the more he heard!

Perhaps Oliver Walker was calm enough, but...

Those words made him shudder!

There was even cold sweat on his forehead!

"Chaplain!"

"The investigation results are out!"

Just as the atmosphere in the private suite dropped to freezing point, George Lee walked in.

Leon Williams's already uneasy heart rose to his throat again!

"Tell me!"

Oliver Walker waved his hand. He wanted to know which bastard had instigated Jack Lee to defame his wife!

"It's Arnold Frost!"

George Lee flew into a rage.

"He was the one who spread those rumors!"

Some things could never be hidden. Once they were done, they would definitely be able to find out who it is behind it!

When Arnold Frost heard this, his expression turned ugly!

Mainly because this man had referred to Oliver Walker as the 'chaplain'!

This title...

It was indeed terrifying!

He was the chaplain of the country!!!!

Wouldn't that mean ...?

He could finally understand why Leon Williams was so afraid of Oliver Walker!

"You... You mean that this bastard was the one who spread the rumors about me and Miss Emilia?!"

Leon Williams was about to turn crazy!

He was still thinking about how to plead for Arnold Frost, but he did not expect that his nephew, whom he had always supported, would do such a crazy and stupid thing that almost killed him!

"Yes!"

"That's him!" George Lee said coldly.

Leon Williams's legs went weak as he said that. He fell to his knees with a thud. "Mr. Walker.... I am at fault...."

"I'm willing to sacrifice everything to compensate for all the damage to Miss Davis!"

He really did not know what to do!

This was because Arnold Frost was his nephew. The reason why Arnold Frost could be so arrogant was also partly his fault.

"He should be responsible for what he did. Plus, what's the use of that little fortune of yours?"

"Get up. It's not your fault!"

Oliver Walker's expression slowly calmed down. Moreover, he was indeed not short of money. He would not do such a thing even if he were short of money, he would not do such things. These were his principles!

"Mr. Walker, this... Leave this bastard to me, I... I guarantee that you'll be satisfied!"

Leon Williams was in a state of panic. Coupled with his boundless anger, he was extremely desperate for his nephew!

If it weren't for Oliver Walker's generosity, this incident alone would have been enough to kill him without a burial place!

Furthermore, Arnold Frost had done more than that!

Oliver Walker nodded.

What did he want?

It would be perfect for letting Arnold Frost leave this world in despair and let his uncle personally end his life.

"Uncle... Uncle... Save me!!!!"

"I'm your biological nephew!"

Arnold Frost was afraid!

He finally felt scared!

He finally knew who he had offended!

This kind of fear made people despair to the extreme!

He felt like every pore on his body had opened up and absorbed the cold energy!

"Bastard!"

"I've treated you well all these years!"

"Not to mention that I have been the one who has been supporting the Frost Company all these years!!!"

"How can I forgive you for doing such a thing?"

Leon Williams was furious. If Emilia were just an ordinary woman, it would be fine!

He would do everything he could to deal with the aftermath!

But...

But Emilia was Oliver Walker's wife!

A man that he could only look up to!

"I made a mistake....!!!!"

"Please give me another chance... Just... Just once"

Chapter 532 Heart, Body, Soul

Arnold Frost, who was lying on the ground, was still pleading for mercy. He did not know that no one in the room would let him walk out of this place alive.

Oliver Walker couldn't be bothered too. It was time for this matter to come to an end!

Of course...

Leon Williams certainly did not dare to lie to him, so Oliver Walker got up and left!

There were some who would only die if they did not work hard enough.

However, there were those who courted death and no one would be able to save them.

"Don't blame Uncle for being ruthless. It's you who made an unforgivable mistake!"

"I'll just take this as cleaning up for my sister."

If Leon Williams could climb to this point, he was naturally not a soft-hearted person!

Therefore, he took a step forward, squatted down, and grabbed Arnold Frost's neck!

"Ughhh....."

Arnold Frost was still struggling, and his eyes were filled with unwillingness!

However, he had forgotten that not long ago, he had used the same method to strangle Emilia's neck!

As Leon Williams's strength increased, Arnold Frost's breathing became more and more difficult!

Gradually...

His face began to flush red. After a moment, Arnold Frost stopped moving.

He had thought that Leon Williams was an unshakable backer who could protect him for the rest of his life!

But in the end, he found out that Leon Williams was just a small boat in the vast ocean, and there were also waves that could not be resisted!

He left with despair!

He also regretted what he had done!

However, it was too late!

"Hu hu hu..."

Leon Williams, who had done all this, panted heavily!

He didn't want to face everything in front of him, but fortunately, Oliver Walker wasn't too involved. As for Arnold Frost, he had it coming.

Back at the Sovereign.

After taking a shower, Emilia locked herself in her room.

Although Arnold Frost did not succeed, she was indeed frightened.

She did not know how to face her husband!

Worried that his wife would take things too hard, Oliver Walker opened the door and walked in!

"I..."

Emilia had already taken a shower, but her hair was still wet. It was obvious that she was not in the mood to dry it.

She was wearing pink pajamas, but it did not hide her perfect figure.

"It's over!"

"It's all over!"

Oliver Walker stood by the bed and comforted him with a smile, "It's not your fault that you're beautiful."

If it weren't for the fact that his wife was too beautiful, she naturally wouldn't have attracted people's attention!

It was precisely because she was so outstanding that Arnold Frost ignored all the warnings and took the risk to make a move!

"You... Will you stop loving me?"

At this moment, Emilia was no longer a high and mighty female CEO. She was just a small woman who was afraid that the man she loved would leave her.

The anxiety made her explain anxiously. "I... I've always been resisting! He didn't get to do anything to me!!!"

Oliver Walker smiled warmly. "How could I not love you?"

"You're my eternal love. It's my fault for not protecting you well!"

If he hadn't been so eager to find out the mastermind behind this, he wouldn't have left his wife, and this wouldn't have happened.

Besides, he had such a beautiful and good wife. If he didn't love her, where could he find a better one?

Moreover, the love between them had long surpassed anything physical. It came from the compatibility of their souls.

"It's not your fault!"

"It's not your fault!"

Emilia felt her heart fill with warmth!

She couldn't help but rush into Oliver Walker's warm and reassuring arms!

The two of them hugged each other and remained silent for a long time!

Perhaps at this moment, silence was better than sound!

"Tonight... Tonight, can you... Can you sleep with me?"

Emilia finally said it. Although she was very shy, they were still a married couple and this day would definitely come anytime.

After experiencing this incident, she was finally mentally prepared!

In fact, ever since Oliver Walker returned, everything he had done had made her let down her guard.

As for now, she had completely accepted him!

Otherwise, Emilia, who had been educated in propriety, justice, and shame since she was young, would not have taken the initiative to make such an unspeakable request.

Would he refuse?

Emilia was feeling nervous from head to toe!

Microsoft David - English (United States)

"You... What did you say?"

Oliver Walker was stunned. He felt that this night was so surreal!

Did such a good thing actually happen?!

In fact, he had long wanted to make such a request, but he was too embarrassed to say it out loud!

He did not expect his wife to actually...

Oh my god!

This was even happier than winning a battle!

"You... Didn't you hear?"

Emilia lowered her head and used her long hair to cover her blushing face. Her voice was so soft that only the two could hear it!

"Repeat it. I want a clear answer."

Oliver Walker gulped. After all, he was a man!

A man with normal needs!

To be able to endure for so long under his wife's beauty, he could already be considered a gentleman, right?

Wasn't he?!

He had it so controlled that his inner beast was about to be unleashed now!

"Forget it if you didn't hear it!"

Emilia pouted coquettishly. She had to muster up the courage to say those words, and now he wanted her to repeat it.

This...

Wasn't he deliberately making things difficult for her?

"Cough cough...."

The next moment, Oliver Walker instantly got on the bed and pulled his wife into his arms. He smiled and said, "I heard it; I heard it all!"

"Forget about only tonight. I will lie next to you every night for the rest of your life!!!"

At this moment, he was as happy as a child!

However, after he said that, he immediately felt inappropriate and quickly changed his words. "I... What I mean was.... You should be able to understand me, right?"

For a moment, Oliver Walker, who was used to the killing but rarely experienced love, was speechless in his extreme excitement.

It seemed that no matter how he explained it, it still didn't feel right!

"You idiot!"

Emilia complained, then covered her shy head with the duvet.

She wouldn't have said those words if she wasn't mentally prepared.

However, these words were enough for the bold and unafraid Oliver Walker to remove all impure thoughts in his head.

In fact, he was dying to get a scene of that intoxicating smell on his wife.

He could still hug that soft and tender body to sleep, so dare he raise such 'bestly' requests.

He had planned to ask his wife why she went to the Grand Canyon Hotel today, but he gave up.

After all, it wouldn't be too late to wait until his wife's emotions stabilized!

The next morning...

When William Davis learned of Arnold Frost's death, he was completely dumbfounded!

This...

Leon Williams's nephew just died so quietly?

Why was there not the slightest bit of turbulence, but it was as calm as a stone sinking into the sea?

Most importantly, none of the rumors about Emilia and Leon Williams had spread.

Arnold Frost's death had indeed alarmed the rich and powerful in the state of Colorado, but no one dared to ask.

It was obvious that he had really offended a big shot!

Otherwise, it was impossible for the Frost Company to not even hold a funeral!

It was even more impossible for Leon Williams to continue working as usual!

But soon, another piece of news exploded in the entire state of Colorado!

It was Arnold Forst who instigated the rumors between Emilia and Leon Williams, and in the end, it ended up with a tragic death.

This was the truth. The reason why it was released was that Oliver Walker wanted to shut those people up!

He wanted this matter to be forgotten forever!

"Honey!"

Oliver Walker asked tentatively, "Why did you go to the Grand Canyon Hotel yesterday?"

He knew that if Arnold Frost had invited her, his wife would never have agreed!

Therefore, there must be a reason why his wife had no choice but to fall for it!

Emilia, who was sitting in the front passenger seat, was silent for a long time before she said, "Don't ask about this, please?"

She knew Oliver Walker's character!

If she said it, what would happen to him?

Although what Elzac Davis did was indeed abominable, but...

In the end, it was her father!

The atmosphere in the car instantly became awkward!

CHAPTER 534 HE'S YOUR FATHER-IN-LAW!

Microsoft David - English (United States)

A moment later, Oliver Walker said with a smile, "Alright."

However, just as he arrived at the company, Oliver Walker's cell phone rang. Seeing that it was his mother-in-law's number, he immediately picked it up. "Mom!"

However, an anxious voice came from the other end of the phone. "Daddy, it's me!"

"Grandma was beaten by Grandpa last night. I heard her talking in her sleep at night that it hurts. I'm so scared. Can you come and pick me up?"

"Grandpa is a bad man!! He even lied to mom to go to the hotel yesterday!! How's mom? He... He was so bad... Bad!"

Olivia would never forget that scene!

The scene of Grandma hugging Issac Davis's thigh so that she could escape!

She was really afraid!

She was afraid that the scene would repeat itself!

When he learned the truth, Oliver Walker was enraged!

It turned out that his wife went to the Grand Canyon Hotel because she was deceived by Issac Davis!

This must be why his wife told him not to ask about this anymore...

However, he was still trying hard to control his emotions so as not to scare his daughter. He said in the gentlest tone, "Alright, I'll pick you up immediately!"

"Your mother is fine. She's busy with work!"

"Let's have dinner together tonight!"

Olivia quickly nodded. "Okay! Thank you, daddy!!!"

After hanging up the phone, Oliver Walker rushed to the Davis Mansion immediately!

No wonder the person who called him last night was Ma'am Davis!

He had reached the limit of his tolerance for Issac Davis!

Not only did he hit his own wife, but he also lied to his daughter!

Oliver Walker had thought that this kind of person would have learnt his lesson. Who would have thought that he would be so stubborn?

Davis Mansion!

Mary Grimm was still lying in bed. She had been treated, as they were only superficial wounds.

After hearing the voice outside, she immediately shouted, "Olivia, who are you talking to on the phone?"

"Didn't I tell you not to tell your Dad?"

She frowned. What if her son-in-law got furious?

No matter what happened outside, home was home!

No matter how much of a beast Issac Davis was, it would not change the fact that he was Emilia's biological father.

"Grandma, I'm so afraid that he'll hit you again!"

"I'm sorry!"

Olivia Walker lowered her head and admitted her mistake. However, in her heart, she had always believed that she had not done anything wrong.

This was because Grandpa an evil man!!!

"Sigh..."

Mary Grimm sighed. In fact, it was fine as long as she knew that Amelia was fine.

It was nothing for her to suffer a little!

"Mom!"

At the next moment, Oliver Walker rushed in. He didn't tell his wife because he was afraid that she would worry. "How are you?"

"It's fine." Mary Grimm shook her head. "They're just superficial wounds."

"Don't find trouble with him. It doesn't make sense. No matter what, he's still your father-in-law!"

That's right!

If her son-in-law really did something crazy, it would be too late!

"Mom!"

"You shouldn't have given in to him!"

"I'll go find him now!" Oliver Walker said coldly.

He could choose not to acknowledge his father-in-law!

However, he had to acknowledge his mother-in-law who had saved his life!

Plus, what Issac Davis had done yesterday had already made him lose all hope!

"Oliver Walker!"

"Dont!!!"

Mary Grimm quickly stood up and said anxiously, "He... He had already received the punishment he deserved!"

Oliver Walker said coldly, "Mom, just focus on getting better."

"I'll get him to apologize to you!"

He may be an elder to him but he should never be one that did not deserve their respect.

He could not do such a heartless thing!

Oliver Walker asked around, but no one was willing to talk to him. He could only call Ma'am Davis.

Someone had to be responsible for what happened last night!

Otherwise, it would only further encourage Issac Davis!

CHAPTER 535 WHO ARE YOU?

If audio player doesn't work, press Reset or reload the page.

Microsoft David - English (United States)

"Come to the ancestral hall!"

Ma'am Davis's tone was firm!

She knew that Oliver Walker wouldn't give up.

Things are different now!

Emilia had already parted ways with Davis, so she indeed had enough authority to speak to her.

Of course, Ma'am Davis was never one to give in but the main thing was that what Issac Davis had done had indeed angered her.

If she didn't punish him with the family law, it would be practically useless. Plus, she would do this for Emilia to ease the relationship between the two of them.

"Mom!"

"I... I've made a terrible mistake!!!"

"I know what I did was wrong!!! Please!!!"

"Please forgive me!!!"

Issac Davis knelt on the ground and cried in horror, "I was drunk yesterday too. I really!!!!!"

He stared at the bodyguards that took out the huge stick.

Looking at the long stick in front of him, which was quite old and smooth, he was so terrified that he couldn't stop crying!

"Being drunk isn't an excuse!"

"You're a man. If you do something wrong, you should be responsible for it!"

Ma'am Davis was furious. "Do it! Give me thirty lashes! Don't show any mercy to him!!!"

What was wrong with Isaac Davis?

He was so cynical that he sent his daughter into the demon's arms!

As for beating up Mary Grimm, that was irrelevant!

What Ma'am Davis was angry about was that as the eldest son of Davis, Issac Davis was really useless!

"Mom!"

"Spare me please!!!"

"Ah! Be gentle with it!"

"Damn it, I'm your master! Ah... Master....."

"..."

Then, the bodyguards mercilessly swung his flat rod and hit Issac Davis's ass!

The scream resounded throughout the entire mansion.

It could be said that Ma'am Davis was really angry with him.

Oliver Walker witnessed the whole scene. Issac Davis's butt was beaten until it was bleeding and Ma'am Davis showed no mercy.

Then, he was carried out of the ancestral hall!

"Listen carefully!"

"I will punish the people of Davis Company for their mistakes, but outsiders have no right to punish my family!"

Ma'am Davis's voice was sonorous and forceful. She was demonstrating her power!

It was a warning to Oliver Walker not to act rashly!

"Ma'am Davis is a wise woman. I naturally won't interfere with the matters in this family."

Oliver Walker smiled. "But please pass a message to my father-in-law. Arnold Frost is dead. That's all I have to say."

Ma'am Davis had indeed helped him solve something troublesome.

After all, Oliver Walker still didn't know how he should deal with Issac Davis.

Regardless of the severity of the punishment, it would still be regarded as disrespectful!

Therefore, he needed to teach him a lesson!

Plus, it was also a warning to Ma'am Davis.

It wasn't that he couldn't deal with this family, he just couldn't be bothered with it. However, it would be best if they didn't mess with his wife again.

Otherwise...

No one here would want to know what the consequences of it would be.

As for the Davis family, he had already had enough!

It was impossible for him to retreat again and again!

"Are you threatening me?" Ma'am Davis frowned.

She had obviously heard of Arnold Frost's death.

Since Oliver Walker mentioned it here, it meant that he had something to do with Arnold Frost's death.

Therefore, it was also a demonstration of strength to her and he was only using his words.

"It doesn't matter if it's a threat or just a simple suggestion."

Oliver Walker replied neither obsequiously nor arrogantly, "I will always remember the kindness that the Davis family has shown to be."

"But I also hope that you will take care of yourself!"

"I don't want to see bloodshed either."

Ma'am Davis was silent for a long time, and a cold light flashed in her eyes. "Now there are only the two of us here. Tell me, who are you?"

She would be lying if she said that she was not curious about Oliver Walker's identity!

If it was just like what she had found, then it was impossible for Oliver Walker to continue walking free after killing a man!

Chapter 536 Revenge!

Furthermore, the person who died was Leon Williams's nephew.

"Who am I?"

"What is important to you now is that you should know that both William Davis and Emilia are the children of the Davis family."

"It's definitely not realistic to be fair!"

"But I hope that you have a clear balance in your heart!"

"I don't care about Davis's assets. Similarly, I won't touch what belongs to my wife."

In fact, from the beginning to the end, he had never been interested in Davis's property.

Otherwise, how could Davis Group have survived until now?

"Aren't you being too arrogant?!"

"But, as long as it doesn't touch my core interests, I won't bother to deal with you too." Mrs. Davis said coldly. "As for Mary Grimm and that little daring, you don't have to worry about them."

"I quite like that little girl!"

For the past few days, Olivia Walker had been chatting with her every day to relieve her boredom. If they took Olivia Walker away, she might have to live the same boring life again.

"Your words are enough for me!"

Oliver Walker smiled politely and said, "As for my identity, you don't have to investigate anymore. With your connections, it'll be difficult to actually know anything."

"By the way, my wife misses her daughter. It shouldn't be too much to bring her back for a night, right?"

Was he showing off?

Definitely not!

This was only merely a warning.

Ma'am Davis was an understanding person. She immediately understood the meaning behind it.

As for taking his daughter away, it was indeed because he had not seen her for a long time. He did not expect Ma'am Davis to really like Olivia Walker.

From informing him last night to punishing Issac Davis now, it was enough to show that Ma'am Davis was not a heartless person.

She was just an ordinary grandma!

She only needed someone to care for her!

"Sure!"

Ma'am Davis pondered for a moment before frowning. "But don't do that anymore in the future."

"If she wants to, she can come back and stay here!"

Sometimes, humans are just weird living things.

There was an indescribable strangeness, but he couldn't tell what was wrong!

"Sure!"

Oliver Walker turned around and left after exchanging some pleasantries!

On the other hand, Ma'am Davis fell into deep thought and muttered to herself, "What is it that humans really want in their life?!"

"Oh! I'm getting old!"

"I'm really old!"

Inside Mary Green's house!

When Olivia Walker heard that she was going to take her to her mother, she immediately became happy. "Yay!!!!"

"I haven't seen Mom for a long time!"

Although she had a better life here, it was still difficult to make up for his mother's care.

Ever since Emilia started working, it has been rare that they got to see each other.

As Mary Grimm refused to leave with them, Oliver Walker took his daughter and went straight back to the company.

The scene of the mother and daughter meeting was incredibly heartwarming!

"Mommy!"

Olivia Walker said excitedly, "It's almost the holidays. Can you take me shopping?"

It was almost summer break, and once school reopened, she would be in first grade.

Emilia smiled happily and said, "Sure!"

"We shall go out the entire day today!"

At present, the company only had one product released, which was the facial mask, so it was easier to manage. It was also moving on the right track. It was indeed necessary for her to spend some time with her daughter.

Furthermore, after Arnold Frost's death, Leon Williams had personally taken over Hongri Mall. At present, the Heavenly Doctor Beauty Mask had also successfully landed on a larger platform.

Naturally, the sales were getting better!

At Adams Group!

Ellie Walker smiled obsequiously. "Ms. Adams, look at our product. It's going to be launched soon. Don't you think that we should do something to mess them up first?"

Emma Adams frowned slightly.

She had been under a lot of pressure recently. Due to the sales of the Heavenly Doctor Mask and the price, her market share had dropped rapidly.

Secondly, with Arnold Frost dead, the collaboration that they had previously discussed was naturally gone.

"The customer base of beauty cosmetics is mainly women who love beauty. After all, the effect of removing scars is a niche need."

Ellie Walker analyzed in high spirits and then said, "We can do this..."

She wanted revenge!

Revenge on Emilia!

Chapter 537 Definitely A Public Figure!

"Yes!"

When Emma Adams heard that, a cold light flashed in her eyes. "Remember, do it beautifully!"

"After all, we are causing problems at the Hongri Mall. Leon Williams is not to be trifled with!"

She naturally had her concerns!

However, what else could she do even if she had these concerns?

Once the Heavenly Sect Pharmaceuticals rise, she would have no room to live!

So...

She could only take the risk!

If she followed Ellie's plan and executed it flawlessly, she would be able to hype up her own product while discrediting his opponent's trump card. This was a good plan to kill two birds with one stone!

No one could resist the temptation!

At the same time, due to the holidays and the closure of the Leo Mall, Hongri Mall was almost overcrowded.

Oliver Walker, on the other hand, was still in the mall with his wife and daughter after lunch.

Especially in the hall on the first floor, which was filled with many people, beautiful piano music could be heard.

"Daddy, Mommy!"

"That uncle is so good at playing the piano!"

Olivia Walker revealed an envious expression. She seemed to have developed a strong interest in elegant piano music.

"Yes!"

"It's indeed very nice!"

"Honey, look at her, she's so artistic!" Emilia teased with a smile.

In fact, she knew that music could cultivate one's character, slow down one's body and mind, and make one less violent.

It was also the best treatment for the aftereffects of war!

Now that her career was stable, she naturally wanted to help her husband walk out of that ugly world.

Oliver Walker rubbed his head and said awkwardly, "Actually, it's alright. However, he pressed the button with too much effort, causing the beauty of the music to be instantly destroyed. It's also the only mistake so far."

These words happened to be at the end of the song.

Just when everyone thought that it sounded good, a different opinion suddenly appeared, naturally attracting many strange gazes!

Emilia was embarrassed. She had no bad intentions. She just wanted to remind her husband that he should relax.

It wasn't logical for him to stay in his past all his life.

However, she never expected her husband to comment on it so seriously.

This...

"Daddy, you're amazing!"

Olivia Walker's admiration for her father was absolutely blind, so she clapped her hands.

However, very soon, there were also voices of dissatisfaction at the scene!

"This kind of person really feels good about himself!"

"Do they even know who this is?"

"The piano prince is willing to play a song for free here. Who are you to comment on it?"

"Why are you pretending to be an expert?"

"..."

When the mocking laughter quieted down, an assistant also went to inform the man known as the piano prince.

"What are you still standing there for?"

Emilia's beautiful eyes were filled with resentment. "Hurry up and leave!"

"That man's name is Adam Collins. In the music industry, he's known as the piano prince. You just publicly said that he played it badly.

In fact, she knew Oliver Walker's character and was secretly blaming herself for bringing up the matter on such an occasion.

Otherwise, this awkward situation would not have happened.

"Oh!"

Oliver Walker smiled and was ready to leave.

However, Adam Collins, the piano prince, stood up immediately after hearing his assistant's words.
"Wait!"

He was one of the best pianist in the world.

However, when he passed by the state of Colorado, he saw the white ivory piano in the Hongri Mall. He couldn't help but put on a show for everyone for free.

Who would have thought that someone would point out his mistake in public?

He was a public figure. If he let it go, his future career would be greatly affected.

Naturally, he didn't want to give up.

Emilia helplessly covered her face. She was really going to be famous this time!

Chapter 538 Blue Danube Waltz

Especially since there were fans of Adam Collins at the scene, they spontaneously blocked the way.

Oliver Walker had no choice but to stop and turn around. He asked, "What's wrong?"

He was telling the truth!

If he made a mistake, it was indeed.

How could he have misheard the sound?

"This kid, after slandering the piano prince, he's still asking us what happened?"

"Emilia, you really have a good husband!"

"Hahaha..."

A group of onlookers gloated as they watched the joke.

Adam Collins had a harmless smile on his face. "I see that you have a heroic aura. It would be best if you were a martial arts practitioner. Do you even know any elegant music?"

These words seemed like nothing!

But...

If one listened carefully, one would realize he was mocking Oliver Walker. How could a boar understand the music that was known to be elegant?

However, Adam Collins was a man who had no idea what he was talking about, while Oliver Walker was a boorish man!

Only Emilia was willing to keep this man as a piece of treasure.

HeHeong ag if it was any other woman!

He would have been kicked out long ago if it were any other woman!

"Of course!" Oliver Walker answered

He had learned a little, but he was still different from a true grandmaster pianist.

However, it was obvious that Adam Collins was not a grandmaster.

It was just that he was a good-looking man, and most of him was a pianist who had been packaged by the wealthy. Otherwise, he couldn't make such a low-level mistake and be unwilling to admit it!

"You only know a thing or two and dare to comment on the piano prince?"

"What a joke! You know a thing or two, and it's worthless, but even the most ordinary ticket for a concert by the piano prince costs more than a thousand yuan."

"Don't use your ignorance to question other people's professionalism!"

"..."

For a moment, many of Adam Collins's female fans could no longer hold it in and were the first to criticize Oliver Walker.

Moreover, their words were very unpleasant and merciless!

Emilia frowned and quickly apologized, "I'm really sorry, my husband..."

But before he could finish, Adam Collins noticed it and immediately waved his hand to interrupt, "It's okay. Since you know a thing or two, we are of the same profession. We can then learn from each other."

He behaved very gentlemanly.

His every move was filled with elegance.

Especially after he noticed Emilia's beauty, he felt even more indignant. Such a top-grade goddess had actually fallen for a boorish person like Oliver Walker.

In his heart, he was rather unhappy!

However, he was not in a hurry. After all, he had captured the hearts of a large group of girls with his handsome looks and elegant temperament when playing the piano.

Therefore, he did not think that Emilia would be any different.

Then he smiled and went forward to say, "Since you know how to play the piano, and I happen to lack a soulmate, do you know the name of the piece that I just played?"

He was not playing pop music but a real piano piece.

However, even his fans, let alone a martial artist, might not be able to tell.

In fact, they all knew that Adam Collins was trying to embarrass Oliver Walker.

But that was how it should be!

Pretending to know what he was good at and still dared to speak nonsense?

Wasn't he asking for it?

Emilia's heart was in her throat.

She used to go to concerts often, so she naturally knew what this song was.

But her husband might not know!

As she was getting anxious, Oliver Walker said calmly, "Blue Danube Waltz. It's a work by the famous Austrian musician Strauss!"

"The style of the song is elegant and pleasant to the ears. It's indeed a rare masterpiece that has been handed down for generations. I used to like it too!"

That's right.

He used to like it but not anymore!

It wasn't that the song wasn't good, but that the person listening to it had changed.

After experiencing the cruel massacre on the battlefield in Indiana, it was difficult to enter the beautiful artistic conception of the Blue Danube Waltz again. Naturally, he did not like it that much!

Chapter 539 The Piano Prince

Emilia was surprised. She looked at her husband, who made her feel like a stranger, with her watery eyes. For a moment, she didn't know what to say.

He actually knew music?

However, it made sense. 'Blue Danube Waltz' was one of the top ten piano pieces in the world. There should be many people who have heard it.

The people present might not know much because they were not the audience for this kind of music.

They were just obsessed with the title of the piano prince!

"Yes!"

After Adam Collins's plan failed, he thought of another plan and said with a smile, "May I invite you to play a song for us live?"

It wouldn't be difficult for Adams Collins to make things difficult for Oliver Walker.

How dare he comment on his skills?!

Wasn't this asking for trouble?

"Forget it!"

Oliver Walker shook his head and said self-deprecatingly, "I haven't touched the piano for a long time. My fingers are rusty!"

In fact, he was not a piano master, nor did he rely on this industry to make a living. Naturally, there was no need for him to play.

It was reasonable to reject him!

"Do you actually not know how to play?!"

"What a joke. You've put on such an act!"

"That's right. There are all kinds of people nowadays. Do they really think they can do everything?"

"An art like the piano can't be put on the stage at all without the hard work and efforts placed into it for decades."

"I think he doesn't even know how to play."

"..."

The taunts at the scene grew louder and louder, and it made Emilia feel more and more uncomfortable. She clearly did not mean for it to happen this way, but in the end, it had reached a point where it could not be resolved.

It was getting more and more difficult for her husband to get away with this.

"Music is about sharing!"

Adam Collins said, "Hiding it will cause your skills to decline."

"Play us a song then!"

This was deliberately making things difficult!

It was obvious that he wanted to embarrass Oliver Walker!

Otherwise, Adams Collins wouldn't be happy with it!

After all, he thought that his piano skills were top-notch among the young hunks.

Even if he was compared to a real pianist, he would not be any worse. This was where his confidence lay.

"Play a song!"

"Play a song!"

"..."

In the next moment, the crowd started cheering enthusiastically!

Olivia Walker, in particular, said with admiration, "Daddy, I want to hear it too." be d n o v e l . c o m

She was just a child. How could she see the scheming between the adults?

"Olivia, keep quiet." Emilia quickly said in a low voice.

Wasn't this making things difficult for her husband?

However, Oliver Walker said dotingly, "Sure."

Emilia was shocked to hear his answer.

Adam Collins was also dumbfounded!

The scene fell silent!

No one expected Oliver Walker to agree!

After all...

Adam Collins had a huge fan base, and he was really good at playing. So Oliver Walker was asking to be humiliated?

However, they quickly reacted!

Why should they be shocked by how he wanted to play the piano here?

Wasn't this a good opportunity?

"Let's go together!"

Oliver Walker picked up Olivia Walker and sat down in front of the piano. He said affectionately, "I haven't done anything for you all these years. I shall now play a song for my daughter."

As long as his daughter's request was reasonable, he would agree to it!

"Alright, alright!"

"Daddy, you can do it!"

Olivia clapped her hands excitedly. Her tender face was serious!

Everyone present was sneering!

Even Emilia couldn't bear to look at it!

"Do Re Mi Fa So La Ti..."

When Oliver Walker's ten slender fingers touched the black and white keys of the piano, the melodious and perfect sound echoed in the audience.

This was just a sound test, and it was also to give him time to adapt!

At the same time, the people in the mall, both upstairs and downstairs, were all watching!

That pretty boy whose name shook the entire state of Colorado was actually going to play the piano!

Wasn't this a joke?

Are you sure you're not looking for trouble?

"Hurry up!"

"If you don't know how to, then stop struggling!"

"Who are you pretending to be? The piano prince standing next to you?!"

Chapter 540 Showing Who's Boss

"..."

Just as everyone was getting impatient, Oliver Walker's fingers began to slowly move between the black and white keys.

Soon, a beautiful, gentle, slow, and lyrical song began to play in the mall.

"This is the children's song 'Twinkle Twinkle Star'?"

"I didn't think that he actually knew how to play the piano?!"

"..."

Everyone was surprised!

Most of the people who came to the mall today brought along their children, so when they heard the beautiful music, they could not help but hum along.

Then, the children started singing along.

"Twinkle, twinkle, little star!"

"How I wonder what you are!"

"Up above the world so high!"

"Like a diamond in the sky!"

"..."

In the beginning, there were only hummings and soft whispers, but slowly, it became a collective chorus!

Olivia Walker listened attentively to the perfect music.

At this moment, Oliver Walker was a gentle father. There was no killing intent on him.

There was only love and guilt for his daughter!

Indeed, he rarely accompanied his daughter!

He didn't see her when she was born. Then, when he returned from the front line, his daughter was already more than a metre tall!

He had indeed been a bad father.

Emilia was also intoxicated by the melodious piano music!

Adam Collins was also dumbfounded. The music played was beautiful and it even started a chorus.

This...

When Oliver Walker's fingers landed on the last key, the audience burst into applause!

"Daddy!"

"It sounds so good!"

Olivia Walker stood up in satisfaction. "I want to hear more!!! Please!!!"

Soon, the scene became lively!

"Dad, that uncle played so beautifully. Can you send me for piano lessons?!"

"When I grow up, I want to be as elegant as him!"

"Mommy, I want to learn too!"

"..."

Soon, the children at the scene became excited.

This was a live session. It was much more comfortable than listening to the recorded pieces.

Most importantly, the piano that Leon Williams placed in the mall was naturally not something normal, it was an antique piece.

So the sound quality was excellent!

Adam Collins's expression was gloomy, but it was only for a moment. He lowered his head and said to his agent, "You know what to do."

The manager who was quite pretty was also a smart person.

She knew that there were some things that Adam Collins couldn't say, but it was completely fine for her to say it. She then took a step forward and said, "Hey!"

"What do you think you're doing?!"

"Adam Collins previously played the world's top ten piano pieces, and you're playing a child's nursery rhyme?"

Her words were full of mockery.

After all, no matter what, she could not let Oliver Walker steal the limelight from her artiste.

"That's right!"

"Can they even be compared with each other?!"

"Isn't this too much?"

"..."

Adam Collins fans present also began to criticize!

However, Oliver Walker pretended not to hear it, because he had already suffered too much criticism.

If he paid attention to each of them, he would never be able to do anything else in his life!

But soon, his fingers once again slid across the smooth piano keys. Unlike the heartwarming children's song from before, a piece of music that was like flowing water rang through the mall.

The music was filled with grandeur and seemed to be mixed with the memories of thousands of troops marching by.

The music that rang out once again shocked the entire audience!

It was hard to believe that this song was a piece of music played on the piano, as it carried a murderous aura.

Trying to play games with him?!

It wasn't like he didn't know how to!

"What song is this?"

"Never heard of it!"

"This..."

Even Adam Collins, who was known as the piano prince, was instantly dumbfounded, let alone these outsiders!

It was obvious that this man was an expert!

No!

He was definitely a grandmaster-level piano master!

Adam Collins could not help but gulp. His heart was in a mess, and his eyes were filled with unwillingness and envy...
