Chapter 58 Tremble On Your Knees

"He's a bad guy! He hit grandma and bullied mummy!"

Suddenly, Olivia screamed at the top of her lungs. She didn't dare call him 'daddy' because she was afraid that her mother would be angry.

But, for Olivia, her father was an almighty hero.action

He would never allow his family to be bullied by others!

"Little sh*t! Are you expecting him to stand up for you?"

William Davis didn't feel frightened at all as he continued laughing, "He's rubbish. How..."

There was a cold look that appeared in Oliver Walker's eyes. Before William Davis could finish his sentence, he raised his right arm and grabbed onto William's left shoulder.

"You're asking for it!"

Rage filled his head, and he couldn't think at all.

If he couldn't even protect his family just because he was worried about his wife's emotions, why should he return home?

Oliver Walker's voice was as cold as ice. It felt like a loud cry that came from an ice cave!

"AHHHHHHHH!"

As he felt the pain radiating from his shoulder, William Davis had a twisted look on his face as he screamed, "What....what do you think you're doing?!"

He had never thought that the rubbish standing behind him would dare touch him!

The pain that was suddenly felt all over his body came unexpectedly!

"I'm going to kill you!"

Oliver Walker shouted. Then, he grabbed William Davis's body and threw it out of the room!

'Boom—'

There was a loud cry that followed after William Davis was thrown onto the ground.

"F**k! I....I am the young master of Davis!"

"How dare....you lay your hands on me!"

William Davis who was filled with fear quickly repeated that he was from the Davis family!

He wanted to stop this terrifying man standing before him!

Emilia, who was completely caught off guard, suddenly stood up and grabbed onto Oliver's arm as she screamed, "Calm down!"

"We can't offend him!"

In fact, she was already happy that this man came back for them!

She didn't want him to get targeted by the Davis after offending them for her!

"Emilia! There isn't anyone that I can't offend!

"There are only those that can't afford to offend me!"

Oliver Walker was furious but there was still warmth in his eyes as he looked at Emilia, "Ten years ago, you brought me back to life and protected me for 2 years!

"Now, it's my time to protect you!

"I will never allow anyone to hurt you! Not even a bit!"

He was furious!

He had suppressed this for the past 8 years!

In fact, he knew that Emilia had been tricked and ended up getting kicked out of the company.

This was why he never stopped giving his wife large amounts of money every month.

However, he didn't think that William Davis would be so cruel!

How could he stand this?

Was this man still considered human?!

With that said, he smiled at Emilia before stepping out of the room.

Although this wasn't a touching confession, it still caused Emilia to be filled with tears!

She.... There was someone to protect her now?

This man was still willing to protect her?

He no longer cared about how she worked at the club?

'Boom—'

"Ahhh!!"

The corridor was filled with sounds of punches being landed on a human bag, and all of them were followed by the painful cries of William Davis.

"This is for my mother! To punish you for not being respectful!

"This is for Olivia! To punish you for not knowing how to love children!

"This is for Emilia! For being ungrateful!

"And this..."

Oliver Walker, who was feeling furious, gave a reason for every punch he landed on William Davis.

Each of them would be followed by a loud cry from William.

This was only the beginning. He swore that he would take back everything that belonged to his wife!

Davis! You should tremble on your knees!
