Chapter 631 Why Are You Here?!

“Mr. Martin... Something bad has happened... Our people can't hold on anymore. They... They're too powerful! They're like ghosts. Even bullets can't hit them!”

They were all panicking!

Payton Adams's expression changed drastically. He had never seen such a ruthless person! It was too f*cking terrifying! It was impossible to know how terrifying an opponent was without fighting!

He finally understood why Freddy Martin had chosen to negotiate!

“What?”

Freddy Martin's expression changed. His hand that was holding the cigar trembled. “How many people did they send?”

Those who were responsible for guarding the villa on the mountain peak were the elites of the Black Dragon Sect! With a gun in hand, they actually couldn't defend this place?

This was simply unbelievable! What was the purpose of building a mountaintop villa?

It was not that he did not like the bustling city center, nor was it that he did not have the money to buy a villa in the city center. Plus, he didn't like the desolate mountains and wilderness without a single family!

However, in the first half of his life, he had done many evil things and was afraid of being taken revenge by his enemies.

A villa on the mountain was easy to defend and difficult to attack. The Black Dragon Sect's elites were stationed from the foot of the mountain to the top. Plus, this place was heavily guarded.

A high-level fortress that could hold off thousands of militants could not hold on for long?

What kind of joke was this?

“There were only three of them, but only two of them killed him. One of them was Mike, and the other was someone I’ve never seen before.”

Payton Adams was so anxious that he was sweating. “They’re walking straight towards the living room!”

That’s right! These people were as if they were strolling in their own backyard!

No matter how intense the battle was, Mike and Aiden would not let anyone interfere with Oliver Walker’s forward direction!

“Three of them?!”

Freddy Martin’s eyes widened in disbelief. There were more than a hundred fully armed Black Dragon Sect elites in this mountaintop villa! Moreover, the other party was unarmed!

“Mr. Martin, let’s go! If we don’t leave now, it’ll be too late! I’ll escort you out now!” Payton Adams shouted hurriedly.

In fact, he was very smart. If he left with Freddy Martin, he would be safe.

It was better than dying in the villa, right?

“Let’s go! Let’s go...”

Freddy Martin was scared out of his wits. He was no longer as tough as before. Who the f*ck could withstand this! As he had prepared to go abroad to visit his son, the helicopter parked on the tarmac had already been repaired and filled with fuel.

As for the luggage?

In the face of danger, who would care about these things?

Besides, as long as one had money, where could they not buy things that they carried with them? Therefore, Freddy Martin, who was determined to escape, gave up everything.

Just as he was about to leave...

Oliver Walker had already appeared at the door. His eyes were locked on the few people in front of him. "Black Dragon Sect Master, are you running away like a coward?"

In fact, Freddy Martin had a chance to leave.

It was just that he had placed too much trust in the defense of the mountaintop villa but even if they escaped from the mountaintop villa, actually...

After all, George Lee was ready to go. Not to mention Freddy Martin, even the entire Black Dragon Sect was not prepared to let him go!

"You..."

Freddy Martin's face was filled with fear. That kind of trembling came from the depths of his soul! Especially the few trusted aides behind him, they could not help but swallow their saliva, their eyes filled with vigilance.

If the situation wasn't right, they would definitely run away first!

“You didn’t expect me to come so quickly, did you?”

Oliver Walker glanced at him contemptuously and sat on the sofa!

He was not in a hurry! Freddy Martin was the one who did this, and the reason why Freddy Martin kidnapped his daughter was to take Oliver Walker’s life, not because he wanted to die.

So, as long as he could control Freddy Martin, his daughter would be safe.

“Damn it!” I didn’t expect you to f*cking come! Why are you here?” Freddy Martin roared. “Didn’t we reach a settlement agreement?”

“Why are you attacking me now?!”

Chapter 632 I’m Innocent!!!

“Why?”

He questioned crazily. He also knew that Oliver Walker was not an ordinary person. Otherwise, he wouldn’t have chosen to negotiate. However, they did not expect that they would be killed today after reaching a negotiation yesterday!

It would be strange if he wasn’t crazy!

“Don’t you know why I’m here? You’re too inexperienced to act innocent with me,” Oliver Walker said indifferently.

Although Freddy Martin was acting like he was wronged, but...

After all, he was an old fox with deep thoughts. It was not too surprising that he had this little ability to hide from his investigation. He had never regarded himself as a god! Gods would make mistakes, let alone him.

“I know nothing! Don’t you just want to have a position on the streets of Colorado?” Freddy Martin was extremely angry.

“I can die today, but there are tens of thousands of people in my Black Dragon Sect. You can’t kill them all! As long as I die today, they would definitely avenge me!”

Freddy Martin was scared out of his guts but...

At this point, was there any other way besides struggling?

“Motherf*cker! Who gave you the courage to talk to Boss like that?” a rough voice mixed with infinite anger sounded.

“You’re asking for it!!!!”

In the next moment, Mike’s figure followed the sound. He raised his fist and knocked Freddy Martin to the ground with a bang.

“Ah...”

Freddy Martin’s mouth was stained with blood as he wailed. “Since you want to kill me, then do it quickly. Don’t dawdle like a f*cking woman!”

In the underworld, he was of the ‘Lord’. How could he endure such humiliation?

However, following Mike and the man he did not know, they also clearly knew that the elites of the Black Dragon Sect had probably been completely wiped out.

Just two people! How terrifying was it to destroy all the elites that he had spent hundreds of millions to build?

“You won’t be able to escape death, but it depends on how you die!”

Oliver Walker sat on the sofa and glanced sideways at Freddy Martin, who was kneeling on the ground. “If you let my daughter go, I can let you end your sinful life quickly. If you don’t agree, then I will let you taste all the suffering in the world and let you live to taste the torture of purgatory! You have to believe me. I will definitely do what I say!”

No one could touch his daughter!

Furthermore, the ruthless Black Dragon had sent people to kidnap Olivia Walker. They had even harmed Lily Jones, an outstanding teacher.

Were they human?

No! They didn’t have it at all!

There was naturally a way to deal with beasts like them!

“Your daughter?” Freddy Martin’s expression changed. “Are you mistaken? We just reconciled yesterday. Why would I kidnap your daughter today?”

Originally, he was still dumbfounded. How did he offend this group of grim reapers?

But now, all the problems had been found!

Obviously, Oliver Walker was here for his daughter! He dared to swear to the heavens that this matter really had nothing to do with him at all!

What injustice! What a great injustice!

“You’re still going to put up with this act? Mike, teach him a lesson!” Oliver Walker shouted angrily.

“Yes!” Mike’s eyes flickered with infinite killing intent.

When he finished speaking, he stepped forward with a murderous aura!

“Oliver Walker!” Freddy Martin, who felt wronged, roared. “If I really did capture your daughter, I’ll kill her or cut her into pieces but I’m f*cking innocent. When you’re torturing me, you should have thought about it. You missed the best opportunity to save your daughter!”

He was suffering unspeakably now but he still had to say it!

Otherwise, would he just wait for death?

“According to the surveillance footage at the scene, the kidnapers were using the Black Dragon Sect’s standard weapons! How can this be fake?”

Oliver Walker took a screenshot of the surveillance camera and slapped it on the table. “You still dare to say that it has nothing to do with you?”

Chapter 633 It’s Andy! It Must Be Him!!

How could he deny it when there was conclusive evidence? But now, Oliver Walker was very calm. With Freddy Martin in his hands, he was 100% sure that she would be safe.

It was only a matter of time before he could get his daughter back. If he showed an anxious look, he might be threatened by Freddy Martin. Then, Freddy Martin would start another round of negotiation.

“1...”

Freddy Martin saw that everyone in the photo was holding a Black Dragon Sect’s standard weapon. His face instantly turned red. He couldn’t help the anger in his heart and instantly cursed, “These are people from the Black Dragon Sect, but these little bastards... It definitely has nothing to do with me!”

“F*ck him!”

What were these bastards thinking?! Most importantly, it has dragged him into this!!! These sort of grievances were out of line!

“Hmm?”

Oliver Walker snorted. He only gave her a glance but did not say anything.

However, that sharp gaze seemed to be able to penetrate his soul, causing Freddy Martin to shudder involuntarily. “Mr. Walker, this is all a misunderstanding... There must be a misunderstanding!”

“Damn!” Aiden had a bad temper. He went up and kicked Freddy Martin to the ground. “I’m warning you. If you don’t the kid go now, I’ll cut you into pieces!”

He wasn’t just saying that!

In the next moment, a pitch-black dagger appeared and spun wantonly between his five fingers!

There were two mercenary kings here! Perhaps it couldn’t compare to the might of the War God! But the chaplain was here, who even the five War Gods had to obediently address as Master!

This kind of deterrence was something that no one could stop!

“I... I’m telling the truth!” Freddy Martin cried bitterly.

“It must be that bastard Andy. He did it behind my back. That must be it! I know him, I know him very well!”

Andy had followed him for so many years, how could he not know what kind of person he was?

A man full of ambition!

If it wasn't for the fact that he had an elite troop armed to the teeth, Andy might have turned hostile. But now, the elites who were in charge of guarding the mountaintop villa had all been destroyed!

The elites guarding the other arenas couldn't make it in time.

Of course, he also knew that even if he rushed over, it wouldn't be enough for the killing god in front of him to torture.

Oliver Walker's silence made the atmosphere even more depressing! He could see that Freddy Martin had been wronged!

Could it be that this guy's acting skills could deceive his gaze?

No! No!

For the time being, how good could this old fox's acting be? Even if he could really deceive him, what was the point of doing so?

"Mr. Walker! Mr. Walker! Can you trust me this once? Even if it's to save your daughter, can you trust me this once?"

Freddy Martin, who had suffered a huge grievance, was getting more and more aggrieved. "I admit that this is a member of the Black Dragon Sect. I also admit that I have an inseparable relationship with him! But I really didn't order him to do it. It must be that bastard Andy who did it behind my back! He is the one who came up with this idea!"

Grievance! He was really aggrieved!

He had clearly warned and exhorted him a thousand times, but he never expected that Andy, this bastard, would still trap him until he almost lost his life! Judging from the current momentum, even if

the Black Dragon Sect had tens of thousands of people, they were simply a motley crew compared to the three people in front of them.

If he had a choice, he would rather not have the Black Dragon Sect than Mike and Aiden!

Both of them had men working for them so why was the difference between them so huge?

He really envied Oliver Walker!

However, if they knew that Oliver Walker had only paid more than two million for the wine and recruited Mike, they would definitely be shocked.

“I don’t care if this has anything to do with you or not, but I just want my daughter to be safe and sound!”

Oliver Walker’s voice was extremely cold!

Although he looked calm on the surface, it was really difficult to hide the anxiety in his heart!

He was a human!

Chapter 634 Unstoppable!

He was an ordinary father!

Now that his daughter’s life and death were unknown, how could he really treat it as if nothing had happened?

Freddy Martin quickly shouted, “I will definitely give you an explanation. I really promise to give it to you. If you agree, I will let Andy, that bastard, come over and confront us. When the time comes, the truth will be clear!”

Oliver Walker hesitated for a moment!

It was chaotic to be concerned!

If he was really afraid of the other party, what tricks did he have to play?

“My life is in your hands. How dare I still lie to you?!”

Freddy Martin shouted loudly, “The people guarding the villa were all my elites. Now that they are all dead, even if I did it, what can I do by asking Andy, that bastard, to come over?”

He was not trying to prove his innocence now. He didn’t want to distance himself from this matter! It was because he had to give an explanation. Otherwise, he would really be living a life worse than death!

“I’ll only give you half an hour!”

Oliver Walker’s eyes gleamed coldly. “Otherwise, you will bear the consequences. You and your family will not be spared!”

In fact, Oliver Walker might not implicate the innocent, so it was almost impossible for him to do anything to Freddy Martin’s family.

But...

If he said it out loud, Freddy Martin would definitely not dare to play dirty!

Freddy Martin nodded, took out his phone, and dialed Andy’s number.

At this moment, Oliver Walker’s nerves were also tense!

Once the call was connected and Freddy Martin said something wrong, he would definitely end the call in time and quickly lock onto the location of the phone!

“Andy, what are you doing?”

Freddy Martin was indeed a veteran. He was still in grief a second ago, but now, his tone had turned into a dignified one.

At the same time, in the Queen Bar!

Andy’s heart skipped a beat when he received the call. Could it be that his actions had been discovered?

He had clearly done it without anyone noticing!

“Mr. Martin, what can I do for you?” he asked with a smile. “Didn’t I tell you last time?” Freddy Martin said slowly, as if he was chatting about his daily life.

“I’m going overseas to visit my wife and children. I wanted to ask you to come over this time to discuss some matters. After all, it hasn’t been peaceful recently! The Black Dragon Sect can’t be without a master for a day!”

What was the meaning of this?

He was clearly using power as a temptation!

Because he knew that Andy’s ambition naturally meant that he knew how to control it. If he didn’t even have this bit of ability, how could he be the leader of the Black Dragon Sect?

“Mr. Martin...”

Andy was stunned. "You're... Only you can sit on the top seat of the Black Dragon Sect!"

Although Andy was extremely excited, but...

He still had to put on an act!

However, he felt that this matter was not that simple! Especially since it was so close to the kidnapping. How could there be such a coincidence?!

"Hahaha... I'm old. I can't control the martial arts world anymore! In the Yangtze River, the new generation will replace the old!"

Freddy Martin sighed. "You know that my grand plan has been realized. I don't have any ambitions anymore. I just want to live a quiet life. And among the Eight Guardian Deities, you're my oldest and most trusted brother. If I don't give up my position to you, who else can I give it to?"

He had said many things before.

However, it was all to win over the hearts of the people! He had also said the same thing to the other seven Guardian Deities!

"Mr... Mr. Martin!"

Andy could not hide his excitement. "I will definitely not disappoint you!"

What was happening today?! Double happiness?

He had successfully kidnapped Olivia Walker and used her to threaten Oliver Walker! He didn't expect Freddy Martin to tell him the truth!

After hanging up, Andy laughed wildly. "Well, once a person gets lucky, they will be unstoppable! Hahaha..."

Chapter 635 Taking Over

Happy things make people feel refreshed! Especially Andy, who was arrogant to begin with, let alone now.

In his eyes, there was no one worthy of being his opponent in the entire state of Colorado.

"Brother Andy, what did Mr. Martin say?"

At this moment, one of his subordinates asked curiously! Soon, his subordinates pricked up their ears! They knew that something good must have happened! They were Andy's trusted aides. If something good happened to Andy, their lives would be much better.

How could they not look forward to it?

"Mr. Martin, after careful consideration, has finally decided to pass the position to me!"

Andy could not hide his excitement. "From now on, it's all up to you. Who can replace me?"

He had to give his subordinates a taste of the sweetness!

Otherwise, how could he convince the masses?

"Congratulations, Brother Andy!"

"You're still calling me brother?"

"You have to call me Third Master!"

“Yes, yes, yes. After tonight, Brother Andy will be the ‘Lord’ generation!”

“Hahaha...”

The entire place turned into laughter. It was so disharmonious!

“Brother Andy,” one of his trusted aides frowned. “I think something’s wrong.”

“Although Mr. Martin doesn’t have much ambition, he loves power. I think we have to be careful!”

The moment these words came out, it was undoubtedly a splash of cold water.

Andy’s face flashed with displeasure at first, but soon he frowned and said, “What you said makes sense! Follow me!”

He really should be more careful! After all, there was nothing wrong with being careful!

As for Olivia Walker?

It was in a very safe place. Without his orders, no one could find it. Especially for safety reasons, he asked Andy and the others to hand over their phones. This was to avoid the official’s detection.

In other words, no one would be able to find Olivia Walker’s location unless he gave the order.

Could it be that Freddy Martin’s sudden abdication of power was because he had captured Olivia Walker? With Freddy Martin’s character, it was not impossible for him to plant a spy beside him!

“From now on, everyone will hand over their phones,” he said coldly.

This was to prevent anyone from leaking information. Andy's anti-reconnaissance ability was indeed very strong! He would not miss a single detail!

However, this time, the details could not determine the success or failure! This was because he was bound to lose."

After taking care of everything, Andy asked his trusted subordinates to be fully armed and go up the mountain together, just in case.

After all, Freddy Martin was not an ordinary person!

Therefore, he could not let his guard down!

At the mountaintop villa!

Freddy Martin's mouth was still stained with blood, and his expression was not good!

"Is everything settled?" asked Oliver Walker.

Aiden nodded. "It shouldn't be a big problem. They'll probably be trapped by the time they react."

Those corpses definitely couldn't be placed outside. Otherwise, Andy might have noticed something unusual. However, the smell of blood and gunpowder could not be concealed.

Fortunately, they were on the mountain and the wind was strong enough. It should dissipate very quickly!

"Yes!"

Oliver Walker was still quite nervous.

He would feel uneasy if he did not see his daughter for a moment.

It was not that George Lee and the others could not find out, but Andy was too cunning. It would take time to find the address.

Therefore, some things could only be done by him personally!

Freddy Martin frowned slightly. "Andy is suspicious by nature. If he doesn't see anyone, he'll definitely be suspicious. Go out for a while. Don't be too pretentious!"

He was also holding back his anger. If it wasn't for that bastard Andy, his elites wouldn't have been wiped out.

Chapter 636 Tricking Andy To the Mansion

So from now on, Andy was his enemy!

"Yes, sir!"

"Mr. Martin!"

After receiving the order, Payton Adams immediately went out.

"It's too boring in there," Aiden said with a smile. "Let's head outside."

Aiden was naturally worried about Freddy Martin's men. Therefore, he would definitely follow them out.

As for what they wanted to do, everyone was smart and naturally had a tacit understanding. Although Payton Adams was unwilling, he had no choice because he knew that he was no match for Aiden.

Therefore, other than being honest, he could only be honest!

Outside the mountaintop villa!

“Brother Andy, I feel that something is wrong! It’s too quiet, and I didn’t see anyone along the way!”
One of the drivers said in a deep voice.

Indeed, the current mountaintop villa was very different from usual.

Usually, there were people guarding the foot of the mountain.

Now that they were almost at the villa’s entrance, they still didn’t see a single person. How could this be normal?

Andy’s heart instantly jumped to his throat.

This... There was indeed a problem!

However, just as he was about to retreat, Payton Adams and Aiden were smoking cigarettes outside the door.

Although there was no laughter between the two of them.

Payton Adams ‘appearance calmed Andy down a little.

“We were being too careful! If Mr. Martin is leaving, he will definitely invite his elite subordinates to do some tasks! Don’t make a mountain out of a molehill!”

Although he said that, Andy was still not confident. However, when he thought of the weapons on his body, he felt a little more comforted. “But it’s right to be careful. Everyone, prepare for battle!”

He indeed had to be careful now. After all, time was very sensitive.

The people in the cars behind them were also on guard.

When more than ten cars arrived at the villa, they stopped.

“Brother Andy, you brought so many people!” Payton Adams came forward and teased him with a smile.
“How much do you doubt Mr. Martin?”

Andy laughed.

“Brother Zhang, I think you’re worrying too much. Mr. Martin is my brother. I have to trust him! As you know, a new force has suddenly appeared in the State of Colorado recently. I’m afraid I’ll be tricked if I don’t bring some people with me!”

The new force he was referring to was naturally Oliver Walker.

After all, anyone who could make Freddy Martin negotiate personally, no matter how many people Oliver Walker had under him, they were already considered a new force.

“Be careful, it’s what I should do!”

Payton Adams cursed in his heart, but he was smiling. “Mr. Martin, he’s waiting for you inside!”

“Congratulations, Third Master. You have to take care of me in the future!”

Andy was still thinking of being boss? He was clearly dreaming!

He estimated that Andy would not be able to see the sun tomorrow morning, but he still had to act. After all, there was a god of death standing beside him.

“No problem, no problem. We’re all brothers! We are all the same!”

Andy’s face was humble, but his heart was proud. However, he soon noticed Aiden and became alert again. “This brother looks new!”

As one of the Eight Guardian Deities, he naturally came to the mountaintop villa often. As for Freddy Martin’s trusted aide, it was impossible for him not to know him!

Very soon, the forty or so people who had followed him also reached their hands behind their backs, clearly preparing to pull out their guns.

The atmosphere suddenly became tense! Aiden was also ready for battle!

He was confident that he could control Andy at the first moment!

However, there was a risk in doing so. What if Andy’s men leaked the news and murdered Olivia Walker? Therefore, unless it was absolutely necessary, neither he nor Oliver Walker would directly attack Andy, even if they were 99% confident.

Payton Adams gulped, but anyone who could stay by Freddy Martin’s side naturally had some ability.

Soon, he came up with an idea. “This is my cousin from my hometown. He’s in his thirties or forties. He still couldn’t find a wife until now. So, my aunt asked me to take care of him to make a living!”

“Hey, do you know the rules?”

In order to make the act look more realistic, Payton Adams kicked Aiden’s butt. “What are you waiting for? Greet them!”

Chapter 637 Revealing The Truth

This kick was not light. In order to catch his breath, Aiden used all his strength.

Hmm....getting even?

If this kick didn't happen, nothing else after that would be able to go on smoothly as they had imagined. With the ruthlessness of others, who knew how Aiden would torture Andy later.

If they knew that Aiden was the king of mercenaries, they wouldn't have the guts to kick him even if they wanted to. However, Aiden was very calm. He didn't show any displeasure on his face. He immediately smiled and bowed. He acted like a humble person to the extreme. "Brother Andy, hello!"

"Brother Andy, please take care of me in the future!"

Andy's guard was completely relaxed. He patted Aiden's shoulder arrogantly. "You're Payton Adams 'brother. I'll protect you in the Black Dragon Sect from now on!"

Who was Payton Adams?

Freddy Martin's trusted aide was in charge of the elites of the Black Dragon Sect. He wouldn't give up on this good opportunity to win the hearts of the people. The power of the Eight Guardian Deities was almost balanced. After Freddy Martin stepped down, Payton Adams and whoever he followed would break this balance.

Therefore, he had to make sure that he win over their hearts.

"Thank you, Brother Andy! Brother Andy, please come in!" Aiden said with a silly face.

It wasn't a banquet inside, it was Asura Hell. As long as Andy stepped through the door, then...

The ending was already decided!

Andy was indeed fooled. He said in high spirits, "Wait at the door. You must know the rules. I can't bring you in without Mr. Martin's permission. Do you all understand?"

At this moment, he had already confirmed that there was no danger.

Naturally, he would not make any sensitive moves when Mr. Martin gave up his position.

If he brought this group of people in, not to mention Freddy Martin, even he would be furious.

"Yes, sir!"

The group of trusted aides replied one after another!

Payton Adams followed Andy in, but Aiden did not!

About a minute later, Andy's trusted aides were still chatting and laughing. Once Andy became the leader, they would naturally be superior in the Black Dragon Sect!

After all, no matter who came to power, the people who would be put in an important position would be trusted aides. It was absolutely impossible to promote them again!

Perhaps it was a little boring outside, these people sized up Aiden with ill intentions, wanting to have some fun.

"Hey!"

"Foolish brat, come over here for a moment!"

"What are you looking at?"

“I’m calling you!”

“...”

The underworld was a place where seniority mattered.

According to Payton Adams, this kid had just stepped into the Dao, so his status was naturally inferior to theirs.

“Alright!”

Aiden did not show any displeasure. Instead, he ran over to them diligently. “Brothers, what can I do for you?”

After all, he was the king of mercenaries. His acting skills were much better than those old actors. The veteran actor was acting for money! However, mercenaries were acting for their own lives.

It was obvious who was better!

‘Slap, slap, slap!’

“Idiot!” One of them slapped Aiden on the back of his head. “What’s your name?”

No one realized what dangerous act they had done! Instead, Aiden continued to laugh. Being someone else’s underling and calling him big brother all day, who wouldn’t feel depressed?

“Idiot, how can a grown man not be able to marry a wife?”

“Hurry up and say it, let us have some fun!”

“It can’t be that you’re not good in that aspect, right?”

“...”

There were too many people, so it was very chaotic!

Aiden scratched his head and smiled. “Which big brother’s question should I answer first?”

One of them laughed. “Of course you have to answer all of them. Don’t be nervous. Answer slowly!”

“You’re right.” Aiden smiled. “Everyone, listen up. My name is...”

As soon as he finished speaking, Aiden’s aura changed drastically!

“F*ck!”

“This bastard!”

“You dare to take advantage of us?”

“...”

Chapter 638 Where Is my Daughter?!

As for the group of people, after they reacted, they instantly started cursing!

Their father? How f*cking audacious! Just as they were about to fly into a rage, rub their fists, and make a move...

Aiden had already activated Slaughter Mode!

“Ah...”

“Uh...”

“Bang...”

Aiden’s body was extremely fast as he moved through the 40-odd people, and every attack would kill one of them.

“F**k, run!”

“He... He’s an expert...”

The group of people’s expressions changed, but it was already too late when they wanted to get into the car and escape! In less than 30 seconds, there was only one person left in the arena!

The man’s hand was still on his waist, ready to pull out his gun.

However, when Aiden looked over, his expression changed drastically. He stopped resisting and knelt on the ground. “Big brother... Big brother... Spare me!”

He was scared silly! He had peed his pants. A yellow heat current soaked the floor!

“Never underestimate strangers! Do you understand?” Aiden’s eyes were filled with killing intent.

“Big Brother is right! Everything Big Brother says is right!” That person shouted. The fully grown man broke down into tears.

Furthermore, he was crying in an extremely ugly manner. His body was trembling from the depths of his soul.

Especially when he felt Aiden's hand on his body, he immediately started wailing.

Aiden's voice was cold. "Answer me one question. If you answer correctly, I'll spare your life!"

The man nodded repeatedly in extreme fear. What was there to be unyielding about?

In order to survive, he would do anything! As long as he knew the answer to it, he would definitely answer any questions!

"Where is Olivia Walker being held?"

Aiden would never forget that Oliver Walker had given him a place to stay!

So... He had to repay his kindness!

What was the purpose of mobilizing so many people? Naturally, it was to save people!

"In the warehouse at 87 Rambla Avenue in the suburbs...With Andy and his men watching...There's no communication equipment!"

"I... We can't inform anyone! Only...Only Andy can give the order!"

"Kacha..."

However, Aiden had already crushed his neck artery by the time he finished speaking. When he felt his life force slipping away, his eyes were filled with unwillingness. He spat out blood with all his might.

"You said...you would spare me..."

"Never believe a stranger's words!" Aiden said coldly.

After another sentence, he let go and turned to leave!

As the last trace of life force dissipated, that person fell into a pool of blood! Never underestimate strangers?

This was the law of mercenaries!

What Aiden taught them was the philosophy of life, but the price was their lives!

At the same time, in the villa's main hall!

"Oliver Walker!"

When Andy saw the person in front of him, his eyes turned red, especially Freddy Martin, who was kneeling on the ground with a mouth full of blood. He immediately understood everything.

His face changed. "Mr. Martin, I'm loyal to you. Why do you want to harm me?"

Freddy Martin didn't say anything because he had no right to speak here!

"Bang..."

"Ah..."

Mike went up and kicked Andy, who was still pretending, and broke a few ribs.

"Pfft..."

After spitting out a mouthful of blood, Andy knelt on the ground in pain, his entire body twitching.

“Where is my daughter locked up?”

At this moment, after the outcome was decided, Oliver Walker’s anger completely erupted.

” Die!” The murderous aura that filled the sky was almost tangible. He grabbed Andy’s clothes with both hands and roared crazily, “Hurry up and tell me!”

Chapter 639 Do Not Threaten Me

In fact, Oliver Walker really wanted to take his daughter to their home and live with them! However, because his mother-in-law liked the Davis Mansion, neither he nor his wife would make such a request.

After all, Olivia Walker was Mary Green’s concern!

But... It was because he lived in Davis that these bastards took advantage of him!

“Hahaha... Kill me if you dare!” Andy laughed.

“But remember, after you kill me, that bastard Olivia Walker will also die! As long as there is no news after five hours, my brothers will kill the hostage! Come on! Hahaha...”

He knew that if he wanted to live, he had to rely on Olivia Walker.

Before this, he had never thought that he would be exposed so quickly and caught off guard.

“F*ck you!”

Mike’s face turned red as he cursed angrily, “I’ll cripple you!”

But just as he was about to attack, Oliver Walker waved his hand to block it!

Mike frowned and said, "Boss..."

He was afraid that Oliver Walker, who was not clear-headed enough to be led by the nose by Andy! Therefore, he wanted to remind Oliver Walker!

Andy thought that he had succeeded and intimidated Oliver Walker, so he was no longer afraid.

"Kill me if you have the ability! Damn it, I have a name in the underworld too! If I'm actually scared of death, I wouldn't be called Andy."

Andy, why was he called Andy? That was because he had a third eye!

That eye was called the Heart's Eye!

"Boss, you have to calm down!"

Mike roared loudly, "The more afraid you are, the more arrogant this kid is! Let me cripple him!"

As a mercenary, he was familiar with this kind of routine!

It was just like how he kidnapped a person and threatened the target. But even if the target really compromised, how could he not kill the hostage?

It was impossible!

As a hostage, her fate was decided from the very beginning!

“I mean, let me do it!”

How could Oliver Walker not understand such a superficial truth?

He did not let Mike attack because he could not resolve the hatred in his heart. Therefore, in an instant, his eyes flashed with a ruthless light!

“You... What are you doing? Don’t you want to... Don’t you want a daughter?”

Andy would never know that his actions had angered someone he should never have angered!

Not only did that person kill people, but he also tortured them!

‘Snap!’

With a crisp sound of bones cracking, Andy’s fingers were crushed. It was said that ten fingers were connected to the heart. The intense pain invaded his nerves and made Andy’s expression extremely ugly!

‘Snap!’

Another bone-cracking sound was heard. Oliver Walker had crushed Andy’s finger bone again!

“Ah...”

Andy was in so much pain that his forehead was covered in sweat, and his face instantly turned red!

His entire body was trembling! What was this bastard trying to do?

“The thing I hate the most in my life is being threatened! Do you know how many bones a human has?”
Oliver Walker asked coldly.

Mike heaved a sigh of relief. At least Oliver Walker was still very calm and knew how to deal with the kidnappers! As for Olivia Walker’s safety, there was no need to worry about it for the time being. Because Andy would not have the time to inform his subordinates to kill the hostage.

As for the people outside, they couldn’t escape Aiden’s grasp but at the same time, Aiden wanted into the room.

He knew the answer, but he also knew that Oliver Walker was furious and needed to vent his anger.

If he did not torture Andy until he was half-dead, it would be too easy for him!

“You... What do you want?”

Andy gritted his teeth and endured the pain. “AHHHHHHHHH!!!!”

He was afraid! However, no matter how afraid he was, he could not give in at this moment!

Otherwise, they would only face death! Therefore, he was still hoping that as long as he did not reveal Olivia Walker’s whereabouts, that damned Oliver Walker would not dare to kill him.

Chapter 640 Crushing One Bone At A Time

When she had a mental breakdown, she would give in to him!

Actually... This was indeed reasonable!

However, there was no one in this world who could escape Oliver Walker’s torture!

So when he made this decision...

It was destined that he would not end up with anything good.

'Snap!'

"AHHHHHHHH!!!!"

"Let me tell you, there are a total of 206 bones in a human body!"

'Snap!'

"AHHHHHHHH!!!!"

"But men have the 207th bone!"

'Snap!'

"AHHHHHHHH!!!!"

"Do you know where the last bone is?"

"Kacha..."

"AHHHHHHHH!!!!"

With every word Oliver Walker said, he would crush one of Andy's bones.

Starting from the small bones of the fingers, then the big bones of the arms, then the ribs of the chest...

Every time his bones were crushed, Andy would feel pain deep in his soul. His shrill screams made Freddy Martin break out in cold sweat!

This was f*cking... Oliver Walker was much crueller than he ever was.

Freddy Martin thought that he was a ruthless person in the underworld, but after seeing Andy being tortured by Oliver Walker, he realized that he was short-sighted!

Mike and Aiden were also convinced!

The simpler the method, the more brutal it was, and the more it could torture a person's mind!

"Ah... You... F*ck..."

Andy's eyes were wide open, and his face was as red as a monkey's butt. "Kill me... Kill me!"

Soon, Andy fainted from the intense pain!

However... Who was Oliver Walker?

The successor of the Heavenly Doctor Sect, the master of the five great medical sages!

How could he let Andy pass out so easily?

Therefore, he tapped Andy's kidney with one hand. In an instant, Andy, who had fainted, became abnormally excited.

Although that acupoint was not a Death Acupuncture Point, it was no different from one. It would stimulate the production of adrenaline in the human body, making a person abnormally clear-headed, feeling every minute and every second of pain!

“I haven’t finished speaking, and you already passed out? How can there be such a good thing in this world?”

Oliver Walker’s eyes were bloodshot. “Killing you is as easy as crushing an ant, but I don’t care to kill you. I want you to know the consequences of kidnapping my daughter!”

He roared crazily!

In this room, he could only see Andy in front of him. He could not see Mike and Aiden on his left and right, nor could he see Freddy Martin kneeling on the ground!

“Ah... You motherf*cker, you crazy mother....”

Due to the production of adrenaline, Andy’s spirit was always in a state of excitement, but the pain was tormenting him. He wished he could faint now so that he could suffer less sin!

‘Snap!’

“AHHHHHHH!!!”

“I once said that anyone who dares to lay a hand on my family must taste the cruelest punishment in the world!”

‘Snap!’

“AHHHHHHH!!!”

“Even my enemy, the overlord of the world, doesn’t dare to lay a hand on my family. Who gave you the guts?!”

‘Snap!’

“Uh...”

“Congratulations, you’ve completely infuriated me. Enjoy the feast of torture!”

‘Snap!’

“AHHHHHHH!!!”

With every sound of bones cracking, Oliver Walker’s tone became more and more arrogant!

An unprecedented rage!

Capturing his daughter was even more painful than killing him!

Freddy Martin’s body would tremble uncontrollably with every crack.

Ruthless! This was a vicious method that he had never seen before!

Logically speaking, Andy should have fainted long ago, but he was not!

There was a kind of pain that made it hurt just by looking at it!

This caused Freddy Martin, who was also angry that Andy who was only loyal to him on the surface but not on the inside, to close his eyes. He could not bear to watch any longer...
