

Catch Me If You Love Me

Chapter 10

At night, thunder rolled over Berven City, and a heavy rain came with great momentum. The wind and rain are precarious, just like a broken and withered heart.

From the beginning of Zoey Gu's crying and struggling, to the later gritted teeth, the final numbness was like a fish that lost its breath, letting the man on his body vent wantonly.

again and again.

I don't know how long this torture lasted. The man let go of her with a muffled grunt.

Snapped.

The indoor lights were bright, and the dazzling light poured out towards Zoey Gu.

The girl's long eyelashes trembled, and almost instinctively raised her hand, instantly covering one side of her arm full of needles.

She was trembling all over, struggling to get up from the ground to get her clothes. But the scrawny body just sat up, spinning around and falling heavily.

Boom.

The sound of the back of the head hitting the floor was extremely sharp and harsh in the huge room.

Liam Lu took the bathrobe blankly, as if something disgusting was on his body, and walked towards the bathroom. Turning to one side inadvertently, she saw the girl with red eyes, lying motionless on the floor like a walking dead.

An irritability jumped into his mind, Liam Lu narrowed his eyes impatiently, and said coldly.

"Why, are you waiting to spend the night with me? Or are you in high demand and hope that I will use the same posture again and meet you again?"

After he finished speaking, he turned around and left without even looking at it.

"Liam Lu." Zoey Gu's voice suddenly sounded behind him.

She gritted her teeth and got up from the ground, covering her front with her clothes, then looked up at him.

“Can you see... let Gu’s family go? That’s my father’s effort. If you really want to do anything to Gu’s family, just come to me. Can you?”

Liam Lu turned around and looked at her sharply with a smile.

“Let it go? Zoey Gu, in what capacity are you now and why are you pleading with me?”

Zoey Gu squeezed his clothes tightly.

“No matter what the reason, it is true that you slept.”

She met the man’s slashing gaze, suddenly raised her head and smiled coquettishly, “From the afternoon to now, a total of five times.”

“Mr. Lu, if I remember correctly, we broke up five years ago and it doesn’t matter. Now that you slept with me, you are naturally responsible. Just marry me, treat this as a favor, let it go. ...Well!”

Liam Lu leaned over and pinched her neck.

The strength was so strong that she almost dragged her whole body abruptly, “Zoey Gu, a prostitute-girl who even feels dirty, what qualifications does she have for peace talks?”

“You and your Gu family are now worthless in my eyes!”

Worthless prostitute-girl.

It turns out that in his heart, she has actually fallen to this point...

Suddenly, Zoey Gu struggled straight and closed his eyes and let the man’s hand tighten.

“Then how do you... just let Gu’s family go...”

In the next second, she suddenly felt a looseness in her neck, and she was thrown to the floor.

Liam Lu’s voice came fiercely from the top of his head.

“How? I want you to kneel down and beg me.”

Zoey Gu suddenly raised his head, facing the man’s non-joking face, his face paled inch by inch.

But it was just a moment, she lowered her head with red eyes, slowly got up from the ground and walked to him.

“Okay, I kneel.”

After speaking, she bent her legs and knelt down towards him.
