

The One and The Only Chapter 101 - 110

figure flashed, and Yash Nics had already appeared in front of Jiu Ye.
Jiu Ye looked at Yash Nics in front of him, his eyes facing Yash Nics, his heart trembled uncontrollably.
It is like standing in front of a lofty mountain, and like standing on a secluded abyss. There is a feeling of being so humble and insignificant.
Jiu Ye was full of horror: "Who are you?"
Yash Nics said indifferently, "You don't deserve to know, you are so young, and you die in my hands. It is already your honor!"
Yash Nics finished speaking, and suddenly probed with his left hand. Out, grabbed Jiuye by the throat, and lifted the opponent off the ground with one hand like a chicken. Jiuye wanted to struggle subconsciously. Yash Nics's palms and five fingers pressed slightly, and with a click, he squeezed his throat.
Yash Nics threw the body of Jiuye aside, turning around and squinting to look at the battle behind him.
On the floor of the Baihutang hall were densely packed with more than two hundred dead and wounded, all of them were Jiuye's men.
Jiuye's men had been horrified by the death of Dianchu and his entourage. Now that even Jiuye was shot to death, their last struggle disappeared instantly. They threw away their weapons and knelt down to beg for mercy.
In the huge Baihutang, countless dead and wounded enemies fell on the ground. There are more enemies, pale and knelt on the ground.

Dian Chu and Dong Tianbao, as well as the Eight Tiger Guards, stood like ten demon gods in the infinite purgatory.
Yash Nics's expression was indifferent, standing under the picture of the White Tiger Roaring Mountain with his shoulders, like a king over the world.
In this battle, Dian Chu knocked down 58 opponents.
In this battle, Dong Tianbao knocked down 29 opponents.
Dong Tianbao convincingly said to Dianchu: "The captain is indeed the captain. I am convinced that I lost this time."
Dian Chu was noncommittal, and only asked Yash Nics respectfully: "Master, what should I do with the leftovers?"

Yash Nics said indifferently, "Let Tianbao deal with the aftermath, and then the Mannity underground circle and Tianbao will maintain order. I don't want to see what else is left. The beam jumping clown is jumping in front of me!" Dong Tianbao heard the words and said in a deep voice: "It's Master!" Before, Mannity had not only people from the underground circle jumping in front of Yash Nics. Yash Nics was also completely enraged this time, and directly killed the Emperor Jiuye in the Mannity Underground Circle. In the future, the underground circle of Mannity will be dominated by Dong Tianbao's family. Dong Tianbao had the final say in the Mannity Underground Circle, and Yash Nics no longer needed to be upset and run into trouble. Moreover, Dong Tianbao strictly followed Yash Nics's instructions to abandon all gray industries. In the future, Mannity's law and order will be much better, and there will be no more smoky places.

...

"What, Jiuye is dead!" Song Family, Song Zhongxiong was shocked when he heard the news. Song Zhongping smiled bitterly and said, "Big Brother, I can't believe it when I heard this news." "But now outside, there are discussions everywhere. Last night, Dong Tianbao led some people to fight with Jiuye in Baihutang, killing Jiuye. The deeds of others." Song Zhongxiong said in disbelief, and said with difficulty: "With the strength of the Jiuye, he was defeated by a mere Dong Tianbao?" Song Zhongping said with a wry smile: "Not only the Jiuye was destroyed, but also the overlord of the North City. Zhang Heng, the two overlords of the city, Ma Fei, were also wiped out last night." "Now everyone says that Dong Tianbao has replaced Jiuye and became the new king of the Mannity underground circle." Song Zhongxiong fell helplessly. On the chair, the voice was full of helplessness: "I didn't

expect this Dong Tianbao to be so powerful. Dong Tianbao now has the final say in the Mannity underground circle. It is difficult for us to move Yash Nics and Song Pingting.”

Song Zhongping also said anxiously: “But if we don’t kill Yash Nics to avenge Feng Shao, the Luo family will ask our Song Jiaying teacher. Brother, how can you fix it now?”

The One and The Only Chapter 102

Song Zhongxiong’s expression kept changing. Finally, he slowly said, “Yash Nics and Song Pingting are now covered by Dong Tianbao. It is impossible for our Song family to move Yash Nics. ”

I think the Luo family has to find a way to deal with Yash Nics in this matter. It is the best choice.”

Song Zhongping said with a wry smile: “But Mr. Luo has already spoken and asked us to Song Let’s take revenge on Feng Shao.” Song Zhongxiong: “Luo Linyuan is stubborn and domineering. We go to ask him to change his mind. It may not work. But I heard that he loves his second son, Luo Jinchang the most.”

“I plan to prepare a generous gift. , Go to visit Luo Jinchang. Let Luo Jinchang speak good things to our Song family in front of his father, and maybe Luo Linyuan can change his mind and let us Song family go !” Song Zhongping’s eyes lit up: “Good idea, then let’s hurry up. Get ready.”

...

in the most luxurious box in the Red Cube Senior Club, Tianhai Provincial City. The Song brothers are ingratiating with a arrogant son, and there are many young princesses around. This brother-in-law is no one else, but Luo Jinchang, the second son of the Luo family. Luo Jinchang is different from Luo Yuefeng. He is a protagonist and Luo Linyuan’s most beloved son. He has an extraordinary status in the Luo family and is not comparable to his concubine Luo Yuefeng. Luo Jinchang hugs left and right at this time, and the two beauties in his arms are the top cards of the Red Cube. He squinted at the Song brothers, and said

lukewarmly : “Let’s talk, two people came from afar, shouldn’t it be as simple as asking me to drink, what is it for?” Song Zhongxiong and Song Zhongping looked at each other. At a glance, Song Zhongxiong took out a brand new Ferrari sports car key and placed it on the coffee table in front of Luo Jinchang respectfully, and said with a smile: “Hey, Chang Shao, our two brothers are in a hurry and didn’t prepare any good gifts. ”

“We recently learned that you want to buy a Ferrari Rafael, but unfortunately there is no mirage days are cars. Now we give you buy a car from other cities, when you are given a gift, please accept my gift.”

The box that The group of accompany princesses, seeing the Ferrari Raphael car key on the coffee table, their eyes glowed hot.

Ferrari is a famous sports car brand, and Raphael is the masterpiece of Ferrari sports cars.

A Ferrari Raphael, the price is more than 20 million.

And it’s hard to buy if you have money, you often don’t have a car, and you have to wait for a long time.

Owning such an expensive supercar is not only the dream of men, but women are also very eager, especially these women who have seen the world but don’t have much money.

Luo Jinchang is a sports car fan. He has collected more than a dozen sports cars in his garage.

But this Ferrari Raphael, he has always wanted to buy but was unable to buy it.

Unexpectedly, the Song brothers gave him such a gift the first time they met him.

The corner of Luo Jinchang’s mouth rose slightly, instead of taking the car keys, but looking

at the Song brothers with a smile but a sneer, and said with a sneer: “There is no good for no

reason in the world. You gave me such a gift. You want to get it from me. What do you get?”

Song Zhongxiong and Song Zhongping were secretly shocked when they heard this. It seems that although Luo Jinchang is from a wealthy family, he is not an ordinary dude. He

is very shrewd, and has not lost his mind at all because of the immediate benefits.

Song Zhongxiong laughed and said, “We have no other intentions. We just want to make

friends with Chang Shao.”

Luo Jinchang coldly snorted: "Who is it, you guys came hundreds of kilometers away to see me, and gave it away ." Such a great gift, just to make friends with me, a joke."

"But if you don't tell me, I can guess one or two. It must be related to my dead brother, right?"

The One and The Only Chapter 103

Although Luo Jinchang and Luo Yuefeng are brothers, they are half-parents. Luo Jinchang is the true young master of the Luo family, but Luo Yuefeng was born to a

mistress, and in Luo Jinchang's eyes is his father's wild species.

That's why Luo Jinchang always looked down on Luo Yuefeng. Now when he mentioned his

dead brother, there was no emotion in his tone, and even faint disdain was revealed.

The Song brothers were directly exposed by Luo Jinchang. Both of them were a bit embarrassed. Song Zhongxiong bit his scalp and said: "Chang Shaoying, you can see through our intentions at a glance."

"We are also very sorry for your brother's death, Ben I want to avenge your brother, but I

didn't expect the Mannity underground circle to become Dong Tianbao's world."

"Dong Tianbao is not allowed to touch Yash Nics, and our Song family is also powerless. We

want to invite Chang Shao you to Mr. Luo Say a few good things in front of me, let Mr. Luo

let us go to the Song

family !" Song Zhongping also said quickly: "Yes, right, right, after this is done, we will have

another

big reward for Chang Shao." Luo Jinchang squinted With eyes closed, he sneered and said:

"Your Song family was originally considered a family friend with our Luo family, but I didn't

expect your Song family to go back more and more over the years. A small role in the underground circle of China Sea can't handle it."

"Let's do it, I am. Take the action personally to help you destroy Yash Nics and Dong Tianbao. You will also pay me 100 million yuan."

"After I killed Yash Nics, you took Song Pingting's project and dedicated it to my father as

agreed. At that time, I will help you to say a few good things, my father will definitely spare

you." The

Song brothers were a little surprised when they heard this: "Young Master Chang, you have

to do it yourself, then Yash Nics and Dong Tianbao are not good things... ”
Luo Jinchang coldly snorted: “There are no tigers in the mountains, and the monkeys are
are
kings. They just hop around in Mannity. What are they in front of our Luo family?”
The
Song brothers thought, yes, the Luo family is in Tianhai Province. The city is also
considered
a wealthy family, and the Luo family wants to destroy Yash Nics and Dong Tianbao.
Song Zhongxiong hurriedly picked up the wine glass and said with a flattering smile:
“Then
our Song family, thank you for Changshao.”
Luo Jinchang picked up the wine glass and touched the glass with the Song brothers.
The Song brothers respectfully drank a cup with the bottom upside down. Luo
Jinchang only
took a proud sip, then set aside the wine glass, and ordered a subordinate wearing a
black
cloak behind him: “Bei Ming, get ready, follow me to Mannity tomorrow, kill Two
beam
jumping clowns.”
Beiming said with a blank expression on his face, grinning: “Yes, the second son!”

...

Mannity, Jiangbin Garden Villa Community, Yash Nics’s house.
When the first ray of sunlight came in from the window in the morning, Yash Nics
was
already awake.
Song Qingqing, the daughter who was originally sleeping in the middle of the bed,
has
already rolled into the bed, sleeping soundly with her panda bear.
As for Song Pingting, who keeps saying that he and Yash Nics share half of the bed,
with his
daughter as the middle line, not to cross the boundary. At this moment, curled up in
Yash

Nics’s arms like the same cat, with his arms around Yash Nics’s neck, he was sleeping
soundly with his eyes closed.
Yash Nics had a slight smile in his eyes.
He didn’t know how many times this was. Every night, Song Pingting would turn over,
turn
over and turn over, and ran into his arms.
But every day Yash Nics would pretend to wake up later than Song Pingting, lest
Song
Pingting would become angry.
At this moment, Yash Nics looked at Song Pingting’s pretty face close at hand, and
his eyes
fell on her red lips. He was suddenly moved and subconsciously wanted to kiss her
head.

But just when he was about to act, he suddenly noticed that Song Pingting's eyelashes quivered twice.
She is going to wake up!
Yash Nics quickly closed his eyes, pretending to be asleep.
Sure enough, Song Pingting in her arms soon moved, and then she heard her whisper in a low voice: "Oh, why did I run into this guy's arms again in my deep sleep."
"It's dangerous. Fortunately, he slept heavier than a pig. Otherwise, if he finds it, he will definitely laugh at him to death."
Song Pingting escaped from Yash Nics's arms softly, which was a great relief.
She didn't even notice Yash Nics, who was asleep, with the corners of her mouth rising slightly.
The One and The Only Chapter 104
Today is the weekend, Yash Nics and Song Pingting's family went out to visit the mall in Tianhe Shopping City.

The family drove to Tianhe Shopping City. Yash Nics asked Song Pingting and his father-in-law to take his daughter into Tianhe Shopping City. He then drove to the parking lot to park.
Song Pingting took it to the clothing store on the third floor. All the shops here are exclusive luxury brands, including Gucci, Chanel, LV, Hermes, etc.
In recent days, Yash Nics often accompanies Song Pingting to buy clothes, so Song Pingting is not short of clothes. This time, she mainly wants to buy some clothes for her parents.
My parents have worked hard all their lives, and now life is much better, but the two of them are still wearing very cheap clothes.
Even Ma Xiaoli has a lot of clothes that have been worn for seven or eight years, and some of the clothes are washed white.
Song Pingting walked into a Gucci store holding her daughter and her parents.
Song Zhongbin and Ma Xiaoli rarely walk into such high-end luxury brand clothing stores.
Song Zhongbin looked at the well-decorated shops and the dazzling array of costumes. He lowered his voice and asked Song Pingting, "Daughter, the clothes here should be very expensive, right?"

Song Pingting smiled and said, "It's okay, me. The second time I wanted to buy two better sets of clothes for my parents."
Song Zhongbin and Ma Xiaoli were a little stunned when they heard that they were going to buy clothes for them. They rarely buy expensive clothes.
Ma Xiaoli secretly checked the price of a suit on the hanger next to her. When she saw the price of 28,000 on the label, her eyes widened, and she quickly pulled her husband by her side, and said in a low voice, "God. , A set of clothes actually cost about 30,000 yuan ." Song Zhongbin was also taken aback, and said again and again:
"It's too expensive and can't afford it. There are a hundred sets."

Song Pingting just wanted to say that it's okay, now their family can afford it. But before Song Pingting spoke, a sharp woman's voice sounded in her ear: "Hey, hey, you don't have money to buy anything and touch it, can you afford it if it gets dirty?"
A heavy make-up and a famous work brand read on her chest. The shopkeeper Xiao Hong's woman came over with a bad face.
Like being stung, Ma Xiaoli quickly released the price tag in her hand. She said embarrassingly: "I'm sorry, I didn't mean it. And I was very careful not to touch the clothes. I just picked up the price tag and took a look."
Xiao Hong cursed coldly: "You can touch the clothes brand at will? I hate you rural mud legs, they have no quality at all."
"You said you don't have the money to come here, why do you want to see your mud legs wear? The home of Hai Lian, I won't get it, it's really a curse!"
Song Zhongbin and Ma Xiaoli were flushed, and they said embarrassed again and again, and then they wanted to take Song Pingting to escape.
Song Pingting's pretty face was full of anger, and said, "Parents, we can't just leave it like that!"
Xiao Hong sneered with her hands on her hips, and said with a sneer, "Hey, you are not convinced anymore. If you are convinced, then pay for it, and buy this suit. Do you have the money, you are so poor!"
Xiao Hong has noticed that Song Pingting's clothes are extraordinary, and she realized that

Song Pingting should be an office worker. My parents in the countryside came here to go shopping.

Don't let a white-collar worker like Song Pingting really buy two sets of clothes here. Therefore, while humiliating Song Pingting's family, she also deliberately used the radical method.

If Song Pingting had no money to buy, she could scold Song Pingting's family horribly;

if Song Pingting really tried to buy two sets of clothes, she could also get a lot of money.

Commission.

She was confident at the moment, looking at Song Pingting provocatively.

Song Pingting was irritated by the other party's attitude, and was about to directly buy the 28,000 suit.

But at this moment, Yash Nics came in from outside, and asked in a deep voice, "What's wrong?" When Song Pingting's family saw Yash Nics coming, their

emotions, who were originally ashamed and anxious, immediately stabilized a lot.

Yash Nics's appearance gave them a sense of security for no reason.

Song Qingqing, who was in Song Pingting's arms, said directly and clearly: "Dad, this auntie

said that we are poor ghosts and that we can't afford the clothes here, so we have to drive

us out."

The One and The Only Chapter 105

Yash Nics looked at Xiao Hong.

Xiao Hong was not afraid, and even looked at Yash Nics arrogantly.

Yash Nics looked at Xiao Hong, who was like a cockfight, with the corners of his mouth

slightly raised.

He picked out a centurion black gold card, in front of Xiao gestures a bit, smiling, said: "I do

not know this card, which you can not be able to shop all the clothes to buy them?"

Centurion Express Company Long black card, universal, unlimited!

Xiao Hong was shocked when he saw the Centurion Black Card in Yash Nics's hand.

Immediately, the color of surprise surged in her eyes, and the arrogance just disappeared

instantly.

With a thick foundation on her face, she immediately smiled and said flatly, "Yes, of course,

sir, you can buy a hundred stores like ours, it's not a problem."

Xiao Hong immediately followed up . Song Pingting apologized to Song Zhongbin and Ma Xiaoli again and again. Flattery is contemptuous. Song Pingting's family all looked down on Xiao Hong's behavior. Xiao Hong had a thick face. She flattered Yash Nics and said, "Sir, what clothes do you want to buy, I'll pick it for you."

Yash Nics followed her fingers and said, "This row! This row, and the other row!" " Xiao Hong flushed with excitement when he heard the words. The local tyrants are really local tyrants. They buy clothes in rows. It is estimated that she has hundreds of thousands of mentions! She was so excited that she repeatedly ordered the shop assistants next to her: "Why are you standing stupidly, come here and help take all these clothes off!" She and several shop assistants hurriedly took the shop as if they were relocating. Most of the clothes on the hangers were taken off. She smiled and said to Yash Nics: "Sir, I have taken all the clothes you mentioned. Should I pack and pay now?" Yash Nics was noncommittal, only asking calmly: "Are you happy?" Xiao Hong quickly smiled: "I'm so happy, I'm so happy!" Yash Nics said calmly, "Don't be happy too early, because I won't buy. "

Xiao Hong's eyes widened, and she screamed: "What?" Yash Nics coldly snorted, "You don't even have to look at the price brand for your clothes. Why should we buy your clothes?" Yash Nics finished. , Said to Song Pingting and the others: "Parents, Xiaoting, let's go to the opposite store to buy it. It doesn't matter if we don't buy the clothes here." Song Pingting, Song Zhongbin and Ma Xiaoli looked at Yash Nics's speechless cheeks. , I couldn't help but feel happy, and followed Yash Nics directly to the Hermes store opposite. In less than half an hour, Song Pingting's family, carrying big bags and small bags, came out in the voice of a group of clerk in the Hermès store. Hermes is much more upscale than Gucci. It is estimated that Yash Nics's family bought at least several hundred thousand for this big and small bag!

Xiao Hong, who was hiding in the Gucci store, turned green with anger when she saw this scene.

.....

Mannity zhisha Building, strolling through the Cloud Restaurant.

In a huge restaurant, there is only one table of guests.

Wearing a tailored black suit, Luo Jinchang sat at the table, holding a knife and fork gracefully, eating a filet steak.

Behind him stood two capable men, Beiming wearing a black cloak, and Wang Kun with a

bright shaved head.

Behind Beiming and Wang Kun, there were thirty men in suits standing with their hands

down, all of Luo Jinchang's followers.

Luo Jinchang cut the steak elegantly, and said faintly: "Manager!"

Wu Feng, the manager of the restaurant strolling through the cloud, quickly walked over: "Sir,

what's your order?"

Luo Jinchang put a small piece of beef into his mouth with a fork, and said gently while

eating: "Let your boss Dong Tianbao come out and see me."

The One and The Only Chapter 106

Manager Wu was a little stunned when he heard the words. He smiled and said apologetically: "Sir, if there is nothing special, our boss will not handle the restaurant matters himself.

"If you are dissatisfied with the food quality or service level of this restaurant, you can tell

me and I can serve you."

Luo Jinchang stopped cutting the steak, raised his head, and squinted his eyes and said:

"You Are you sure?"

Luo Jinchang dressed decently, surrounded by groups of bodyguards and behaved gracefully.

But I don't know why, when Manager Wu and Luo Jinchang looked at each other, there was a

faint feeling of intense anxiety in my heart.

He laughed and said, "Yes, I'm sure!" As

soon as his words fell, Luo Jinchang's knife swiped.

The sharp knife cut open Manager Wu's throat in an instant.

Manager Wu opened his eyes wide, covered his throat with both hands, and stepped back

staggeringly. The red blood still kept coming out of his fingers.

He finally fell to the ground under the shocked eyes of the security guards and waiters nearby, and a pool of blood soon gathered on the ground. The security guards at the scene were like enemies in an instant. Some of the waiters screamed and ran out: "It's not good, it's not good, it's murdered, let Boss Dong be notified!" Luo Jinchang picked up the white towel on the table without changing his face and wiped it lightly. Take a look at the blood on the knife, continue to cut the steak for dinner, and eat while eating: "Wang Kun!" The bald-headed man behind him took a step forward and

responded with a loud and powerful voice: "Subordinates are here!" Luo Jinchang said lightly. "I and Beiming are all right here. You take 20 men to get Yash Nics's first level, is one hour enough?" Wang Kun said proudly, "More than enough!" After speaking, he took 20 of his men and left in a hurry. Only Luo Jinchang, Beiming, who was always expressionless, and ten bodyguards in suits remained at the scene. Not long after Wang Kun and his entourage left, Dong Tianbao hurried over with Shi Qing and dozens of other subordinates. "Quick!" "Quick!" "

Enclose all the troublemakers!" Dozens of Dong Tianbao's men quickly surrounded Luo Jinchang and his group. Luo Jinchang, who had just eaten enough, put aside his knife and fork, took a towel and wiped the corner of his mouth. He looked at Dong Tianbao and smiled slightly: "You are Dong Tianbao!" Dong Tianbao looked at the body of Manager Wu on the ground, his eyes fell on Luo Jinchang and his party, especially when it fell on Beiming, his pupils suddenly contracted. Beiming stood there motionless, but it gave people a sense of oppression. This is a strong man! Dong Tianbao realized that this is not for ordinary people to make troubles, the other party has come prepared.

His eyes fell on Luo Jinchang, and he said slowly: "Yes, I am Dong Tianbao, who is your

Excellency, why did you kill me?"

Luo Jinchang's mouth raised slightly, with a smile but a smile: "You and Yash Nics killed me.

A bad brother, but he doesn't recognize who I am?"

Dong Tianbao's eyes suddenly widened: "You are from the Luo family!" Luo Jinchang applauded, "Congratulations on your answer, and reward your opponent." He said Then he turned his head and said to Beiming beside him: "Kill him, torture him."

"Yes, second son!"

Beiming walked towards Dong Tianbao expressionlessly, a sharp black dagger slowly from

his sleeve. The inside slipped out and landed in his right hand.

...

Tianhe Shopping Mall.

Yash Nics's family came out of the Hermès store.

First take the big bags and small bags of clothes to the store and store them for temporary storage.

Then Song Zhongbin and Ma Xiaoli, and Song Qingqing, went to the children's toy store on the 9th floor to buy toys.

And Yash Nics and Song Pingting went to the luxury store on the 5th floor.

Song Pingting wanted to buy a gift for Yash Nics. She thought about it and thought that it

would be most appropriate to buy a watch for Yash Nics.

Song Pingting and Yash Nics walked into a Vacheron Constantin watch store. She was more

picky, chose and chose again, and finally fell in love with a watch.

She thinks this watch looks ordinary at first, but the more you look at it, the better it looks.

However, what troubled her was that the watch she was looking at was a couple watch.

In addition to this male watch, there is also a female watch.

This is a pair, not just for sale.

She was a little embarrassed.

Don't buy it, but she just thinks this men's watch is good.

Buy it, then you can only buy these couple watches.

She gave the men's watch to Yash Nics, and the female watch was naturally inappropriate

before giving it away.

As for the words she brought herself, Yash Nics must be misunderstood and laughed at

him.

Seeing Song Pingting's hesitation, the saleswoman at the counter smiled and said:

"This

lady, our Vacheron Constantin watch is the world's top brand, which is very valuable.

You

and your husband match so well, this is the right watch for you."

The One and The Only Chapter 107

Song Pingting's face flushed: "I..." The

female salesperson was afraid that Song Pingting would give up the purchase, and

quickly

took out a very delicate straight-handled black umbrella, and said with a smile:

" We recently bought watches and limited-edition umbrellas. This black umbrella

was

exquisitely made by a famous craftsman. The cost alone is more than 10,000 yuan."

"Although it is not as good as a Rolls-Royce umbrella of 100,000 yuan, But it's also

very

high-end."

Song Pingting couldn't meet the persuasion of the female salesman, and she really liked the

men's watch and wanted to buy it for Yash Nics.

She blushed, bit her scalp, swiped her card to buy the pair of watches.

After paying the bill, Yash Nics took the gift black umbrella, Song Pingting carrying the

shopping bag, and came out of the store side by side.

The corners of Yash Nics's mouth rose slightly, with a seemingly non-existent smile on her

face.

Song Pingting's face was red, and she thought in embarrassment: What kind of couple

models to buy, okay, this guy must be snickered by this guy.

Yash Nics and Song Pingting walked along the corridor towards the elevator,

preparing to

meet their daughter and them on the 9th floor.

However, Yash Nics suddenly stopped.

Song Pingting looked at Yash Nics in shock, just wanted to ask what's wrong?

But before she could ask, she realized something was wrong. A burly bald man

appeared in

the front corridor.

Behind the bald man, a group of all-suited men followed.

These men hid one hand in their suits, and their suits bulged slightly, revealing the contour

shape of the knife handle.

Are these killers? !

Song Pingting's pretty face instantly turned pale.

Yash Nics calmly said, "Don't be afraid, close your eyes, and walk forward slowly with me."

Song Pingting was inexplicably relieved when she heard Yash Nics's words.

She closed her eyes obediently, grabbed the corner of Yash Nics's clothes, and walked

forward with Yash Nics unhurriedly.

The bald man is no one else, but Luo Jinchang's capable man, Wang Kun.

Wang Kun brought a group of men and was ordered to take Yash Nics's head.

He squinted at Yash Nics and waved his hand with a sneer: "Do it, kill him!" In an instant, the 20 swordsmen behind him rushed out like a pack of wolves and rushed

towards Yash Nics.

"Drink!" The

swordman in the suit who charged at the front, raised the knife in his hand high, trying to cut

it down at Yash Nics.

Whoosh!

Yash Nics took a step, and the black umbrella in his hand pierced out like a black short

spear.

Before the opponent's knife fell, the umbrella pierced the opponent's throat.

"Kill!"

Two more enemies rushed in. Yash Nics took two steps, knocking the black umbrella in his

hand on the knees of the two enemies.

The knees of the two enemies were instantly smashed, and they wailed and fell to the

ground.

Yash Nics was carrying Song Pingting, holding a black umbrella, as if walking by the lake, or

walking in a leisurely garden.

Every time he took a step, an opponent screamed and fell to the ground.

Wang Kun's eyes widened, staring at the scene in disbelief.

He brought all the elites of the Luo family, so no one is Yash Nics's enemy?

He put on a finger tiger and roared like a fierce tiger, rushing towards Yash Nics like a rainbow.

Yash Nics kicked it out, shocked.

boom!

Yash Nics kicked Wang Kun in the chest, and Wang Kun flew out seven or eight meters.

With a bang, he hit the wall next to the elevator hard.

Then he slid down the wall and fell to the ground. Several bones in his chest were broken.

He looked at Yash Nics with horror, knowing that he was practicing Taibao Kungfu horizontally, and his defensive and anti-fighting ability was very strong. Ordinarily, he can hold it even if he smashes a hammer on his chest. But Yash Nics was kicked and seriously injured! Wang Kun watched Yash Nics and Song Pingting approach quickly, Yash Nics's black umbrella tip, and the red blood slowly falling, and the blood dripped on the ground. He looked at Yash Nics who was approaching step by step, and his fear became stronger and stronger, as if watching the god of death approaching. He subconsciously wanted to hide, and could not wait to hide away, so as not to let Yash Nics notice his existence. However, Yash Nics's indifferent gaze fell on him.

The One and The Only Chapter 108

His scalp was numb, and there was only one thought left in his mind: It's over, I'm going to die. Yash Nics coldly looked at the frightened guy sitting by the elevator door, and said indifferently: "Excuse me, press the elevator!" Wang Kun was stunned when he heard the words, and then suddenly came back to his senses, ignoring the broken chest and ribs. Pain, struggling desperately, stretched out a trembling hand and pressed the elevator button for Yash Nics. Before long, the elevator doors opened slowly. Yash Nics and Song Pingting passed by Wang Kun and walked into the elevator. When Yash Nics and Song Pingting turned their backs to Wang Kun, the fear in Wang Kun's eyes disappeared, replaced by a touch of hesitation. Turning his back to the enemy is a taboo, Yash Nics dared to turn his back to him. This is his best chance to kill Yash Nics, do you want to give it a try? Fight! Wang Kun knew that the second son was cruel, and he killed Yash Nics this time. If the mission fails, there will be no fruit to go back. Just take advantage of Yash Nics's careless opportunity and fight for it! He took out a dagger from his back with his backhand, and slammed it towards Yash Nics's heart. Without looking back, Yash Nics pierced the black umbrella backhand. puff! The tip of the umbrella plunged deeply into Wang Kun's eyebrows, and Wang Kun's body instantly froze.

Yash Nics withdrew the black umbrella, Wang Kun's corpse raised his head and fell down.

Yash Nics raised his hand and pressed the elevator on the 9th floor, then closed the door.

After the elevator door was slowly closed, Yash Nics gently said to Song Pingting, who had been closing his eyes, "Okay, I can open my eyes, it's okay."

Song Pingting opened his eyes pale and asked with a trembling voice. : "Who are they?"

Yash Nics said indifferently: "Those who don't open their eyes, it's okay, I'll take care of them."

Yash Nics and Song Pingting came to the ninth floor, joined Song Zhongbin and the others, and then the family took another elevator to the parking lot.

Yash Nics calmly said to Song Pingting: "Xiaoting, you go back first, I'll take care of something."

Song Pingting knew that Yash Nics was going to deal with the killer's matter just now. She thought these people were jealous of the project and came to fight. The trouble is, at this time, he said to Yash Nics with concern: "You pay attention to safety."

Yash Nics smiled and said: "I will."

Song Pingting and the others drove away, not far away from an inconspicuous black off-road vehicle, not moving. Passing by Yash Nics sensually, he followed behind to protect him in secret.

The men in the off-road vehicle were all bodyguards arranged by Dian Chu to secretly protect Yash Nics's family.

Song Pingting and their car had just disappeared from Yash Nics's vision, and a jeep appeared beside Yash Nics.

There was only one driver in the jeep, who was actually Dian Chu.

Yash Nics opened the door and got on the bus, and said indifferently: "How many people are in the Luo family?"

Before Dianchu came, he had already investigated the Luo family's visitors. He replied in a deep voice: "It is Luo Jinchang, the second youngest of the Luo family. I brought two masters, Beiming and Wang Kun, and another 30 elite men from the Luo family." Wang Kun and 20 of them have been folded into Yash Nics's hands, dead and wounded.

Yash Nics squinted his eyes. "Where is Luo Jinchang now?" Dianchu

reported as he drove the car out of the parking lot, "Luo Jinchang is now walking through the cloud restaurant, looking for Dong Tianbao's mold."
Yash Nics: "The fastest, Go strolling in the clouds."
Dian Chu: "Yes!"

.....

On the top floor of the Mannity Axis Building, strolling through the Cloud Restaurant. The scene was in a mess, Shi Qing and dozens of others were all lying in a pool of blood.

Everyone was seriously injured and dying.

In the middle of the ruins of the restaurant, Beiming held a black dagger in his hand, with a touch of triumph at the corner of his mouth, cruelly looking at Dong Tianbao in front of him.

Dong Tianbao's body was full of wounds, there were hundreds of stab wounds, and his body was dripping with blood.

While panting, he stared at Beiming angrily, preparing for the next round of hard work.

Although Dong Tianbao was born in Yash Nics's guard, he was injured and retired, and his

combat effectiveness was much worse than when he was at his peak.

In addition, in the past two years, I have exercised less, and my strength has declined even more.

And this Beiming is a killing machine cultivated by the Luo family since he was a child, and

he spends a lot of time practicing various killing techniques every day.

Therefore, Dong Tianbao's fight with Beiming was completely undermined.

If it hadn't been for Beiming to strictly follow Chang Shao's instructions to kill Dong Tianbao,

Dong Tianbao would have died in Beiming's hands.

The One and The Only Chapter 109

Luo Jinchang was sitting on a chair next to him, smoking his proud cigarette with grace, and

ten bodyguards in suits lined up behind him.

His gaze fell on the bloody Dong Tianbao, the corner of his mouth was slightly on the road,

and he sketched a sneer: "There is no tiger in the mountain, and the monkey is the king."

"I thought I would kill my brother and kill the Jiuye. It turned out to be just a rubbish."

Although Dong Tianbao was wounded all over, his fighting spirit was still high. He spit out

bloody sputum and cursed disdainfully: "You group of clowns, now let you jump twice.

"When

my young master is here, you don't even know how to write death words."

Dong Tianbao mentioned Yash Nics, his eyes exuded a certain brilliance, just like mentioning the god in his heart!

Even Shi Qing and others, who were seriously injured and fell on the ground, heard Dong

Tianbao talking about Yash Nics, and they all became excited one by one, struggling one

after another, and said loudly, "Brother Bao is right, wait for the young master to come. , Two

fingers can

pinch you to death ." Luo Jinchang was a little puzzled that Dong Tianbao and the group

actually had a fascinating worship and trust in Yash Nics.

Luo Jinchang sneered: "Counting the time, Wang Kun should have taken Yash Nics's first

level and he is on his way back."

"As for you, Beiming, send them on the road, don't let their young master be alone on

Huangquan Road. Too lonely."

"Yes, second son!"

Bei Ming responded and swished towards Dong Tianbao.

Dong Tianbao let out a low growl and fisted Beiming's face.

Beiming's body was like a ghost, and he lowered his head and drilled under Dong Tianbao's

armpit.

At the moment when he passed by, Beiming's dagger stabbed at Dong Tianbao fiercely.

Seeing that Beiming's dagger was about to plunge deeply into Dong Tianbao's body, and at

this moment, a spark suddenly flew through the air like a bullet and hit Beiming's dagger.

With a pop, sparks flew everywhere.

Beiming was shocked by this must kill.

He was taken aback and looked down at the ground.

I found that the thing that flew to hit his dagger and shook his dagger was a cigarette butt.

Who is it, a small cigarette butt popped out as fast as a bullet?

Who was it, a small cigarette butt that popped out, shook his knife abruptly?

Beiming was shocked, and followed everyone on the scene, looking in the direction where

the cigarette butts were flying.

Then I saw a slender man with a burly man walking in from the entrance of the restaurant.

It was Yash Nics and Dian Chu.

Dong Tianbao, Shi Qing and others were all excited as they saw a bright light in a sea of bitterness, and they shouted in surprise: "Master!" Luo Jinchang also

looked at Yash Nics with shocked expression on his face, he was uncertain. "Why are you

here, Wang Kun..."

Yash Nics said coldly, "He is already a corpse, and you are almost the same."

Luo Jinchang smiled furiously: "Haha, the tone is so arrogant, I'm sorry. You have to see if

you have the capital to match it."

"Bei Ming, kill him."

Bei Ming showed a serious expression for the first time. He played a knife with a dagger in

his hand, then swished towards Yash Nics. Come lasing.

The speed is extremely fast, and the body directly brings out an afterimage!

The black dagger, carrying the bad wind, struck Yash Nics's forehead like lightning.

The corners of Yash Nics's mouth rose slightly, and he picked up a chopstick from the dining table beside him, using the chopsticks as a sword, raising his hand to stab.

puff!

Beiming's dagger was a few centimeters away from Yash Nics's forehead. The chopsticks in

Yash Nics's hand had pierced Beiming's throat, and Beiming's movements instantly froze.

what?

Beiming was killed by Yash Nics with one move!

Luo Jinchang's eyes widened, wishing to protrude his eyes, to see if the scene in front of

him was true?

The One and The Only Chapter 110

Yash Nics pulled out his chopsticks with his backhand, and Beiming's dagger fell to the

ground.

He clutched the throat where the blood was constantly pouring, and there was a sound and

vague voice in his throat: "You...you are so strong, can you tell me, how much strength did

you use to kill me?"

Yash Nics said indifferently. "Yicheng!"

Beiming's expression froze when he heard the words, and then the corpse slowly fell over.

Luo Jinchang looked at Yash Nics with a shocked expression on his face. Beiming was a master he brought from the family, but he did not expect to be killed by Yash Nics with a single move! Yash Nics's gaze fell on Luo Jinchang, and he said coldly: "I warned you Luo family not to set foot in Mannity again, but you are still looking for your own death." Luo Jinchang realized what he was shocked: "You... ..You want to kill me, dare you!" Yash Nics raised his hand and said calmly: "Send him on the road!" Luo Jinchang was shocked and angry, screaming inwardly, "I'm the second youngest of Luo Family, the provincial capital, who dares? !" The ten bodyguards behind him were escorted by him. But at the same time, Dian Chu and Dong Tianbao, who were covered in blood, had already killed two tigers. The smell of blood filled the air again. There was a loud fight in the restaurant, and after a while, it returned to calm.

Luo Jinchang and his bodyguards have all fallen in a pool of blood. Luo Jinchang's eyes were wide open, obviously not looking at him. Probably he couldn't believe that Yash Nics even killed him, the second son of the Luo family, if he wanted to kill him. At this time, a large number of people came outside the restaurant, all of them Dong Tianbao's subordinates. Yash Nics glanced at Dong Tianbao: "Does your injury matter?" Dong Tianbao was flattered and said in shame: "I can't die. In the past few years, his skill and strength have fallen so badly that he has humiliated the young master." Dong Tianbao was injured and retired at the beginning. In the past two years, he stopped high-intensity training and his strength declined normally. Yash Nics said lightly: "It's okay if it's okay, turn around and send Luo Jinchang's body to Tianhailuo's house, and give them a wake-up call." Dong Tianbao: "Yes!" Dian Chu hesitated a little at this time, then whispered. "Master, I have one more thing to report to you." Yash Nics calmly said: "What's the matter?" Dian Chu said, "According to my verification, Luo Jinchang came to trouble you with Tianbao

this time, indicating that it seems to be the case. To avenge his younger brother, it was actually instigated by the Song family ." "The Song family promised a heavy reward. Please ask Luo Jinchang to come forward and kill you and Tianbao."

Yash Nics heard this, and a cold light flashed in his eyes: "These people from the Song family are really birthday stars. Taking arsenic is a long-term life. If it weren't for Xiaoting's blood relatives, I would have killed them."

Dian Chu: "Do you need to teach them a lesson?"

Yash Nics said flatly, "Suppress it all. Song family, let them suffer a little loss and have a long memory."

Dian Chu: "Yes!"

...

On the same day, Luo Jinchang's body was sent back to Tianhailuo's house.

The second son of the Luo family also encountered unexpected news in Mannity and went away like wildfire.

Song family mansion, Song Qingsong, Song Zhongxiong, Song Zhongping's family are also holding an emergency family meeting.

It turned out that not long after Luo Jinchang's death, several companies in their Song family experienced changes.

Either the stock market was sniped and the stock price plummeted; or the various departments jointly investigated and found many problems.

It is also a huge fine, and it is also ordered to rectify within a time limit.

In short, the loss was heavy.

Song Qingsong was so angry that he was blowing his beard and staring, and asked angrily:

"Who can answer me, what happened, and why does our company continue to have problems and lose so much?"
