

Chapter 1021 For His Daughter

Hearing Qi Zhi'an say so, Ling Xiao was very curious.

Which family could have produced such an outstanding offspring?

Moreover, there was no one surnamed Xia in those few families.

"I don't know," Qi Zhi'an shook his head. "And I think that her surname may also be false."

From Xia Xibei's disguise, it seemed that she did not want others to know her identity.

Since that was the case, she might even have a fake surname.

"Then..."

Ling Xiao looked at him inquiringly. "No need for now," Qi Zhilan shook his head. "Since she doesn't want to say it, then let's not bother her."

Ling Xiao nodded, "That's right, lest we anger her."

From Qi Zhi'an's description, that girl was very outstanding

How could a young and outstanding person not have a temper?

If they rashly went to check her out, they would create a feud.

So, it was better to wait for Huo Zijun to bring her reply.

"By the way, the fruit is ready for Xinxin to eat!" Qi Zhi'an joyfully changed the subject. "Good." Ling Xiao nodded. "Xinxin will definitely be very happy." Of course, there would be others who would be unhappy.

So what of it?

As the daughter of the future family head and granddaughter of the current family head, Qi Xin was raised with love and affection.

She was a little willful from being spoiled.

Moreover, her superb status meant she could naturally enjoy all kinds of privileges.

Besides, this fruit was planted by Qi Zhilan. How could others object?

Even if they had objections, they had to hold back!

"Then hurry up and call her! She will be very happy!" Speaking of his daughter, Qi Zhi'an was also very happy.

Although he wasn't too close to his daughter, she was still his child and he certainly loved her very much.

Now that the fruit had been grown and handled, she was the first person he thought of.

It could be said that he worked so hard to plant the green crystal bamboo all for his daughter.

“Good.”

Ling Xiao gave him an amused look, then called Qi Xin.

Two hours later, Qi Xin came over. When he saw Qi Xin, Qi Zhi’an’s face regained its original gentle demeanor, without any of the previous excitement. He looked very calm. Qi Xin was also used to her father’s calmness and greeted him with a smile.

“Dad, what do you want to see me about?” “I have good news for you!” Qi Zhi’an said with a smile.

“Good news?”

“Yes.”

Qi Zhi’an didn’t make her wait, taking out a green fruit.

“This is...” Qi Xin stared at the fruit with wide eyes, surprised. “What...”

“This is the fruit of green crystal bamboo!” Ling Xiao explained, “This is what your father planted for you!”

Qi Zhi’an glared at her.

“You know how your father is. He’s embarrassed to say anything!” Qi Zhi’an’s face heated up slightly, then quickly regained his composure.

“This is a boost to your spiritual power.”

Looking at her father’s somewhat embarrassed look, a feeling of warmth welled up in Qi Xin’s heart.

“Thank you dad!”

However, because of her dad’s majestic style, while growing up, she wasn’t that close to Qi Zhi’an, much less daring to give him a hug. “Okay. Don’t waste time, eat!”

Qi Zhi’an handed the fruit to his daughter.

“Okay.”

Qi Xin took the fruit and brought it to her mouth.

After just taking a bite, she felt the fruit quickly turn into sweet juice and flow into her mouth.

As the juice flowed in, she could feel her body begin to change and her mind was much clearer than before.

Chapter 1022 Ugly Ugly Ugly

Qi Zhi’an and Ling Xiao were a little nervous as they quietly watched their daughter eat the fruit.

After half an hour, Qi Xin finally made a move.

A surprised smile appeared on her face, "My spiritual power has really improved!"

She showed her mother the pattern on her chest, which was much clearer than before.

She felt that her spiritual power was much stronger than before, it had at least doubled!

Originally, her spiritual power was just a very shallow gutter, and it seemed to dry up with the slightest movement. After eating the fruit, her spiritual power became the size of a small stream.

Her change made the two of them happy. "Then let's go and try it out!"

The family of three immediately went to the garden.

This was the third time Qi Xin had come to this garden. Although the garden was her father's, she rarely came here before. After all, she also had things to do.

Moreover, before her power awakened, she didn't feel anything but a little irritated when she came here.

Qi Zhi'an's explanation was that before she awakened, she could not receive the emotions of the surrounding spiritual plants.

However, the plants occasionally released different emotions, which seemed to be invisible but suppressed electric waves, surrounding her. That was why she felt irritable and restless.

If she had a strong talent, she could seize this opportunity and start her awakening this way.

However, this kind of operation was usually too difficult.

Those who awakened before they reached adulthood were geniuses among geniuses!

Even for their Qi family, or other families, there were not many of such geniuses.

However, if such a genius awakened, the person would be unstoppable in the future.

Previously, the elders even lamented that if there were such geniuses, their Qi family would be able to continue to excel for at least two or three generations!

However, this was only the elders' lament. Whether it was the Qi family or other families, no such genius had appeared.

The younger generation didn't take this seriously. It was just a legend to them.

If there was such a genius, what was their purpose in life?

Generally speaking, they were looking for ways to improve their spiritual power after awakening. It was the best solution.

Awakening in advance was too difficult.

Qi Xin came once before her awakening, and once after her awakening, but that time was not very pleasant either, because she had just awakened and was not strong enough to communicate effectively with the spiritual plants.

If they were willing to communicate with her, that was fine.

Most of the time, however, they were very cold.

That one time, Qi Zhi'an reassured her that even he was treated this way too. After all, these were spirit plants, and their divine mind was not the same as humans.

Qi Xin also understood this, so she was not upset.

Spiritual plants were not the same as ordinary plants. They had to be revered and honored.

Besides, who would get upset with these plants?

As Qi Xin walked into the garden, she thought back to the situation and the progress she would make later, and couldn't help but put a confident smile on her face.

After eating the fruit, she felt like she had completely transformed!

This feeling was fantastic!

"Come on, try it." Qi Zhi'an pointed to the bone lotus in the mud and said to Qi Xin, "See what it's saying."

"Okay." Qi Xin nodded, then walked up and carefully reached out to touch the bone lotus' branch.

The next second, her expression immediately became strange.

Qi Zhi'an could see that something was wrong with her and couldn't help but ask, "What's wrong?" "I..."

Qi Xin's expression twisted together. She had just touched the bone lotus when she heard its emotion. It was very clear, but the content was embarrassing to her. Ugly! Ugly! Ugly!

Chapter 1023 The Aesthetics of Plants

Qi Xin's face felt like it was going to twitch.

In all her life, no one, no plant or animal, had ever called her ugly!

In the eyes of others, she was a great beauty!

Although she was not narcissistic, she was confident in her looks.

Her parents were good-looking, and she was developed well too, a proper beauty.

Usually, there were many quality and handsome men running after her, so she was not remotely related to the word "ugly."

Yet this bone lotus actually said she was ugly?

Ugly?!

Qi Xin's heart was on fire and she was about to pull up the bone lotus by its roots.

She now realized that it was good that she could not understand them.

At least there would be no tragedy!

Who would have known that a plant that couldn't move was calling her ugly?

This was simply too much!

"What's wrong?"

The expression on her daughter's face made Ling Xiao anxious as well. Qi Xin had withdrawn her hand and was so angry that she gritted her teeth.

"What's wrong?"

Qi Zhi'an was also full of confusion, and when his daughter didn't say anything, he went to find out for himself.

So, he reached out to touch the bone lotus.

"Don't!" Qi Xin subconsciously shouted, but could not stop her father's action.

Then she watched as her father's hand touched the bone lotus.

In the next second, Qi Zhi'an's face froze.

After a moment, he withdrew his hand and pulled the corner of his mouth, "Don't listen to its nonsense! It's just nonsense!" Then, his body froze again, because the bone lotus' emotions became even more intense.

Even if he didn't touch the bone lotus, he still picked up its emotion!

Ugly! Ugly! Ugly!

Qi Zhi'an hurriedly withdrew his spiritual power before it hit him.

He knew why his daughter had reacted in this way.

To be called ugly by a plant was not an experience many people had!

Ling Xiao looked at father and daughter in disbelief.

"What is going on?"

Qi Zhilan looked at her awkwardly, "It's..." "It said I was ugly!" Qi Xin was so aggrieved that she threw herself into her mother's arms.

She wasn't such a fragile person before. She had improved her spiritual power today and came over with great enthusiasm, wanting to establish a friendly relationship with the spirit plants.

She had such good intentions, but the bone lotus' first reaction was to call her ugly!

Ugly!

How could she not be aggrieved?

She felt that all her good intentions were slapped away at this moment, and she was so upset.

What was even more annoying was that it was the bone lotus who said this, the spirit plant!

If a person had dared to say such things, she would have given them a good kick!

After listening to her daughter's explanation, Ling Xiao hugged her with tears and laughter, "Is that why you're angry?"

"It's too much!" Qi Xin nestled in her mom's arms and complained bitterly, "I wanted to be friends with it! I didn't know it would be this mean!"

"Oh, you silly child." Ling Xiao couldn't help but pat her on the back. "Do you know what it is?"

"What else could it be?!" Qi Xin said aggressively. "It's a bone lotus!"

"No matter what kind of lotus it is, it's still a plant!" Ling Xiao almost laughed out loud. "Can the aesthetics of plants be the same as ours?"

Qi Xin's body suddenly froze.

Yes... Did the aesthetics of plants have anything to do with human aesthetics?

Ling Xiao finally couldn't help but laugh, "You silly child!"

Being laughed at by her mother, Qi Xin hugged her and wouldn't let go, unwilling to face this humiliating reality. Neither mother nor daughter noticed that Qi Zhi'an's expression was a bit odd.

Chapter 1024 Sister is Beautiful

While mother and daughter were hugging, Qi Zhilan took a step back and accidentally touched the bone lotus again. Then, he received the bone lotus's emotion.

The sister from last time was beautiful! Beautiful!

The corners of Qi Zhi'an's mouth twitched, and he looked down at the bone lotus incredulously.

What kind of spiritual plant was this?! What kind of aesthetic was this?

The last girl was Xia Xibei, wasn't she?

Xia Xibei's appearance had nothing to do with beauty!

However, thinking of the beauty that might be under the mask, he was silent again.

Maybe... Her face was really beautiful!

However, he quickly reacted again.

It was just a bone lotus! How would it know what the girl looked like under the mask?

Did it really know what was beautiful and what was ugly?

After pondering for a while, Qi Zhi'an finally figured it out.

The bone lotus felt "beautiful" and "ugly" because of the difference in auras.

The last time it had contact with Xia Xibei for a while, it felt that Xia Xibei's aura was powerful and comfortable, so in its mind, she was beautiful.

Today, Qi Xin's aura was too weak, so she was ugly. After figuring it out, Qi Zhi'an was emotionally exhausted.

However, he didn't dare to tell Qi Xin this.

He didn't dare to tell Qi Xin that the girl who was considered "beautiful" by the bone lotus was about her age, which would be a serious blow to her ego. So, he followed Ling Xiao's words and said, "Yeah, don't take the spirit plant seriously. You're a grown-up..."

His words choked when Ling Xiao rolled her eyes at him.

Ling Xiao gave him a speechless glare, then patted Qi Xin.

"Well, let's go somewhere else."

"Yes, let's go to other places and see other spiritual plants!"

Qi Zhilan also nodded his head.

Last time, Xia Xibei only had close contact with the bone lotus. The other spiritual plants were handled by him, so they wouldn't know whether she was "beautiful" or "ugly," and they wouldn't hurt Qi Xin.

"Okay."

Qi Xin finally got out of her mother's arms, her cheeks still slightly red, but she had already adjusted.

Thinking about the embarrassment just now, she wanted to slap herself.

It was silly for her to fight with a mindless spiritual plant! Next, the three of them arrived at the green crystal bamboo area.

Qi Xin took a deep breath before going up to touch the green crystal bamboo.

After a while, she looked back in surprise.

"It says it wants more!"

She finally knew what the spirit plant was thinking!

However, she couldn't help but wonder again, "But I don't know what it wants more of."

All she heard was these words: More! More! More!

As for what it was, she was not sure.

Qi Zhi'an thought about it and nodded in realization, "It wants more bamboo."

After being told by Xia Xibei, he understood that this green crystal bamboo was very fond of being surrounded by more bamboo.

He told Qi Xin about this situation.

"Oh! So that's how it is!" Qi Xin nodded in a daze. "Dad, you're amazing!"

Qi Zhi'an smiled and accepted her compliment, but he couldn't help but feel sheepish in his heart.

It was the girl who gave him the instruction. It was the girl who was great! The family spent the afternoon in the garden, leaving satisfied.

On the other hand, Xia Xibei, who gave Qi Zhi'an some pointers, had already returned to G City.

Just after she returned to G City, she was dragged by Pan Yan to attend a magazine interview.

After being busy for most of the day, she finally returned home in the evening.

Qiao Yanjue was already waiting for her, his expression a little bit sad, as if he was a neglected housewife.

Chapter 1025 This Is An Apology

When he saw Xia Xibei walk in, Qiao Yanjue just stared at her, not saying anything the

Xia Xibei's scalp tingled from his look and she wanted to grab the door and leave.

However, this idea quickly disappeared, because it was not necessary.

Qiao Yanjue, after giving her a sad look, actually looked down at his papers!

Now Xia Xibei knew that he was really angry.

Due to the nature of Xia Xibei's work, she often needed to run around and fly everywhere.

However, every time she went to other places, she would talk to Qiao Yanjue to give him a little mental preparation. This time, things were so sudden that she left in a hurry. When she arrived at the Imperial Capital, Qiao Yanjue only knew where she was.

So, he was angry. Besides being angry that she suddenly ran to the Imperial Capital, he was also angry that she didn't say anything.

He might not be able to help much with the medicinal herbs, it was not his field after all, but he could find others to help if he tried!

Xia Xibei understood that Qiao Yanjue was worried about her, so when she saw his expression, she didn't dare to run. Instead, she obediently walked up and gave him a bright smile.

However, just as she reached out to hug him, he dodged it.

Then, his eyes continued to return to the papers, putting on an "I'm busy" look. Xia Xibei almost laughed.

Her eyes were sharp, so she clearly saw that the document was upside down!

What was he reading that was upside down?

However, she also understood what Qiao Yanjue meant.

She rolled her eyes for a moment, then got up and went into the room.

Hearing the sound of the room closing, Qiao Yanjue finally looked up, and his expression changed, with a little chagrin.

She wouldn't get angry like that, would she?

Hmph!

He's the one who should be angry!

How infuriating that she ran away without saying anything to him!

This time, she must realize her mistake!

Only, when he looked down, he wanted to slap himself.

This document was actually upside down!

No wonder Xia Xibei just laughed.

What a way to weaken his own position!

However, he quickly picked up his spirits.

He couldn't just let this matter go!

After the room door opened, this idea disappeared at once.

Qiao Yanjue lifted his head and looked at the different scenery in front of him, and his eyes were suddenly wide open.

Xia Xibei had somehow bought a very charming nightgown, the shape of which was very...

Hot.

There was not much fabric to cover the body and it was light and floating, revealing glimpses of private areas with every movement, mesmerizing him.

Qiao Yanjue's heart jumped and his eyes went green when he saw her in this dress.

Xia Xibei was good-looking and had a perfect body.

Now that her perfect body was wrapped in such clothes, her allure simply skyrocketed!

Qiao Yanjue felt that the air was dry, and there was a feeling of suffocation.

However, he was still very steady and just sat on the sofa.

At this moment, he was thankful that his pajamas were blocking a certain location, but this so-called calmness was completely useless in the eyes of Xia Xibei.

She walked over with an enchanting pace, smiling delicately. Qiao Yanjue's body became stiffer and stiffer, wanting to dodge, but he could not.

Watching her walk in front of him, the tension in Qiao Yanjue's head finally broke.

"Ah!" Xia Xibei shrieked, and in the blink of an eye, she fell into his arms.

"This is your apology?" Qiao Yanjue held her in his arms, his voice low and hoarse. "Then I accept your apology."

Chapter 1026 Harassing Phone Calls

When Xia Xibei was close to him and her fragrance wafted over, all of Qiao Yanjue's reserve and discomfort disappeared.

At this moment, he only wanted to absorb Xia Xibei into his body.

This little vixen was really too much!

This way of apologizing was indeed very much to his liking.

In the next second, his lips had already landed on her, the air instantly on fire.

However, the sudden ringing of the phone broke the beautiful ambiance.

Xia Xibei's face flushed red with the displeasure of being interrupted. "Who's calling?"

Qiao Yanjue's reaction was no better than hers as he took a deep breath to suppress the restlessness in his body.

The phone was not far away, so he grabbed it with his big hand.

"It's yours."

Xia Xibei was a bit chagrined.

Who would call her at this time of night?!

Didn't they know that disturbing people's good times would be punished with a lightning strike?

After taking a look, her face became even more upset.

It was an unfamiliar number.

Although she did not know who was calling, like all stars, her private number was not shared.

If it was a work matter, they should have contacted her agent first.

Otherwise, what was the point of an agent?!

This was definitely a harassing call!

"Hang up!" Xia Xibei said with a frown.

Qiao Yanjue hung up the phone. Soon, the phone rang again. Qiao Yanjue, with a grim face, picked up the phone, his voice a bit abrupt as he demanded, "Who is it?"

"Xibei?"

Two voices rang at the same time, then both went silent.

The other side reacted quickly, shocked.

"Who are you? Why do you have Xibei's phone?"

Qiao Yanjue and Xia Xibei looked at each other, both with murderous intent in their eyes.

It was Qiao Haoming!

What did this idiot want by calling at this time?

Qiao Yanjue replied in a deep voice, "This is my girlfriend's phone." Without waiting for him to say more, Xia Xibei snatched the phone away, "Qiao Haoming! What is wrong with your brain? If you dare to call me again, I'll kill you!" Her tone was much more impulsive than Qiao Yanjue's.

Just now, the mood was beautiful and they were ready to get started, then the phone call came. It was maddening!

They would not be human if they didn't get mad!

After saying that, Xia Xibei hung up the phone.

Qiao Haoming, on the other end of the line, was holding the phone in a daze.

When he called back again, the phone was already turned off.

He stood frozen for a while before he had time to think back on what had just happened.

Just now... That was Xia Xibei's voice, right?

Although it was a little more manic, it was indeed her voice.

However, what about the man earlier? That man's voice was a bit familiar!

Qiao Haoming thought about it, but couldn't remember who the owner of the voice was.

No!

The man said he was Xia Xibei's boyfriend!

Boyfriend!

When did she get a boyfriend?

Moreover, the two of them reacted so strongly...

Qiao Haoming was not a fledgling, so naturally he would not fail to understand what was going on.

That was why he felt terrible. Was Xia Xibei...

Impossible!

Qiao Haoming drew in a breath, and his face turned white.

Meanwhile, Xia Xibei turned the phone off, then threw it to the side before holding Qiao Yanjue.

"Leave that fool alone, let's continue."

Qiao Yanjue's original displeasure was cured by Xia Xibei's reaction.

Indeed, it was just a moron. No need to worry about him.

Besides, whatever it was could wait for later.

Soon, their previous fervor came back.

There was a little fire in their hearts, so the two were more engaged than before.

As for Qiao Haoming on the other end, he was still puzzled...

Who was that man?

Chapter 1027 Advanced Liver Cancer

The next day, Xia Xibei arrived at the office in a good mood, ready to join the cast.

To her surprise, just after she arrived at the office, she received a phone call from her mother.

Chang Qianzi's voice was anxious, "Beibei, something happened to your father!"

"What is it?" Xia Xibei frowned. "What's wrong?"

Chang Qianzi was about to cry, "Your father suddenly fainted today!"

“Did you find a doctor?”

“Yes!”

“What did the doctor say?”

“He said that your father has advanced liver cancer!”

“Late-stage liver cancer?” Xia Xibei’s brow furrowed. “Are you sure you’re not mistaken?”

She had met with Xia Jun several times before, and although it was unpleasant, the time they spent together was not short.

With her medical skills, if Xia Jun had such a serious illness, how could she not be able to sense it?

People with cancer were not in the same physical condition.

The last time they saw each other was half a month ago.

It had only been half a month, and he had advanced liver cancer?! How was that possible?!

“I’m not mistaken!” Chang Qianzi was so anxious that she was out of sorts. “That’s what the doctor said! I wanted him to go to the hospital, but he was unwilling to go!”

“Not willing to go?” Xia Xibei raised her eyebrows. “Why?” “He said that he wouldn’t go unless you forgave him!” Speaking of which, Chang Qianzi was full of confusion. “What exactly happened with you two? Why do you have to forgive him?”

Hearing this, Xia Xibei was sure that Chang Qianzi was unaware of anything.

Xia Jun was up to no good, but she had to admit, if she wasn’t good at medicine, she could have been fooled too.

“It’s just a small thing, no big deal,” Xia Xibei casually brushed it off, “Tell him I forgive him and tell him to hurry to the hospital.”

Chang Qianzi took the phone and walked to Xia Jun. “Did you hear that? Beibei said she forgave you! Now hurry up and go to the hospital!”

Chang Qianzi was going crazy with anxiety.

Xia Jun was still throwing a tantrum at this time! This was too much!

Couldn’t he pick a better time to act up? He was a grown-up, why couldn’t he act like one?!

Xia Jun sat on the sofa, and lowered his head with a dejected face.

“I know, she doesn’t really forgive me!”

Chang Qianzi was so angry that she pulled him forward, “Can’t you just go to the hospital and talk about it later? You’re forcing your daughter!”

Although she couldn't understand what was going on between them, what couldn't be said properly that he had to resort to this?

Xia Jun still kept his head down, "She won't even come back to see me, so she must not want to forgive me."

"What exactly did you do before?"

No matter how Chang Qianzi asked, Xia Jun wouldn't answer.

Listening to the conversation on the other end, Xia Xibei interrupted them, "I have to go join the cast today, so I really can't go back. I'll be free in a couple of days, so I'll be back to see you guys then. If there is anything, we can talk about it then, okay?"

Chang Qianzi was immediately overjoyed. "You heard that, right? She will be back in a couple of days! You have to hurry to the hospital!"

After being persuaded by the two of them, Xia Jun finally nodded.

"Okay, I'll go to the hospital. But you have to come back!"

"Don't worry, I will!"

Hanging up the phone, Xia Xibei's eyes were slightly cold.

She didn't know what Xia Jun meant by going to such lengths to get her to go back, but since he was so enthusiastic, it would be terrible if she didn't go back!

Two days later, Xia Xibei really left the set and went to the place where Xia Jun had asked to meet.

It was a hotel in a rather remote location.

Right after walking into the room, she frowned.

Chapter 1028 | Apologize to You

This hotel was large and relatively remote, and there were several small courtyards inside to fully ensure the privacy and safety of the guests.

Xia Xibei's brow furrowed as she entered the place. Although Xia Jun was the only one sitting at the table, she sensed two different auras around her.

Someone was hiding. When he saw Xia Xibei coming, a smile immediately appeared on Xia Jun's face.

If one looked closely, one could see that his smile was tinged with a bit of embarrassment and sheepishness.

Xia Xibei sneered to herself.

Sure enough, she should have given him more beatings, so he wouldn't try to plot against her!

However, she still walked in and closed the door behind her.

Seeing Xia Xibei had come alone and was also closing the door behind her, Xia Jun was relieved and had more confidence.

As long as the door was closed, she could not escape.

Thinking about it, he couldn't help but feel the menace in his heart.

Although Xia Xibei was his daughter, such a disobedient daughter needed some training!

So, it was not his fault!

It was all about number one: himself!

Moreover, Xia Qingxun, his son, even kicked him out of the company, which stepped on his bottom line!

How could his son and daughter be so unfilial?!

He would let them know who their father was today!

Thinking of this, he stood up with a little conciliatory smile, "You're here."

"Hmm..." Xia Xibei walked over with a casual expression. "Aren't you in the hospital? Why are we meeting here?"

"Ugh," Xia Jun sighed, his face a bit sad. "I didn't want to stay in the hospital. It felt too depressing." Xia Xibei looked at him, "But isn't your health very bad? If you don't stay in the hospital, what can you do if you have health problems?" Xia Xibei's words of concern made Xia Jun feel a little guilty for a rare moment, but soon he hardened his heart.

"No, I won't. It's just half a day away, there will be no problems."

Here, he couldn't help but sigh again.

"Even if there is a problem, it can't be helped. Who made me so unlucky?" He sighed, "Beibei, it's dad's fault!"

"Your fault? What did you do wrong?" Xia Xibei looked at him.

He choked for a moment. He just said it randomly, how was he wrong?

However, Xia Xibei was staring at him so much that he could only grit his teeth and explain, "Daddy shouldn't have forced you to do something you didn't want to do."

"Is that so?" Xia Xibei sat on the chair and looked at him, the corners of her mouth turned up. "Then why did you want to see me this time?"

"To apologize to you!"

Before coming over, Xia Jun had long been prepared, so he said it directly. "I want to apologize to you this time, and I hope you can forgive me!"

As he said that, he also stood up and picked up the water bottle to pour water for Xia Xibei.

Looking at his actions, Xia Xibei's eyebrows did not move. "You are my father, there is nothing to forgive or not to forgive. If people knew I did this, they would have to scold me to death."

She laughed, "So, this cup of water is not necessary."

Xia Jun immediately became anxious.

"If you don't drink it, are you unwilling to forgive me?"

Finding himself a little anxious, he hurriedly explained. "Actually, it's not about forgiveness. We'll have a good father-daughter drink and wipe the slate clean! Don't worry, this is water, not wine. It won't affect your work."

Xia Xibei looked at the glass of water with downcast eyes and nodded, "That's fine."

After saying that, she picked the cup up and drank it all.

Chapter 1029 A Little Dizzy

Seeing Xia Xibei drink the water, Xia Jun's originally nervous heart suddenly calmed and he immediately smiled with joy.

"Good! After drinking this cup of water, we will be reunited as father and daughter!" He laughed loudly, "Come, let's eat!" He enthusiastically gave Xia Xibei some food, looking very happy.

Xia Xibei took a look at the dishes and didn't hesitate to pick up her chopsticks and start eating. She didn't eat anything before she came here today.

The dishes Xia Jun ordered were all made with very high-quality ingredients, and the prices were not low.

Moreover, this was the first time Xia Jun had invited her to eat, so she had to eat more.

Xia Jun watched as Xia Xibei ate almost all the dishes on the table, while he only had a little food.

Xia Xibei's appetite dazzled him!

This was simply horrible! Was her stomach a black hole?!

He couldn't help but carefully look at Xia Xibei's... Stomach.

After eating so much, how come her stomach didn't show any changes?

What kind of stomach was this? After a while, he reacted.

She had drank the water a while ago, how come she had no reaction yet?

Was there nothing in the water?

That couldn't be! He had put the stuff in with his own hands!

Could it be that they had made a mistake?

If there was a mistake, how would they proceed next?

While Xia Jun was anxious, Xia Xibei finally rubbed her eyes with a puzzled look.

"Why am I so sleepy?" "Sleepy?" Xia Jun seemed pleasantly surprised. "If you're sleepy, go to sleep! There is a room here! How tired you must be, flying around all the time!"

This hotel was very thoughtful.

You could only think about certain things when you were warm and fed...

So, after preparing the room next to this one and eating and drinking enough, they could let it play out. Xia Xibei smiled coldly to herself as she saw Xia Jun's excitement.

She nodded, "Ok."

Xia Jun led her inside while he mumbled, "I'm not trying to nag you as your Dad, but a girl does not need to work so hard. Must find a good family to marry into, and you'll be set up for life. Wouldn't that be great...."

Listening to these silly remarks, Xia Xibei's eyebrows lowered to keep herself from exploding and kicking him out.

Looking for a good family?

What was a good family? And who could guarantee that they would be good for life?

Especially the so-called good family in Xia Jun's opinion, which was even more horrific.

Xia Xibei didn't say anything, just followed him inside.

Xia Jun asked while looking back at her, "How do you feel? Still not feeling well?"

"A little dizzy, a little hot," Xia Xibei replied.

Xia Jun was even happier, but said with concern, "The weather in G City is like this. It's November and it's still so hot. I'll turn on the air conditioner for you, take a rest."

Soon, the two of them went into the small room next to the dining area.

The room was small, but it had everything, and the bed was huge.

When she saw the bed, Xia Xibei's mouth stiffened, and then she walked over.

"You sleep for a while, I'll wait for you outside. There's no rush."

"Okay," Xia Xibei nodded obediently, then laid down on the bed.

Looking at her lying down and closing her eyes, Xia Jun was even happier. Hearing the sound of the door closing, Xia Xibei opened her eyes but did not sit up. After a while, there was movement outside.

Then, the door opened.

Several people walked in.

“Young Master Qiao! Don’t worry, she has fallen asleep.”

Xia Jun’s irritating voice rang out, full of flattery. “Great, you’ve done a good job!” Qiao Haoming nodded in satisfaction.

Chapter 1030 Partners in Crime

Looking at Xia Xibei sleeping on the bed, Qiao Haoming was very satisfied, and the anger in his heart slowly faded away.

When he found out that Xia Xibei had a boyfriend, he almost died of anger!

He always thought that Xia Xibei would be his to own, but he never thought that she would have a boyfriend, even having sex!

In her situation, could she find someone who really liked her? She was really too naive!

Qiao Haoming was livid that he hadn’t even touched Xia Xibei yet and she was already someone else’s. It disgusted him!

He chose to take his time before, wanting to develop a relationship with Xia Xibei, but to his surprise, Xia Xibei didn’t want to do that and was with another man.

So, he asked Xia Jun to help him. Since Xia Jun was thrown out of the company, he no longer had any power and was suddenly despondent. Power was the best medicine for men.

This saying was particularly true when it came to Xia Jun.

Without the company and others listening to him, he was miserable.

Therefore, as soon as Qiao Haoming approached him and told him about this matter, he immediately agreed.

Qiao Haoming looked at Xia Jun, who was groveling and smiling, and sneered.

He didn’t know how his father got involved with Xia Jun in the first place. This man was too spineless!

Moreover, it took someone special to be so skilled at selling one’s daughter for glory! Qiao Haoming was ashamed of his own blindness at the beginning.

In the past, Xia Jun treated Xia Qinghan very well.

Now Qiao Haoming realized that the reason Xia Jun was so good to Xia Qinghan was that Xia Qinghan was obedient.

If she was not obedient... Her downfall would be similar to Xia Xibei's.

However, it was good that Xia Xibei had such a father.

Otherwise, it would not be that easy for him to get his hands on her.

Looking at the sleeping beauty on the bed, his smile got even wider. "Haoming."

On the bed, Xia Xibei's ears perked up and she wondered why this voice sounded a bit familiar!

When she came in, she knew that there were three people there.

Xia Jun and Qiao Haoming were two of the men, but what about the other one?

Now, this person spoke up, and his voice surprised her a little. It seemed to be a familiar voice!

Before she could figure out the other person's identity, she heard him continue, "Don't worry, we'll keep watch outside, so you can take your time and enjoy yourself." Listening to the man's laughter, Xia Xibei finally reacted.

Was this Wan Shicheng?

Wan Shicheng hadn't appeared since the last time he was scared away by the cats and dogs.

Xia Xibei thought that he had retreated, but to her surprise, after a few months, he had reappeared!

It looked like he was involved too!

That was right, he and Qiao Haoming were cousins! It was only natural for the two brothers to be in cahoots.

"Well, when I'm done playing, it's your turn." Qiao Haoming showed a cruel smile, "It's all the same since she'd been played with anyway."

"Young Master Qiao!" Xia Jun drew in a breath and was instantly anxious. "But—"

It was not the same: being used by Qiao Haoming, and being used by two men.

When the time came, would Qiao Haoming still be willing to take Xia Xibei as his wife? If not, that would be a different outcome!

Qiao Haoming's eyes glanced at him, "Don't worry, I will give you what you want."

Xia Jun's body stiffened. After biting his lips for a moment, he finally revealed a brilliant smile. "Okay! I'll listen to you, Young Master Qiao!"

Listening to the disgusting conversation occurring between the three men, Xia Xibei's hands and feet were cold, but there was a fire burning in her heart!

Chapter 1031 Together

Xia Xibei knew that Xia Jun did not have good intentions and that Qiao Haoming must have been involved.

However, she did not expect Xia Jun to be so shameless!

She was his daughter!

Even if they never got along, they were still father and daughter by blood!

Even if they were not related, even if they were strangers, he couldn't be so heartless, right?

What kind of person would give a girl to someone to damage?

Xia Xibei felt very sad.

Although she had no confidence in Xia Jun, she still felt very sad when Xia Jun did such a thing.

After the sadness, there was strong anger.

If she didn't have enough ability for self-protection, wouldn't she be at their mercy now? It was disgusting to think about it!

Despite the anger in her heart, Xia Xibei did not move and continued to lie on the bed.

After a while, Xia Jun walked out, leaving Qiao Haoming and Wan Shicheng inside.

Qiao Haoming looked at Xia Xibei lying on the bed, and the corners of his mouth revealed a harsh, grim smile.

He had already given Xia Xibei many chances.

Since she was a girl, he tolerated her capriciousness and willfulness, but who allowed her to cheat on him?

At this moment, he completely forgot that there was no relationship at all between him and Xia Xibei. As for this so-called cheating, he put it on himself.

"Haoming!" Wan Shicheng shouted, his eyes on Xia Xibei, asking what to do with his gaze.

"I'll go first," Qiao Haoming leered, and his gaze became deeper.

She was already tainted, but she still looked tempting

When he was done with her, he would destroy her and make her lose her reputation!

As for how Xia Jun would react, he wasn't worried at all.

As long as he gave Xia Jun enough benefits, any problem could be solved.

"Good."

Wan Shicheng felt even more excited.

When Qiao Haoming was done, he would get his turn.

It was exciting to think about it!

Ever since he was rejected by Xia Xibei before, Wan Shicheng hadn't been satisfied.

However, there were a lot of things happening at home, so he couldn't find the time to track her.

Plus, she often traveled, so he couldn't catch up.

That was why things had dragged on until now.

However, it was okay. They had saved the best for last!

Wan Shicheng's eyes were glowing at the thought of the fun that would come later.

Not only could they use her one on one, but they could also use her together!

Wan Shicheng was so excited that he was rubbing his hands together, as if he was a fly.

Qiao Haoming walked toward the bed, impatience and eagerness in his eyes.

When he reached the bed and looked at Xia Xibei's peaceful and beautiful sleeping face, he showed a smitten smile and murmured, "Why are you so stupid? If you had obediently agreed to my advances before, you wouldn't have to be like this now."

Thinking about those drugs Xia Xibei had taken, he felt even more stimulated.

This was the first time he had drugged a girl, and it was this particularly magical drug.

It was also from a certain master!

After taking this substance, Xia Xibei would become very lustful...

Slutty, requiring many men.

That was why he called Wan Shicheng here too.

Moreover, after this, her personality would change drastically and she would never be able to leave men.

Turning a lofty and perfect girl into such a whore, he felt pity, but at the same time, he felt very happy. See, this was what happened when she betrayed him!

He laughed while reaching out to touch Xia Xibei's face.

In the next moment, his eyes blinked, his wrist hurt, and his whole body fell hard on the bed!

Chapter 1032 Terrible Power

With a bang, Qiao Haoming fell onto the bed.

The force was so strong that he felt his back turn black and blue, and he was dumbfounded.

When he looked again, the person standing in front of him was Xia Xibei, who was just lying on the bed.

For a moment, Qiao Haoming's mind was all messed up.

Shouldn't Xia Xibei have fallen asleep? Why would she suddenly wake up? And where did she get such terrible power?

"You-"

Without waiting for him to open his mouth, Xia Xibei landed a fierce punch, directly knocking him out.

"You!"

This sudden development stunned Wan Shicheng! Wan Shicheng was still waiting to see a good show and then join in. How could the situation be reversed in the blink of an eye?

He was just standing to the side when he saw Xia Xibei suddenly jump up from the bed and then push Qiao Haoming down hard on the bed.

Then, she also knocked Qiao Haoming unconscious!

Holy crap! What the hell was this?!

Wan Shicheng was so overwhelmed that he thought he had lost his eyesight!

Was this really Xia Xibei? How could she have such terrible power?

Although he was shocked, he still subconsciously rushed up and tried to save Qiao Haoming.

Just as he ran over, he saw Xia Xibei whirl around and fly up on one foot.

Then, he felt as if his chest had been hit by a boulder, and he involuntarily flew backwards!

By the time he landed, it felt as if his internal organs were dislocated.

He looked incredulously at Xia Xibei walking towards him with a terrifying smile on the corner of her mouth.

"You- Don't you come over!" Wan Shicheng shouted in shock, fearfully trying to back up, but he could only watch as Xia Xibei walked towards him and then...

Lifted him off the ground!

He immediately jerked backwards!

Damn! What kind of demonic strength was this?!

"You- Argh!"

Before he could say anything, he was knocked out by Xia Xibei's punch.

The moment he passed out, there was only one thought in his mind: What great strength!

After knocking both of them unconscious, Xia Xibei's eyes became even colder.

As if she was carrying nothing, she threw Wan Shicheng onto the bed, next to Qiao Haoming.

Then, she went out again.

Outside the door, Xia Jun was waiting with mixed feelings.

Although he was doing such things, Xia Xibei was his own daughter. He had personally sent his daughter to Qiao Haoming's bed, and afterward, she would face other terrible things. Her life was ruined...

He did feel a little bit sheepish.

However, thinking of the huge benefits that were to come later, he quickly suppressed the shame and weakness in his heart.

It was okay. After this encounter, he would also seek justice for Xia Xibei. When the time came, Qiao Haoming would definitely give her a good life!

ca

Right! This was a win-win situation!

Yes, a win-win!

While waiting anxiously and appeasing himself, Xia Jun fidgeted.

When he heard the door open, he immediately looked back, confused.

It was over so soon?

Qiao Haoming wasn't very good, huh?

Such an untimely thought came to his mind. After turning around, he was stunned.

His eyes widened in surprise, and he lost his voice because he was so shocked.

His mouth opened soundlessly. He could not even speak, and his arms and legs froze.

Xia Xibei came towards him, and without waiting for him to make a move, knocked him out with a single punch!

Then she put him on the bed as well and stripped all of the men naked.

Chapter 1033 Worse Than Animals

After Xia Xibei stripped them clean with a calm and indifferent gaze, she took out another cup of water. If Xia Jun was still awake, he would have been shocked, because this cup of water...

It seemed to be the same one he had poured for Xia Xibei before!

In fact, Xia Xibei had exchanged this cup of water when she drank it before.

She was especially fast because of the spiritual power boost.

With this kind of hand speed, she could do magic and no one would have noticed.

She poured the cup of water back into the water bottle.

Watching this cup of water melting back into the rest of the water, Xia Xibei's mouth curled up in a cold smile.

She noticed something was wrong when she smelled it earlier.

Something terrible had been added to this water!

The cup was tall and had a narrow opening, plus it was placed in front of Xia Jun, so if one didn't lean over, one couldn't see what's inside.

She didn't know where Xia Jun got the drug from, but if she took it, it would be over for her!

Even if the drug was neutralized this time, afterward, the person drugged would still be controlled by the residual drug and be very eager for sex.

In other words, she would become a sex addict.

Whether male or female, the result of taking this stuff would be horrific!

After Xia Xibei diluted the cup of water back inside the water bottle, she poured out three more cups of water and poured one cup into each of the men's mouths.

More water was added to dilute it, and it was divided among three people, so the effect would be much weaker and not so vicious. At least the after-effects would be lighter.

Alas, she was really a soft-hearted person!

Xia Xibei mused that she was really too kind and merciful to these kind of scum!

While lamenting, she called Tang Luo.

When Tang Luo received the call, she put on a mask while full of confusion, changed her appearance, and hurriedly came over.

When Tang Luo entered and saw the situation inside, she immediately drew in a breath and turned around!

Even if she turned around, she couldn't stop the blush-inducing noises behind her.

Tang Luo glared at Xia Xibei, "Are you crazy?"

Xia Xibei asked her to come over just to see this kind of disgusting thing?

Moreover, this was an x-rated movie with three men!

Holy crap! Tang Luo wanted to cuss. This was too much for her eyes!

She felt that she was going to be mentally traumatized.

This was really horrible!

After she finished cursing, she couldn't help but frown, "Why do I think I see someone I know in there?"

Although it was just a glimpse, she also saw Wan Shicheng.

"Hmmm," Xia Xibei nodded carelessly. Her mood was not at all affected by the sometimes high-pitched and sometimes hoarse voices behind her. "They are Qiao Haoming, Wan Shicheng, and... Xia Jun."

"What?!"

Tang Luo drew in a breath and looked at her in horror, "Isn't Xia Jun your father?!" "Yes." Xia Xibei pursed her lips, looking like she didn't care. "But after today, he must want to get me killed."

Tang Luo's mouth twitched, all confused.

"What's going on here?"

Xia Xibei said lightly, "They tried to drug me, and I drugged them back."

Then she took her phone out. "Listen."

Tang Luo clicked on the audio, but before she finished listening to it, she felt as if she was about to explode.

Too vicious! They were worse than animals!

She finally understood why Xia Xibei did what she did!

This was the way to return the favor!

"But what do you want me to do? What can I do for you?"

Chapter 1034 Erasing All Traces

"Help me and see if I have left any other traces."

Xia Xibei was very direct and just told her.

Since Xia Xibei dared to do so, she must be confident that she could handle what happened afterward.

However, she could not leave any traces!

This kind of thing was best left to the professionals, and Tang Luo was the best professional!

“Okay! Leave it to me!” Tang Luo immediately nodded.

She went outside the room, took out the computer, and started working.

As for Xia Xibei, she remained inside to do the “filming.”

Although the group battle between the men was very hot, her expression remained unchanged, and the activities did not affect her mood at all.

She seemed to be watching a movie and had the presence of mind to give a review.

Well... Xia Jun’s stomach was a bit big. He should exercise more. Also, his strength was not very good, as he was already flat on the bed after a little while.

Qiao Haoming and Wan Shicheng were still young, so their figures were still good.

However, both men were weak. They didn’t even have abs! Ugh! No star for the review!

Xia Xibei glanced at them a few times and did not stare at certain parts. She even had the focus to think about what would happen after.

In fact, she did not expect that she would see the private parts of both Qiao Weiyue and Qiao Haoming, father and son. What a sinful coincidence!

She did not know what kind of reaction there would be once this recording was released.

Maybe... This would open the door to a new world for them?

Xia Xibei was not at all generous in her thinking

After a while, Tang Luo knocked on the door.

Xia Xibei walked out, “Is it done?”

“It’s done.” Tang Luo pointed to the screen and said, “Actually, I don’t need to do anything. They’ve already done almost everything.”

“I know,” Xia Xibei nodded. “They must have made all kinds of preparations. Besides, didn’t you see that camera inside?”

Tang Luo froze for a moment, “Camera?”

“Yes,” Xia Xibei nodded. “That’s what they brought with them.”

Tang Luo then remembered the camera she had just seen and immediately drew in a breath.

“This group of scum!”

They had pretty much destroyed all the surveillance outside.

If Xia Xibei was really hurt and wanted to find evidence, no one

would be able to prove that Qiao Haoming and the others had come here.

Moreover, they also prepared a camera to capture everything that happened as a way to threaten Xia Xibei.

Only, they hadn't expected Xia Xibei to give them a counter-attack and use the camera on them.

Thinking about their vicious plan, Tang Luo was extremely angry.

"These people are animals!"

Especially Xia Xibei's father! How was he still a father?! He was the scum of the scum!

Tang Luo wanted to rush in and give each of them a kick!

Xia Xibei, however, was very calm and shrugged lightly, "It's okay, they are animals, but I will be worse than them. Make sure you erase all of my traces. That's all."

Thinking of Xia Xibei's "beastly" counter-attack just now, Tang Luo couldn't help but smile, "Don't worry, it's all taken care of. Even if they were exposed, they definitely can't trace it to you."

The footage of Xia Xibei, from arrival to leaving, would be overwritten. Even if computer experts came later, they could not find the problem.

Moreover, when Xia Xibei came in earlier, no one saw her either.

"OK." Xia Xibei snapped her fingers. "Then get ready to see a good show."

Hearing the voices inside dwindle, she went in and put the camera away.

"Okay, let's go."

"What about them?"

"Let more people come and admire their perfect bodies, of course!"

Looking at her terrible smile, Tang Luo couldn't help but shudder.

Chapter 1035 Embarrassed

Xia Xibei and Tang Luo left the small courtyard.

Outside, the surveillance of the small courtyard had long been taken down, so there was no need to worry that they would be caught on camera.

What they had to deal with was the outside. After all, there was still surveillance there.

However, with Tang Luo around, there was no need to worry about this at all.

When they left the place, the three men's bedroom battles were still in full swing.

Although they were drinking a diluted version, the effect of the drug was still very ferocious.

The more vicious the effect, the angrier Xia Xibei became.

If three people who had the diluted drink had such a reaction, what if she had the entire drink?

They were really trying to kill her!

So, Xia Xibei had no sympathy at all for them.

Have sympathy for people who wanted to hurt her? She wasn't that stupid!

After leaving, Xia Xibei called the manager and asked him to bring some people to clean up.

On the other end, the manager received an unknown phone call from someone with a male voice, and it was somewhat familiar.

It seemed to be the voice of a guest from that compound. This guest seemed to be very familiar with their proprietor!

Not everyone knew this, but Zou Zheng was one of the shareholders of this business. He was the one who had brought Qiao Haoming and other people over in the past.

So, the manager was quite attentive to that side. Now that they needed help, he immediately brought several people over.

The caller said to bring a few people over. After all, it was very messy and there were a lot of people.

"Very messy? Did they destroy the room?" the manager muttered to himself while leading people to the courtyard.

When he arrived outside the courtyard, he knocked on the door but heard no sound.

The guests were probably gone.

So, he pushed on the door and entered.

Outside was the dining room, where the dining table was a mess, cups and plates were in disarray, and all the food was gone.

"Go clean up," the manager said to his workers.

"Okay."

The waiters immediately nodded, beginning to clean up.

There were six of them coming over, so besides the living room needing to be cleaned up, the room inside also needed to be organized.

Even if they hadn't used it, they still had to go in and clean it up.

A male attendant went to the door of the room and reached out to turn the handle.

With the door opening a little, he was startled.

There... Seemed to be some kind of sound coming from here?

Hadn't the guests left?

He thought so, then subconsciously pushed open the door.

When he opened the door and got a look at the intertwined people on the bed, he immediately sucked in a breath and let out a sharp scream.

"Argh!"

A grown man's broken voice immediately attracted everyone's attention.

"What's wrong?"

The manager frowned and quickly walked over.

Originally, he thought it was really messy inside, and that was why this waiter was so shocked.

However, when he came over and heard that strange sound and saw the situation inside, his expression also froze.

Holy crap!

This was too damn stimulating!

While they were frozen, the others also came over and saw all the exposed skin. Everyone was stunned.

What the- How dare you put on a little show here?!

What was even scarier was that these three were all men!

Was this how people partied nowadays?!

No matter how many people showed up here, it did not disturb the "enthusiasm" of the three individuals.

Watching their movements, the manager's mouth twitched and his face darkened before he finally reacted.

When he wanted to make them leave, the men on the bed shuddered, and their bodies stiffened. Slowly, their movements stopped.

'Were they done?' several waiters thought as they met the blank gazes of the three men.

This was embarrassing.

Chapter 1036 Used Up

When the three men came to their senses, they saw the crowd in front of them, looked down at themselves, then blacked out and almost fainted!

Xia Jun really fainted! He found that he was the one below! Feeling all kinds of unspeakable sensations in his body, he was so grief-stricken that he really fainted.

Qiao Haoming and Wan Shicheng were young people with a little more physical ability.

Although what just happened almost emptied their bodies, they still held strong.

Looking at the people frozen in front of them, they shouted out in shame, "Get out! Get out!"

With such a command, the manager and staff finally came to their senses and immediately rushed out, acting as if there were wild beasts chasing after them.

When they ran out, they looked at each other with red faces.

Damn! This was too exciting!

They had been working here for so long, and they knew that some guests were not very proper.

However, knowing and seeing it with your own eyes was quite different!

Moreover, this was a three-person show!

It was so exciting! It opened the door to a new world!

In the room, Qiao Haoming looked at an unconscious Xia Jun and noticed the marks on his body, almost throwing throw up.

He was controlled by drugs and was dazed, so he had no way to control his movements and thoughts.

Now that he was awake, he wanted to die.

What happened before was too damned horrible and disgusting!

At this time, Xia Jun's body couldn't help but shake.

Seeing Xia Jun's old leathery face, Qiao Haoming suddenly regurgitated, flinging himself to the bed and vomiting.

In a moment, the whole room was filled with a terrible sour smell, plus the previous smell. It was comparable to a biological weapon!

Wan Shicheng was also affected by the smell and vomited, so the whole room became even more terrible.

When the two finally finished vomiting and took a breather, their faces were black and blue.

Looking at each other's faces, both of them had the same lifeless, hopeless eyes.

Thinking back on the whole thing, the two of them became extremely angry. Damn that Xia Xibei!

However, they were also afraid. Who the hell was Xia Xibei?! Why did she have such terrible strength?!

Thinking back to the specifics of what had happened before, the two men were shocked and angry. How on earth did Xia Xibei do that?!

Was that really Xia Xibei?

However, what was more important now was how to deal with this matter properly!

The two of them put on their clothes after holding back their shame and anger, then patted Xia Jun awake and told him to put on his clothes as well.

When they came out, the manager was already hiding out with the others.

Qiao Haoming was so ashamed. He hated that he had to hold back all his disgust to call the manager over.

“What did you see today?”

“I didn’t see anything!”

The manager was smart and immediately shook his head.

Who knew about these rich people and the games they played?

What was even scarier was that they actually saw it!

Would they be killed?

With this horrible possibility in mind, the manager immediately shook his head in denial.

Hearing the manager answer so sensibly, Qiao Haoming was slightly satisfied. However, he still had questions.

“Where is that woman from before? When did she leave?” “Woman?” The manager was confused.

“What woman?”

“Xia Xibei, who came over earlier!”

Qiao Haoming wasn’t afraid to reveal Xia Xibei’s identity.

At this point, the two sides had completely lost their civility, and it was a battle to the death.

“Xia Xibei?” The manager froze for a moment, then it dawned on him. “Are you talking about the star Xia Xibei?”

“Yes!” Qiao Haoming was very impatient. “When did she leave?”

“Huh? Did she come here?”

Chapter 1037 All Known

The manager looked at Qiao Haoming with a dumbfounded face, confused as to when this matter was related to Xia Xibei.

Wasn't Xia Xibei a big star? If she showed up here, it would definitely cause a sensation.

However, she hadn't shown up!

Since she didn't come, how could she leave?

Looking at the manager's confusion, Qiao Haoming's heart thudded.

When Xia Xibei came in earlier, she knew the location, so she came directly here, without the help of the waiter.

When she left, she did not let anyone know.

He had assumed that since she dared to do such things, naturally she was not afraid of being found out by others!

Qiao Haoming found that he had thought wrong.

"Alright, you all remember what to say and what not to say. Right?"

He gave a warning glance at the manager.

The manager nodded, "Of course, of course! We just came over to clean up today."

Only after warning the manager did Qiao Haoming take Xia Jun and Wan Shicheng, who were in a state of shock, away from the hotel.

Looking at the back of the three of them, who couldn't hide their embarrassment in their haste, several waiters couldn't help but gossip.

"Nowadays, rich people are playing too much!"

ne

If you had wanted to play, go home and play! No one would disturb you."

"If they came to a place like this to play, it was no wonder they would be found out."

"Maybe it's their style," someone guessed.

Out of the three men, two were young and one was middle-aged. The middle-aged man was likely married, so people wondered if his wife knew about this kind of thing.

Their circle... It was too messy!

Hearing everyone's discussion, the manager snorted angrily, "Shut up! You better not discuss this nonsense! Just do your work!"

With this warning from the manager, everyone quickly shut up.

However, the manager soon found out that the other waiters knew that something exciting was happening here!

He was furious and brought the waiters over to ask who had broken the news, but the waiters were innocent. They didn't say anything at all!

Even if they wanted to, they wouldn't dare to say it so quickly!

The manager checked, shocked to find that they really did not say anything!

The other employees had received an inexplicable message about it!

So, very soon, the whole hotel knew.

The manager had a headache. What should they do?

What was worse, the text message had disappeared!

This was a strange thing, but they were ordinary people. How dare they get involved with things like this?!

On the other hand, Qiao Haoming took Xia Jun and Wan Shicheng to a quiet place, and only then did they begin to discuss countermeasures.

The three of them had just had this kind of thing happen, and it was the right time to be embarrassed, but no matter how awkward it was, they had to solve this matter first!

Xia Jun's face was even more ugly.

He had lied earlier and said that he had terminal cancer, but his face now fit right in with what he had said before.

He didn't expect to have been punked by Xia Xibei! And with such disgusting results!

"I'm going to destroy her!"

Qiao Haoming and Wan Shicheng looked at him for a second before hurriedly averting their eyes, lest they remember what happened before.

They both wanted to take revenge on Xia Xibei, but what should they do about it?

More importantly, how were they going to stop this matter from getting out?

If it got out, they'd lose all their faces!

Xia Jun was shaking with anger, still thinking about how to retaliate, when his phone rang. He took out his phone and saw that it was a call from Chang Qianzi.

When he answered it, her cold and angry voice came from the other end, "Xia Jun, come back. We have to get divorced!"

Chapter 1038 The Devil

Xia Jun hurried back home, and the other three people in the house were already there.

Chang Qianzi was sitting on the sofa, her back straight, her face stern and gloomy, and looked very unpleasant.

Xia Qingxun stood to the side, his expression as grim as ever.

Only Xia Xibei quietly sat aside with a very calm expression, as if it was not her who had done those things before.

At the sight of Xia Xibei, what had happened before rushed into Xia Jun's mind, causing him to lose his mind and immediately rush forward.

His right hand was raised high and fell hard, wishing he could beat Xia Xibei to death.

However, he was stopped halfway.

Xia Qingxun rushed out and pushed him away, yelling, "Enough!"

Xia Qingxun's face was very ugly.

When he received Xia Xibei's message earlier, asking him to rush back, he felt strange.

Why so sudden?

However, how could he not come back when his sister rarely asked like this?

Thankfully, he happened to be in G City for a new collaboration these days, so he was able to come back quickly.

When he came back, after hearing what Xia Xibei said and then seeing the evidence she brought out, he and Chang Qianzi almost fainted.

They had never thought that Xia Jun would be so heartless!

It was obvious that Xia Xibei was his daughter, so how could he send her to Qiao Haoming's bed with his own hands in such a heartless manner?!

What an animal!

Thinking of the recording on the phone and his father's conciliatory voice, as well as the conversation between Qiao Haoming and Wan Shi Cheng, Xia Qingxun's teeth gnashed together.

He had known before that Xia Jun wanted to cooperate with the Qiao family very much. After all, the Qiao family represented more interests.

However, Xia Xibei refused last time.

After that, they also gave Xia Jun a lesson, hoping that he could be peaceful from now on.

To his surprise, after Xia Jun left the company without power in his hands, he was even more out of control than before!

He did not care about his own status, nor did he care about Xia Xibei's life. He just drugged her!

After knowing what Xia Jun had done here, Xia Qingxun felt ready to collapse.

Fortunately, with the last incident as a prelude, he was only angry and sad, then quickly accepted the matter.

Chang Qianzi's reaction was much more intense.

She didn't expect Xia Jun, who said he had cancer and made her call Xia Xibei, claiming he wanted to reconcile with her, to have such malicious intentions!

This was his daughter!

How dare he do this?!

For the first time, Chang Qianzi knew that the man beside her in bed was a demon in human skin!

If not for Xia Xibei's decisive action, she might have fainted and been so angry that she might have had a stroke.

With Xia Xibei around, she wouldn't have had to worry about being overly stimulated.

However, Xia Xibei was even more effective than they thought, because she showed them the little movie of the three men!

When they saw this "little movie," Xia Qingxun's face turned gray and Chang Qianzi almost fainted.

Although Xia Xibei quickly put the video away, the images really shocked them. At this moment, they felt like they were going crazy.

This was really too much!

Neither of them knew how to react, but it occurred to them that if Xia Xibei hadn't had the ability to resist, she would be the one in such a position now!

A beautiful and pure girl being sullied like this... How could she possibly live afterward?

Chang Qianzi already felt guilty about Xia Xibei, and now she made a decision even more quickly.

"Let go of me! I'm going to beat her to death--"

Slap!

Xia Jun's words were cut off by a slap.

Chapter 1039 Get a Divorce

The resounding slap froze Xia Jun's movements.

"How dare you... You hit me?"

He looked incredulously at his wife, who had slapped him.

After so many years of marriage, it was the first time he had seen his wife hit anyone.

"So what if I hit you?"

Chang Qianzi's eyes were red, and she broke into a cussing fit and slapped him again.

Slap! The sound was huge!

No one knew how much force she used, but Xia Jun's face was swollen.

Xia Jun was snapped back by the slap and reflexively tried to hit back.

However, Xia Qingxun stopped him, so he couldn't hit back.

He struggled frantically and turned around to hit Xia Qingxun.

He was his father, so Xia Qingxun could not hit back, only dodge.

Seeing that Xia Jun's slap was about to land on Xia Qingxun's face, Xia Xibei made a move, or rather, she moved her foot.

As he heard a thud, Xia Jun made a cry of misery, and stumbled back a few steps, until he was stopped by the wall.

He covered his stomach, his eyes wide with horror.

This time, he once again clearly felt Xia Xibei's terrifying strength!

He felt like his stomach was about to be kicked open.

Xia Qingxun and Chang Qianzi were also stunned by this scene.

What great strength!

Although they knew that Xia Xibei's strength must have been great to escape from Qiao Haoming and the others, they felt shocked upon seeing such terrifying strength for the first time.

She looked delicate and soft, so how could she have such strength? "I..."

Xia Jun covered his stomach, unable to speak for a while.

Xia Xibei looked at him condescendingly, her voice and expression cold.

"Don't talk to me about us being father and daughter. Don't make me laugh, okay?"

At this time, anyone still talking about father-daughter affection was simply ludicrous!

Chang Qianzi came back to her senses, rushed up, and gave him another slap as tears flew out of her eyes.

“You son of a bitch! You heartless beast! You animal...”

She really didn't think that Xia Jun would be so disgusting!

He had done such a disgusting thing, and he still wanted to hit someone?

“Divorce!!! Let's get a divorce!”

If it wasn't for the fear that this would affect Xia Xibei if this was exposed, she might have even called the police!

Chang Qianzi and Xia Jun's relationship was not too good. After all, it was a marriage of convenience back then, and the relationship was just ordinary.

The two of them had two children together, and she thought life would go on uneventfully.

Unexpectedly, there was a child swap!

In fact, Chang Qianzi knew that Xia Qinghan and Xia Jun must be related. Otherwise, he would have said something.

At that time, she didn't make a big deal out of it.

Although she was angry with Xia Qinghan's real identity, the girl was her daughter for so many years, so it was impossible not to have some love for her.

She considered the matter to be over.

She also began to love Xia Xibei, trying to make up for all that she had missed before.

It had very little success. After all, Xia Xibei was already an adult and not easily affected. However, she was still trying to make up for

it.

While she was treating Xia Xibei well, Xia Jun did something so horrific!

Divorce! She must get divorced!

She used to think that it was better for the children not to divorce, but if she continued to live and let Xia Jun suppress Xia Xibei as a father, that would be really sad!

So, there must be a divorce!

“I won't divorce!”

It wasn't easy for Xia Jun to speak, but he immediately refused.

He would not divorce!

Divorce would not be good for him.

“Whether to divorce or not doesn’t seem to be your decision,” Xia Xibei sneered.

Chapter 1040 The Student Outdoes the Teacher

When Xia Jun looked up, he met Xia Xibei’s cold eyes.

Her eyes, which seemed like death, scared him.

“You-“

Xia Xibei interrupted his words and said condescendingly, “If you divorce obediently, you can still get a share of something. If not... You won’t want to see what happens.”

Xia Jun was shocked by Xia Xibei’s words and appalling smile.

What did she mean by that?

Without waiting for him to understand, Xia Xibei took out her phone, tapped on the screen, and clicked on a video.

Looking at the familiar figures and the special sounds in it, Xia Jun’s body felt broken.

How dare she?! How dare she record their affair?!

Xia Jun was going crazy. Xia Xibei was even more terrifying than he had imagined!

“You!”

He breathed heavily, almost unable to breathe.

“Weren’t these your plans?” Xia Xibei curved her mouth, her smile cold and hard. “I’m just returning the favor.”

She paused the video and smirked, “If you don’t get a divorce, these videos will get out...”

Her unfinished message sent chills down Xia Jun’s spine.

If these videos got out, he wouldn’t need to live anymore!

As for the benefits he could get from Qiao Haoming...

Never mind the benefits, it would be nice not to be killed by him! After all, Qiao Haoming was one of the main characters here!

“You’re crazy!” he roared out. Looking at Xia Qingxun and Chang Qianzhi in panic, he angrily accused them, “You’re just letting this beast do this to me?”

“Beast?” Xia Xibei laughed. “I didn’t expect you to be quite self-aware of yourself, knowing that you are an animal. As your daughter, it is definitely necessary to learn from you. If you are a beast, I am worse than a beast. Well, I think I have improved quite a lot.”

Xia Jun’s expression froze.

Who would say they were worse than a beast? She took this as a compliment to herself?

Xia Jun’s mind was in a jumble. This video had completely disrupted his plans.

“How dare you?” he growled sternly. “If I lose face, you will lose face too! I’m your father!”

Xia Xibei almost burst into laughter.

“That’s not true.” Her smile deepened. “Who knows you’re my father? Everyone knows that I broke off my relationship with my parents a long time ago. The netizens regard me as an inspiration. If you suddenly jump out and say that you are my father, you better believe that all of my fans will drown you with their words.”

Xia Xibei was not worried about this.

If this matter was exposed, people would only sympathize with her. Who would connect her to Xia Jun?

A daughter who had been lost for more than ten years and was found only two months ago, and he wanted her to share his honor and shame? What a big joke!

Even people living together for decades would draw the line when something like this happened, and they had to stick together in this situation? Hah!

“If people knew you had something to do with this, would they still be so supportive of you?”

Xia Jun’s eyes were red, clinging to this point and not letting go.

“Who told you that I have something to do with this matter?” Xia Xibei looked innocent. “Who can prove it?”

He pointed at her phone and said, “This is the proof!”

“But I didn’t take this video myself, someone else passed it to me!” Xia Xibei spread out her hands. “You can’t find any evidence to prove that I was there.”

With these words, Xia Jun was suddenly stuck.
