

Catch Me If You Love Me

Chapter 104

Zoey Gu inside heard the cry and didn't change her wedding dress, and ran out barefoot with the skirt in both hands.

"Alina Yin, you..."

She raised her head to look at the waiting area not far away. It was empty, and Alina Yin and Liam Lu had long been gone.

The body seemed to lose strength in an instant, Zoey Gu lowered her head and dropped her shoulders in despair.

he's gone.

After knowing that she had had other men and had children with other men, he must have become more and more disgusted with her sordidness, and even disdain to look at her in a wedding dress...

The shopping guide beside him looked at Zoey Gu cautiously.

"Miss Gu, should I help you continue to try on the wedding dress? The models on your body and in my hand are all long-sleeved models. It was Mr. Lu who came over early in the morning..."

Zoey Gu pulled her lips bitterly, and didn't even hear the words behind the shopping guide.

"No need, so be it."

She turned around and went into the fitting room, took off her wedding dress and put on her own clothes.

Raising his hand to push the door, I heard whispers from outside.

"It doesn't matter if you have a bad reputation. Is it good-looking or Liam Lu's predecessor. But now, with other men and even children, they can still marry into the Lu family with their cheeks."

"You said, what does Liam Lu really like about her?"

"Stop talking, wrap up the wedding dress! She will take it away soon."

Zoey Gu listened to those words without missing a word, and leaned her face against the wall behind her, whimpering in a low voice.

now.

Not to mention the wedding dress, between her and Liam Lu, I am afraid that there will be no wedding.

Zoey Gu once again made headlines in the city.

After she and Liam Lu were about to get married, she had given birth to a child a few years ago. Once spread in the bridal shop, it quickly spread and fermented in Berven City.

All the media were verbally insulting her and attacking her for the excellent and precious Liam Lu.

Even the servants in the return garden had a vaguely changed look in her eyes.

Discussing her voice behind her back is no different from the bridal shop.

“I didn’t expect her to be such a woman. I don’t know what to do. She actually gave birth to a child. I really don’t know if we will wear a hat to Mr. Lu after marriage?”

“Mr. Lu, too, with a woman who is so good as Miss Yun and who loves him, she wants to marry her. Do you think he is stunned?”

“How do you fit a woman like Zoey Gu?”

Almost everyone felt that she was not worthy of Liam Lu, even herself.

When he returned to the garden, Zoey Gu had been sitting on the sofa in the living room, next to the wedding dress she had brought back from the bridal shop.

She waited as long as Liam Lu didn’t come back.

Alina Yin came back from outside, thinking about going to her side several times, but was stopped and taken away by the nanny who wanted to talk.

Lunch and dinner, sent and taken away.

Time passed by every minute.

Until late at night, the sound of the car’s engine sounded outside the courtyard, slowly approaching the living room.

Zoey Gu seemed to suddenly return to her senses. Alina yin jumped up and rushed out of the living room.

“Lu Yu...”
