

## Chapter 1041: It's Your Fault For Flirting With Him And Then Running Away

Ye Xiaotao walked onto the lawn of the villa and saw a parked luxurious business car. Leng Hao had already gotten out of the car and was walking towards the entrance.

How untypical for him to come back so early.

Ye Xiaotao thought about how the two of them had not spoken for a long time. Ye Xiaotao's father refused to help her with Ling Feier's matter. She had no choice but to ask Leng Hao for help. Maybe she should initiate a conversation.

Ye Xiaotao felt that it was feasible. She chuckled out loud and called, "Honey, you're back. Wait for me."

The maids had already opened the door. Leng Hao walked in. Ye Xiaotao sped up. When she ran into the living room, Leng Hao had already gone upstairs. "Hon..."

The man shut the door to the study room before she could finish her sentence.

Ye Xiaotao was speechless.

The stinky rock was not only cold and dense but also rude!

...

Leng Hao didn't go downstairs for dinner, so Ye Xiaotao ate dinner alone. When she returned to her room, she kept pacing back and forth. Since she couldn't see Leng Hao's face at the time, what should she do?

No, she had to see him.

Ye Xiaotao came to the door of the study room and knocked on the door.

She waited for a while, but there was no response.

Did he not want to see her?

She did not care. He did not say anything. Who knew if he wanted to see her or not? Ye Xiaotao opened the door of the study room.

She looked up and saw Leng Hao sitting on the office chair. There was a laptop before him. His two large palms with distinct joints were typing rapidly on the keyboard.

When he heard her come in, his eyes were still fixed on the laptop screen. He frowned and said, "Get out!"

"No! Honey, you can work first. I'll wait for you here. I need to talk to you after you're done. Don't worry, I'll be quiet." Ye Xiaotao said with a smile in hopes of pleasing him.

Leng Hao typed out the last few words and looked up at her. His clear blue eyes were extremely cold, and his voice was also cold and distant. "What's the matter? Speak!"

Ye Xiaotao muttered to herself, "What's wrong with this man today? He seems to be in a bad mood."

"Honey, then I'll get straight to the point. The thing is, a female classmate of mine has a father who likes to gamble. Then, he got into trouble with a local hooligan called Qiang. That Qiang wants my classmate to be his mistress. Of course, my classmate will never comply. Mmm, so that's the problem. Honey, can you take care of that Qiang for me please?"

Leng Hao looked at the girl's hopeful eyes and asked, "Are you done?"

Ye Xiaotao blinked innocently. "Yes, I'm done."

"Get out!"

Ye Xiaotao was confused.

Leng Hao's eyes were fixed on the laptop again.

"Hey, Leng Hao, what do you mean? Get out! Get out! Do you think I like staying here? Aren't you the Mafia boss? I asked you to help me deal with a little gangster. It's just a trivial matter for you. Are you willing to help me or not? Give me an answer!" Ye Xiaotao was angry. She hated it the most when he was being ambiguous.

"Miss Ye, I've already given you my answer. You didn't realize it because you're stupid. I don't want to help you. I'm very busy. Get out and close the door." Leng Hao looked at her indifferently.

He didn't want to help?

For real?

Punishing evil and rewarding good, isn't that what every good citizen should do? Umm, fine, it was within her expectations that he wouldn't agree to help. He wasn't a good citizen at all...

But what should she do now?

Ye Xiaotao looked at the handsome side profile of the man and had an idea. She could seduce him by acting extremely coquettishly. Wasn't that what she did for the Welfare Orphanage?

"Honey," she immediately called sweetly and walked around the table to his side. She rested her fair little hand on his handsome shoulders, "Honey, please. Will you help me just this once? Pity my poor classmate. Can you bear to watch a young girl in her prime wither away just like that? Honey..."

"Move your hand!" Leng Hao's handsome face became gloomy.

Ye Xiaotao cursed him in her heart a thousand times. She didn't know what had gotten into him tonight. He was so sensitive and easy to anger. This was such bad timing for Ye Xiaotao.

"Honey, come on. We'll do it like always. If you help me, I'll serve you well. I'll eat your lollipop."

As soon as she finished speaking, Leng Hao pulled his hand away from the keyboard. The black leather office chair swirled around and he faced her directly. His thin lips curled up mischievously. "Sure, go ahead."

Ye Xiaotao was shocked by his smooth moves. She looked at him in a daze and stuttered, "Wh... What?"

Leng Hao looked at the girl's confused but eccentric eyes. Her eyes were as pure as a piece of white paper, like she didn't know anything. However, the words on this piece of white paper were so seductive. Her words always aroused him.

She had probably flirted with many men, Leng Hao can't be the only one.

Leng Hao recalled the scene that happened moments ago. Next to the navy sports car, a handsome young man pressed his body against hers. The two of them were very intimate.

A fire kindled in his chest for some reason. This fire was going to burn up his rationality. This girl played with men at ease, and he was just one of them.

No one had ever dared to play him like this.

The smile on Leng Hao's lips deepened. His gaze swept across the girl's mouth. The 20-year-old girl was very tender, and her mouth was tiny. It was light pink like cherry petals as if she had applied lip gloss. His voice was hoarse, "You said it. I'll save your classmate, and you'll eat my lollipop."

Umm...

Ye Xiaotao looked at the man with a dumbfounded look, then she looked down. The man's long legs stretched forward in an unruly manner, which made the fabric around the crotch area especially stretched. The area seemed to be aroused. The outline... was sizable.

Ye Xiaotao quietly and timidly swallowed a mouthful of saliva. She was just joking. In fact, she didn't even know how to do it.

In the movies that she had watched in the past, the actors seemed to like such a thing very much. They were constantly moaning while the women did it. So, Ye Xiaotao assumed that all men liked it that way.

"Umm," Ye Xiaotao smiled embarrassedly. "Well, forget that I came here. I didn't say anything to you tonight. Bye-bye, honey." She turned and ran.

However, before she could, he grabbed her thin wrist with his large hand. A gloomy gritting sound rang in her ears. "Ye Xiaotao, who taught you to run away after flirting? Aren't you being too presumptuous?"

The man pulled with force, and Ye Xiaotao lost her balance. Her feet stumbled, and she knelt right beside the man's legs. She lowered her head in a hurry, and the one inch away from her small mouth was his... crotch.

### **Chapter 1042: He Was The Slutty One**

Ye Xiaotao was stunned. This was definitely the most chaotic moment in her life. She actually... lowered her head to a man's... crotch.

Leng Hao looked down at the girl kneeling beside his leg. She was too close. Her long eyelashes brushed against his crotch area. His waist went numb and he swallowed.

Then, Ye Xiaotao came back to her senses. She shook off the man's big palm and stood up. She was embarrassed and angry, and she was talking incoherently.

She waved her little hands vigorously. "No, honey. I'm just joking. Heh, don't take it seriously... Well, you should work. I'm tired, so I'm going to sleep..."

As she said this, Ye Xiaotao also yawned. She wanted to take the opportunity to escape.

Then, Leng Hao stood up. He walked to the girl. He pressed his right hand on the table and trapped her petite body between his arms. His eyes were full of lust, and he sneered, "Scared?"

"Yes, yes!" Ye Xiaotao nodded vigorously. "No, no!" She then shook her head out of pride.

"Don't mess with me again, got it?" He stared at her fiercely and warned.

Ye Xiaotao was like a little white rabbit that was about to get slaughtered. The man's aura felt very dangerous. She really didn't dare to mess with him. He was a Mafia boss.

But...

"I didn't deliberately mess with you. My poor classmate. This is just a trivial matter to you. Why won't you help me?" Ye Xiaotao pouted and retorted in a small voice.

"It's indeed a trivial matter, but why should I help her? I don't know her."

"I..."

"This world follows the law of the jungle. After I help her this time, can I help her every time? After I help her, can I help everyone? Do you think I'm a philanthropist? Ye Xiaotao, you are acting so kindly with everyone because of your identity as the daughter of the Ye family. Without that identity, what do you have?"

Ye Xiaotao looked at the man before her with widened eyes. She could not refute him.

Leng Hao looked into her eyes. There was a clear spring in her eyes. Perhaps his words had damaged her, causing her eyes to look lonely and pitiful. This was extremely seductive in the eyes of a mature man.

She had this silly, pitiful thing that could trigger a man's desire to protect her. Men were naturally unable to resist girls like her.

What he said was wrong. Besides her identity as a member of the Ye family, she also had youth.

Her every frown and smile attracted men's attention. If she wanted, she could use men as tools to her own benefit.

Her most prized possession was herself.

Leng Hao slowly lifted his hand. He wanted to touch her little face, but his movements stopped. He suddenly remembered that her little face had just been touched by another young man not long ago.

The look in his eyes changed, and he held her chin with two fingers. He wiped her pink lips roughly with his thumb.

Had she ever been kissed by another man when he wasn't around?

The pain from Ye Xiaotao's lips made her frown. She lifted her small hand and slapped his big palm. "What are you doing... Ouch!"

He slid his slender index finger into her small mouth.

Ye Xiaotao was completely stunned. She had no idea what he was doing. She had never seen such a move in those movies she had watched. He played with her pink tongue. Then the man cursed in a hoarse voice, "Slut!"

What... What did he say?

Ye Xiaotao was taken aback. She would never believe that such... vulgar words came out of this stinking rock's mouth!

He's really low-classed!

Ye Xiaotao was enlightened. She realized what he was doing. Was he using his finger as his...

The girl's ears instantly burned. This kind of thing was simply challenging her bottom line. Did he know no shame?

Who's the slut here?

He was the slutty one!

Ye Xiaotao wanted to curse back, but his fingertips suddenly reached in deeper. She couldn't help but feel nauseous.

She immediately pushed him away and quickly ran into the bathroom and vomited in the toilet.

The fragrance that came from between his arms was gone, but Leng Hao's hand reminded midair. He heard her uncomfortable vomiting sound. He frowned and regained his rationality.

What was he doing just now?

His sex life was almost non-existent and didn't mind, but that didn't mean that he didn't know anything. On the contrary, he knew everything. It was just that he had never done anything like that to any woman, including Bai Lingyun. He felt that the flirtatious ways between a man and a woman were very... obscene.

But he had done something very obscene to the girl just now!

Leng Hao kicked over the chair by the table.

...

The next day, Ye Xiaotao went to school as usual. After she had finished vomiting last night, Leng Hao was no longer in the study room. There was only a broken chair left. One could imagine how angry he was at that time.

She was puzzled. Was this man mentally ill? Every time he took advantage of her, he would lose his temper afterward.

She didn't know what he was thinking.

Ye Xiaotao shook her little head and got the man out of her mind. She was facing a huge problem. If Leng Hao didn't help her, what would happen to Ling Feier?

He was wrong last night. Apart from her identity as the daughter of the Ye family, she also had a chivalrous heart!

She would definitely stand up to bullies like Qiang.

She had to come up with a plan.

...

At night, in the bar. Father Ling stood in the corridor and looked around anxiously. He was waiting for Ling Feier.

Then, Ling Feier appeared in the hall. Father Ling quickly ran over and grabbed her clothes, "This is great, Feier. I knew you wouldn't abandon dad. Now, we have to rely on each other. Qiang is in a private room. He's been waiting for you. Come, let's go in quickly. Don't anger Qiang."

Father Ling dragged Ling Feier forward.

"Dad, I don't want to go in. That Qiang isn't a good person. I don't want to be with him!"

"Feier, do you really think that you can marry a handsome, rich man? If you want to live a good life, you have no choice but to be the mistress of an old man. What's wrong with Qiang? His wife is a sickly person. She might even die soon. At that time, Qiang would make you official, and you will be a rich lady. Qiang likes university students like you. As long as you put in some effort, you will definitely be pampered in the future."

"Dad, I really don't want to be with Qiang..."

"Alright, Alright, enough talking. Qiang is inside, you have no choice." Father Ling pushed Ling Feier into the room. Father Ling smiled flatteringly and said, "Brother Qiang, Feier is here."

**Chapter 1043: Saving Her**

In the private room, Qiang and a few of his men were sitting on the sofa, smoking. There were also a few women with heavy makeup inside. The men were smoking, drinking, and had the women in their arms. In short, the place was foul.

When Qiang saw that Ling Feier had arrived, he immediately pushed away the woman in his arms. His eyes lit up as he sized up Ling Feier's youthful and beautiful figure and face. "Feier, you're finally here. Qiang almost thought that you think that I'm out of your league."

Ling Feier tugged at the corner of her clothes. She looked at Qiang's fat belly and ugly face and wanted to vomit. She didn't like the atmosphere in the room. She despised the hooligans from the bottom of her heart.

Father Ling quickly smiled apologetically. "Qiang, how would Feier dare to think that way? She's just late from school. Feier is only 20 years old. She's still a female university student."

The words "20 years old" and "Female university student" made Qiang very satisfied. Qiang rubbed his chin and stared at Ling Feier in an extremely wretched manner. "Feier, come and sit here with me. Have a glass of wine with me."

"Feier, what are you still standing there for? Go ahead!" Father Ling pushed Ling Feier over.

Ling Feier fell onto the sofa and Qiang quickly grabbed her. The other hooligans whistled, and Qiang kissed Feier's little face.

"Qiang, no!" Ling Feier struggled.

"Feier, no what? How about this..." Qiang reached into Ling Feier's shirt and touched her everywhere.

Ling Feier was so scared that she screamed. The men's whistles became louder and louder.

At this moment, the door of the private room was kicked open. A petite figure stumbled in.

"Who is it?" Seeing that someone had barged in, Qiang, who was in high spirits, immediately raised his head and glared at the person.

Ye Xiaotao managed to stabilize the wine plate in her hand with great difficulty. She looked at Qiang with a smile. "Sorry, I lost my balance for a moment. I'm here to deliver wine..."

Ling Feier was happy to see that Ye Xiaotao had finally arrived.

The men in the private room were all taken aback. They looked at Ye Xiaotao and almost drooled, especially Qiang. He had already let go of Ling Feier and was staring straight at Ye Xiaotao.

Ye Xiaotao had changed into a white uniform. The simple uniform wrapped around her delicate figure. The girl's facial features were as exquisite as is painting, and her skin was so supple that it made people

want to feel it with their fingers. What's more was that the girl had a pair of big, clear eyes like a baby. Her innocent aura made people unable to take their eyes off her.

Ling Feier quickly hid in an inconspicuous corner. She secretly begged that Qiang would not take another look at her.

Qiang had never seen a girl as pure and beautiful as Ye Xiaotao in his life. He immediately rubbed his hands and said, "Hey girl, you're here to deliver wine? That's great. Put the wine bottle here."

Qiang pointed at the table in front of him.

"Alright." Ye Xiaotao walked forward and placed the wine plate down.

Just as she was about to stand up straight, Qiang put his hand on top of hers. "hey girl, you earn so little from serving wine. Why don't you have a drink with me? I'll give you a thousand for one drink!"

Qiang said generously.

"Alright, then I'll have a drink with you." Ye Xiaotao pulled back her small hand. She poured the wine into the cup. "Qiang, let me toast you."

Qiang pulled Ye Xiaotao into his arms. "It's no fun drinking alone. Feed Me, mouth to mouth."

"Heh." Ye Xiaotao sneered. She turned around and poured all the red wine in the glass on Qiang's face. "You are too full of yourself. Why don't you take a piss and take a look at yourself!"

Qiang didn't expect to be splashed with wine. He wiped his face with his hand. Then, he raised his hand and wanted to hit Ye Xiaotao. "Little b\*tch, how dare you! I will teach you a lesson today!"

Ye Xiaotao quickly got up and dodged Qiang's attack. She smashed the wine glass in her hand onto the ground and shouted, "Help, someone, Help! Someone is trying to kill me because he failed to rape me!"

Ye Xiaotao shouted as she rushed out of the private room.

Everything happened too quickly. Qiang and his men got up and chased after Ye Xiaotao. But then they saw how chaotic it was outside the private room. People were running in all directions.

Ye Xiaotao had joined her friends. She looked at Qiang with a bright smile and waved the phone in her hand. "I've already called the police. They will be here soon. Qiang, you can't get away this time!"

"Qiang," Qiang's men immediately realized that something was wrong. "She set us up."

Qiang turned and looked into the private room, but the father and daughter were nowhere to be found.

"D\*mn it!" Qiang's face was contorted. He glared fiercely at Ye Xiaotao. "Do you think this is going to work? I have connections in the police station. I'll be out in no time. Wait until then. I'll kill you then!"

"Ha," Ye Xiaotao sneered. "Do you know who I am? I guarantee that you won't be able to come out again after you go in!"

Her father refused to help her, so she could only force him to. She was sure that her father would not let Qiang off.

Yesterday, Leng Hao said that she was fighting injustice because of her identity as the daughter of the Ye family. Yes, she admitted that he wasn't wrong, but she did not think that there was anything wrong with that. She was the daughter of the Ye family, and she could use that identity to help people.

"Xiaotao, there's no need to chitchat with him. This time, none of them could get away. We can leave now." Ye Xiaotao's friend said proudly.

"Okay, let's go!"

Seeing that they were going to leave, Qiang clenched his fists. "You want to leave? It's not going to be that easy!"

Qiang whistled, and a group of local hooligans rushed in. They surrounded Ye Xiaotao and her friends.

This sudden situation surprised Ye Xiaotao. Oh no, she had forced Qiang into a corner. It would take a few minutes for the police to arrive. These few minutes were enough for them to get killed.

She was too naive. She didn't expect Qiang to want to fight to the death.

"Xiaotao, why are there... so many people. What should we do?" Her friends were all from wealthy families. They had never encountered such a dangerous situation. Their legs went weak.

Ye Xiaotao bit her lower lip with her pearly white teeth. Her brain was working quickly to think of a solution.

"Haha," Qiang laughed out loud. "You want to fight with me? Aren't you a little too inexperienced? Brothers, go ahead and take them all down. Leave the most beautiful one in the middle to me. You guys split the rest. We'll play until we're tired of them!" Qiang laughed out wretchedly.

Those hooligans immediately responded with excitement as they pounced on the girls.

Ye Xiaotao gritted her teeth and shouted, "Friends, there's no other way now. The police will be here soon. Let's fight back. We'll hold them off for as long as we can. If we don't succeed, we'll die!"

#### **Chapter 1044: The Eldest Young Master of Hong Kong's Leng Family**

At this time, the bar's door was wide open. A luxurious business car parked outside the door. The black, shiny car was completely sealed, making it difficult for outsiders to see the inside.

However, the people in the car could easily see inside the bar through the car window. They saw a group of young girls in the bar, surrounded by a group of hooligans. The leader was especially eye-catching as she shouted out loud, "If we don't succeed, we'll die!!"

Leng Hao's lips curled up slightly when he heard that. He thought that... it was quite interesting.

He had always thought that this young lady of the Ye family only fought for justice because she had nothing to do. And that it was not a chivalrous heart that she had but just a boring life. And that she just wanted to show off her sense of superiority...

But now, he looked at her in a new light. She was not bored or vain. She was simply... stupid.

As stupid as a pig.

A well-to-do daughter of a rich family risks her life for an irrelevant girl from a poor family.

“Young master, Master Ye and you refused to help. I didn’t expect young madam to not give up either. She put herself in danger and played her cards beautifully. Master Ye will not be able to sit still this time.”

Leng Hao snorted. He lifted his eyes and glanced at Ah Chen, who was in the driver’s seat. “Why? Do you admire her very much?”

“No!” Ah Chen smiled and said, “But from what I know, young ladies are either stubborn or vain. But young madam is special. She is warm-hearted, intelligent, and persistent. Once she has her eyes set on something, she will rush into it with passion. Young madam...”

Ah Chen wanted to say more, but his eyes met Leng Hao’s. The man was staring at him.

Ah Chen coughed. “Young master, I talked too much.”

Actually, he felt wronged. He was just stating the facts and didn’t mean anything by it. Young madam was indeed special. She was full of vigor and energy. He only admired her youthful energy.

But his admiration made his young master unhappy. Ah Chen thought to himself, “Young master isn’t as cold to young madam as he appeared to be.”

Leng Hao retracted his gaze and said indifferently, “You admire her? If we acted rashly and impulsively like her, we would have died thousand times over.”

“Yes.” Ah Chen nodded. “But young master, what should we do now? It seems like there’s really going to be a fight inside.”

Leng Hao slowly turned his gaze towards the bar.

...

“Ah!” Ye Xiaotao was screaming. Because the hooligans had rushed over, she and her friends could only fetch their weapons of resistance. They only managed to grab some wine bottles. So as they screamed, they closed their eyes and smashed them on the heads of the hooligans.

However, they had only resisted for a minute when someone grabbed Ye Xiaotao by her clothes. “Qiang, I’ll leave this chick to you.”

Ye Xiaotao was pushed into brother Qiang’s arms.

“Don’t touch me, j\*rk!” Ye Xiaotao scratched Qiang’s face. It would be best if she actually injured him.

At this time, someone said respectfully. “Young madam!”

Ye Xiaotao froze. Then, she peeked opened her eyes, and took a look. She cried out in pleasant surprise when she saw what she saw. "Ah Chen, it's you!"

Ah Chen nodded. "It's me."

Ye Xiaotao stood still and looked around. A group of well-trained men in black rushed in and quickly subdued the hooligans. Meanwhile, Qiang was squatting by the corner of the wall with his hands on his head.

Qiang was a local hooligan. He wasn't stupid. The men in black were obviously from a proper institution. They were all elites. Qiang immediately cowered. He looked at Ye Xiaotao and pleaded, "Sweetie, no, young lady, please spare me. I won't dare to do such a thing again."

Ye Xiaotao snorted. "You should tell these words to the police."

As she spoke, Ye Xiaotao looked at her friends. "Are you guys okay? Are you hurt?"

Her friends' faces were still pale. They were obviously still in shock. They patted their chests and panted. "We're fine. We're not hurt."

At this moment, Ling Feier, who had been hiding in the corner, ran out. She grabbed Ye Xiaotao's little hand and asked worriedly, "Xiaotao, are you okay? If you're hurt because of me, I won't ever forgive myself..."

Ling Feier was on the verge of crying.

Ye Xiaotao patted Ling Feier's shoulder. "I'm fine. Ling Feier, I've already taken care of that Qiang. You don't have to be afraid anymore."

"Xiaotao, thank you so much."

Ye Xiaotao nodded and looked at Ah Chen. After a moment of hesitation, she asked, "Where's your young master?"

Ah Chen looked towards the entrance. "Over there."

Ye Xiaotao turned to look and saw that the luxurious business car had already disappeared from her sight.

He left.

Ye Xiaotao felt warmth in her heart. That stinking rock had treated her poorly last night. She thought that he wouldn't help her even after he had taken advantage of her. But it turned out that he had helped her after all.

If it weren't for him this time, Ye Xiaotao couldn't imagine what might have happened.

In addition to his help with the Welfare Orphanage, he had already helped her twice. Ye Xiaotao's lips curled up. Alright, she would accept his help for now.

.....

The police soon arrived. Qiang and his men were all taken away. Ah Chen left, and Ye Xiaotao and her friends also left. Only Ling Feier remained in the bar. She looked out of the door in a daze.

At this moment, Father Ling walked over. "Alright, Feier, enough looking. That luxury business car had already left."

Ling Feier retracted her gaze. Her little face was a little red.

"Feier, good for you. I didn't know that you were this ambitious. You're not willing to be with Qiang because you had a better man in mind. Why, have you fallen for the man in the luxury car?"

Ling Feier didn't say anything. She had secretly hidden in a corner to avoid getting hurt when it was the most chaotic in the bar. When the luxury business car came, she had noticed it. Later, when Ah Chen got out of the car, she saw the man in the back seat.

She only took one glance and was taken aback. The man hidden in the luxury car was dressed in black. His two legs were elegantly crossed. The man was very handsome. His facial features were like that of a sculpture. He was like an emperor.

That was the man she had always dreamed of. That Qiang only made her nauseous. She was so young and so beautiful. She had the capital to marry a better man.

Father Ling was very satisfied with his daughter. He said, "What's the use of just looking at him? Do you know what kind of person he is? Don't say that I'm not good to you as a father. I've already asked around for you."

"What? You've already asked around?" Ling Feier's eyes immediately lit up as she looked at Father Ling. "Father, then tell me quickly."

"That luxury car's license plate belongs to only one person from T City, so it's very easy to find out. That's the eldest young master of Hong Kong's Leng family. He just came to City T recently. He has power, status, and money. The point is that he's still single. Feier, the rest is up to you. I'll be depending on you for the rest of my life."

"Dad," Ling Feier felt embarrassed. "What are you talking about?"

She looked in the direction where the luxury car had been.

#### **Chapter 1045: Young Master Leng, I Offer Myself to You**

Ye Xiaotao went back to the villa that night and wanted to thank Leng Hao. But after waiting for a long time, the man did not return. Ye Xiaotao tossed and turned on the bed a few times and quickly fell asleep due to exhaustion.

The next morning, she received a call from her father, who scolded her. She admitted her mistake and said that she would never dare to do such a thing again. Only then did her father let her go.

It was another beautiful day. Ye Xiaotao was studying in school. After class, she and her friends walked on the cobblestones of the school. At this time, a handsome and sunny figure walked toward them. It was Mo Zhengyu.

“Xiaotao, are you done with classes?” Mo Zhengyu smiled brightly.

“Senior Mo!” Ye Xiaotao’s friends’ eyes lit up, and then they winked at each other. “Are you here for Xiaotao? Perfect timing. We just finished class.”

“Hey, senior Mo. What do you need Xiaotao for? Are you... officially pursuing Xiaotao?”

Ye Xiaotao quickly pinched her friends. “You guys talk too much.”

“Okay, okay. We talk too much. Someone’s unhappy with our presence, so we won’t be the third-wheel. Xiaotao, senior Mo, see you later.”

Her friends left as soon as they said that.

“Hey, you guys!” Ye Xiaotao looked at their backs, angry. She was speechless.

“Xiaotao, I’ll drive you home.” Mo Zhengyu looked at the girl’s pouted pink cheeks and said softly.

Ye Xiaotao thought for a moment and then nodded. “Okay.”

The two of them walked side by side on the cobblestone path. The peach blossoms on both sides of the path were blooming brightly. Their matching handsomeness attracted the attention of the passing students.

Ye Xiaotao could even hear the gossips behind her. “Look, senior Mo from our school is in love with junior Ye!”

“Oh, my God!” Both males and females cried out in grief.

“Senior Mo, they seem to have misunderstood.” Ye Xiaotao looked at the people around her and said.

“Xiaotao, is this a misunderstanding?”

“What?”

“Yesterday afternoon, I agreed that you could think about my proposal first. Be my girlfriend, Xiaotao. Can you give me an answer now?”

Umm...

Ye Xiaotao patted her head. D\*mn it, she forgot about this because she was busy thinking about Ling Feier. She didn’t think about his proposal at all.

“Senior Mo, I don’t want to be in a relationship now. I’m... I’m too young. I want to focus on my studies first,” Ye Xiaotao lied.

Disappointment flashed across Mo Zhengyu’s face, but he quickly smiled and said, “Xiaotao, even if you don’t want to be in a relationship right now, you will in the future. It’s okay. I will wait for you.”

Ye Xiaotao quickly waved her little hand. "Senior Mo, you don't need to wait for me. I'm ok. If you meet a good girl, then be with her..."

"Xiaotao, do you not like me?" Mo Zhengyu gently interrupted her.

Ye Xiaotao froze. How was she supposed to answer him? Yes, she did like him, but her situation was very complicated now. When the baby in her stomach was delivered, she would be divorced and a single mother. Senior Mo would definitely mind.

She didn't want to waste his time.

"No, I just... just..."

"Xiaotao, what kind of guy do you like?" When he heard her stutter, Mo Zhengyu asked a tactful question. In fact, he was quite curious about the type of guy a good girl like her liked.

"Umm..." Ye Xiaotao quickly thought about it, "I like... a man with a sense of justice. He is cool on the outside but has a warm and passionate heart. He also needs to be there when I need him, like my Prince Charming... he also needs to be very tall and handsome..."

As she said this, Leng Hao's handsome face appeared in Ye Xiaotao's mind. She pouted her pink lips and said, "But he can't have a bad temper. I don't like that..."

Ye Xiaotao's voice suddenly stopped. She suddenly realized a very serious problem. Senior Mo asked her what kind of man she liked. Why did she suddenly think of that stinky rock?

Everything she said just now was about him.

Could it be that... she liked him?

Ye Xiaotao quickly shook her head. How could it be? She didn't like him!

"Xiaotao, what's wrong? Why is your mood swinging?"

"Huh? Hehe, senior Mo, you're mistaken!" Ye Xiaotao quickly denied.

...

The maid opened the villa's door and Ye Xiaotao walked into the living room. "Young madam, you're back so early today. Do you have plans with the young master? Young master came back very early too."

Ye Xiaotao's eyes lit up, and she immediately looked upstairs. "Is the young master back?"

"Yes. The young master is in the study room..."

Before the maid could finish, Ye Xiaotao ran upstairs.

"Hey, young madam, I have something else to tell you..." the maid called out softly from behind. There was a guest in the house today, and it seemed to be the young madam's classmate. The maid forgot to mention it.

The female classmate was upstairs right now.

Ye Xiaotao rushed to the study room. Her heart was racing, and there were butterflies in her stomach. Ye Xiaotao interpreted it as... nervousness. After all, she wanted to thank him face to face.

She put her little hand on the door handle and wanted to open the door. Only then did she realize that the door of the study room was not closed. A delicate and pitiful female voice came from the inside.

There was... a woman inside?

The smile on Ye Xiaotao's face froze.

"Young master Leng, I came here today to thank you. If it weren't for you in the bar yesterday, I would have been... raped by Qiang. I'm a proper girl. If that happened, I'd rather die..."

The woman was sobbing as if she wanted to be comforted by the man.

However, no male voice came from the inside. After the woman sobbed for a while, she continued, "Young master Leng, although my family is poor, I know that I must repay your kindness. You helped me, and I can't repay you with material goods. So, I can only... give myself to you..."

Then, the sound of clothes being taken off came from inside.

Ye Xiaotao's eyes widened. She pushed open the study room door.

The first thing she saw was a beautiful back. The girl was wearing a dress. The girl unzipped the dress and was about to take it off. She was probably not wearing anything underneath. The dress was very short, so her white lace underwear could be seen from the side.

Ye Xiaotao knew this girl. In fact, she recognized her voice before coming in. She was... Ling Feier.

She hadn't seen Ling Feier all day today. So this was where she had been.

Ye Xiaotao looked past the girl's back. Leng Hao was sitting on a black leather office chair. He was emotionless, but his gaze still fell on Ling Feier. When he heard the sound of the door opening, he looked towards Ye Xiaotao indifferently.

#### **Chapter 1046: You're Too Young Too Naive**

"Ah!" Ling Feier screamed when she saw that someone had barged in. She hurriedly hid in the corner and then zipped up her dress.

"Xiaotao, you, why are you here?" Ling Feier asked after she had put on her clothes.

Ye Xiaotao withdrew her gaze from Leng Hao's face. She looked at Ling Feier and said, "I..."

She suddenly didn't know how to respond. No one knew about her marriage, so no one knew that she was Mrs. Leng. Now that Ling Feier had seen her, what should she say?

Besides, why should she answer the question? It was Ling Feier who barged into her house. Ling Feier questioned her as if she was the mistress of the house.

Ye Xiaotao furrowed her brows.

Ling Feier also realized her mistake when she saw how unpleasant Ye Xiaotao looked. Ling Feier acted rashly. She didn't expect Ye Xiaotao to suddenly break in and ruin her plans.

If it weren't for Ye Xiaotao, she might have already become young master Leng's woman.

Anyhow, since Ling Feier missed this opportunity, she could only find another one. She couldn't afford to offend Ye Xiaotao, so Ling Feier smiled timidly. "Xiaotao, young master Leng, please excuse me. Goodbye."

Ling Feier left in a hurry.

...

Only Ye Xiaotao and Leng Hao were left in the room. Ye Xiaotao was still standing frozen by the door. The man glanced at her and then back at the documents in his hands. Then he got up and walked over to her.

Ye Xiaotao looked at him in a daze. Her mind was in a mess.

What would he say to her?

He should give her an explanation, right?

The man walked over in steady steps. Ye Xiaotao looked at his handsome face with her watery eyes. The man walked up to her, slanted his body, and moved past her. He moved past her.

Ye Xiaotao was speechless.

Anger ignited in Ye Xiaotao's heart. This fire spread to her brain. He had gone too far. Shouldn't he and Ling Feier offer her an explanation?

But, why did he have to answer her?

On what basis?

Ye Xiaotao was like a deflated balloon. She remembered that they were only married in name. She had made a pact with him a long time ago that they would act like strangers in their marriage.

Ye Xiaotao thought for a second. Leng Hao was doing a great job abiding by their pact. Since Ye Xiaotao had moved in, he had never had any women by his side, let alone bring them home. He was a man, so he also had needs.

Ye Xiaotao recalled what she had seen between his legs the night when she knelt before him. He was aroused. He clearly wanted it, judging from how large that place looked. He was mixed, and Ye Xiaotao had heard that foreign men's were all sizable. She had experienced it herself the night in Hong Kong when he tortured her to death. He pierced through her like a wooded stick.

He needed women. In fact, when a man really wanted it, he could have easily used his hand. But for a man of his status, there should be a ton of women who wanted to climb into his bed.

He really didn't have to put himself through this.

Ye Xiaotao thought as she turned around. When she came back to her senses, she realized that she had already arrived at Leng Hao's bedroom.

She didn't know what she was thinking either. Perhaps she was hot-headed, she opened the door to his room.

A tall and handsome figure entered her line of view. Leng Hao had just taken a cold shower. He was wearing black briefs and a black shirt. His hair was dripping wet, and he was buttoning up his shirt while walking barefoot on the carpeted floor.

Boom! Ye Xiaotao's brain exploded. She stared blankly at the painting of a handsome man coming out of the shower.

She had seen a lot of handsome men. Like other girls, she also fangirled over Korean drama actors. But only now did she realize that those Korean actors could not be compared to this man in front of her!

This man's muscles were not as exaggerated as Zhou Yao's. Instead, they were rather noble. He had wide shoulders and a narrow waist. His body was well-proportioned, and the perfect Apollo's belt between his waist and abdomen extended all the way into his briefs...

Ye Xiaotao felt that her nose was about to bleed.

Leng Hao had already sensed that someone had come in. He did not need to look to know who it was. He glanced at the girl and saw that she was staring at his figure with greedy eyes.

Like an innocent little girl who just saw a male runway model for the first time.

Leng Hao's lips curved into an ambiguous smile. He turned to her and asked. "Have you seen enough?"

Ye Xiaotao immediately came back to her senses. She looked into the man's eyes, and there was a rare smile in his eyes. He was mocking her.

Ye Xiaotao felt awkward.

"Heh, heh heh, umm..." She laughed embarrassedly. "I was just passing by."

Leng Hao casually buttoned up the rest of his shirt. "Can I help you?"

"No..." Ye Xiaotao immediately denied. Then she paused and said, "Yes! Yes, there's something!"

"Speak!"

Did he have to act so high and mighty?

Ye Xiaotao pouted. "Let me ask you, what's going on between you and Ling Feier?"

"Huh?" The man snorted.

“Don’t play dumb. Do you think you can get away with this with a snort? I saw how Ling Feier took off her clothes. If I hadn’t shown up, she would have been completely naked. You saw her too. Did you look at her breasts?” Ye Xiaotao asked a series of questions.

Leng Hao walked over to her. He extended one hand to the wall looked at the girl, who was much shorter than him. He raised his straight eyebrows and asked with a smile, “I’m not playing dumb. But you, who do you think you are?”

Ye Xiaotao almost choked on her own saliva. Why was he so aggravating?

He was standing in front of her with his back to the light. The dim light in the room illuminated his outline. For some reason, Ye Xiaotao thought that his raised eyebrows were alluring and charming.

He was also a bad man!

“Well, okay. I admit that I’m not in any position to question you. I shouldn’t care if you slept with another woman, but Ling Feier is my classmate. If you do that with her, I would feel very awkward...”

Leng Hao moved a little, and his interest was piqued. So he lowered himself and moved closer to the girl’s little face. “What did I do with her? What did you see? Tell me clearly.”

As he moved closer, Ye Xiaotao could smell the cool scent from his body. He took a cold shower, and there was a faint bath fragrance on his body. Ye Xiaotao blinked in a daze, and then she stammered, “I... I didn’t see anything, but that’s because I interrupted you two. You’re a... pervert. Who knows if you’ll let... Ling Feier... eat your... lollipop? At the study room the other day, you... you treated me like that. I think you’re burning with desire...”

The girl probably didn’t know what she was saying. She seemed to be talking to herself, and her pouting made her look a little bossy but... sad.

### **Chapter 1047: The Person Who Actually Saved You**

Her attitude would easily make any man’s heart itch because she was clearly jealous but clueless. This made the man want to adore and spoil her.

Leng Hao felt his mouth dry. He swallowed, and his voice was a little hoarse. “Ye Xiaotao, don’t you realize that this is your fault?”

“What?” Ye Xiaotao didn’t understand.

“You’re too stupid and naive. You failed to see through people and led a wolf into the house.”

Ye Xiaotao froze. She couldn’t comprehend his words for a moment.

Leng Hao glanced at her and then shut the door.

Ye Xiaotao didn’t know what to do.

...

Ye Xiaotao had been depressed for two whole days. In these two days, she didn’t see Leng Hao at all, nor did she see Ling Feier. She kept pondering about what Leng Hao had said to her.

The school held a networking party at a five-star hotel. Ye Xiaotao attended the party. She stood alone by the fountain outside the hall, thinking absent-mindedly about something.

At this time, Ling Feier ran over. "Xiaotao, here you are. I've been looking for you."

"You're looking for me?" Ye Xiaotao looked at Ling Feier. She thought that this was an opportunity for them to talk.

"Xiaotao, what's your relationship with young master Leng? I saw you in young master Leng's villa that day."

Ye Xiaotao found it funny. Her lips curled up and she asked, "Ling Feier, what do you think my relationship with young master Leng is?"

"Umm..." Ling Feier instantly revealed a pitiful expression, "Xiaotao, I know it's impolite for me to ask the question. Are you angry? But young master Leng saved me. I want to repay him. If you have anything to do with young master Leng, you can tell me now. I promise I won't approach young master Leng again. If you have nothing to do with young master Leng, then I... I like young master Leng. I want to be with him..."

"Ha," Ye Xiaotao laughed, but there was no sign of a genuine smile on her delicate and beautiful face. "You're want to be with young master Leng, so you want me to stay away from him?"

When Ye Xiaotao keenly pointed out Ling Feier's true intentions, Ling Feier quickly waved her hand. Like an injured lamb, she said pitifully in a low voice, "That's not what I meant. I know... I can't compete with you..."

In Ling Feier's impression, Ye Xiaotao was a silly girl. She couldn't stand the weak and powerless getting bullied. Therefore, Ling Feier wanted to win Ye Xiaotao's sympathy with her speech.

"It's good that you know," Ye Xiaotao replied.

Ling Feier's eyes widened, and she looked at Ye Xiaotao in confusion. What? Did she just say that?

Ye Xiaotao looked at the shock in the girl's eyes and continued, "Ling Feier, there's no need to report to me who you want to be with. Young master Leng is there. If you can get him, then go get him. Oh, right," Ye Xiaotao's lips curled into a sneer, "Why do I find it so ironic to hear you call him your savior? Ling Feier, get a sense of who actually saved you."

After saying that, Ye Xiaotao turned around and left.

Ling Feier didn't expect Ye Xiaotao, who was usually so lively and innocent, to be so sharp-tongued now. Her every word humiliated Ling Feier, making her feel embarrassed.

Ling Feier clenched her fists and looked at Ye Xiaotao. Ye Xiaotao was wearing a black dress today. The dress was elegant and simple, and she didn't wear any accessories. Her silky black hair was like a lotus flower. Ling Feier saw how all the men at the party were secretly peeking in her direction.

Ye Xiaotao's figure was soft and beautiful, especially her exposed skin. Coupled with the contrast of her black dress, her skin was so fair that it was made people dizzy. Her small face was naturally charming, and even if she didn't dress up, it would still be as beautiful as a flower. She was like a little angel that had been left behind in the human world, made to attract men's attention.

Ling Feier was indignant. Why did all the good things in the world happen to Ye Xiaotao? She had a good family, good looks, and talent. Even if Ling Feier worked hard for a hundred years, she wouldn't be able to catch up to her!

They were both girls. Why was Ye Xiaotao so outstanding?

Ling Feier became jealous and hateful.

...

Ye Xiaotao pouted and let out a deep breath. She was so angry. What's with that Ling Feier? Did she take her for a fool?

Young master Leng, YoungmMaster Leng, Wasn't Leng Hao right there? Ye Xiaotao didn't do anything to Leng Hao. If Ling Feier wanted, no one was stopping her. Didn't she already take off her clothes in front of Leng Hao?

Ye Xiaotao was sure that Ling Feier's conscience had been eaten by a dog.

"Xiaotao, what are you daydreaming about here?" Mo Zhengyu had walked over.

Ye Xiaotao got herself together and revealed a smile. "Senior Mo, I'm not thinking about anything. It's just that... something happened and I'm not in a good mood."

"Then I should think of a way to make you happy." As he said this, Mo Zhengyu snapped his fingers, and a rose suddenly appeared in his right hand.

He handed the rose to Ye Xiaotao. "Xiaotao, this is for you."

This was the first time that a boy had done a magic trick for her. Ye Xiaotao exclaimed in joy, "Senior Mo, that's so cool."

She took the rose and sniffed the flower.

Then, Ye Xiaotao heard some cheering. For some reason, everyone at the party had gathered around them. Some people said excitedly, "Wow, senior Mo. When you make a move, even the best-looking girl on campus would fall for you."

"Xiaotao, our senior Mo had rejected so many junior girls. You're the only one who had charmed him. Hurry and get together you two."

"Date! Date!" Everyone clapped and shouted.

Ye Xiaotao did not expect to become the center of attention just like that. She looked at Mo Zhengyu, feeling slightly awkward. She saw that Mo Zhengyu was looking at her with tenderness. He then said in front of everyone, "Xiaotao, I like you, be with me."

"Oh, oh!" This time, the crowd exploded. Someone even drummed the table.

Ye Xiaotao had hoped that Mo Zhengyu would save her from the awkwardness, but he pushed her directly into the center of the storm instead. Ye Xiaotao had no choice but to...

...

At this moment, there was a group of men standing on the second floor of the hotel. Leng Hao had one hand in his pocket and stood by the exquisite rail. He looked down and saw everything that happened downstairs.

Ah Chen looked at the scene downstairs and sucked in his breath. He looked at Leng Hao's expression nervously and then turned to the group of people behind him and ordered, "You guys go to the meeting room first."

"Yes."

Ah Chen stood respectfully behind Leng Hao. He didn't even dare to breathe loudly. This young madam was too flashy. The young master was standing upstairs while she was being courted downstairs.

Leng Hao was expressionless. He looked coldly at the boy and girl who were surrounded by the crowd downstairs. He convinced himself that it did not matter. She did not have any actual relationship with him. It did not matter if she was being courted or if she slept with another man. It had nothing to do with him.

#### **Chapter 1048: You Are Also a Coward**

However, Leng Hao's left hand, which was in his trouser pocket, was tightly clenched. He felt stuffy. This feeling was suffocating.

He did not know what was wrong with him. He seemed to be furious and angry.

In the past ten years, he had been on and off with Bai Lingyun. When Bai Lingyun was studying abroad, she met many different men. He knew all these, but he did not have this feeling at that time. Perhaps he was too busy at that time: he had just taken over the business of the Leng family and had put almost all his energy into his career.

Was he jealous?

No.

Leng Hao denied in his heart. He and the girl were from two different worlds. She wasn't his type. Perhaps, maybe, it was because this girl was still technically Mrs. Leng when she was flirting with other boys, and she was still pregnant with his baby. No man could tolerate such behavior.

Ye Xiaotao really felt quite awkward. She had already clearly rejected senior Mo, but senior Mo had confessed to her in front of so many people. If she rejected him, senior Mo would definitely lose face. But there's no way she would accept his confession.

"I remember that I still have some things to attend to. Excuse me." Ye Xiaotao turned around to leave.

"Xiaotao!"

Mo Zhengyu called. The crowd was shocked. They looked at Ye Xiaotao's departing figure and gossiped, "What does Ye Xiaotao mean by this?"

"Probably a rejection..."

"How is that possible? Senior Mo is so outstanding. They are a match made in heaven."

Ye Xiaotao forcefully shut out the gossips. She didn't want to listen to them, so she quickened her pace. She wanted to leave.

However, when making her way around the fountain, she stepped on something slippery. For a moment, she lost her balance and fell.

The fountain was right next to her. Ye Xiaotao fell into the fountain.

Water splashed up, and the crowd gasped. "Xiaotao!" Mo Zhengyu shouted and ran over before anyone else.

Upstairs, Ah Chen's eyes widened when he saw this scene. "Young master, Young madam..."

Before he could finish, Ah Chen felt a black shadow flash in the corner of his eyes. The man beside him had already jumped over the rail from the second floor.

Mo Zhengyu saw that Ye Xiaotao had fallen into the water. He immediately rolled up his sleeves and wanted to jump into the water as well. But someone jumped in before him.

Mo Zhengyu was shocked. He had no idea where that person had come from. And the crowd all covered their mouths and exclaimed, "Oh my goodness, did that person come from the sky?"

"He did. You missed him. That person just jumped down from the sky. The arc of the fall was perfect and beautiful!"

...

Ye Xiaotao knew how to swim. Such a shallow pool was nothing to her. However, she didn't anticipate the fall. so she drank a few mouthfuls of fountain water.

Once the cold water entered her body, her lower abdomen felt a little uncomfortable. She quickly held her breath and wanted to swim up, but something in the fountain hooked a corner of her skirt.

Ye Xiaotao felt extremely unlucky. She tried hard to pull back her skirt, but she could not. Gradually, she felt that she could not breathe properly.

Was she going to drown here?

She felt very scared because she did not want to die. She had not lived long enough. She was only 20 years old and was still young. It was such a pity to die now.

The most important thing was that she still had a baby in her stomach. If she died, the baby would not be able to come into this world.

Ye Xiaotao's eyelids became heavy. Her black hair spread out beautifully like seaweed in the water. She was like a little mermaid. She fell into despair. Who would save her?

At this moment, a large palm grabbed her slim wrist. Then, she was pulled into a wide chest. She was brought out of the water.

Ye Xiaotao quickly breathed in the fresh air above the water. Then she coughed out a handful of water.

She immediately frowned in discomfort.

At this moment, a low and deep mockery rang in her ears. "So you're also a coward."

What was the person saying? Who wasn't afraid of death?

Ye Xiaotao slowly turned her small head to look at the man beside her. A delicate and handsome face appeared in her line of sight. The man was admiring her current embarrassing state with narrowed eyes.

However, Ye Xiaotao did not have the time to care about that because she was in shock. She looked at the man in disbelief. "It's... you?"

Leng Hao.

Why was he here?

Ye Xiaotao could not believe her eyes.

Was it him who saved her?

Leng Hao carried her out of the pool. He ignored her silly question.

Then, a small, cold hand approached his face. The girl pinched his cheek with force, leaving the man in pain.

Leng Hao did not think it was that painful, but he had the urge to throw the girl back into the pool. He pursed his thin lips and asked unhappily, "What are you doing?"

"I'm just checking if... this is a dream. Am I dead? Did you chase me all the way to heaven? But you're angry, so... It's not a dream. You saved me, and I'm still alive. Ha..."

She pinched his face to see if it was a dream?

Then why didn't she pinch herself?

Leng Hao raised his eyebrows, and his thin lips curved upwards. Sometimes, her foolishness was quite cute, and it made people want to laugh. "Let go!" He wanted to push her little hand away.

But she withdrew her hand first. The girl fell into his arms weakly.

Leng Hao frowned and looked at her. Her face was pale, and even her lips were turning purple. She began to tremble in his arms.

"What's wrong? is your stomach hurting, or are you feeling uncomfortable somewhere?" Leng Hao felt his heart being gently torn.

However, the pain was fleeting, and Leng Hao did not grasp it.

Ye Xiaotao shook her head and tried to crawl into his arms. "So... cold."

"Of course, you fell into the fool? Bear with it!"

Ye Xiaotao's hands and feet were cold. Her long eyelashes fluttered twice and she closed her eyes gently. She wanted to scold him back. She was already suffering, couldn't he be a little gentler?

But forget it, her whole body was so cold that she didn't even have the strength to speak.

At this time, Ah Chen ran over and covered Ye Xiaotao with a thick blanket. "Young master, the hotel room is ready. It's on the 18th floor..."

Leng Hao left with Ye Xiaotao in his arms.

...

"Young master Leng..." realizing that something big had happened here, the hotel manager immediately rushed over. He greeted Ah Chen when he saw that Leng Hao had already left, "I'm sorry. We're sorry that Ms. Ye got injured due to our negligence. I'm sorry, I'm sorry..."

Ah Chen glanced at the hotel manager and then walked to the spot where Ye Xiaotao fell.

He scratched the white porcelain floor with his shoe. The spot was covered with oil.

### **Chapter 1049: Heater (1)**

No wonder Ye Xiaotao fell.

Ye Xiaotao fell because she stepped on the oil on the ground.

The hotel manager broke out in a cold sweat when he saw the oil on the ground. He immediately scolded his subordinates, "Call the supervisor, foreman, and all the cleaners working today. I want to investigate this matter thoroughly!"

"Yes!" Someone ran away in a hurry.

Ah Chen glanced at the hotel manager. Then he looked towards the crowd sensitively.

There was a person hiding among the crowd. It was Ling Feier. When she saw Ah Chen looking in her direction, she immediately lowered her head in guilt and ran away.

All Ling Feier wanted was to leave the hotel. She was afraid because she had bribed a cleaner to put oil on the floor. The purpose was to make Ye Xiaotao slip.

She admitted that she was really mad with jealousy. She wanted Ye Xiaotao to embarrass herself in public.

However, she seemed to have made a big mistake. Ye Xiaotao was a rich young lady and her family was very powerful. Moreover, she did not expect young master Leng to suddenly appear. The cleaner would definitely expose her. This time, both young master Leng and the Ye family would go after her.

What was the relationship between young master Leng and Ye Xiaotao?

From the looks of it just now, young master Leng really cared about Ye Xiaotao.

Now was not the time to think about this. No, she had to get out of the hotel and hide.

Ling Feier rushed out of the hotel. She stood on the sidewalk and hailed a taxi. At this time, a taxi stopped. She was overjoyed and wanted to open the door and get into the car.

However, a large palm landed on her shoulder...

...

Mo Zhengyu was still standing by the fountain. It took him a minute to digest the fact that Ye Xiaotao was taken away by a strange man. He immediately went over to Ah Chen and asked, "Excuse me, sir. May I ask who that man was and where he's taking Xiaotao?"

Ah Chen answered politely, "You don't need to worry about Miss Ye. The young master saved her, and he won't hurt her. As for who the young master is, I have no comment."

"You..." Mo Zhengyu didn't know what to say.

The crowd was chattering again. Everyone was whispering.

"Who is that man? He is so handsome."

"That man's figure is really good. When he came out of the water just now, his white shirt was stuck to his body. I think I saw... his eight-pack abs."

"What's his relationship with Xiaotao? I've never heard of such a person around Xiaotao. Could it be... Xiaotao's secret boyfriend?"

"It can't be. Xiaotao is only 20 years old. That man seems to be in his thirties."

"This a good age range. A 30-year-old man is in the prime of his life. It's the time when his hormones and charm are soaring. Young girls nowadays love that."

...

In the hotel room.

The doctor examined Ye Xiaotao's physical conditions. "Young master Leng, Miss Ye's body is fine. The child is also fine. You can rest assured."

Leng Hao looked at the girl on the bed. She had already curled herself into a small ball. Her whole body was trembling and she kept murmuring, "Cold, so cold."

"But she said she's cold..."

"Yes, young master Leng, this is what I want to speak to you about. Miss Ye is pregnant. Her body is fragile, and she suddenly fell into the water. The cold had entered her body. I can't give her medicine in this situation. Young master Leng, you need to come up with a way to restore her body temperature."

Leng Hao pursed his thin lips and nodded.

"Young master Leng, excuse me then." The doctor left.

Leng Hao picked up the remote control and turned on the air conditioner in the room. He knelt on one knee on the bed and felt Ye Xiaotao's little face. It was so cold.

He immediately reached out and carried Ye Xiaotao in his arms. The two of them went to the bathroom.

He kicked open the frosted glass door with his foot and put the girl down. He turned on the faucet and hot water came out from the showerhead.

Ye Xiaotao was startled when she felt the warm water on her body. She took a step forward to dodge the hot water but bumped into the man's broad chest instead.

The man's body felt very warm. Although his clothes were wet, Ye Xiaotao could still feel his body temperature through the thin layer of clothes. He was like a heater.

Ye Xiaotao quickly wrapped her arms around his waist and buried her whole body into his arms.

Leng Hao frowned and grabbed her shoulder. He wanted to push her away. "Shower under the hot water."

"No," Ye Xiaotao murmured with her eyes closed. Realizing that he was going to push her away, she hugged him even harder. All she knew was that she was cold. It felt good when she hugged him.

The girl stuck to him like an octopus. Leng Hao paused for a moment. He did not push her away again. Instead, he took a step forward and the two of them stood under the shower.

Ye Xiaotao slowly adapted to the temperature of the water, but her hands and feet were still cold. The blood in her body was cold, and she felt that it was not enough. "Mmm, it's so cold..."

She moved her hands up and down the man's back. Perhaps she was acting out of instinct, she pulled the man's shirt out of his pants and reached her little hands in.

The girl's cold little hand was moving around his waist. Leng Hao froze, and he felt the itchiness on his waist quickly spread throughout his body like an electric current.

"Ye Xiaotao!" He growled, trying to push her little hands away.

Ye Xiaotao refused. She didn't want to let go of this heater. Moreover, the skin under her palms was firm. It felt good to touch.

She reached both her little hands in and moved them upward. She felt two little red beans. What were they? They were fun to play with.

"Ye Xiaotao!" The man's voice was hoarse. He pushed her away.

Ye Xiaotao stumbled back. Her long eyelashes fluttered uneasily and then her eyes opened. Her clear eyes were watery. She was very confused.

She had no idea where she was now. She looked at the mean-looking man in front of her. He pushed her away so rudely again. The tip of her nose turned a little red.

Leng Hao stared at her fiercely. She was indeed frightened. She looked at him with her big, baby-like, watery eyes. She looked like she was about to cry. She looked like a wounded deer.

Today, she was wearing a black dress with straps. The strap on her left shoulder had slipped down, revealing a bit of her fair, left breast.

Leng Hao's throat felt like hot charcoal. He stared at the girl fiercely but also passionately.

Ye Xiaotao was somewhat awake. At least she recognized that the mean-looking man in front of her was Leng Hao. She pouted her pink lips and snorted, "Don't push me. You have no right."

She turned around and showered herself under the hot water.

However, she was really cold. She wrapped her arms around herself.

Then a strong arm wrapped around her willow-like waist from behind. The man turned her around and she fell into his arms. He kissed her pink lips.

## **Chapter 1050: Heater (2)**

Ye Xiaotao froze for a moment. She stared at the handsome face in front of her with widened eyes. His eyes were closed and he was... kissing her?

Leng Hao was kissing her?

Ye Xiaotao couldn't believe it. Usually, his disdain towards her was so obvious. If he was given a pair of wings, he would definitely fly away if she was within sight. But now, he was actually kissing her!

The pain from her lips made Ye Xiaotao believe. He wasn't kissing her. He was eating her little mouth. He was forceful and rough. Ye Xiaotao doubted if he even knew how to kiss.

Then, the man suddenly opened his eyes. he looked at her confused and innocent eyes and pushed her away again.

Ye Xiaotao stumbled back and almost fell. She looked at the man in front of her with bafflement. What was wrong with him?

He always did that. After taking advantage of her, he acted as if he's mentally unstable.

Ye Xiaotao refused to look at his annoying face because his expression was extremely unpleasant. He stared at her deeply but also sharply as if she was his enemy. He might just pounce on her and strangle her to death in the next second.

Ye Xiaotao looked down. She could not help but look at the man's figure. The white shirt on his body was wet and stuck to his body. The curves of his body were visible. The corner of his shirt was torn open by her. No matter how she looked at it, he gave off a wild and messy charm.

She snorted. One had to admit how nice his figure was despite that stinky face.

Just as she was thinking, the man in front of her suddenly stretched out his hand and pulled her back into his arms.

He covered her pink lips with his again.

He was kissing her again?

This time, Ye Xiaotao fought back. She didn't want him to go crazy again after bullying her as if she was the one who forced herself on him. She punched his shoulders with her small fists. She said, "Leng Hao, let go... Mmm!"

He took this opportunity to pry open her teeth and reached his long tongue in.

Ye Xiaotao was inexperienced with kissing. The whole saliva mixing made her feel uncomfortable. She immediately tightened her eyebrows and struggled violently. She tried to push his long tongue out.

Because she didn't cooperate, it made things difficult for him. Her small mouth was just too small. His mind told him that he should let go of her, but now he had already lost his mind. His body was aroused and reeked of lust. The fragrance in her mouth was intoxicating.

He softened the kiss.

Only then did Ye Xiaotao feel a little better. When he was being rough, it really made her unable to breathe. Now that he had slowed down, and was being gentle. The whole thing became sweeter and more wholesome.

Ye Xiaotao's legs became a little weak. She realized that she didn't hate his kiss so much. After all, he was such a top-notch man.

Her long eyelashes fluttered a few times. Then, she closed her eyes gently. Since she couldn't get away, she would give it a try. She had seen how romantic kissing was in TV dramas.

She extended her small tongue and teased him a little. Then she sucked the tip of his tongue.

Her initiation surprised Leng Hao. He slowly opened his eyes.

Ye Xiaotao also opened her eyes. His kiss stopped, but his lips were still on top of hers. Both of their lips were wet, they looked very alluring.

“How many months?” He asked hoarsely.

“What?” Ye Xiaotao didn’t understand.

“Your pregnancy?” He repeated.

“Oh, almost three months.” His sudden question about the child surprised her. She knew that he didn’t like the baby she carried.

She understood. After all, she was the one who raped him, disrupted his life, and forced him to separate from his first love. But she also knew that although he didn’t like her as the mother, this baby was still his first child. He would accept the child.

In fact, it’s not a big deal even if he didn’t accept the child. Both Ye Xiaotao and her father would love the baby very much. Her baby didn’t lack anything.

Ye Xiaotao felt her flat stomach with her hand.

“Almost been three months,” so not three whole months just yet. Leng Hao frowned and then pulled away. “You shower first.” He turned around and left.

Did he leave just like that?

Ye Xiaotao looked at his back. He was truly a strange person. He kissed her so intensely just now and then left after asking her how many months her pregnancy had been out of nowhere.

She was speechless.

...

Ye Xiaotao took a hot shower and her body warmed up a little, but she still felt cold. When she dried her body, she realized a problem. She didn’t have any clothes to change into.

Forget it. She wasn’t home, so she wrapped herself in a towel.

The room was very warm because hot air from the air conditioner filled the room. Ye Xiaotao ran barefoot on the pale yellow carpet towards the soft bed.

She lifted the silk blanket and crawled in. She pulled off the troublesome towel and threw it on the carpet.

Just as she was about to sleep, she saw a tall and handsome figure out of the corner of her eyes. A man was standing on the balcony. Leng Hao was leaning against the railing, smoking a cigarette.

He did not look at her.

However, Ye Xiaotao was still surprised to see him there. She didn’t notice until just now. She wondered if he saw anything when she took off the towel. How awkward.

Ye Xiaotao quickly hid under the blanket. She wrapped herself tightly with the blanket, leaving only her small head outside.

She closed her eyes and went to sleep.

A minute later, she heard the sound of the balcony door opening. Footsteps were approaching, and then they disappeared into the bathroom. He went to take a shower.

...

Ye Xiaotao couldn't fall asleep. She was still cold, and her thoughts were a mess. Her lips felt weird, the feeling of him kissing her lingered.

She pursed her little pink lips. She actually liked it when he kissed her gently.

Then, the man lifted the silk blanket, and the bed sank in.

Ye Xiaotao's heart skipped a beat. Why was he sleeping with her?

The two of them had been married for so long, but they had never shared a bed before.

She quickly pulled the blanket tighter around herself and curled up a little.

Then, a hot body pressed against her from behind. A muscular arm wrapped around her soft waist and pulled her towards him. Her slender back leaned into the man's embrace.

He faced the same problem as she did. He had no clothes to change into. So the two of them were now... both naked.

Ye Xiaotao was shocked, and she wanted to move away.

However, she couldn't because the man held onto her waist and didn't let her move. The man said in a low and sexy voice next to her ear, "Weren't you sticking to me a while ago?"

Ye Xiaotao didn't know what to say.

That was then. This was now.

"Not cold anymore? So you want to kick me away?" The man laughed.

Ye Xiaotao sensed danger from his laughter. It was a lustful danger.

"No. I'm still cold. It's just..."

She stopped abruptly because something was pressing against her thigh.

### **Chapter 1051: Who's Prettier**

Ye Xiaotao knew instantly what that was.

Why... why was he acting this way?

Ye Xiaotao's pupils dilated, and she subconsciously clamped her legs together.

The man groaned when she did that. "Did you do that on purpose?" He teased.

Ye Xiaotao wanted to die right then and there. How stupid of her.

She immediately loosened her legs.

Then the man laid his large palm on her shoulder and pulled her around. Her vision went dark and the man was standing over her.

Ye Xiaotao blinked her big eyes. Her eyes were like the twinkling stars in the sky. The man's handsome face was so close she could feel his breath. His eyes were filled with lust and passion when he looked at her.

"What... What do you want?"

"What do you think I want?" Leng Hao's voice was so hoarse. Ye Xiaotao couldn't hear him clearly. He smiled evilly. "Congratulations, you've succeeded."

"What... What?" Ye Xiaotao was lost.

"You took off the towel in front of me to seduce me, right?" He said.

Ye Xiaotao's eyes widened. What was he talking about? When did she seduce him?

She did take off the towel just now. But that's because she didn't see him in the room. Besides, he was on the balcony, so it wasn't even in front of him.

"Leng Hao, whether you believe me or not, I wasn't trying to seduce you. It's your dirty mind. You peeked first. I didn't even say anything about that yet, and you're here accusing me."

The girl pouted her little pink lips as she spoke. Her skin was really good. Under the dim yellow light above her head, her fair skin was like snow. And her big, baby-like eyes were especially really charming. She was a naive, innocent little girl.

However, Leng Hao knew better than being fooled by her appearance. She was just pretending to be innocent to seduce him. She knew that men could not resist such a look.

Leng Hao was no exception.

Ye Xiaotao thought the man would defend himself, but he did not say anything. His long lashes shivered. Ye Xiaotao felt as if a wooden stick was pressing against her lower abdomen. Then it began moving slowly.

He's...

Ye Xiaotao's small face instantly turned red, and she struggled uneasily. "Leng Hao, what are you doing? You... you have no shame."

Her delicate and fragrant little body was like a small fish wriggling randomly, arousing the man even more. Leng Hao's face turned cold, and he warned her in a low voice, "Ye Xiaotao, if you dare to move again, I'll f\*ck you for real!"

Ye Xiaotao was frightened when he said that. She knew that he wasn't joking. She really couldn't understand how this man could act so righteously when he was the one forcing himself on her.

She was acted like a fool. She was sleeping on the same bed as he. Wasn't that like delivering herself into his hands?

But Ye Xiaotao thought that Leng Hao disliked her.

What about the ex-girlfriend he couldn't forget about. When he was drunk, he had mistaken Ye Xiaotao for that... Yun'er and kissed her.

Was it true that men could have sexual relations with a woman they have no feelings for?

But Ye Xiaotao wouldn't let that happen to her. She frowned when she recalled the night Leng Hao was drunk and said, "Leng Hao, wake up. Don't use me as a replacement for someone else. I'm not your Yun'er!"

The word "Yun'er" frightened Leng Hao. He quickly opened his eyes to look at Ye Xiaotao.

Ye Xiaotao knew it. Her heart ached as if a large hand had squeezed it. It felt painful and sore. She turned her little head aside and wanted to crawl out, "Don't touch me! I'm not anyone's substitute! If you really want it, go find your Yun'er. I won't stop you..."

She wanted to crawl out, but a strong arm grabbed her soft waist and pulled her back. The man glared at her. "Who said you're a substitute?"

Ye Xiaotao froze. What did he mean?

"You're not her."

What did he mean?

"How am I different from your Yun'er? Am I not as beautiful as her or am I not as smart as her? Leng Hao, I noticed that you degrade others without cursing."

"Of course she's smarter than you. At least she won't be stupid enough to save someone like Ling Feier. Not everyone in this world needs your kindness and help. Saving others and harming yourself is a stupid thing to do."

Ye Xiaotao was furious at thought of Ling Feier. She had indeed done a stupid thing.

However, Ye Xiaotao would never admit her stupidity in front of this man. She puffed up her pink cheeks and raised her eyebrows. "Ling Feier was just an exception. It's young master Leng's fault for being so charming. She was intoxicated by your charm. I think you should thank me. Ling Feier has a pretty face and a good figure. It's just enough to satisfy your desire. You can go and... f\*ck her instead of lying on top of me... like this..."

Although she paused twice, her words were very bold. Leng Hao's eyes darkened as he looked at her chattering little mouth. He covered her pink lips with his.

He didn't want her to talk anymore.

Ye Xiaotao didn't expect him to kiss her just like that. She had let her guard down. He pried open her teeth and invaded her mouth. Not long after, her tongue began to feel numb.

It looked like he hadn't touched a woman in a long time. He was in such a hurry and use so much force.

Ye Xiaotao snorted in her heart. She looked at his body. He looked flawless even under such close inspection.

His body felt very hot. His body made Ye Xiaotao feel very warm and comfortable when it pressed against her slightly colder body. He invaded her mouth with his tongue. Although she was unwilling, his hot tongue made her whole body go limp.

Ye Xiaotao's little head was a little muddled. She forgot to think and was completely lost in his kiss.

He started to rub against her lower abdomen again. Ye Xiaotao felt something on her chest. It was his rough, big palm. Ye Xiaotao immediately opened her eyes and pushed him. "No!"

Leng Hao's eyes overflowed with lust. He frowned impatiently. "What now?"

"No... Umm, Umm, just now you said that your Yun 'er is smarter than me, but you didn't say that she's prettier than me. Tell me, who's prettier?"

Leng Hao didn't answer. Instead, he opened his mouth and bit her lips.

"Ouch, it hurts!" Ye Xiaotao said tenderly. She asked again, "Umm, tell me, when you looked at Ling Feier the other day? Did you... get hard?"

Leng Hao furrowed his brows and answered casually, "Yours is bigger than hers..."

Ye Xiaotao didn't know what to say.

She was not satisfied with his answer, so she resisted by kicking him. "Leng Hao..."

Her coquettish voice made Leng Hao swallow. Men often did their sweet talk on the bed. So Leng Hao, who was usually high and mighty in front of girls, coaxed Ye Xiaotao. "I like girls with big breasts, so I only get hard with you..."

Ye Xiaotao satisfied this time, and the corners of her lips curled up sweetly.

...

The man went to the bathroom to take a shower. Ye Xiaotao stretched out her fair little hand to the nightstand for some tissue paper. Something sticky remained on her lower abdomen. She wiped off what he had left behind.

**Chapter 1052: Flipped a Little**

Ye Xiaotao looked down and saw that her abdomen and chest had turned red. Her skin was delicate. Although he tried to control himself, he still left his mark on her skin.

Ye Xiaotao's little face turned red when she recalled what had happened. She hid under the blanket and covered herself tightly.

She was conflicted. Did she consent or was she forced?

She was probably forced...right?

To be exact, she was forced at first, but then... she consented.

Was she falling for that stinky rock?

Well, in fact, other than his bad temper, he's got both the looks and the figure. He was her type, so it wasn't strange for her to fall for him.

But, he had Yun 'er...

Ye Xiaotao did not want to think about it anymore. She felt so tired, and her eyelids were heavy. She wanted to sleep.

Her body was no longer cold. Just now, his body was so hot, which then warmed up her body. Who said that the best way to warm up was for men and women to do that sort of stuff?

When Leng Hao came out of the bathroom, the girl was already asleep. He stood by the bed and took a look. The girl's face was very pleasant, and there was a bit of saliva at the corner of her mouth.

He could not help but smile.

Putting on the bathrobe, he turned around and went to the sofa and laid down on it. It actually did not matter where he slept. If he wanted, he could totally sleep on the same bed as her without doing anything.

However, he was afraid of losing control again.

Just doing it once was barely enough for Leng Hao. Besides, he only rubbed it against her abdomen.

She was not yet three months pregnant, so they could have gone all the way. Moreover, when Leng Hao saw her big, dark, confused eyes, he could not let go. He could have gone a little further. But he barely even look at the little body that he pressed down on, not to mention the forbidden area on her body that made men crazy.

Leng Hao rested his head on his left arm. He stared at the crystal chandelier above his head. The scene from that night in Hong Kong appeared in his mind. He was drunk, and he did as he liked with her.

He still remembered that feeling. It was as if his bones were melting and his soul was lost.

Leng Hao swallowed.

She mentioned Ling Feier. That day, when Ling Feier came, he was in the study room. Perhaps the maid let her in because she was Ye Xiaotao's classmate. But Ling Feier went straight to Leng Hao's study room.

Ye Xiaotao had come back earlier than usual that day. She arrived not long after Ling Fei'er had arrived. He heard Ye Xiaotao's footsteps. He knew that she was listening outside the door.

What she heard was all that Ling Feier had said. After that, Ling Feier began to undress herself. He did glance at her. Why wouldn't he? He's an honest man.

Ye Xiaotao said that Ling Feier had a beautiful face and handsome figure. In fact, she was just average. There were many establishments under the Leng family. The women there were all very pretty. They often wore all kinds of sexy lingerie or uniforms in front of him. Sometimes, they would wear nothing. Leng Hao had seen it all and was used to it. So Ling Feier was really just an average girl to him.

He did not have any reaction.

As for her question concerning Bai Lingyun, he never compared Ye Xiaotao to Bai Lingyun. They were two different types of girls. Bai Lingyun was the capable and beautiful kind, while Ye Xiaotao was the pure and beautiful kind.

He never thought of Ye Xiaotao as Bai Lingyun. He and Bai Lingyun were a thing of the past.

What about his feelings for Ye Xiaotao?

Leng Hao believed that he flipped a little, acted uncontrollably around her a little, and liked her a little.

...

The next morning.

Ye Xiaotao opened her eyes. The bright sunlight outside the window sprinkled on her body. She yawned lazily. What time was it now?

She looked to her side. There was no one by her side, and there were no traces of anyone sleeping next to her. He didn't sleep with her last night.

This was not a bad thing. It prevented any awkwardness between the two of them in the morning.

Ye Xiaotao sat up, and the silk blanket on her body slid down. Only then did she realize that she was not wearing any clothes. She quickly covered herself with the blanket and looked around. What should she wear when there are no clothes around?

At this time, someone opened the door to Ye Xiaotao's room. A tall and straight figure walked in. Leng Hao came in, and he was holding a bag in his hand.

He looked at the girl, and his gaze met her big, sleepy eyes. Because she had just woken up, her delicate face was still pink. Her skin was extremely soft. She looked like a rose that had just bloomed, the petals stained with crystal dew.

Leng Hao's gaze deepened. Then, he walked forward and placed the bag in his hand on the nightstand. "Your clothes."

Hers?

"Oh, thank you." Ye Xiaotao reached out her arm.

However, she quickly retracted her slim arm back under the blanket. She might expose herself if she had reached her arm out wholly. She raised her small head and looked at the man with smiling eyes. "Umm, can you go out first?"

Leng Hao glanced at her faintly discernible fair skin. He swallowed a little. Then he turned around and left.

...

Ye Xiaotao put on her clothes and washed up quickly. When she opened the door and went out, Leng Hao had already left. Ah Chen stood outside respectfully. "Young madam, where are you heading to now? I can drive you."

Ye Xiaotao looked down the hall. Where did he go?

"Young madam, the young master still has business to attend to, so he left first."

"Oh, let us head out too then."

Ah Chen dropped Ye Xiaotao off at the university. In fact, Ye Xiaotao was quite confused. He had done that with her last night, but he left without saying goodbye. Did he do that because he was afraid that she might cling to him?

Ye Xiaotao shook her head fiercely to get the man out of her mind. She didn't want to think about him for the time being. She had more important things to do.

She stormed into the classroom, looked around, but didn't see the person she was looking for.

She pulled a friend over and asked, "Where's Ling Feier?"

The friend shook his head and said, "I don't know. Ling Feier didn't come to school today."

"What?" Ye Xiaotao furrowed her brows tightly.

"Xiaotao, what's wrong? Why are you looking for Ling Feier in such a hurry?"

"It's nothing." Ye Xiaotao shook her head.

She didn't tell her friend that she was looking for Ling Feier for a fight!

Yesterday, Ye Xiaotao fell into the fountain. She was certain that it must have been Ling Feier's doing. Don't ask why, it's a woman's intuition!

Ye Xiaotao wanted to curse out loud. She wanted to slap Ling Feier hard, and then pull her hair as well!

That vicious girl was like a poisonous snake.

Ye Xiaotao puffed up her delicate cheeks in anger. Then, she collapsed on the chair like a deflated balloon. What should Ye Xiaotao do now? Ling Feier was gone, and she had nowhere to vent her anger.

Leng Hao was right. She was stupid.

She had to do some self-reflection.

People had too many tricks up their sleeves these days. It was simply too strenuous and unrewarding for her to be so full of passion for the world. She had to become smarter and wiser.

...

Afterschool, in the afternoon, Ye Xiaotao returned to the villa.

The maid came out to take her schoolbag. Seeing that she was unhappy, the servant asked, "Young madam, what's wrong? You usually have a smile on your face whenever you come back."

### **Chapter 1053: Honey, Can You Attend the Parent Teacher Conference**

Ye Xiaotao shook her head. "I'm fine... Is dinner ready? I want to eat. I'm so hungry."

Ye Xiaotao had suffered a big loss with Ling Feier, so she was in a bad mood. She urgently needed some delicious food to improve her mood.

"Young madam, dinner is ready. Come and eat."

Ye Xiaotao sat in the dining room and stuffed the white square napkin into her collar.

At this time, the villa gate opened. Ye Xiaotao could hear the maid's surprised voice, "Ah! Welcome back, young master. You're back so early today."

Ye Xiaotao's heart skipped a beat. Leng Hao was back?

She looked at the time. It was a little past six o'clock. He was back... so early.

"Young master, the young madam is back as well. She's in the dining room. This is perfect, Young master and the young madam could have dinner together."

Ye Xiaotao heard the man grunt. Then, she heard his steady footsteps approaching.

Ye Xiaotao's heart raced when she heard his footsteps. The events of last night clearly appeared in her mind, and her soft little face blushed a little.

At this moment, Leng Hao sat across from her.

The maid was serving the dishes. "Ah, Young madam, why is your face so red? Are you hot?"

The maid had exposed Ye Xiaotao unknowingly. She immediately stole a glance at the man sitting across from her.

Who knew that the man was also looking at her. He was unfolding a white napkin with his slender fingers. He was quietly looking at her little face with his clear blue eyes.

Ye Xiaotao's head buzzed. She subconsciously straightened her back and fanned herself with her hand. She said to herself, "Yes, it's so hot."

"Young madam, the weather had cooled down quite a bit lately. It's almost autumn. I'll open the window."

"Okay."

After the dishes were served, and the two of them began eating without talking. Ye Xiaotao thought about Ling Feier and felt wronged. She stabbed the steak on her plate with her fork repeatedly.

Leng Hao raised his eyes and glanced at her. "Did the steak offend you?"

"No. Ling Feier offended me. I want to stab her to death!" Ye Xiaotao put a small piece of steak in her mouth and chewed.

Leng Hao didn't say anything but sneered.

This sneer instantly ignited Ye Xiaotao's anger. She raised her head and stared at him. "What are you laughing at? Are you laughing at me?"

Leng Hao picked up the red wine by his hand and took a sip. Without looking at her, he said, "You can't stop me."

"You!" Ye Xiaotao was at a loss for words. She lowered her little head and muttered to herself gloomily, "Go ahead and laugh at me. Go ahead and laugh. I saved Ling Feier. It's all my fault for being so stupid! But that Ling Feier is really not worthy of being human. I've given it some thought, she must have caused me to fall into the water. This morning, I planned to find her and fight her, but she wasn't at the university. I think she must have run away. Ugh. Don't let me catch her, cause I won't let her off so easily!"

The girl grumbled angrily. From his angle, he could see the delicate outline of her face, her jade-like nose, and her pink little mouth. Her appearance reminded him of last night...

He didn't have enough last night, but it made him miss her the whole day.

Leng Hao swallowed. He said in a low voice, "Ling Feier has already run away. What's the use of being angry now? Just use your brain next time."

Ye Xiaotao humphed, "Of course you're not angry. What have you lost? Ling Feier let you take advantage instead."

"Take advantage?" Leng Hao looked up. He raised his straight eyebrows and looked at the girl with a half-smile. "Which one are you referring to? Me looking at Ling Feier's chest, or me and you last night..."

What was he talking about? The maids were present.

Ye Xiaotao kicked him under the table.

This time, Leng Hao saw that her snow-white ears were burning red. She glared at him coquettishly. As if she had recalled something, she looked away, and her heart began racing.

Sure enough, she blushed just now because she saw his face.

Leng Hao's handsome facial features softened a little, and he was in a good mood. "It seems that the night had left a deep impression on you."

Nonsense, how could it not be deep?

That night in Hong Kong was her first time, but all he brought to her was fierce plunder and pain, and her head was spinning. Last night was her second time...

People said that women always remembered their first man. Even if they didn't have any feelings for each other, they could slowly develop feelings for each other the more they do it.

Women were sentimental creatures.

"Looks like last night had also left a deep impression on you." Ye Xiaotao said with a smile.

Leng Hao looked at her big, watery eyes and said, "If you miss it, we can revisit it."

"Sure, honey. I'll definitely go to you when I miss it." Ye Xiaotao said sweetly.

Leng Hao's waist tensed. He couldn't stand it when she called him "Honey" sweetly. He snorted and lowered his head to continue eating.

Ye Xiaotao thought about something and said, "Oh right, honey, I have something to discuss with you."

"Go ahead."

"The university is holding a parent-teacher conference tomorrow. My dad can't make it in time, and my third brother is overseas. Can you... attend the parent-teacher conference?"

"Who am I going as?"

"My uncle... Haha."

Leng Hao put down the knife and fork in his hand and wiped the corners of his mouth elegantly with the dining cloth. He looked at her and said, "I'm your uncle?"

"Yes, yes. Tomorrow, you can pretend to be my uncle. Anyway, you're much older than me. You're almost ten years older. Everyone will believe you." Ye Xiaotao blinked her big eyes and looked at him pitifully.

Leng Hao suddenly remembered that the girl was only 20 years old, and he was 30 years old. He was indeed much older than her.

The age difference was what many women pride themselves on.

"You like incest?"

"What?" Ye Xiaotao didn't understand.

“You like to have sex with your uncle?”

Ye Xiaotao blushed. “Leng Hao!”

“I had sex with you. How could I be your uncle? Go find someone else, okay?” Leng Hao stood up and left coolly.

It took Ye Xiaotao a long time to understand what he meant. She asked him to pretend to be her uncle, but he refused. Then, he even mocked her with harsh words.

Stinky rock!

...

The next day, at the school.

The parent-teacher conference began. Many parents came on campus one after another. Those students held their parents’ arms happily and acted coquettishly, while Ye Xiaotao watched.

At this moment, her heart was filled with sadness. She was born with a silver spoon in her mouth, but she did not have a mother. She had a father who loved her very much, but her father only provided her with the best material life. Her father did not have time to accompany her.

It had been like this since she was young. Her seat at the school parent-teacher conference was always empty. When her father called the school, all the teachers and supervisors would bow to show their respect. The other students all envied her.

But to Ye Xiaotao, she envied these children who had their parents with them. If possible, she wanted to exchange for the love she wanted with her current life.

She wanted to grow up like the other ordinary and happy students.

#### **Chapter 1054: My Uncle Likes Someone With Boobs and \*ss**

Usually, Ye Xiaotao’s classmates would surround her and ask, “Xiaotao, our parents are here. Is your daddy coming today?”

“That’s right, Xiaotao. Your brother can come instead of your father. It’ll be an opportunity for us to speak with him.”

Ye Xiaotao shook her head and sighed, “I’ve disappointed you. They aren’t coming.”

“Huh?” Her classmates exclaimed. Then they quickly comforted, “Xiaotao, it’s okay. They are all big shots and busy, so they don’t have time. But they love you so much, and you have us to accompany you. You won’t be lonely.”

This was the way things went.

Ye Xiaotao smiled. “Thank you...”

Before she could finish her sentence, someone tugged at her arm. “Xiaotao, Xiaotao, look. That man... that, that extremely handsome man...”

Which man? Ye Xiaotao looked at her little friend who was almost drooling in disdain. She looked into the distance.

Her pupils dilated.

A black Hummer stopped by the school lawn in front of the girls. The driver's door opened and a tall and handsome figure stepped out.

It was Leng Hao.

Leng Hao was wearing a custom-made black suit. He looked cold and elegant. His handsome figure was even more dazzling than the setting sun behind him. The moment he got out of the car, he quickly attracted the attention of all the girls.

Ye Xiaotao gasped. Why... did he come?

Leng Hao held the car keys in one hand and walked slowly to her with the other hand in his trouser pocket. Looking at her dazed expression, he frowned. "Which classroom?"

Ye Xiaotao quickly came back to her senses and pointed. "There."

Leng Hao walked into the classroom with his long legs.

"Oh my goodness, Ye Xiaotao. You are definitely hiding something!"

"Yes, Ye Xiaotao, you are not being a good friend. What is your relationship with that handsome man? He even came to your parent-teacher conference!"

"I remembered something. Two days ago, you fell into the water at the party. Everyone said that a man from the sky save you. Could the person who saved you be..."

The little friends were stunned.

Ye Xiaotao stood by the window and looked inside. She saw Leng Hao sitting in her seat. The wooden table and chair were too short. He stretched his long legs forward lazily, looking condescending.

The school leader rushed over and stood by his side, nodding and bowing. Leng Hao didn't have many expressions on his face. He only dismissed the school supervisor.

Ye Xiaotao's ears were filled with the chatters from her friends, but she wasn't paying attention to them. Leng Hao fully occupied her mind. Last night, he humiliated her. She thought that he wouldn't come, but he did.

He came to her parent-teacher conference.

After 20 years, there was finally someone in her seat.

She did not expect it to be him.

Ye Xiaotao's heart was warm, and a sweet feeling spread from the tip of her heart all the way to her mouth.

...

The parent-teacher conference began. Ye Xiaotao waited in the garden. At this time, many female students had gathered around her. Everyone was asking her about Leng Hao.

"Xiaotao, who is that man?"

"My... uncle," Ye Xiaotao replied.

"Oh my goodness, your uncle is so handsome. Your family has such great genes. Is your uncle married? What do you think of me? Can you introduce me to your uncle?"

"Xiaotao, don't listen to her. Introduce me to your uncle. I'll treat you to a meal in the future."

"No, Xiaotao, I'll treat you to a world tour. I'll buy you Louis Vuitton bags. Introduce me..."

Everyone crowded around Ye Xiaotao like madmen and even tried to bribe her.

Ye Xiaotao felt very uncomfortable. It was as if people all had their eyes on her favorite doll.

She pouted her pink lips. "No, I won't introduce anyone."

"Why, Xiaotao, do you have an aunt?"

"No, but my uncle doesn't like people like you. My uncle likes... pretty face, big breasts, and a perky butt. A lady in the day, a... slut at night. It's best if she can push my uncle down at night. You're all too young, like rabbits." Ye Xiaotao said crisply.

Then the girls all suck in a deep breath. Someone quietly tugged Ye Xiaotao's sleeve. "Xiaotao, your uncle... is coming..."

Ye Xiaotao froze and quickly turned around. The parent-teacher conference had ended and all the parents had left the classroom. Leng Hao was the most eye-catching one among the crowd. He walked over and glanced at Ye Xiaotao as he walked.

Ye Xiaotao was petrified. He must have heard what she said just now, right?

Awkward.

Leng Hao walked away.

Looking at the handsome back of the man, the female students' eyes were filled with pink bubbles. "Wow, he's really handsome and charming. One look and you can tell he is skilled and big. Xiaotao, chose me. I'm going to push him down now."

"I, I, I will push him down too. I want to sleep with your uncle."

Ye Xiaotao immediately broke away from the girls' entanglement. She frowned and said in a charming voice, "You guys should give up already. My uncle doesn't like you guys. Besides, if I introduce you guy, you will become my aunt. Are you kidding me?"

...

Leng Hao was walking to his car when Mo Zhengyu ran over from in front of him. "Hello, sir. May I know your relationship with Xiaotao? Are you her uncle?"

Leng Hao recognized Mo Zhengyu with one glance. He pursed his thin lips and walked away.

"Sir..."

"Why should I answer you?" Leng Hao didn't even turn his head.

"Because I'm Xiaotao's senior."

"Since you're her senior, I have nothing to do with you, right?"

Mo Zhengyu's handsome face turned red. The aura of the man in front of him was too overwhelming. It was not something a 23-year-old boy like him could deal with.

"I like Ye Xiaotao. I wish to have your permission," he mustered up his courage and shouted.

Leng Hao stopped and turned around to look at Mo Zhengyu when he heard that. He looked at Mo Zhengyu emotionlessly and asked, "How old are you?"

"I..."

Mo Zhengyu wanted to answer, but Leng Hao was not interested in listening to his answer. "You're still a student. The car you're driving now is paid for by your father. If that's the case, don't you think your father has more right to talk to me? Even if I'm her uncle, how do you want me to answer you? You're 23 years old and you still have nothing. How can you ask for my permission?"

"Finally, there's a problem with the person you confessed to. If you like her, go confess to her."

After saying that, Leng Hao turned around and got into his car.

At this moment, Ye Xiaotao rushed over. She saw Mo Zhengyu. The boy's face was red as he stood rooted to the ground. It looked like he had just been humiliated.

"Senior Mo, are you ok?"

Ye Xiaotao wanted to ask a few questions before leaving, but she heard the sound of the car engine. Leng Hao was about to leave.

Ye Xiaotao had no choice but to leave Mo Zhengyu. She opened the door of the passenger seat and got into the car.

The Hummer raced away.

## **Chapter 1055: Don't Play if You Can't Afford to**

In the car.

Ye Xiaotao fastened her seatbelt and looked at the man beside her. "What did you say to senior Mo just now? He didn't look too good."

Leng Hao curled his lips and looked at her. "He said that he likes you."

"Huh?" Ye Xiaotao was shocked. She didn't expect that senior Mo to be so persistent. He actually ran to Leng Hao and said that he liked her.

Ye Xiaotao looked at the man's expression cautiously. "Then... what did you say?"

"What do you want me to say?" Leng Hao asked.

Ye Xiaotao's question was skipped over.

They drove on for a while. Neither spoke, so the atmosphere in the car was a little gloomy. Ye Xiaotao couldn't hold it in. She had a lot to say, so she cleared her throat and said, "Honey, those girls just asked me to introduce them to you. What do you think?"

"It doesn't matter what I think. The important thing is, didn't you reject them on my behalf?"

Ye Xiaotao didn't know how to respond.

Why was it so difficult for her to communicate with this man.

"Honey, I did it for your own good. I know you definitely don't like them. To avoid bringing trouble to you, I took the initiative to reject them for you."

"Mmm..." Leng Hao snorted and gave an ambiguous laugh. "It's my honor to be understood by you. I do like a beautiful face, big breasts, and a perky butt. Also, a lady during the day, and at night... a slut..."

"Ahem!" Ye Xiaotao choked. Her small face instantly turned red. "You said the last sentence, I didn't say it!"

She widened her eyes, trying to prove her innocence.

Leng Hao shrugged. "Is there a difference?"

Ye Xiaotao wished she could kick him. Would it kill him if he wasn't so mean?

"What tone are you using now? Are you blaming me? If you want, I'll introduce someone to you tomorrow. I'll set up a marriage recruitment office for Leng Hao. They all want to sleep with you so much. I'll let you sleep with one a day!" Ye Xiaotao said angrily.

Leng Hao looked at her. She seemed to be angry for real and about to explode.

Whenever she was angry, she liked to puff up her cheeks. Along with her big eyes, she looked like a kitten when she got angry. Then, his heart itched because kittens liked to scratch people with their claws when they were angry. He wanted to be scratched by her.

"No need. Don't you meet all the requirements?" His voice was a little hoarse.

Ye Xiaotao was stunned, then she quickly understood what he meant. He was saying that she was a lady during the day, but at night...

Ye Xiaotao took a few deep breaths to suppress the anger in her heart. She curled the corners of her lips and revealed a bright smile. "Honey, are you saying that I pretend to be innocent during the day and act flirtatious at night? I'm telling you, you're wrong!"

Leng Hao glanced at her. There was something fishy about her smile.

"Honey, actually, I'm also very... flirtatious during the day..." after saying that, Ye Xiaotao leaned her delicate little body over and reached out her left hand to his crotch. Then, she grabbed it.

Leng Hao sucked in a breath of cold air. He didn't expect the girl to be so bold. He felt a quiver and an electric current spread throughout his entire body.

He already had a very strong reaction.

"Honey, seems like you are at your limit..."

Leng Hao turned the steering wheel fiercely. He stepped on the brake and stopped the car by the roadside.

Ye Xiaotao wanted to tease him. When she saw that he reacted, she stopped in satisfaction. However, just as she pulled back her hand, he suddenly stopped the car.

Due to inertia, Ye Xiaotao crashed forward. Her head was a little dizzy. Before she could recover, Leng Hao had already unfastened her seatbelt. A strong arm wrapped around her soft waist and lifted her.

"Ah!" She screamed and then found herself sitting on top of the man.

Leng Hao's eyes were filled with desire. He smiled slyly and pinched her cheeks with two fingers. "Playing with fire, huh?"

Ye Xiaotao was a little scared. Although he didn't like her, he didn't bother with her in the past because he didn't pay attention to her. But Ye Xiaotao had his full attention now.

She was tongue-tied. "I, umm, I... I was just testing your functionality, Haha..."

"What's the result of the test?"

"Good!" Ye Xiaotao immediately gave him a thumbs up. "Honey is awesome. I touched him for a few seconds and then... it hardened. The girls were right, Haha..."

Leng Hao's whole body tensed up. He couldn't stand it anymore. He pushed his index finger into her small mouth. "Hold it!"

Ye Xiaotao was shocked, and then her small face was red like blood. Why was he acting like this?

"No!"

"Then do you want it from below?" Leng Hao said through gritted teeth. Then, he grabbed her soft waist and moved her to his waist. Then he rubbed against her.

Ye Xiaotao felt embarrassed and also pain.

She pushed his chest with her two small hands. Afraid that she would really anger him, she closed her eyes and licked his fingertip. Then she sucked on it twice.

Leng Hao held her small jaw and forced her to look at him.

The girl's eyes were bright and watery. Although she acted boldly, she became shy and scared and tried to run away every time they are in the moment. She was like a green fruit that had just been picked from a tree. The fruit tasted sour, but it was also addictive.

Leng Hao panted twice and then took back his index finger.

As he pulled back his hand, her saliva stuck on his fingertip. Ye Xiaotao reached out and wiped her mouth.

"Don't tease me if you can't afford to play. You'll catch on fire."

Ye Xiaotao was unconvinced. She muttered softly, "Who knew that you would catch fire so easily..."

Leng Hao's gaze darkened. He opened his mouth and bit the girl's stubborn little mouth as punishment. He spat out fiercely, "Childish!"

What was he saying?

Don't mistake her for someone weak just because she didn't speak her mind.

She immediately hit his shoulder and avoided his kiss. "I'm not!"

Leng hao pinched her buttocks hard, "A married woman with a child in her. Who are you dressed like that for? Senior Mo, Senior Mo, do you feel a sense of accomplishment by seducing him? Ye Xiaotao, you'd better not sleep with another man while carrying my child. That would be very dirty!"

"I didn't. Don't accuse me of something I didn't do!" Ye Xiaotao's eyes reddened. She leaned into Leng Hao's shoulder and bit him hard.

The taste of sweet blood instantly filled her mouth.

The environment fell silent. Leng Hao frowned and swallowed. He let go of her perky buttocks. Then, he grabbed her soft waist and tried to push her away.

But he couldn't push her away. Ye Xiaotao wrapped her arms around him tightly The girl's soft and injured voice rang in his ears, "Leng Hao, you can eat whatever you want with your mouth, but you can't say whatever you want with it. You're slandering me. What evidence do you have? What's wrong with me dressing like this? Other girls dress like this too. Why didn't you scold them?"

### **Chapter 1056: Honey, I Like You**

Leng Hao frowned when he heard Ye Xiaotao's accusations. He never thought that the other girls could even compare to her.

Was Ye Xiaotao unaware of her own beauty? Wherever she went, men's eyes followed her. No one can blame her for her beauty, but she's to be blamed for being flamboyant!

“And about senior Mo, how did you know that I was the one who seduced him? I, Ye Xiaotao, have never seduced a man. I’ve always been the one being pursued by those men. I’ve already rejected him, but he still won’t give up. What can I do?”

Leng Hao held her small waist and pushed her away from him a little. The girl’s nose was slightly red, and her eyes were watery and puppy-like. His heart instantly softened.

“Did you really... rejected him?”

“Yes.” Ye Xiaotao was still hugging his neck. She stared at the silver button on his shirt, “I’m not the kind of woman you think I am. I don’t lack attention from men, and I’m not that desperate. Also, I’m pregnant. Even if I was not pregnant, I definitely won’t sleep around with just anyone...”

“So you slept around with me?” Leng Hao snorted.

“That’s different!” Ye Xiaotao raised her head and met Leng Hao’s blue and wise eyes, “I don’t know how to explain that night. My father was pressuring me to marry a man I didn’t know. I was rebellious and unconvinced, so I decided to just give my first time to a random person. I thought that senior Mo wasn’t bad, so I tailed him to Hong Kong. I heard that he booked a room in a hotel, so I sneaked in. Who knew you were the one...”

Her explanation did not calm Leng Hao down. Instead, he became more resentful. From his understanding, he was Mo Zhengyu’s substitute.

If he had not been drunk that night in that room, she would have done it with that Mo Zhengyu.

Ye Xiaotao saw no change in expression from Leng Hao. She tightened her arms around his neck and said coquettishly, “You don’t believe me? I swear that Leng Hao is my only man. If I ever have an affair with another man besides him, then a car can run...”

Leng Hao covered her lips before she could finish her sentence.

Leng Hao kissed her hard. He sucked the sweetness from her mouth. He didn’t want her to swear or speak. He just wanted her to sit quietly on his lap.

He didn’t want her to have any more contact with men in the outside world. If that happened, he would lose control. He didn’t like the feeling of losing control, so he wanted to keep her to himself.

She belonged to him alone.

Leng Hao was shocked by his own thoughts. Was he in love with her?

Ye Xiaotao was happy. She noticed that he didn’t want her to swear. Although he didn’t say anything, she could feel his deep love.

She closed her eyes and responded to his kiss innocently.

But Leng Hao suddenly pushed her away.

“What’s wrong?” Ye Xiaotao pouted her red and swollen lips and looked at him. Why was he always doing such a thing? Why did he always push her away after he had taken advantage of her or when she responded to him?

Leng Hao’s breathing was chaotic. What was he going to say?

He took advantage of her. He was angry at himself. He was angry that he didn’t have the guts to own up to his feelings, that he had fallen in love with her.

He pushed her away just when she responded to his kiss because his entire body felt restless. He could not stand the slightest bit of teasing from her. He wanted to possess her fiercely and relive that night in Hong Kong, but she was pregnant.

He could think of no other way than to push her away.

“Stop moving around. Do you want to have a car sex with me?” He raised his handsome eyebrows and pressed them against the tip of her sweet nose.

That thought never even crossed Ye Xiaotao’s mind!!

However, Ye Xiaotao understood what he meant. Could it be that he’s unable to hold back when she kissed him?

His body seemed to be getting hotter and hotter.

Ye Xiaotao curled the corners of her lips and smiled brightly. She held his handsome face and kissed him. “Honey, do you like me?”

“Huh?” Leng Hao snorted.

“Honey, you saved me time and time again, and you always hug me and kiss me. Today, you attended my parent-teacher conference. Do you like me?” Ye Xiaotao asked sweetly.

Leng Hao pursed his thin lips and said nothing.

Ye Xiaotao looked at his beautiful lips. His lips were thin. She heard that a man with thin lips could be fickle. But judging from the way he treated his first love, Leng Hao must be the opposite.

Would he be good to her in the future?

“If you don’t say anything, I’ll take it as a yes.” Ye Xiaotao pecked his lips after she said that. “Honey, I think I’m in love with you.”

Leng Hao slowly opened his blue eyes. His burning gaze fell on her face, as if he was judging whether she was telling the truth or not.

“Honey, I’m in love with you. Although you’ve got a bad temper, you warmed my heart by saving me so many times. My heart rate increases whenever I look at you. I’ll listen to my gut, so I want to be with you.”

“Honey, I, Ye Xiaotao, will courageously pursue a man I like him. I will give you all of me, but honey, you have to be good to me too. Don’t hurt me. I can give you the world when I’m in love. But I can also remove you from my world without hesitation when I’m in despair.”

“Also, I do meet your requirements. I have a beautiful face, big breasts, and a perky butt. Now that I’m pregnant with your son, I can be dirtier if that’s what you want.”

Ye Xiaotao spoke with her face next to his. Every inch of her breath was soft and sweet. Leng Hao’s entire body relaxed as he hugged her tightly.

Leng Hao had never known what he truly wanted. But now he did. He wanted to hold on to the warmth in his arms forever.

...

Ye Xiaotao spent the night in joy. She had a sweet dream. In the dream, she gave birth to a son. Her son was very cute, like a little milk bun.

On a sunny morning, her son, who had just learned how to walk, chased after her and called her mommy. She hugged her son in her arms and saw Leng Hao. He walked over with a gentle expression and hugged both of them in his arms.

Because she was in a good mood, Ye Xiaotao drank two cups of milk in the morning. Leng Hao left early in the morning, so she didn’t see him. But that didn’t affect her good mood.

After arriving at school, she walked to her classroom. Then, her phone rang.

She took out her phone and saw that it was a call from Ye Ziyi.

She picked up the call. “Hello, third brother. What have you been doing recently? You’ve been so busy. I haven’t seen you for a long time.”

“Hey, Xiaotao.” Ye Ziyi said. “Third brother has been feeling unwell recently. I’m in the hospital for a checkup. Cough, cough...”

Ye Xiaotao became concerned when she heard his coughs. She quickly asked, “Third brother, what’s wrong? Which hospital are you in now? I’ll go visit you.”

“But you have school...”

“I can take a day off.”

“Okay, I’m at XX Hospital now. I’ll send someone to pick you up.”

“Okay.”

### **Chapter 1057: You Cant Stand Me Ridiculing My Sister**

Leng Hao returned to the villa in the evening.

He handed his briefcase to the maid and looked around. The house felt a little empty and quiet, like something was missing.

“Where’s the young madam?”

“Young master, the young madam is not back yet.”

Leng Hao looked down at the watch on his wrist. It was already seven o’clock in the evening, why was Ye Xiaotao not back yet?

He took out his phone from his trouser pocket and dialed Ye Xiaotao’s number.

After a few seconds, the call was answered. However, it wasn’t Ye Xiaotao’s voice that came through, but Ye Ziyi’s. “Hello, brother-in-law.”

“Third brother, where’s Xiaotao?” Leng Hao asked.

“Oh, Xiaotao sprained her ankle at school today. I sent someone to bring her to me. She was in pain and had been crying for a long time. I just coaxed her to sleep.”

Leng Hao placed one hand in his pocket and frowned. “How did she get hurt? Is it serious?”

“The doctor said that she hurt her bone and may need to rest for a few days. Brother-in-law, do you want to come and visit her? Xiaotao was crying and shouting your name just now.”

Leng Hao imagined a scene of Ye Xiaotao crying in his mind. In fact, he had never seen her cry. She loved to smile. Her eyes and brows curved beautifully whenever she smiled.

If she were to cry one day, it would definitely look as lovely as the falling petals from a peach blossom.

Leng Hao smiled. “Okay, I’ll be right there.”

...

Half an hour later.

The maid opened the door and Leng Hao stepped into Ye Ziyi’s villa.

“Brother-in-law, you’re here.” Ye Ziyi immediately came up to him.

Leng Hao looked up. “Where’s Xiaotao?”

Ye Ziyi went up and patted Leng Hao’s shoulder. “Xiaotao is sleeping. Let’s have a cup of tea first. When Xiaotao wakes up, she will be very happy to see you.”

Leng Hao sat on the sofa in the living room. Ye Ziyi personally made two cups of tea and then sat across from Leng Hao. “Brother-in-law, try the tea I made.”

“Thank you.” Leng Hao nodded, but he did not drink the tea. “I heard that my sister Zhiyuan has been very close to you recently.”

Ye Ziyi smiled warmly. “Yes, third brother, our families will be even closer in the future.”

“That’s a little... our relationships will be complicated. I call you third brother now. If you’re to be with my sister, then you’ll have to call me big brother instead. I still like... General Zhou a little more.” Leng Hao narrowed his eyes and looked at Ye Ziyi with a faint smile.

Ye Ziyi’s expression changed for a moment, but it was fleeting. “Form of address is of no importance. The most important thing is Zhiyuan’s will. Brother-in-law, let’s go. I’ll take you to see Xiaotao.”

Ye Ziyi motioned to stand up as he said that.

“Stop!” Leng Hao said.

Ye Ziyi raised his head and looked at Leng Hao. Leng Hao was holding a gun in his hand and aimed at Ye Ziyi’s head.

“Ha, haha,” Ye Ziyi didn’t panic at all. He gracefully folded his long legs and shrugged, “Brother-in-law, what are you doing? Are you pointing a gun at me?”

Leng Hao’s eyes were cold. He sneered, “Ye Si, stop acting. I’m not a fool.”

The smile slowly disappeared from Ye Ziyi’s face, “How did you know?”

“You don’t know your sister well enough. Although she’s the daughter of a wealthy family, she’s strong. If she really sprained her ankle, she wouldn’t cry. Also, if she really called my name, she would then come to me. But she didn’t come to me. So that could only mean one thing, she can’t.”

Ye Ziyi nodded. He made a mistake. What he said over the phone was filled with flaws.

However, he lazily curled the corners of his lips and looked at Leng Hao with interest. “Since you knew that coming here would mean danger and came anyway, you must have really fallen for my sister.”

Leng Hao stared at Ye Ziyi and asked, “Who exactly are you?”

“Young master Leng, who do you think I am?”

Leng Hao shook his head, “I don’t know, but definitely not a good person. Just now, I provoked you by mentioning General Zhou, but you showed signs of changing emotions. This means that you are someone who is always suppressing his true feelings. Ye Ziyi may only be your identity on the surface, you have a big secret. There’s no rush. I will find out sooner or later. It’s just a matter of time.” As he spoke, he glanced upstairs, and his thin lips twitched. “Bring Xiaotao out first.”

“Okay!” Ye Ziyi raised both his hands to surrender. “That old fool from the Ye family has good taste. He picked you to be Xiaotao’s husband. Young master Leng, don’t be agitated. If the gun goes off accidentally, someone will die. Someone come!”

“Yes!”

The door of the room upstairs opened and two people walked out. Ye Xiaotao was tied up and there was a piece of tape on her mouth. Behind her, there was a man in black with a gun pointed at her head.

Ye Xiaotao quickly shook her head when she saw Leng Hao. Her big, baby-like eyes were full of fear and worry.

Ye Ziyi gave his subordinate a look, and his subordinate tore the tape off Ye Xiaotao's mouth.

"Leng Hao, why are you here? Go away, don't worry about me. It's very dangerous here!" Ye Xiaotao was so worried that she wanted to rush downstairs, but the subordinate stopped her.

"Ha, haha." Ye Ziyi stood up and clapped. He looked at Ye Xiaotao. "Xiaotao, how touching. Young master Leng came to save you, but you asked him go. Have you fallen in love with each other?"

"Third brother, why are you doing this? Why did you tie me up? I'm your sister, I..."

"Shut up! You're not my sister!" Ye Ziyi's face turned cold, his handsome features were slightly distorted, "Who are you? You're the daughter of the Ye family. You came from a noble background. That old fool held you in his palm but feared dropping you. He held you in his mouth but feared melting you. What about me? I'm just an orphan, an illegitimate child, and a bastard. I planned step by step to get to where I am today. That old fool used me. He slapped me if he didn't feel good. He kicked me away when I'm of no use. How could a lowly person like me deserve a sister like you!"

Ye Xiaotao's face was pale, "Third brother, why do you... think like that? We're family. I know you... have suffered a lot. We'll make it up to you. As long as... you let me go, I won't tell anyone about this. You'll still be my third brother..."

"Haha." Ye Ziyi laughed so hard he was on the verge of tears. "My silly sister. So naive. Too naive."

"Enough!" Leng Hao frowned. "Ye Ziyi, let her go!"

Ye Ziyi stopped smiling. "You can't stand me ridiculing my sister? I hate it the most when others order me around. No one dared to order me around."

Ye Ziyi rushed forward like lightning as he said that. He grabbed the gun from Leng Hao's hand and pressed it against his own forehead. "Come on, shoot me. Kill me. If I die, your wife and that child in her will both die!"

### **Chapter 1058: Did I Do Something Wrong**

Leng Hao frowned as he looked at Ye Ziyi, who was now beyond recognition. Leng Hao said, "Madman!"

"Haha, well said. Well said. Your sister spent half a year to test me, and Zhou Yao didn't suspect me at all. I didn't expect that the brother-in-law saw through me in such a short time. Nice!" Ye Ziyi gave Leng Hao a thumbs up.

"Third brother, what exactly do you want?" Upstairs, Ye Xiaotao's hands and feet were cold. This third brother was so unfamiliar to Ye Xiaotao, she was scared. "Daddy owes you. If you want revenge, then come at me. Let Leng Hao go. He's innocent."

"Okay, as you wish." Ye Ziyi gave his subordinate a look, and his subordinate immediately raised his hand and slapped Ye Xiaotao.

At this moment, Leng Hao quickly said, "Stop playing around. Didn't you kidnap her so that you could get me? Your goal is me, so don't scare her. She really thinks of you as her brother."

Ye Ziyi snorted coldly. He didn't need Ye Xiaotao to think of him as her brother. Everyone in this world had a weakness, but he didn't. Ye Ziyi wanted to play, but no one played with him. Because no one could afford to play with him.

"Young master Leng, I invited you here because I wanted you to stay as a guest. But I was afraid that I couldn't keep you, so crippled one of your arms first."

Crippled one of Leng Hao's arms...

"No, no! Leng Hao, don't listen to him. He has gone crazy! Just go, don't worry about me. I beg you, just go..." Ye Xiaotao screamed.

The subordinate taped Ye Xiaotao's mouth again. Ye Xiaotao could only shake her head vigorously.

Leng Hao looked up at the girl upstairs. The girl shook her head vigorously. She stared at him with her big watery eyes, afraid that Leng Hao would really cripple his arm.

Leng Hao smiled at the girl as a silent comfort. Then he looked at Ye Ziyi and said, "If I crippled my arm, you can kill me with ease. If I'm going to die either way, why should I listen to you?"

"Young master Leng, I'm not interested in your life or Xiaotao's life. I just want to keep you for a while. If you don't cooperate, then I can only..." Ye Ziyi shrugged regretfully.

Bang! Leng Hao fired a shot at his left arm.

Ye Xiaotao was shocked. Then hot tears spilled from her eyes. "No..."

Leng Hao threw the gun to the ground. The intense pain in his arm made his forehead break out in a layer of cold sweat. He covered the wound with his right hand.

"Good, young master Leng is straightforward!" Ye Ziyi clapped in satisfaction. "Come, take them away."

...

In the underground warehouse, the subordinate untied Ye Xiaotao and pushed her in. "Stay there!"

The subordinate locked the door of the warehouse.

"Leng Hao!" Ye Xiaotao quickly ran forward. She squatted down and looked at Leng Hao. Leng Hao's face was pale. He was sitting in a corner. Blood was still flowing out of his fingers.

Ye Xiaotao's eyes were blurred by tears. She didn't dare to touch his wound. She didn't even know what to do. She could only cry, "Leng Hao, I'm sorry. It's all... my fault. I hurt you..."

Leng Hao looked at the girl. Her small shoulders trembled as she wept. Her soft black hair was messy around her face. Her little nose was red like a delicate flower.

She looked so beautiful when she cried.

He reached out his hand and wiped away her tears gently, "It's okay, don't cry... It's just a little blood. I won't die..."

"No, I'll get third brother to get a doctor over. You need hemostatic medicine..." Ye Xiaotao turned around.

But a large hand grabbed her thin arm. Leng Hao shook his head. "Don't go, it's useless. Ye Ziyi is no longer your third brother..."

These words made Ye Xiaotao cry even harder. She hugged her knees tightly with her slender arms and sobbed helplessly, "Why... why have things turned out like this? Third brother... isn't like this. He treats me... very well. Besides daddy, he treats me... the best. He dotes on me very much, but... but now..."

"I'm really useless. Third brother doesn't like me. He... captured me. Now... I even caused you to be involved. I'm sorry, I'm sorry... It's all my fault..."

Ye Xiaotao was really sad because she really saw Ye Ziyi as her brother. She didn't have a mother growing up, and her father had many women. There were also a few concubines at home. Those women didn't like her. They would treat her very well in front of her father, but once her father left, they scolded her and pinched her. She was very young at that time, so she didn't tell her father. She didn't want to upset her father. The Ye family was always in a mess, and she didn't like it there.

Later on, when she was older, she was very lonely. Because she was the daughter of the Ye family, her classmates didn't dare to play with her. Her father didn't have time to accompany her. All she had was money.

Then, Ye Ziyi returned. This brother of hers was really warm. He would smile at her and take time to accompany her. During those years, she was practically Ye Ziyi's little sidekick.

But now, everything had changed. It was all fake. Her third brother never liked her at all.

The girl cried uncontrollably. Leng Hao felt this heart ache. He felt very distressed. "Okay, don't cry... I'm fine..."

He stretched out his long arm and pulled her into his arms.

Ye Xiaotao sat on the ground. She buried her head deep in his chest and rubbed against him. She raised her head and looked at him with tears in her eyes. "Leng Hao, did I... do something wrong..."

"Why do you ask?"

"Because a lot of people don't like me... It's okay. I try my best to smile and try my best to help others. I thought that... one day, they will like me. But... it's not like that. It seems like everything I do is wrong. For example, Ling Feier, if I didn't help her, I'm... cold-blooded. If I helped her... it's vanity..."

Leng Hao did not expect such a cheerful and optimistic girl to be so fragile on the inside. She loved to smile because she wanted to use it to win the love of the world.

She grew up without a mother and lived in such a treacherous family. She was very sensitive.

Leng Hao kissed her forehead and comforted her in a soft voice, "No, you didn't do anything wrong. You did a good job. No one can win the love of the world. As long as we have a clear conscience and live a happy life, it's all good."

Ye Xiaotao sniffed and nodded hard, "Mmm, I won't cry anymore. When I was very young, I understood that those who are worth my tears won't make me cry. I don't need to cry for those who aren't worthy. The way to deal with those bad people is to work hard to live a happy life."

"Mmm, always believe in yourself. You're right!" Leng Hao smiled.

Ye Xiaotao wiped the tears off her face and asked with concern, "Are your injuries really okay?"

### **Chapter 1059: Everything is Fine Now**

Ye Xiaotao went to check on Leng Hao's injured arm.

"I'm fine, the bleeding will stop after a while... Don't move, just sit beside me..." Although Leng Hao's face was pale, his expression was very calm, which put others at ease.

Ye Xiaotao knew that she couldn't be of much help. The only thing she could do right now was to remain quiet. She sat beside him along the wall and leaned her little head on his arm.

I'm sorry...

She said in her heart. She was really sorry. If she hadn't been caught by her third brother, Leng Hao wouldn't be in this situation.

"Honey, what do you think my third brother wants to do?"

Leng Hao turned his head to look at the girl. The girl pouted her little pink lips and her face was full of worry. Her weak appearance made people want to hold her and take good care of her.

He rubbed his chin against her forehead. He comforted her gently, "You'll know what your third brother wants to do very soon. Don't think about anything now. Close your eyes and sleep for a while to save your strength."

"Mmm." Ye Xiaotao nodded. She curled herself into a small ball and snuggled close to Leng Hao. Then she closed her eyes.

Leng Hao stretched out his uninjured right arm and held her. He also closed his eyes and took a nap.

The bleeding on his injured left arm had gradually stopped, but the bullet was still inside. If he didn't get treated, his arm might be crippled.

In addition, Ye Ziyi's identity was questionable. If Leng Hao had guessed correctly, Ye Ziyi was going for his sister Zhiyuan and Zhou Yao. Leng Hao and Xiaotao had become hostages.

Leng Hao didn't know how long Ye Ziyi would keep them locked up, but he had to think of a way to escape.

...

Leng Hao closed his eyes and slept for a while. He hugged Ye Xiaotao's sweet and soft body, so he fell asleep quickly and easily.

Suddenly, the iron chain door outside was opened, and a man in black walked in. "Wake up, we need to go!"

Leng Hao opened his eyes, and Ye Xiaotao also moved. She rubbed her sleepy eyes and asked the man in black, "Where are you taking us?"

"You don't need to know that. Just follow us!"

"How dare you? Get my third brother to come here. I have something to tell him..."

"Xiaotao," Leng Hao stood up, reached out, and grabbed Ye Xiaotao's slender wrist. Then Leng Hao shook his head. "It's useless. Ye Ziyi won't come."

"But..." Ye Xiaotao's eyes dimmed.

"Young master Leng, Miss Ye, you'd better hurry up. Don't make me use force," the subordinate said in an unpleasant tone.

"You!" Ye Xiaotao was furious.

Leng Hao held her soft little hand tightly in his palm. They began walking behind the man in black.

The two of them walked in a dark tunnel. Leng Hao looked into the darkness ahead. Ye Ziyi was truly a genius. He actually dug such a deep underground tunnel under his villa.

Where was the exit?

Leng Hao did not know the answer, but he was sure that Ye Ziyi wanted to move him to a more secure place. Once Ye Ziyi succeeded, it would be difficult for him to escape.

"Hurry up!"

There were four men in black behind him. They all had guns in their hands, and one of them held a torch.

Leng Hao suddenly came up with an idea. He quietly wrote a word in Ye Xiaotao's palm.

Ye Xiaotao was already highly alerted because she was afraid of the dark. When Leng Hao wrote on her palm, she immediately felt it—illness.

Illness?

Did Leng Hao want Ye Xiaotao to act like she was sick?

"Aiya!" Ye Xiaotao cried out. She stopped and hugged her lower abdomen with both hands, moaning in pain.

“Xiaotao, what’s wrong?” Leng Hao went forward.

“My stomach hurts, it hurts...”

“What’s the matter?” The subordinate immediately shouted when he heard Ye Xiaotao’s screams. “Miss Ye, don’t play any tricks with us. Get up!”

Ye Xiaotao pinched herself and squeezed out two drops of tears, “My stomach hurts... I’m pregnant, it’s almost three months... will my child be alright...”

Leng Hao turned to look at the men in black. “She’s pregnant. She can’t be frightened. The three-month-old fetus is not fully formed. It’s very easy for her to miscarry. You’d better send her to the hospital immediately.”

“This...” the men in black hesitated.

“What are you waiting for? She’s your master’s biological sister. Even if your master doesn’t recognize her, she’s still the beloved daughter of the Ye family. If anything happens to her, the entire Ye family will hunt you down. The child in her belly is also the eldest son of the Leng family. When I get out, I’ll make you suffer!” Leng Hao said fiercely.

The men in black were shocked by Leng Hao’s overwhelming aura. They looked at each other. Their master did not want the two people to die. If something really happened to them, the men in black would be responsible.

“Go take a look!” The leader of the men in black kicked the other three men forward.

The three men in black came to Ye Xiaotao’s side. “Where does it hurt? Let us take a look.”

“I have a stomachache...” Ye Xiaotao tried her best to act it out.

Leng Hao took a step back. This was his chance! He hit one man in the waist at lightning speed. By the time the man in black realized what Leng Hao had done, it was too late. Bang! A bullet penetrated his heart.

The other two men quickly reacted and wanted to take out their guns, but Leng Hao was too fast. The injury on his left arm did not affect the performance of his right arm at all. Bang! Bang! The other two men also fell to the ground.

Leng Hao took care of one man with one shot. He was fast, accurate, and ruthless.

This was the first time Ye Xiaotao had seen such a bloody scene. Three living men fell in front of her. A few drops of warm blood even splashed on her face. At this moment, her brain was in a mess, and she wanted to scream. But her throat seemed to be blocked, and she could not make a sound.

She could only bite her lower lip tightly with her pearl white teeth. Then she covered her ears with both hands and squatted in the corner of the wall.

She closed her eyes tightly, not daring to look.

The leader of the men in black was farther away, so he had the chance to react. After Leng Hao killed three people in a row, that man quickly raised his gun and shot Leng Hao.

Leng Hao dodged to the side, and the bullet grazed his cheek. The man in black wanted to shoot again, but he felt pain in his chest. The man in black looked down and saw a sharp knife in him.

Leng Hao had been hiding a sharp knife on him.

The man in black spat out a mouthful of blood and fell to the ground.

Leng Hao's forehead was covered with cold sweat. His injured left arm was bleeding again. The bullet was still inside, and he felt a bone-piercing pain.

He shook his head and tried his best to stay awake. He walked to Ye Xiaotao and squatted down. The girl had curled herself into a ball, and she was trembling.

Leng Hao's eyes were filled with gentleness. He slowly reached out and stroke her little head. "Don't be afraid, everything is fine now..."

### **Chapter 1060: You And I Are From Different Worlds After All**

Leng Hao wanted to comfort her. But before he had even touched her head, the girl screamed. She raised her head and looked at him with fear in her eyes. "Don't touch me!"

Leng Hao's hand froze in mid-air when he heard that. He looked at the girl's beautiful pupils. Now, her eyes were filled with disgust and fear. She looked at him as if she was looking at a bloodthirsty devil.

The gentleness in Leng Hao's eyes instantly disappeared, and then it was replaced with coldness. He stood up and said, "Let's go."

He began walking forward.

Ye Xiaotao looked up. He picked up the torch and walked away. Blood dripped from his arms to the ground, and Ye Xiaotao could hear the splash sound.

His back was still handsome and tall, but the surrounding darkness engulfed him from all directions. Ye Xiaotao felt that his back looked bleak and lonely.

"Wait... wait for me." Ye Xiaotao quickly got up. She disregarded the weakness in her legs and quickly chased after him.

...

After walking for a very long time, they finally reached the exit. Looking at the light in front of them, Ye Xiaotao was so happy she could cry. "They've escaped."

Leng Hao threw the torch in his hand on the ground and looked around.

"Where are we?" Ye Xiaotao also looked around. They seem to be in a wilderness. There were many different paths and intersections. She didn't know the way at all.

Their phones had been taken away, and they don't have any other communication tools.

Leng Hao pursed his pale thin lips and looked at the sky. Then, he chose a path on the right without saying a word.

"Leng Hao..." Ye Xiaotao chased after him. "Why are you walking so fast? I'm scared. Wait for me... Ah, your arm is still bleeding. Let me take a look..."

Ye Xiaotao touched his left arm.

However, Leng Hao pulled back his arm before she could touch it. He kept walking without looking at her.

The man's expression was very unpleasant. He had probably lost too much blood. His face was pale and his lips were blue. Most importantly, he seemed to be angry. His handsome face was tense and his cold expression scared people away.

Ye Xiaotao knew that she had made a mistake. She followed behind him and explained in a low voice, "Are you... angry? I'm sorry, just now... I was just too scared. It was the first time I saw... you kill someone, so... I spoke carelessly. I'm sorry..."

The man in front of her didn't say anything.

As they walked, Ye Xiaotao felt cold rain on her face. She looked up and saw that the sky was raining.

It was already autumn and the rain was very cold.

"Honey, should we find a shelter first? The rain is getting heavier and heavier. If we get wet, we will catch a cold..."

Before Ye Xiaotao could finish her sentence, the tall figure in front of her swayed. Then, with a loud sound, Leng Hao knelt on one knee on the ground.

"Honey!" Ye Xiaotao was shocked. She quickly went forward and squatted down. "Honey, what's wrong? Don't scare me..."

Leng Hao felt dizzy. He was at his limit. He blinked and looked at the girl beside him, "Go ahead. If you follow this path, you should get to the exit. If you see anyone, call out loudly. I believe your daddy must have sent people to look for you..."

"What are you talking about? If I leave, what are you going to do? I'm not going without you!" Ye Xiaotao insisted.

Leng Hao curled his lips, revealing a bitter and lonely smile. "Don't worry about me. We're not suitable. You and I are from different worlds after all."

Ye Xiaotao shook her head. "I don't know what you're talking about. Get up. Let's go. We can definitely turn the situation around!" She grabbed his arm.

But Leng Hao pushed her away. She lost her balance and fell to the ground. Her soft little palm rubbed against the rough ground and bled. She was in so much pain that tears came out of her eyes.

The man laughed, "Ye Xiaotao, do you not understand what I mean? I told you to get lost! Look at you, you can't do anything. You are so stupid. If you weren't caught by Ye Ziyi, would I end up like this? You said that you would go with me, but you fall so easily. What else can you do? If you stay, you will only be a burden. I don't need you anymore. Get lost!"

Ye Xiaotao's eyes were blurred by tears. His words really hurt her feelings. She felt that she was a failure. She was the one who dragged him down. Everything she did was wrong.

Ignoring the pain in her palm, she got up from the ground. She looked at Leng Hao with teary eyes and sobbed softly, "I'm sorry, I'm really sorry... I'll leave. But not now... you're injured and you're bleeding a lot. Let's leave this place together first, and then..."

"Ha," Leng Hao sneered. He fixed his eyes on her and said coldly, "Are you staying here because I'm injured? I think you're just trying to drag me down. You can't live without me. Miss Ye, what else can you do?"

Ye Xiaotao's entire body was wet from the rain, and her teeth were chattering. The man's words were like a sharp knife that kept cutting her heart, making her feel bad and disappointed.

She clenched her hands and straightened her back. That was her line. She would not allow anyone to trample on her pride and dignity.

She looked at the man with tears flowing down her face. "Leng Hao, I've caused you harm. I hereby solemnly apologize to you, but I'm not the kind of person you think I am! Also, if you want me to leave, fine, I'll leave!"

Ye Xiaotao turned around and ran away quickly.

Seeing the girl's figure disappear in front of his eyes, Leng Hao's tensed face gradually relaxed. Ye Xiaotao, I'm sorry...

He couldn't hold on any longer. His vision turned dark and he fell to the ground.

His eyelids were very heavy. He wanted to sleep. He knew that he might not be able to open his eyes again once he slept. The bullet in his left arm had not been removed and the wound had been infected and festered. He did not have the strength to walk out, so he did not want to drag her down. She should leave on her own.

Leng Hao opened his eyes slightly. He watched as the heavy rain fall on the ground. Was he going to die alone like this?

He knew that loneliness was his destiny.

He did not like fighting and killing. He had never liked it. But he killed for the first time when he was only twelve. His hands were stained with blood. He had no friends, and he did not need friends. His father and sister were not people he could confide in. As time passed, he closed his heart. He had always been alone.

Later, he met Bai Lingyun. The three years he spent at college was filled with joy. However, Bai Lingyun eventually abandoned him and went abroad. He knew that she did not like his background in the mafia world.

All in all, Bai Lingyun did not understand him.

Bai Lingyun had never entered his heart.
