

Catch Me If You Love Me

Chapter 105

A name has not yet been spoken, the tall figure has reached the door of the living room.

It's not Liam Lu.

When Shiyue saw Zoey Gu, he was also surprised and subconsciously asked.

“Miss Gu, I haven't slept so late, wait for Lu Shao?”

Zoey Gu calmed down, put away her disappointed face, and subconsciously stood on tiptoes to look behind Shiyue, “Aren't you with him?”

“No. Lu Shao sent me to do other things and kept urging me just now...”

Shiyue paused in the middle of speaking, and subconsciously moved back what he was holding in one hand.

“I'll give him something and leave immediately.”

After he finished speaking, he turned a few steps up the stairs and strode towards Liam Lu's study.

Zoey Gu stared at him going upstairs, then turned his head to look at the dark night outside, turned around and sat down on the sofa, blankly wondering what he was thinking.

So much so that Shiyue went downstairs and passed by her, but she didn't notice it.

Shiyue took a few steps forward, then slowly returned to Zoey Gu's side.

“Miss Gu, have a few words?”

Zoey Gu raised her head when she heard the voice, pursing her lips and making no sound, but did not refuse.

After a long while, he lowered his head and said with a mockery.

“Do you want to tell me that I am not good enough for Liam Lu? I know...”

Shiyue spoke indifferently.

“If two people are really willing to bond, the past and children are not a hindrance. Unless,” he said, looking at Zoey Gu vaguely, “unless you were not sincere from the beginning.”

Hearing the sound, Zoey’s heart trembled and suddenly raised his head to look at Shiyue.

He looked at her sharply, and spoke again.

“Miss Gu, I just want to ask you, why are you married to Lu Shao?”

“If I remember correctly, after your loved one’s accident, Lu Shao wanted to approach you more than once, but you refused, and even refused with death. But now, you are pressing harder and harder, step by step to Lu The location of the wife.”

Shiyue’s voice is full of insight.

“Is your purpose related to Miss Yun? Because, after all, she killed your relatives, and she was Lu Shao’s fiancée not long ago.”

Zoey Gu pursed her lips, and firmly grasped the wedding dress beside her with one hand, his heart aching.

She understood what Shiyue meant.

After knowing the truth about the death of her relatives, she desperately wanted to walk to Liam Lu and be Mrs. Lu. She thought that was the most important thing for Anna Yun, and it was also the deepest blow to her.

But only she knew.

Marrying Liam Lu was a dream she longed for countless times when she was young...

But when everything was close at hand, she suddenly understood. All this is too impure, and it is not what she wants.

Everyone, including Shiyue, didn’t believe that she still had a sincere heart.

That feeling is too desperate and too painful.

She looked up at Shiyue.

“Didn’t you have determined it? I changed my mind to stay with Liam Lu, desperately trying to be his wife Lu. Not because I still have feelings for him, and I still love him. But because I hate Anna Yun, I use this Retaliate against her in a way

“Take everything she likes away, so that she can’t love it, and want to live in pain?”

When the voice fell, a gloomy voice suddenly came from the direction of the hall.

“It turns out that this is your purpose.”
