

## Chapter 1081: Untitled

Pushing it to him was completely expected.

Walking forward, Lu Hui said in a neither servile nor overbearing manner, "I did the report."

Bai Linhao's eyes widened in anger. "What are you doing? Did you do it on purpose?"

Lu Hui said calmly, "I didn't."

"You didn't? Then why is there a problem with this document?!"

"Lu Hui, I trusted you so much, but you... actually..."

Bai Kaijie really didn't expect that Lu Hui, who usually looked honest and didn't have any bad intentions, would stab him at the most critical moment.

Lu Hui took a deep breath and said, "CEO Bai, I suggest you speak less now. The more you say, the more mistakes you make."

Bai Kaijie felt a lump in his chest. Was he... reprimanded by Lu Hui on the spot?

"You..."

There were already whispers around them. Bai Kaijie and Bai Linhao's faces alternated between green and white.

Bo Jinchuan said coldly, "So you didn't create this document."

Bai Kaijie's body went limp and he almost fell to the ground.

"This... I instructed Lu Hui back then. He's my assistant. If he does it with me, I think the nature is the same..."

Updates by

"Then he can be your sales manager."

Bai Kaijie's face turned even paler. Bai Linhao hurriedly said, "CEO, you can't..."

"You have the final say. I'll let you be the CEO then."

Bai Linhao shook his head repeatedly. "No, no!"

Bo Jinchuan was expressionless as he turned around to leave.

Bai Kaijie stood rooted to the ground, his face pale. Bai Haolin wanted to chase after Bo Jinchuan, but when he saw Bai Kaijie, he pushed him away angrily.

"CEO, CEO, please wait..."

Bo Jinchuan didn't stop walking. The people who were following him made way for him and followed behind him.

“CEO!”

At this moment, Lu Hui’s voice sounded.

Bo Jinchuan didn’t stop, but Lu Hui was faster and stood in front of him.

“Stop right there!”

Yu Song stood in front of Bo Jinchuan and blocked Lu Hui.

Her eyes were filled with warning.

Lu Hui stood still and looked at Bo Jinchuan through Yu Song’s body.

“I did the sales data last month, but the documents I gave CEO Bai were also complete. As for why the documents weren’t complete, I think CEO Bai came in a hurry this morning and scattered the documents inside.”

“Disperse?” Bai Kaijie was stunned.

Lu Hui nodded and said, “When you went to take a shower this morning, I was planning to keep all the documents on the coffee table, but I was chased out by your girlfriend!”

Sweetie’s words about her chasing her assistant out this morning echoed in Bai Kaijie’s mind.

Her lips twitched and the vein on her forehead throbbed.

Did that woman mess up his documents?!

Sweetie, who was standing in the crowd, seemed to have recalled something. Her face turned pale and when she turned around, she saw Bai Kaijie glaring at her angrily.

Seeing that Bai Kaijie was about to rush over, Bai Linhao suddenly grabbed him.

“Don’t embarrass me here! I dare you to implicate a woman!”

Bai Linhao whispered to Bai Kaijie, successfully allowing him to regain his rationality.

“... What woman? Lu Hui, are you determined to embarrass me today?!” Bai Kaijie denied.

Lu Hui said expressionlessly, “I just don’t want to make too many mistakes and take the blame.”

Since you pulled me out earlier, I have to explain clearly. I was indeed the one who did the report, and I’m confident that there’s no problem with the report itself. What I gave you back then is indeed complete! If you don’t believe me, I still have the electronic backup of the report on me. Also, the other documents in the report should still be in the room that you booked in the hotel.”

“Coincidentally, my classmate is working there now. I asked her for a favor. She should be able to find it soon.”

Sweetheart knew that Lu Hui was referring to Shen Fanxing. She gritted her teeth. No, if Bai Kaijie confirmed that she had thrown Shen Fanxing’s condition into the rubbish bin, she wouldn’t know what was waiting for her.

If she couldn't find him, she would deny it and pass.

Bai Kaijie wanted to pounce on Lu Hui and tear him into pieces. He had already lost everything today. He didn't expect Lu Hui to be so restless.

She thought that Bo Jinchuan wouldn't confirm it. After all, the culprit had already confirmed that it was him. There was no need to investigate further.

Unexpectedly, Bo Jinchuan asked, "Pei family's hotel?"

Lu Hui nodded. "Yes."

"Then let's go and take a look."

"..."

"..."

Everyone was speechless again.

When did the CEO become so free? Was there a need for him to go to the hotel to confirm something that had long been known?

The others were puzzled, but Lu Hui and Yu Song knew what was going on.

How would the CEO have the time to care about Bai Kaijie's mistakes?

Wasn't it to see his wife?

He was really impressed!

Meeting every day and thinking about how to meet.

Wasn't he sick of it?

Bo Jinchuan walked out of the mall as soon as he finished speaking.

Bai Kaijie looked at the crowd angrily. Sweetie, who was standing at the front of the crowd just now, was no longer there.

She had gone into hiding!

Gritting his teeth, he chased after the group.

A few cars followed behind Bo Jinchuan.

Bai Kaijie hurriedly followed.

—

Ye Qingqiu's visit made Shen Fanxing return to Stars International.

When she saw Ye Qingqiu, she had a lollipop in her mouth. She was wearing a long white tasseled dress. She looked like she mainly wanted to keep herself warm, but her figure was slender and beautiful. She had a different kind of gentleness and laziness.

Her simple outfit accentuated her beauty and aura.

“You’re back.”

When she saw Shen Fanxing, she smiled and walked to the sofa to look at her.

Shen Fanxing smiled. She was surprised by her sudden appearance.

She had never understood Ye Qingqiu.

She did whatever she wanted and all her decisions followed her mood.

Sometimes, she was very principled and sometimes, she was very unprincipled.

No matter how impossible it was, there wouldn’t be any accidents.

Ye Qingqiu was that kind of person...

She was right in front of him, but she was so close to him that he couldn’t catch her.

“Why are you suddenly looking for me?”

#### **Chapter 1082: What An Excuse**

“Why are you suddenly looking for me?”

Shen Fanxing walked to her desk and sat down. She placed the document on the desk and flipped it open. Her eyes swept across the document before she picked up a pen to sign it.

Ye Qingqiu’s gaze was fixated on Shen Fanxing’s every move. In the end, she leaned against the armrest and folded her arms.

“I’m here to fulfill your promise.”

“What?”

“I want to earn money and work here. What position can you arrange for me?”

Hearing this, Shen Fanxing leaned back in her chair and fell into deep thought.

After a long while, she looked up at her and asked, “What position do you like?”

“At first, I thought that the actors are not bad, but later on, I realized that it seems to be very tough and it’s easy to offend people. After thinking about it, I feel that the director is the most suitable for me. If I’m in a bad mood, I can even vent my anger on the actors.”

Shen Fanxing pursed her lips. With such a reason, she would be rejected 101 times.

She had a reason to be beaten up.

“... I remember that you majored in directing.”

Ye Qingqiu nodded. “I transferred from acting to directing.”

Was she emphasizing that she had become a director who could vent her anger on actors because she couldn't stand the hard work of actors?

Updates by

This woman!

"Why? Do you want to arrange a director position for me?"

"Dream on!"

She had long been angered by Ye Qingqiu's words. Wasn't she too beautiful to be a director now?

Ye Qingqiu chuckled softly and twirled her hair.

"Then arrange it for me. I'm not asking for a professional match. I'll try my best to pay more."

Shen Fanxing fell silent for a moment before asking, "Does Li Tingshen lack your money?"

Ye Qingqiu's lips twitched. Shen Fanxing seemed to have thought of something and said,

"Is there really no problem with Li Tingshen? Is he willing to let her go?"

"He doesn't seem to have the right to stop me from working, right?"

"That's true," replied Shen Fanxing calmly. Since she had said so, she didn't have to worry.

They were in the same circle.

Looking at the document she had just signed, Shen Fanxing's eyes narrowed and she stood up.

"Perfect, come with me."

She did not take off her windbreaker when she entered the room. She had always been swift and decisive. After saying that, she walked out of the office.

Ye Qingqiu picked up the windbreaker on the sofa and put it on as she walked.

—

In Pei Yaochi's ward.

Shen Fanxing and Ye Qingqiu stood by Pei Yaochi's bed and watched the woman who was reading documents.

"If there's a problem with the contract, feel free to mention it. I'll try my best to satisfy it."

"It's nothing serious," said Pei Yaochi calmly. Just as she finished speaking, a pen appeared in front of her.

It was from Shen Fanxing. "If there's nothing else, sign it now."

Pei Yaochi's lips twitched. "Don't you think the price is too high?"

Shen Fanxing said calmly, "You're the eldest daughter of the Pei family. Do you care if the price of breach of contract is low? If the price is higher, you won't be able to leave whenever you want."

"..."

This contract was different because of her family background?

"It's all about signing a contract. I think you should experience the feeling of others being restrained. Otherwise, how boring would life be without any worries?"

"..." What kind of excuse was that?

Pei Yaochi's lips twitched, but she still signed it.

Anyway, she wasn't going to breach the contract.

Seeing that she had signed, Shen Fanxing smiled smugly and pulled Ye Qingqiu forward.

"Ye Qingqiu, she will be your manager in the future. I still have something on now. The two of you... can slowly develop your relationship."

"..."

"..."

Ye Qingqiu watched her leave and raised an eyebrow.

This was really sloppy.

Had she been a manager before? Why did she have to be someone else's manager? Moreover, she had just signed a new artiste!

How much pressure was this?

Pei Yaochi and Ye Qingqiu stared at each other for a long time before Ye Qingqiu spoke first.

"To be honest... I'm a complete novice."

Pei Yaochi smiled. "It's okay... I can teach you."

"..."

"..."

There was silence in the ward. Pei Yaochi grinned awkwardly. "That sounds strange..."

Hearing this, Ye Qingqiu chuckled and said, "I wonder why Stars International has been fine all these years."

Pei Yaochi chuckled.

She was curious too.

—

Pei's Hotel.

When Bo Jinchuan and the rest entered, Cheng Fu and the rest almost screamed.

"F\*ck! What a strong aura! Who is this?!"

"I don't know, I don't know! Where did this god come from?"

"Is there any justice in this world? He's so handsome, but he can't touch her. Is he trying to drive all the women to their deaths?!"

"Hey, isn't that Young Master Bai?"

"I think so. But looking at him, he looks so cowardly!"

"Didn't you say that the CEO of the Bo Consortium is going to the new mall for an inspection? He's not accompanying the CEO... Wait!" Cheng Fu seemed to have thought of something as her eyes widened in surprise.

"Right? Ahhh! That's the CEO of the Bo Consortium, right?! He's really a god! What a surprise. I thought I would never see him again after this!"

"Yes, the CEO is so low-profile. I've never heard all the news about him before."

"Yes, yes! It's just that... it's a pity that CEO Shen missed such a good opportunity."

The few of them screamed as they watched the group of men walking towards them.

Oh... he was quite handsome!

Yu Song stood in front of the counter and said calmly, "We have a reservation here. Room 2808."

Cheng Fu checked her computer with the mouse and was surprised. She immediately made a card and handed it to Yu Song.

"Thank you for coming."

Yu Song kept the room card and asked, "May I ask... where's your new public relations manager?"

"Ah, CEO Shen, she has something on at the last minute."

Yu Song's lips twitched.

He could clearly feel the aura of someone behind him turning cold.

"May I ask when she will be back?"

Cheng Fu pondered and said, "I think so. She said that she would be back immediately after settling the matter."

"Okay, thank you."

Yu Song thanked him and took a deep breath before walking towards Bo Jinchuan.

"Master..."

## Chapter 1083: He's Here?

"Master..."

Looking at his master's expression, Yu Song sighed.

He knew that he didn't have to say anything else.

Bo Jinchuan felt as though someone had poured a bucket of water on the fire.

The low pressure made it difficult for everyone to breathe.

"Where's the room?"

He suddenly spoke in a deep voice, causing the surrounding people to shiver.

The negative emotions were too obvious. They couldn't take it anymore.

Before some people could react, Yu Song's cold gaze landed on Bai Kaijie.

However, Bai Kaijie had no idea what Bo Jinchuan had just said.

"On the sixteenth floor."

It was Lu Hui who spoke.

Bo Jinchuan walked into the hotel with a dark expression.

The group of arrogant people who should have been following behind him were now less imposing than before.

Updates by

Bo Jinchuan didn't go straight to Bai Kaijie's room. Instead, he went to the luxurious suite.

Yu Song went to Bai Kaijie's room to confirm the situation. Indeed, he found the two missing pages in the rubbish bin beside the coffee table.

Bai Kaijie's expression did not change. Since he had embarrassed himself today, he might as well go all out.

When Yu Song left, he shook his head and said to Bai Linhao, "It's good if he's outstanding, but your son..."

Yu Song didn't continue. He glanced at Bai Kaijie and left the room.

Bai Linhao's body went limp on the sofa.

"It's over..."

"Everyone makes mistakes, Dad. The CEO should give you some face."

"What the f\*ck do you know!"

Bai Linhao suddenly roared and his eyes widened. He wished he could bite his disappointing son to death!

It was all because of this bastard. He was useless!

If he had known earlier, why did he work so hard to get him in?

He pointed at Bai Kaijie's nose angrily and wanted to scold him, but he suddenly felt powerless.

She had taught him a lesson before!

She did not take his words to heart at all. She turned around and did whatever she was supposed to do.

What else could he say?

What was the use of saying anything?!

Finally, she gritted her teeth and got up to leave the room.

Bai Kaijie didn't know where to vent his anger!

What the f\*ck!

It was all because of that damn woman!

He was so angry that he smashed everything in the room before he felt the anger in his chest dissipate slightly.

When Shen Fanxing arrived at the Pei family's hotel, she happened to see Sweetie standing at the entrance.

When Sweetie saw her, her bewildered expression disappeared and was replaced by a slightly raised chin and arrogance.

Shen Fanxing pursed her lips and her gaze swept past her before she entered the hotel.

Seeing Shen Fanxing ignoring her, Sweetie felt indignant. Especially when she ignored her, she could see disdain and disdain.

Wasn't she just born into a better family and got a company?

What was the big deal?

At most... she would admit that she was pretty...

But what was there to be smug about? Wasn't she still a gold digger in the end?

There were always women who thought like that.

No matter how outstanding the other party was, she wouldn't easily acknowledge your excellence.

They would automatically treat you as an enemy.

Therefore, if a woman was outstanding in all aspects, some women would naturally want to pick on her.

She was beautiful and a gold digger...

Sweetie pouted disdainfully, but her gaze froze. That's right, Young Master Bai was so angry now. Wasn't she worried about a chance to please him?

Raising an eyebrow, she turned happily and entered the hotel.

After Cheng Fu and the rest were done with the registration, they said to Shen Fanxing happily,

"CEO Shen! Guess who we saw just now?"

Shen Fanxing lowered her head to look at the latest customer information before saying, "Sweet."

"Aiya, what's there to be excited about? We just saw the CEO of the Bo Consortium!"

Shen Fanxing's gaze landed on the familiar name on the client's profile.

"He's here?" She looked confused. Shouldn't he be at the mall? Why was he here?

"That's right, that's right! There are so many people with Young Master Bai Kaijie. The scene is simply spectacular. Moreover, the CEO is so handsome! He's as handsome as a god."

Shen Fanxing smirked.

Of course.

Of course Bo Jinchuan was handsome.

Hers.

"Look, it's sweet."

Her colleagues whispered as they watched Sweetie walk in.

Shen Fanxing didn't look at her. She put down the document and coughed lightly.

"I... I'll go upstairs to take a look."

"Oh okay."

The few of them responded. Naturally, they had no idea what CEO Shen was going to see.

When Sweetie was waiting for the elevator, a couple was flirting with each other.

The man was middle-aged and greasy, while the woman was young and beautiful.

In the hotel, this kind of "matchmaking" was not surprising at all.

When Sweetie looked over, the middle-aged man also saw her and glared at her unhappily.

She smiled sweetly and looked at the woman beside her. "Miss Liu has a good figure. This red dress shows off her figure and fair skin. I'm so envious."

She was naturally familiar with old clients.

Although this woman was beautiful, she was holding the arm of such a greasy uncle. Moreover, this man was her uncle.

Compared to him, Bai Kaijie was rich, good-looking and had a good figure. If she followed him, as long as she was willing to put in some effort and use her brain, it was not impossible for her to sit on Young Madam's chair.

But what about Miss Liu?

She could only be a mistress in this lifetime. Once she was exposed, she would definitely die a horrible death.

She had climbed into her uncle's bed. Such a scandal would result in her death.

The woman who was praised was naturally overjoyed and was familiar with sweetness. She only smiled smugly and leaned against the man's chest happily.

The middle-aged man even rubbed the woman's butt twice. The woman groaned a few times, and the two of them were obviously on fire.

The elevator stopped and the doors opened.

The three of them got off the elevator.

Sweetie watched as the two of them stumbled to the door of a suite. In the end, the door opened and the two of them fell in.

She felt disgusted for a while before suddenly laughing.

She had wanted to make Bai Kaijie happy, but now that he had given up, it should be good to see her good side.

When she reached Bai Kaijie's room, she hesitated before knocking on the door.

The door opened after a long time. When Bai Kaijie saw the sweetness, the veins on his forehead popped out.

"Get lost!"

#### **Chapter 1084: Mine, Mrs Bo**

"Get lost!"

The word made one's ears itch.

Until now, he had never hit a woman, nor did he want to.

He felt that it was low to vent his anger on a woman after fooling around with her.

Besides, this woman was indeed detestable. If he hadn't provoked her back then, this wouldn't have happened.

The culprit was himself.

As a man, he knew what to do.

Sweetie was shocked by Bai Kaijie. She shrank her neck and braced herself to enter the room. She reached out and hugged Bai Kaijie.

“Kaijie, I really didn’t do it on purpose. I love you very much. Why do I want to harm you? Can you forgive me?”

Bai Kaijie said impatiently, “Get lost. You didn’t do it on purpose. Do you know how much trouble you’ve caused me?”

“I was really wrong. Kaijie, can you forgive me this time? As long as I’m by your side, I’m willing to do anything for you...”

Bai Kaijie still refused to let go of her.

“I know! I know you like CEO Shen a lot, right? I can help you call her up!”

Bai Kaijie’s heart skipped a beat and he stopped.

Updates by

CEO Shen?

That Shen Fanxing?

Shen Fanxing’s beautiful face and slender figure flashed across his mind.

Feeling a burning sensation in his throat, Bai Kaijie swallowed hard.

That kind of woman gave off a strong desire to conquer. He really wanted to see her expression then.

Looking at his visibly moved expression, Sweetie felt indignant.

“How is she good? Don’t look at her like that. She’s actually a gold digger...”

“What nonsense are you spouting!”

Bai Kaijie looked displeased, but his voice was not as irritable as before.

Sweetheart pouted. “What if she really is? Will you still like her so much?”

Bai Kaijie snorted and pinched her sweet chin.

“If it’s true, is there a difference between liking her and liking you?”

“Of course, I love you!”

“Ha... Then I have to like you more.”

Bai Kaijie’s mood improved a little. Clearly, the sweet method had worked.

—

Shen Fanxing took the elevator to the 28th floor and found room 2808. She pressed the doorbell.

The door opened and Yu Song appeared.

“Madam... Madam, you’re here...”

Yu Song couldn’t change his mind. This was the consequence of not paying.

Shen Fanxing smirked and asked, “Where is he?”

“Inside.”

Yu Song pointed inside and walked out of the room.

Shen Fanxing walked in with anticipation in her eyes.

After turning the corner, she walked in quietly. Not long after, a familiar figure appeared.

She was agile and didn’t bump into the man’s embrace, but she felt a grip on her waist. A familiar scent wafted over and she couldn’t move.

“Why are you sneaking around?”

There was a hint of displeasure in his deep voice. He looked like he had been neglected and was in a bad mood.

Shen Fanxing placed her hand on Bo Jinchuan’s shoulder and smiled at him.

“How am I sneaky? Why are you here instead of working?”

Bo Jinchuan looked down at her and said calmly,

“To inspect.”

Shen Fanxing raised an eyebrow and asked, “Why are you here to inspect the Pei family’s business?”

“Look at the rotten peach blossoms around you.”

Shen Fanxing chuckled and said, “Why are there so many bad admirers?”

Bo Jinchuan snorted, obviously not believing him.

Shen Fanxing felt that Bo Jinchuan was too adorable recently. At the thought of the huge difference between him and her...

Alright, forgive her vanity. She just felt a sense of accomplishment.

Proud and proud!

He was so handsome, had a good figure, and was rich...

What was there not to be proud of!

The hand on his shoulder wrapped around his neck. Shen Fanxing leaned forward slightly and kissed the man’s thin lips.

“Don’t worry, the most beautiful one has always been you. No one can replace you. Don’t worry.”

As she spoke, she patted the back of his head comfortingly.

“The most beautiful?” asked Bo Jinchuan with a frown.

“Yes, the one with the prettiest and best quality!”

Bo Jinchuan pondered for a while before nodding. “Of course.”

If anyone was better than him, he would definitely get rid of them in advance!

“Where did you go just now?”

“I’ve signed Pei Yaochi.”

Bo Jinchuan frowned and asked, “It’s that easy?”

Shen Fanxing looked smug as she said, “I have to strike while the iron is hot.”

Seeing her smug expression, Bo Jinchuan smiled.

“You’re the best.”

Shen Fanxing smiled and said, “Everything has been going smoothly recently. You’re my lucky star.”

“You’re my little vixen.”

Bo Jinchuan suddenly lowered his head and his low voice sounded in her ears. His breath was warm and moist, burning her ears.

She tilted her head slightly. As she tried to dodge, she thought of another question.

There were only the two of them in the room. Was there a need to whisper?

Under normal circumstances, wouldn’t he have to take advantage of a liar?

Why was she so obedient today?

However, his words still made her blush and she pushed him away slightly.

Seeing her blush, Bo Jinchuan felt better. He wrapped his arm around her waist and walked towards the living room.

After taking a few steps, Shen Fanxing suddenly looked embarrassed!

There was a stranger sitting on the sofa!

At this moment, she stood up from the sofa in shock.

Looking at Shen Fanxing’s expression, it was as though she had eaten something incredible!

An indescribable expression.

“CEO... CEO Shen...”

He shouted almost mechanically.

Why hadn't he heard of Shen Fanxing before?

However, meeting in such a manner was really shocking!

CEO Shen and the CEO...

She recalled that the CEO had bought a few sets of perfume at the mall!

Wasn't that the perfume personally designed by CEO Shen?

Were these two people so close?

Faced with Bai Linhao's shock, Shen Fanxing recovered her composure and said, "Hello."

After greeting him, she looked at the handsome man beside her.

"This is..."

"CEO Bai, the person in charge of the new mall."

Realization dawned on Shen Fanxing.

Oh, so it was that young master's father.

"Hello, CEO Shen. I've heard a lot about you..."

"Mrs Bo."

"Shen... what?" Bai Linhao was stunned, not understanding.

Bo Jinchuan glanced at him and emphasized coldly,

"Mine, Mrs Bo."

### **Chapter 1085: The... The...**

"Mine, Mrs Bo."

Bai Linhao chuckled and nodded. "Oh, Mrs... Mrs Bo?!"

When she realized what was going on, she raised her voice subconsciously!

'Mrs Bo?'

The CEO's wife!

Why hadn't he heard that the CEO was married?

Bo Jinchuan frowned and asked, "You have a problem with that?"

Bai Linhao stared blankly. "But... President Shen... didn't she just wake up and announce her engagement not long ago?"

The CEO was... the... the...

Bo Jinchuan's expression turned cold.

"Is the engagement a conflict with her being my wife?"

Bai Linhao shook his head and waved his hand.

Shen Fanxing looked at Bai Linhao's fearful expression and her lips twitched.

"What CEO Bai means is that you might be the third party."

Updates by

Bai Linhao's legs went weak and he almost fell to the ground!

Was CEO Shen trying to kill him?

"No, no, no, I definitely didn't mean that. The two of you are really compatible!"

Although it sounded like she had a strong desire to live, there was some truth in it.

Her eyes swept across Shen Fanxing and she realized that she was wearing an exquisite diamond ring on her left ring finger.

He was secretly surprised. Indeed...

On second thought, Shen Fanxing was the only one in Ping Cheng City who was qualified to stand beside the CEO.

However, what a coincidence!

They were so compatible. Were they really together?

It was really... a coincidence.

Bo Jinchuan glanced at him silently.

However, Bai Linhao heaved a sigh of relief because he knew that his words had saved his life.

"Aren't you going out?"

Bai Linhao looked troubled. "... CEO, this... today was really an accident. Lu Hui is Bai Kaijie's assistant. It's normal for him to do the report... It's just that you suddenly came down to inspect today..."

Bo Jinchuan's face turned cold. "Are you reminding me how useless your son is?"

Bai Linhao was embarrassed. "CEO..."

Bo Jinchuan narrowed his eyes and Bai Linhao's words got stuck in his throat.

Now that there were only the three of them left in the room, he was obviously the extra one.

After a moment of silence, he sighed inwardly.

"Then..."

Just as he spoke, Shen Fanxing's phone rang.

She retreated from Bo Jinchuan's embrace and picked up her phone.

"What is it?" asked Shen Fanxing softly.

Cheng Fu's voice sounded from the other end of the line. "CEO Shen, Sweetie wants you to come to her room."

Shen Fanxing frowned and asked, "What's the matter?"

Sweetie's voice sounded angry. "I asked you to give her two bottles of water! She's really too much. There's no end to it. Isn't it just to show off that she's with Young Master Bai and wants to show off in front of you?"

Shen Fanxing was amused by her sweet words. "On an equal footing with me? Do the two of us... have any competition?"

"Who knows what she's thinking? She wants to show off that she's rich... Didn't you just ask her to resign? She's looking for trouble with you!"

Shen Fanxing chuckled and said, "Forget it, I'll go down later. She's a guest after all."

Cheng Fu still sounded unhappy, but there was a hint of unwillingness in her voice.

"That's right!"

"I'll go down now."

"Yeah."

After hanging up, Shen Fanxing sighed softly and kept her phone. At the same time, she placed it in her pocket.

Bo Jinchuan heard her last sentence and looked at her unhappily.

Shen Fanxing looked helpless as well.

"There's a guest downstairs looking for me..."

At this point, she paused and glanced at Bai Linhao before saying,

"I'm going to the 16th floor."

Bai Linhao felt uncomfortable under Shen Fanxing's gaze, but he didn't know what was wrong.

"CEO Bai seems to have something to discuss. I won't disturb you anymore!" Bo Jinchuan's expression darkened.

Bai Linhao wanted to cry. Who was disturbing whom?

However, Shen Fanxing had already walked out of the room.

Looking at his back, Bai Linhao seemed to be deep in thought.

His mind was filled with the way Shen Fanxing looked at him when she spoke.

It seemed normal, but he felt that something was amiss.

Room 1606.

“Kaijie, go take a shower first. I’ll help you ask her out after you’re done.”

Bai Kaijie thought for a while and felt that what Sweetie said made sense. He nodded with interest.

Looking at his eager expression, Sweetie felt unhappy.

She leaned into his embrace and rubbed against his chest seductively.

“Kaijie, I only let her get close to you today to apologize to you, but you can’t fall in love with her. Otherwise, she’ll be so sad!”

Bai Kaijie smiled and patted her shoulder. “Don’t worry, doesn’t she already have a fiancé? We can only be in a relationship. There’s nothing to worry about.”

Sweetie pouted, sounding extremely sad and aggrieved.

“Just this once! Kaijie, you really love me...”

“You’re so tactful and sensible. I naturally love you too!”

In the end, Bai Kaijie patiently said a few sweet words to her before she let him go.

Seeing him walk into the bathroom, the sweet smile on her face suddenly turned cold.

Then, she turned around and walked to her room. She took out her phone and made a call.

“Hello, Mrs. Xia, I saw your husband and a young and beautiful woman getting a room at the Pei Corporation Hotel. The room number is... May I know when you will arrive? I can help you keep an eye on them... Alright, I understand... You’re welcome...”

After hanging up, Sweetie sneered.

She was not a pure fool. She knew what Bai Kaijie was like, but she still sent the woman she hated to his bed.

Although she wanted to ruin her reputation, she couldn’t get involved with Bai Kaijie.

Getting involved with Bai Kaijie was the same as getting involved with her.

She had spent so much effort to get close to Bai Kaijie and was finally close to her dream of being a rich man’s wife. How could she do such a stupid thing?

Ten minutes later, she guessed that Madam Xia was about to arrive. Hence, she called the front desk and asked Shen Fanxing to send two bottles of water.

After putting down the phone, she took the phone in the room and called the front desk. She deliberately said in a low voice,

“I’m in room 1613. I don’t know how to turn on the television in the room. Please find someone to turn it on for me.”

“Sorry, we’ll send someone up immediately. Please wait a moment.”

“Yes ~ It’s alright, I’m not in a hurry.”

“Thank you for your understanding and support!”

### **Chapter 1086: The Water in the Hotel Is Good**

When Shen Fanxing reached the front desk, Cheng Fu handed her two bottles of water that she had prepared beforehand.

“CEO Shen, the guest in Room 1613 said that he won’t turn on the television. Please turn it on when you go up.”

Shen Fanxing didn’t take the two bottles of water and nodded lightly.

“Got it.”

Cheng Fu’s colleague was standing in front of the computer. She glanced at the computer and muttered doubtfully,

“Isn’t 1613 Mr Xia and his niece? The two of them have been here more than ten times. How can they not know how to turn on the television?”

Shen Fanxing frowned and asked, “Mr Xia?”

Her colleague looked around before nodding mysteriously at Shen Fanxing.

That’s right, this was a well-known secret in the company! It was that famous actress, Xia Yao’s father. She didn’t know when he got together with his wife’s niece! Really... rich people really knew how to have fun. They even dared to play with their niece...

Her colleague seemed to have thought of something and shuddered.

Surprise flashed across Shen Fanxing’s eyes. Xia Yao’s... father...

Then, her lips twitched slightly. A hotel was indeed the most well-informed place.

No wonder the ancient people used brothels as a gathering point.

It seemed to make sense.

With his niece...

She really knew how to play!

Cheng Fu suddenly gave a sarcastic smile.

“Speaking of this Mr Xia, he’s famous for being playful. He’s been caught by his wife many times, but he still does whatever he wants and refuses to change! If I were this Mrs Xia, I wouldn’t know how many times I’ve divorced him. However, Mrs Xia is stubborn and insists on hanging herself on him. She easily forgives him every time!

After a while, who would still take her seriously? I remember that there was a time when Sweetie went around asking for Mr. Xia’s contact information! It was just that she hooked up with Young Master Bai later on. Although he wasn’t as rich as Mr. Xia, he was still a rich young master...

CEO Shen, you have to be wary of Sweetie. This person is really too annoying. She’s not capable and yet she looks down on others every day! Whoever she doesn’t like, she would either badmouth them behind their backs or make things difficult for them.”

Shen Fanxing smiled and said, “Why bother with her?”

“That’s true... I hope she won’t go overboard.”

“Okay, work hard and keep your mouth shut. Cheng Fu, come with me later.”

“Okay! Boss Shen, where are you going?”

Shen Fanxing didn’t answer and walked into the storeroom.

Cheng Fu hurried after him.

Not long after, Cheng Fu walked out of the front desk with a box in her arms.

A colleague at the front desk sighed deeply and shook his head. He couldn’t help but ask,

“What are you worried about?”

The colleague who shook his head sighed again. “I used to think that CEO Shen was a sharp and unforgiving person based on the rumors. Why do I feel that she’s quite Buddha-like now? She’s not as domineering as before!”

Her colleague pondered for a moment before saying, “I also think that CEO Shen is quite approachable and has a good temper. In the beginning, I felt that he was a little reserved. But after interacting with him for so long... Yes, that’s why Sweetheart dares to push her luck!”

“I didn’t expect CEO Shen to be like this!”

“Then why do you want her to fight with someone for no reason? Besides, didn’t she say that it’s meaningless to scheme against someone like Sweetie? Don’t you think it’s despicable for CEO Shen to fight with her over such a small matter?”

“That’s true. CEO Shen isn’t that low-class! If you say that... I feel that Tiantian thinks too highly of herself! CEO Shen doesn’t care about her at all... Oh my god, isn’t that person... isn’t that Mrs Xia?!”

“Mrs. Xia? What happened to Mrs. Xia?... Oh my god! Just now, Mr. Xia... rushed... to call No. 1613 and ask Mr. Xia to think of a solution! If this matter is exposed, it will affect the hotel greatly!”

“Okay, okay!” His colleague hurriedly took out his phone and dialed Room 1613.

After hanging up, Sweetie sneered and walked to Room 1613. She knocked on the door.

The door opened after a long time. The person who opened the door was a greasy man in a bathrobe.

“What are you doing?!” The man’s eyes were still red. It was obvious that his good deed had been interrupted!

Sweetheart frowned and said anxiously, “Mr. Xia, I just saw Mrs. Xia enter the hotel aggressively! Did she know something?”

When the man heard that, his expression changed drastically and his face turned pale.

“Damn it, why is she back? What’s going on here? Isn’t it 100% private?”

Sweetie pretended to look troubled. “Mr. Xia, there’s no way to hide the truth. Besides, you’re a famous public figure. It’s understandable for you to be targeted, right?”

The man was furious. He thought that Sweetie was still the waitress here, but after hearing her flattery, he didn’t flare up at her.

After that, she looked helpless. “What the f\*ck should we do? If that fat woman catches us, who knows what will happen!”

After hesitating for a few seconds, the man suddenly shouted into the room, “Tiantian, Tiantian...”

“Who is it? Brother~ Come back quickly after you’re done. I feel so uncomfortable ~ Mmm ~ Ah...”

Sweetie’s lips twitched. How coquettish!

In order to please Bai Kaijie, she had done many unbearable things. However, she had felt ashamed back then. Now... there was always someone better.

However, she seemed to have learned a trick to seduce men!

When she heard the woman’s disgusting cries and the man’s ears, she would probably melt.

However, the man looked anxious and impatient.

“Why are you still flirting at a time like this? Hurry up and put on your clothes. We have to leave quickly. Your aunt is here!”

“What?!!!”

An unusually sharp and panicked voice sounded from inside, followed by a series of rustling sounds.

“Uncle... if Aunt catches me... my parents will definitely beat me to death!”

“Then why aren’t you changing?!”

The greasy man roared impatiently and turned around to change his clothes. However, Sweetie stopped him.

“Mr Xia, don’t be anxious. I think your wife must have known that you were already here! If she came over and realized that you weren’t here, she must have thought that you had received the news in advance and hid somewhere...”

### **Chapter 1087: I’ll Treat You**

“Mr Xia, don’t be anxious. I think your wife must have known that you were already here! If she came over and realized that you weren’t here, she must have thought that you had received the news in advance and hid somewhere...”

In any case, you’ve already... had a lot of past convictions. Didn’t Madam forgive you every time? This time, she mainly wanted to cover up for you... Niece, there’s actually no need for you to hide. Otherwise, I think your wife would be messing with you when she goes home!”

Hearing sweet words, the greasy man suddenly calmed down.

“Yes, yes, yes, you’re right. Anyway, I’ll at most be beaten up by that old woman, but Tiantian will be in danger...”

Sweetie pursed her lips. The men in this world were really disappointing.

He had never said that he had stayed in a seven-star hotel before, let alone feel sorry for his wife!

It seemed that men were all cheap. Wildflowers were always more fragrant than flowers at home!

However, Sweetie said with disdain,

“Mr Xia, I have an idea. I wonder if it’s okay?”

“Hurry up and tell me!”

The greasy man raised his hand, his face full of annoyance.

Sweetie immediately said,

“It’s like this...”

Shen Fanxing went straight to Room 1606. Two seconds after she pressed the doorbell, the door opened abruptly. The speed shocked Shen Fanxing.

“Ah, it’s you. Give me the water! Thank you!”

Her sweet face was filled with smiles the moment she opened the door.

It was as if she had already planned to face her with such a smile.

Shen Fanxing frowned slightly. What courage did she have to show such a hypocritical expression?

Previously, she was still flaunting her prowess, but today, her attitude had suddenly changed. It made people wonder what she wanted to do!

Raising an eyebrow, sarcasm flashed across Shen Fanxing's eyes. Someone who couldn't even control her expression and words was much worse than Shen Qianrou.

The only drawback was that she wasn't familiar with Shen Qianrou.

She handed the two bottles of water to Sweetie and said coldly, "The hotel's water seems to be delicious?"

The question was obvious. She raised her eyebrows in disdain.

"Yes, did I drink too much? Sorry, I really like it. So I'll have to trouble you in the future!"

Shen Fanxing's lips curled into a smile.

"It's no trouble." As she spoke, her feet suddenly moved, accompanied by a muffled bang.

Shocked, Sweetie retreated and looked at her warily.

"You... What are you doing?!"

Shen Fanxing lifted her left leg and pushed it forward.

Sweetheart lowered her head and saw a cardboard box under Shen Fanxing's feet.

Upon closer inspection, she realized that it was a box of water. It was the same brand as the one in her hand.

"It's your treat!"

Shen Fanxing looked up at her with a smile and said, "You're the first customer I've met who likes drinking water so much. That's right, Tibetan glacier water and vacuum packaging are worth liking! Thank you for your support of our hotel. I'll give you this box of water on behalf of the hotel."

"Pfft..." Cheng Fu, who had been following Shen Fanxing, couldn't help but laugh.

At first, she didn't understand why CEO Shen would give Sweetie so much water for no reason!

She had even complained in the elevator about how much a bottle of water cost. It was dozens of times more expensive than ordinary mineral water. It was really annoying to give boxes to such an annoying person like Sweetie.

At that time, CEO Shen only smiled and didn't say anything. Now, it seemed that... he was still the CEO Shen she knew.

Their combat strength could not be underestimated!

She was sweet and looked down on others. In fact, she was just an ordinary commoner. She liked even water that was slightly better!

Hence, it was better to recognize her position and not feel superior all the time.

Even if I give you a pair of wings, you're not an angel!

Sweetie's temples throbbed violently. Cheng Fu's smile made her face turn pale. It was obvious that she was gritting her teeth!

Vacuum Tibet Glacier Water, Hotel Special...

Her tone and words were filled with sarcasm!

"You... don't go overboard!"

Shen Fanxing smiled and said, "Miss Sweetie, I don't understand. Why did I invite you to drink water?"

"I..." Just as Sweetie was about to argue with her, she suddenly paused. Her eyes darted around and the expression on her face changed into a smile.

"Thank you for your hospitality, Shen. I'll definitely persuade Young Master Bai to continue staying here! I'll make some contributions to your performance..."

Shen Fanxing raised an eyebrow and said, "Please move aside. I'll help you carry the water in."

As she spoke, she took two steps forward. Sweetie's expression changed and she blocked her way into the room.

"I can do it myself. I'm not used to people entering my room."

Shen Fanxing stared at the sweetness for a long time before retracting her leg.

"Do whatever you want."

"Okay."

She smiled sweetly and bent down to carry the cardboard box back.

Shen Fanxing watched as she carried the box and entered the house. She pursed her lips and her eyes darkened, but she still turned to leave.

Sweetheart placed the box in the house. Sensing Shen Fanxing's departure, a strange smile appeared on her face.

How could he still be arrogant in front of her after today?

Shen Fanxing walked to Room 1613 and pressed the doorbell. The person who opened the door was a plump man with a greasy face. He was wearing a black bathrobe and his face was filled with nervousness.

However, when she saw Shen Fanxing, she was stunned for a moment before shock flashed across her eyes.

Shen Fanxing was displeased by his gaze. She didn't smile and her voice was cold.

"Hello, sir. I'm a hotel staff. I'm here to help you turn on the television!"

Mr Xia's gaze was fixed on Shen Fanxing. She seemed familiar, but his eyes and head were filled with Shen Fanxing's tall and slender figure, unique temperament, and beautiful features.

"Mr Xia!"

Shen Fanxing's voice turned cold and her face darkened.

The man snapped back to reality. "Turn on the television? Oh yes, turn on the television. I don't know how to turn on the television in the room. Come, come, come in..."

Shen Fanxing noticed the obvious change in his excited and wretched expression when he realized the word 'television'.

Her beautiful eyes narrowed and she took a step back to avoid the man's hand.

### **Chapter 1088: Caught in the Act**

Her beautiful eyes narrowed and she took a step back to avoid the man's hand.

"Mr Xia has been to the hotel so many times. He should be able to turn on the television..."

Seeing Shen Fanxing's sharp vigilance, the greasy man couldn't help but panic.

"But I can't open it!"

Shen Fanxing nodded and said, "I'll inform the maintenance department to help you take a look! Cheng Fu, contact the maintenance staff!"

"Okay!" Cheng Fu nodded and took out her walkie-talkie to switch to the maintenance department.

"But you... aren't you going to come in and take a look? Perhaps you'll open it immediately?"

Shen Fanxing sneered and said, "Mr Xia, you must be joking. I'm not that capable."

"But..."

"Hello, is this the maintenance department? This is the front desk. The television in Room 1613 can't be turned on. Please send a repairman up."

The man wanted to say something, but Cheng Fu had already finished speaking.

Displeasure flashed across Mr Xia's face. At the thought that the harpy was about to come up, he made up his mind and reached out to grab Shen Fanxing's hand. A sharp glint flashed across Shen Fanxing's eyes and she moved to the side. The man missed again.

"Look at you, woman. Why are you hiding..."

Just as the man finished speaking, a plump figure with a strong fragrance suddenly rushed over.

Updates by

She grabbed Cheng Fu's arm and stared at her face for a long time before shifting her gaze to Shen Fanxing. She then flung Cheng Fu's arm away and dashed towards Shen Fanxing.

The entire process happened in an instant. Before anyone could react, the figure pounced on Shen Fanxing.

Shen Fanxing was thrown against the wall.

The woman was well-built and Shen Fanxing felt a dull pain in her chest.

“Damn vixen, how much do you lack men?! Why do you have to seduce a married man of all men?!”

The woman lost her balance and grabbed Shen Fanxing’s collar.

Shen Fanxing’s eyes turned cold as she stared at the fat woman who was half a head shorter than her.

“Please let go immediately.”

The woman’s heart tightened at the sudden coldness and anger emanating from her. She panicked for no reason and loosened her grip.

Shen Fanxing grabbed the woman’s wrist and pushed her away forcefully.

Being thrown aside, the woman staggered a few steps. When she stabilized herself, the muscles on her face twitched.

“Madam, please be more respectful!”

“Damn vixen, you still have the cheek to talk to me about respect? You’re a coquettish vixen. You’re already a mistress and you still want to be respected?! You still want to seek dignity from me? Why are you so shameless?”

The woman shouted, causing everyone in the other rooms to come out and watch.

Hearing the woman’s words, Shen Fanxing fell silent for a second before her lips curled up. Even though she was confused, she understood a little.

“The first wife? Mrs. Xia? How pitiful are you to be able to position yourself as the first wife?”

Mrs. Xia couldn’t react in time.

“The main wife? What’s wrong with the main wife? If I’m not the main wife, are you?!”

Shen Fanxing raised an eyebrow and said, “Of course not!”

She paused for a moment and the smile on her lips became even more obvious. “I used to wonder why Mr. Xia could still live together after being caught cheating so many times. I think it’s because Mrs. Xia is too understanding. She has already admitted that the people outside your husband are his wives. No wonder Mr. Xia is still so carefree.”

The woman’s face froze for a moment. A few seconds later, she seemed to have realized what he meant. The fat on her face trembled and she gritted her teeth, feeling ashamed.

Over the past few years, she had been forced by this damned man, Xia Tian, to the extent that she had unknowingly gotten used to his actions. Now, she had even implicated herself.

The more she thought about it, the angrier she became. "It seems like you know that he's easy to seduce. That's why you chose him, right?"

As Mrs Xia spoke, she sized up Shen Fanxing and chuckled coldly. "No wonder the women who called me said that you're beautiful and not ugly. But in this day and age, the more beautiful a woman is, the more cheap she is! She can do anything! Look at how serious you are. You must be flirtatious in bed!"

Shen Fanxing narrowed her eyes and a cold glint flashed across them.

"You said... someone called you?"

As soon as she finished speaking, she saw Sweetie leaning against the door of the room opposite her, looking at her smugly.

A cold glint flashed across her eyes and her aura turned cold.

"Who do you care who called me?! You seduced my husband and you're still afraid of being reported? You b\*tch, other than packing clothes and makeup every day to make yourself look more coquettish, what else do you think you can get from working so hard in bed?"

You want him to divorce me? A mistress? Do you think he dares to divorce me? He's the one who made a mistake. If I sue him, he won't get a single cent!"

"You little demons are ignorant and incompetent every day. You want to enjoy the fruits of others' labor with just your legs? Dream on!"

The woman's words were especially harsh. Shen Fanxing watched as more and more people gathered and her anger rose.

"Mrs Xia, I've said it before. I don't know your husband! It's impossible for me to have any ambiguous relationship with him!"

"You refuse to admit it now? Little b\*tch, you scum of society. You seduced my man. I'll beat you to death!"

The more she spoke, the angrier she got. She rolled up her sleeves and wanted to beat Shen Fanxing up.

Cheng Fu, who was stunned, reacted and hurriedly stepped forward to shield the woman.

"Mrs Xia, can you understand the situation?! CEO Shen is the manager of our hotel. She's only here because the television in Mr Xia's room can't be switched on. We're just here to take a look. She's not a mistress! The real mistress is..."

"Cheng Fu!"

A voice interrupted Cheng Fu's words. Then, she saw Sweetie walking over.

Cheng Fu looked at her unhappily. "What?"

Sweetie went forward to grab Cheng Fu's wrist and gave her a meaningful look. "Be careful. How long have you known CEO Shen?"

"But she misunderstood..."

Seeing Cheng Fu's indignant expression and her determination to clear Shen Fanxing's name, she added sweetly,

"Besides, we've signed a confidentiality agreement with the hotel. There are so many people here now. If you really tell them, not only will you be fired by the hotel, but you'll also have to pay an expensive penalty. Can you afford that? Is it worth it for a woman you've only known for a few days?"

### **Chapter 1089: Leave**

When Cheng Fu heard that there was an expensive penalty, her attitude softened. However, she still felt aggrieved for Shen Fanxing!

Anyone would feel aggrieved to be scolded and scolded for no reason.

"But she scolded people indiscriminately..."

Sweetheart squeezed Gan Tian's arm, signaling her not to speak first. Instead, she raised her head and smiled at Mrs. Xia.

"Mrs Xia, what the receptionist said just now is right. You didn't understand anything and it's indeed inappropriate to scold her. That lady said that she's not a mistress. Is there a mistake?"

The onlookers nodded in agreement. "Yes, what if it's really not?"

"She doesn't look like that kind of person?"

"I think so too. It's not too late to settle the score after asking, right?"

Madam Xia looked impatient. "A beautiful woman is still standing outside my husband's room and pestering him. Isn't she the only one here?!"

Cheng Fu blinked. Was she being ignored?

"I was there too!"

Madam Xia glanced at her. "You're not as pretty as her!"

Cheng Fu was speechless. She felt that she had embarrassed herself.

"Besides, if she says she's not, then she's not. Now that her identity as a mistress has been discovered, she probably wants to find a hole to hide in!"

Updates by

Shen Fanxing stood at the side and didn't say a word. She turned her body slightly and her gaze swept to the sweetness beside her.

Since she had chosen to step forward, the scenes she had arranged for herself would naturally be more than that.

She wanted to see how much she hated her.

Sweetie pondered calmly and rationally for two seconds before saying,

“I see. Since you don’t believe me, why don’t you ask Mr Xia? I think with you here, Mr Xia won’t lie anymore!”

As she spoke, she looked up at the fat man in a black bathrobe and said softly,

“Mr Xia, do you really not know how to turn on the television in the room?”

The greasy man looked up at Sweetie, who raised her eyebrows and smiled at him. The man immediately said,

“You don’t know how to turn on the television? How many times have I been to this hotel? How can you not even know how to turn on the television?”

Shen Fanxing smirked coldly at the sweetness.

Upon hearing Xia Tian’s words, Sweetie looked at Shen Fanxing awkwardly. She saw Shen Fanxing’s cold smile.

That smile wasn’t big, but it was filled with sarcasm. Moreover, it seemed like it had nothing to do with her.

That calm and composed expression made the confidence in her heart dissipate.

She hated the feeling of being suppressed so easily. She retracted her gaze and said,

“Mr Xia, you and Miss Shen...”

She hesitated and glanced at Shen Fanxing, her face full of pity. “...Is it really that kind of relationship?”

Xia Huan looked at his wife, who was glaring at him. Then he thought about how she had found out that he had played with his wife and niece, including the people from her family...

He would definitely be skinned alive by them!

Moreover, she had yet to warm up to her niece. If others found out, not only would she lose the thrill of having an affair with her niece under her wife’s nose, but she would also be mocked and guided by everyone as an ethical scandal.

That woman said that everything had been arranged and there shouldn’t be any major problems. She had almost been messed up by the waiter just now. Fortunately, she came out in time to stop her.

Therefore, this woman should be a little reliable.

However, with so many people watching, it would be too embarrassing for a man like him to be questioned.

Moreover, after being in the business world for so long, she was quite tactful.

“What do you mean by that? Why do you care so much?! Stop fooling around. Aren’t you embarrassed? Hurry up and disperse!”

He waved his hand to chase her away. When he reached Shen Fanxing, he paused and sighed heavily. "Alright, don't stay here anymore. Leave quickly!"

He didn't admit or deny it, but his ambiguous answer revealed to everyone that the woman he was with was her.

Whispers broke out as Shen Fanxing suppressed her cold smile.

Mrs. Xia snorted sarcastically. "You're still not admitting it? Little b\*tch, the man who slept with you has already admitted it. How can he admit that he poked a hole?!"

His filthy words made Shen Fanxing's nerves snap.

But she still took out her phone and made a call.

The call went through quickly and Shen Fanxing's voice was extremely cold.

"Boss Pei, I'm just informing you that I'm no longer a hotel consultant! I'm also sorry to say that the reputation of the hotel might be damaged, but I'll think of a way to resolve it later!"

Hearing the coldness in Shen Fanxing's voice, Pei Yunze said without hesitation,

"Got it."

"Thank you!"

Mrs Xia was still cursing, her voice unbearable.

Sweetie played the role of a mediator to comfort the woman.

For example, "Mrs Xia, don't be too angry. Mr Xia didn't say who it was."

"It's not good to be angry. If you're angry, your body will suffer. If you're angry, your enemies will be happy. Wouldn't that benefit other women who covet Mr Xia?"

"You just said that she only got some clothes, bags, and jewelry. She won't threaten your status!"

"Pfft! Who does she think she is? She even wants to replace me! I was the one who raised Xia Huan when he was poor! She wants to replace me just because she's a prostitute? Dream on!"

Shen Fanxing's face darkened and her obscenities pierced her eardrums like needles.

She took a step and rushed in front of Mrs. Xia. Her speed was so fast that no one could see her clearly. Then, they heard a few crisp sounds. Mrs. Xia's insults disappeared at the same time.

When she finished speaking, everyone focused their gaze and heard a loud bang. The plump Madam Xia had been thrown to the ground by Shen Fanxing.

Everyone was stunned again. Even Cheng Fu, who was beside them, blinked in fear at the sudden scene. Her body stiffened and she didn't dare to move. She swallowed hard.

Too... too awesome...

These few slaps were really swift!

How satisfying! She was so angry just now!

Mrs Xia was a little dazed from the slap. She was thrown to the ground for a long time before she seemed to react. She struggled to stand up and screamed like a lunatic.

“B\*tch! How dare you hit me? I think you really don’t want to live anymore! Just you wait! I... I’ll kill you!”

### **Chapter 1090: Unreasonable**

“B\*tch! How dare you hit me? I think you really don’t want to live anymore! Just you wait! I... I’ll kill you!”

Seeing that the matter had blown up, Xia Tian became anxious again.

She went forward and waved at Shen Fanxing. “What are you doing? Hurry up and leave! Why are you still standing here? Are you waiting to be punished?”

Shen Fanxing stood rooted to the ground, not noticing Xia Tian at all. Instead, she lowered her gaze and looked down at the fat woman.

“I want to see how you’re going to kill me.”

She didn’t have the ability to keep an eye on the man and only knew how to throw a tantrum at the woman. With your shrewish behavior, I can understand why your husband cheated on you repeatedly!

He cheated on her time and time again. Just because you treat such a man like a treasure doesn’t mean that everyone treats him like a treasure! I like him? What’s so good about him?”

Shen Fanxing’s voice was cold and her expression was frightening.

Sweetie was standing at the side with her phone in her hand. No one knew what she was doing.

When she put away her phone and looked up, she saw Shen Fanxing standing there arrogantly. Everyone was staring at her, their faces filled with surprise and excitement!

It was as if it was right for her to hit someone just now. Now, her words made them even more satisfied!

She frowned and gritted her teeth as her gaze swept across Shen Fanxing. When she saw the diamond ring on Shen Fanxing’s hand, her eyes narrowed.

“CEO Shen, your ring looks pretty. It should be expensive, right?”

The crowd shifted their attention to Shen Fanxing’s left ring finger.

Updates by

Shen Fanxing narrowed her eyes and sneered coldly. “Of course you can’t afford it!”

Sweetie’s face darkened before she pursed her lips. “Yes, I’m naturally not as thick-skinned as some people. I can’t get a man to buy me such a beautiful and expensive diamond ring...”

Shen Fanxing's hand was suddenly grabbed, followed by Mrs Xia's high-pitched voice.

"Vixen, why are you pretending to be noble? What's there to like about my man? Isn't that him? You... you b\*tch, I've caught you red-handed and you still refuse to admit it! I... shall tear your mouth apart!"

With that, Madam Xia waved her hands at Shen Fanxing's face.

Shen Fanxing pursed her lips and pushed Madam Xia, who was half a head shorter than her, away.

"I've said it before, I have nothing to do with your husband! If you love him, take good care of him. Don't even think about implicating innocent people in the dirty matters of your family!"

However, Mrs. Xia refused to listen. "Innocent? Are you innocent as a mistress? How many families have been harmed by mistresses like you? You're still innocent! I..."

Mrs Xia's chubby face had turned red and swollen from Shen Fanxing's slap. At this moment, she was still shouting at Shen Fanxing's ugly face.

Her eyes scanned Shen Fanxing's body. "Clothes, shoes, rings... Take them all off! Aren't you shameless? I'm going to strip you naked today! I'll let everyone see how coquettish you are!"

Despite being pushed away several times, the woman refused to give up. Everyone found her actions ridiculous.

Cheng Fu was anxious. If not for the fact that she couldn't afford the expensive breach of contract, she would have told the truth long ago. Now, after watching for so long, Mrs. Xia's shrewish words had landed on CEO Shen. Even she felt that it was dirty, let alone an exquisite person like CEO Shen.

CEO Shen had probably never scolded someone like this in his life. Now that he had been slandered for no reason, he felt extremely ashamed.

Before she met Shen Fanxing, she had treated her as her idol. After interacting with her for a few days, she felt that she had a good personality.

Initially, she felt that as the leader of such a large company, she should be strict with her employees. However, she was not as meticulous as she had imagined.

She could urge them to work and occasionally allow them to slack off.

She had a sense of propriety and no one could hate her. She was such a good person, but she was being scolded by others. Only God knew how angry she was as her number one fan!

Feeling wronged, Cheng Fu suddenly said,

"Mrs Xia! I've already said that she's not the mistress. I know who the real mistress is. If you don't believe me, you can follow me to the front desk. We have a check-in record there! You can take a look and see who Mr Xia is checking in with!"

Oh no!

Xia Tian and Sweetie looked at each other and cursed in their hearts!

Sweetheart reached out and pulled Cheng Fu to the side. "You're crazy. You've exposed the privacy of the guests. Not only do you have to pay a high penalty, but you also have to bear legal responsibility!"

"But they're too much! How can CEO Shen be a mistress? I came up with her! He was the one who said that he didn't know how to turn on the television and kept wanting to bring CEO Shen to his room. It was CEO Shen who kept rejecting him! Why... why is he suddenly so insistent on CEO Shen? What is he thinking? How can he do this?"

"Cheng Fu!"

Sweetie called out to her sternly and specially reminded her not to spout nonsense. Cheng Fu flung her arm away and glared at her angrily with a frown. "And you, Sweetie, what did you mean just now? Do you also believe in CEO Shen's mistress?"

Sweetheart frowned and stammered, "... But Mr Xia didn't deny it just now..."

"But CEO Shen clearly said that she's not!"

Cheng Fu interrupted Sweetie angrily, "CEO Shen has only been working at the hotel for a few days. How can he know Mr. Xia? This is his first time at the hotel, so I asked him why they got a room together?! Sweetie, you neglected your job after you got together with CEO Bai. CEO Shen didn't fire you and chose to let you resign. He's already taking care of you. Don't be ungrateful! You're making things difficult for CEO Shen now."

Everyone looked at Sweetie suspiciously with different expressions. Sweetie's face darkened and she said, "What nonsense are you spouting? I was planning to resign from my job! I admit that I have nothing to do with CEO Shen. What does this have to do with me? It seems like I've ruined things!"

At this moment, Madam Xia suddenly glanced at Sweetie and frowned without saying anything.

Cheng Fu's cheeks puffed up in anger. "What do you mean by doing bad things with good intentions? You deliberately wanted to embarrass CEO Shen just now!"

"Cheng Fu, don't go overboard. I'm doing this for your sake! Between the two of us, who is the one who doesn't know what's good for her? I can actually ignore this matter because we used to be good colleagues."
