

Chapter 1083

At exactly this time, Jarod's cell phone rang.

In fact, Jarod's cell phone rang several times, but he couldn't answer it because someone was watching him.

At this time, in the silent lobby of the hotel that Arron had taken down, Darius took out his mobile phone from Jarod's pocket and opened it to see that Moira was calling.

Jarod's face was so scared that he couldn't be pale anymore.

Darius glanced at Elder Shu, and said to him: "Grandpa, it's because of you. You will answer this call."

Elder Shu answered the call immediately and pressed the answer button.

Darius raised his hand again and pressed the speakerphone for him.

"Hello? Is it Moira?" Elder Shu said calmly.

Moira's extremely excited voice came from that end: "Hey, Dad... Dad..."

Elder Shu: "..."

Everyone here: "..."

Especially Suzi's mother, she couldn't help laughing out loud.

Elder Shu's old face was immediately red as blood, but he still calmly received: "Moira, what's the matter?"

At that end, Moira smiled and asked, "Dad, how is the matter going? It should go smoothly, right? Has Suzi been taken to prison?"

"Dad, you have to hurry up and think of a way to drag people for a while, so that Suzi can be sentenced as soon as possible, and it is best to make a decisive decision."

"You have to know that your granddaughter has less than a month left. Time is waiting for no one."

"Dad..."

Moira took a bite of one dad at the end of the phone.

One bite for one dad.

Shouting Suzi and his mother both laughed sadly.

Even Suzi couldn't hold back, tears flowed out.

However, the moment it came out, she was stubborn again and wiped away the tears.

Here, Elder Shu asked calmly, "How is Lanita's physical condition?"

"Dad, she feels pretty good today. After all, she just had dialysis. Your baby granddaughter said that she was bored in the hospital every day. She wanted to get some ventilation. No, I took her out. I asked the driver. I drove to the gate of Arron's house, but I didn't see you."

Elder Shu: "..."

At this moment, Lanita's voice suddenly came from the other end of the phone.

Her voice was not like a patient at all. Instead, she was very excited and said, "Grandpa, grandpa, there is nothing outside the gate of Suzi's house. I guess you must have taken Suzi into the prison? Haha, she This is the second entrance to the palace!"

"Grandpa, you must find someone to look at her.

I can't let her hurt her own kidney! "

"Grandpa Huashu, I'd better dig her out today. I was too bored in the hospital."

Lanita's tone on the phone was extremely acting like a baby.

On this end of the call, Jarod was ashamed of hearing it.

Darius heard thunderously.

Darius's parents were irritated, especially Darius's father. He was uncomfortable, so she kicked Jarod again.

Here, Mr. Shu gently said to Lanita: "Granddaughter, grandpa knows that you are too bored in the hospital. Grandpa has found a hotel for you. Come and have a meal with your mother. The hotel is at Arron's house. Across the road outside. Ocean Hotel."

On the other end, Lanita screamed happily: "Grandpa, is it done?"

Father Shu: "Come here quickly."

"It's coming soon! Up to three minutes!"

In fact, the mother and daughter are on the main road outside the hotel, as long as they ask the driver to turn a corner.

Stopped the car, Lanita got off the car and I ran into the hotel.

Her eyes are so sharp, she didn't even see her father, she only saw Old Man Shu.

She rushed to Elder Shu like a butterfly: "Grandpa! When will Suzi be sentenced to death?"

"You should be sentenced to death!" Suzi's mother said coldly.

Chapter 1084

Lanita's back suddenly felt cold.

She looked back and saw a beautiful woman with very temperament and white skin.

She looks about the same age as her mother, but she is taller and elegant than her mother.

Lanita didn't see who it was for a while.

Six years ago, when Alyce was imprisoned by the Lin family, Alyce had just been transported back from another place, with a dirty face and a beggar costume, so Lanita had never seen what Alyce really looked like.

At this moment, she looked at the woman in front of her and asked suspiciously: "Who are you?"

Darius said coldly: "She is my aunt!"

Aunt?

Lanita thought for a while, and then suddenly smiled: "My cousin's aunt is my aunt, surely older than my mother, right? Hello aunt, I am the daughter of your sister's daughter, that... Didn't I hear that my grandfather has another daughter?"

"She is my mother!" Suzi said suddenly.

"Ah!" Lanita suddenly saw Suzi sitting next to her mother.

"You..." Lanita's mouth grew wide. She pointed at Suzi and said incoherently: "You...the murderer, you...you weren't caught. Why are you here? How could my aunt be your mother? Your mother is a country girl. You think your mother is crazy!"

Turning her head, she looked at Elder Shu again: "Grandpa, grandpa, why is Suzi here, grandpa..."

"Puff..."

Before Lanita came to Elder Shu, Darius raised his foot and kicked Lanita.

"Wow..." Lanita fell to the ground, clutching her stomach and wailing in pain.

"Lanita..." Moira pounced on Lanita and looked up at Darius.

He looked at Mr. Shu again.

Then she scanned for a week.

Suddenly, she saw Jarod, whose face was as gray as death in the corner.

Moira suddenly understood something.

She hugged Lanita, she didn't even dare to cry, she only looked carefully at everyone present.

However, Lanita was still crying and crying: "Grandpa, what is going on?"

At this time, Mother Shen stood up, her tone was gentle, regardless of her hoarse voice.

Hoarse as if it could put people to death: "Lanita, I remember your name is Lanita, and it's fine if your mother robbed my man. You still have to pretend to be grandpa for my daughter Cat."

Lanita: "You...you are... are you Suzi's mother?"

"Yes!" Alyce nodded.

"Are you a human or a ghost? Aren't you dead?" Lanita backed away in horror.

Alyce sneered: "I don't blame you for your imposing grandfather, my daughter, nor does my daughter blame you. After all, this is a matter of consensualism."

Say yes, Alyce looked back at Mr. Shu.

"Old Shu likes you and wants to recognize you as his granddaughter. This is a matter for the two of you. It has nothing to do with my daughter."

"However, after you impost her, you have to put her to death again, that is, you deserve to die!" At this moment, Alyce came to protect her daughter, doing her part!

"Say! Are you damned!"

Lanita: "uuu...no, I don't want to die..."
