

# Catch Me If You Love Me

## Chapter 109

She trembled against the door panel, her bright red eyes patrolled back and forth on the snow-white wedding dress and ring, and she gritted her teeth.

She knew she deserved it.

It's also very unkind!

But she was afraid.

I was afraid that going down this road would wipe out the little feeling she had for Liam Lu.

Approaching noon, Liam Lu's car finally appeared slowly at the door of the church.

The door opened and a pair of long legs stepped out first.

He is tall and straight, his face is cold, his hair is meticulously combed, and he wears a haute couture black suit made by Italian handwork, which undoubtedly exaggerates his upright and forceful aura to the extreme.

Shiyue ran all the way to meet him, and couldn't help but ridicule him boldly.

"Young Master Lu, originally thought that for such a perfunctory wedding, Miss Gu's dress was so shabby, you would be very casual, I didn't expect you to dress up..."

Shiyue shut his mouth on the spot with a lethal cold eye hit.

Liam Lu squeezed his face coldly, raised his hand and pulled his tie impatiently, glanced sideways at Shiyue, and ordered in a deep voice.

"I have a meeting next, let the woman come out and finish the ceremony as soon as possible."

"But it's not time for the wedding to begin..."

"go with!"

Shiyue dared not delay, and hurriedly ordered his men to ask Zoey to resign.

As soon as he left, Liam Lu's side temporarily calmed down.

He squeezed his eyebrows, reached out his hand and took out a folded piece of paper from his pocket to open it, and there was a ring drawn with a pencil on it.

Before coming, he received a phone call, and the other party kept trying to make up for him.

“Mr. Lu, I’m really sorry. The ring pattern you sent, we really can’t make it out in such a short time. Can you replace it with another one first...”

He gritted his teeth and replied coldly.

“At the latest tonight, I will send someone to the hometown. If you have limited abilities, leaving Berven City will be a good choice.”

Liam Lu recalled, suddenly curled up the corners of his lips mockingly, and laughed coldly.

He must be crazy, only to hear that woman said he wanted a simple ring, so he did...

Bang!

The door behind him suddenly opened.

Liam Lu shocked all over, and instantly got up and looked back.

Zoey Gu was not here.

His hands were sweating profusely, ran over in a panic, and said breathlessly.

“Lu, Liam... Miss Gu is gone!”

Zoey resigned from the marriage.

After being humiliated by Liam Lu and completely hurting her bone marrow, she jumped out the window and ran out of the lounge.

It’s just that the gods are not beautiful. As soon as people came out, it started to rain heavily.

She curled up and hid under a canopy in a shopping mall, with only one thought in her mind.

escape!

Leave Berven City, leave any place with Liam Lu!

But she didn’t have her mobile phone, wallet, and all the documents with her, so it was not easy to get out.

Zoey Gu suddenly got up and rushed towards the opposite side of the road until the dazzling car lights came on in the rain curtain and a bus with a non-real name ticket system drove over.

But within a few steps, the phone screen suddenly lit up, and an unfamiliar call came in.

Zoey Gu hesitated, after all she picked it up.

“I heard the news of your escape from marriage, do you know how happy I am? However, since it is an escape, you should escape more thoroughly.”
