

Catch Me If You Love Me

Chapter 112

But I didn't expect that the phone was encrypted and could not be opened.

Liam Lu tried to enter Zoey Gu's birthday, but his birthday couldn't be opened.

He tried again on the first day they met and still couldn't open it.

Liam Lu did not continue.

He squeezed the phone and closed his eyes, and suddenly remembered the scene he met with Zoey Gu the day he returned to China.

The moment she saw him, there was light and joy in her eyes, as if she had been waiting for that day for so many years.

He opened his eyes abruptly and quickly entered a few numbers on it.

The phone was unlocked at once!

As he approached, as the screen turned, a very clear mobile phone wallpaper slammed into Liam Lu's eyes instantly.

It was a picture taken by Zoey Gu when she secretly kissed him while he was asleep with his eyes closed.

At this time, Zoey Gu was obviously lacking in confidence, and wanted to get close to him but was afraid of waking him up suddenly, so she could only bend his head cautiously against his shoulder, pouting in a gesture of kissing him secretly.

Liam Lu's eyes reddened suddenly, and the moment he lowered his head, he didn't know where his fingers touched, and the page suddenly jumped to the memo.

A paragraph was clearly written on it.

"Enter the door of my lovesickness, knowing that I am sad. Long lovesickness looks long, and short lovesickness is endless."

"Liam, waiting for you is not bitter. Lovely you, it hurts too much."

For a moment, Liam Lu's eyes became red.

The heart felt like a heavy blow, piercing to the bone, but unable to speak.

He bent down abruptly, shook his hands and pressed the phone firmly to his heart, choking in pain.

“Zoey Gu, this is your biggest revenge against me, right?”

“Silly, why don’t you say? Why...”

Liam Lu sat in the room alone for a day and a night, without eating or drinking, holding the phone left by Zoey Gu in his hand and watching it over and over again.

How the food was delivered, and then delivered back as-is.

Even Alina Yin, who was innocent and innocent, seemed to feel the low air pressure in the mansion, and became much better. It’s just that from time to time, where did her future mother Zoey resign?

Shiyue went up several times, watched Liam Lu hesitate to speak, and turned back again.

Until the evening of this day, an unexpected guest suddenly came to the garden.

Downstairs, the more I heard the sound of car engines outside, I subconsciously looked up, and at a glance I saw a beautiful and elegant Anna Yun in a big red dress stepping out of the car.

She “cocked” in her heart. Before anyone came in, she suddenly got up and strode upstairs, and directly pushed open the door of Liam Lu’s bedroom.

“Liam, Miss Yun is here.”

Hearing this, Liam Lu, who was standing alone in front of the French window, was shocked, and then slowly turned around.

Shiyue subconsciously thought he would refuse, and was about to turn around and leave, but he listened to Liam Lu nonchalantly.

“Let her come up.”

Shiyue was taken aback for a moment and couldn’t help turning around to take another look at Liam Lu.

It was still that cold face, his eyes were scarlet, and his eyebrows were cold, because he stayed up all night, the cyan s*um on his chin was obvious.

But those eyes were the only ones with an emotion he couldn’t see through.

He always felt that Liam Lu was different, but he couldn’t tell.

Just as he was about to ask, Anna Yun didn't know when he had reached the door of the bedroom. He couldn't help but pushed Shiyue open, and walked in.

“Liam!”
