

Catch Me If You Love Me Chapter 115

Zoey Gu gritted her teeth, and there was a sudden flash of coldness in the tears in his eyes.

In the next second, she suddenly gave up the struggle, and her hand that was still madly resisting fell to the ground.

Seeing her compromise, the man became more and more vigorous, and didn't realize that her hand had touched his pocket tremblingly.

Zoey Gu clearly remembered that there was a brooch there, which she took when she escaped from her wedding with Liam Lu.

In the next second, when the man got stuck in her messy neck and kissed her in a very disgusting manner, Zoey Gu saw the opportunity and slammed down at the opponent!

The sharpest part of the brooch slammed into the man's neck.

The man on him snorted.

But she still felt puzzled, her hands tightened, and a long blood mark was instantly drawn on her neck.

"what!"

With a scream, the man fell to the ground with a "plop" while covering his neck, his neck covered with blood and his hands.

"Help, help me..."

The man in the lead didn't expect that Zoey Gu would resist this way, his face instantly chilled, and he hurriedly turned to look at his subordinates beside him.

"Hurry up and drag him out!"

"I'll deal with this woman!"

As soon as he turned around, he rushed towards Zoey Gu, clasped her wrist and twisted hard, and the brooch fell to the ground with a "pop".

The man grabbed the brooch in one hand, grabbed Zoey Gu's hair hard, raised his hand and stab her.

"B!tch! I will let you taste the same!"

A cold light seemed to flash before her eyes, and Zoey Gu closed his eyes subconsciously.

Anyway, it's all death, she would rather use this way!

Only in the next second, the unexpected pain did not come. Instead, the man who grabbed her let go of her with a sullen hum, and fell to the ground with a "plop".

A man's angry voice suddenly rang.

"I'm tired of life, aren't you?! I tried my best to get people out, not for you to play to death. If she is dead, how would I wait for Liam Lu?!"

Zoey Gu opened her eyes abruptly, and instantly met a pair of gloomy and cold eyes.

The man is very tall, in a silver-gray suit, and his correct facial features are somewhat similar to Anna Yun. The corners of his mouth are squeezed when he looks at people, showing a somewhat aggressive coldness.

Zoey Gu vaguely guessed.

This man is from the Yun family and has a very close blood relationship with Anna Yun.

And what he said, used her to attract Liam Lu...

A heavy coldness rushed from the soles of his feet to his heart, causing Zoey Gu to tremble involuntarily.

She got up from the ground in embarrassment, her eyes fixed on the man, her body retreated, and she spoke subconsciously.

"If you vent your anger for revenge on Anna Yun, I will admit what you do to me. But if you use me to attract Liam Lu, I advise you to give up..."

Liam Lu doesn't love her.

Therefore, he wouldn't be at risk because of her, to the Yun family's territory, which had already had a grudge against him.

The man squinted at her and sneered.

"Really? But how can I tell from your tone what you mean by defending him? Will it come, I'll know if I try?"

The man said, suddenly the conversation changed.

"But you robbed my sister's man, not only caused her to lose face, but also suffered humiliation. So, in order to calm my sister's anger, some suffering, you must eat."
