

# Catch Me If You Love Me Chapter 116

Zoey Gu was shocked and looked up at the man before him.

At this moment, she had a terrible hunch.

This man will not use violence to her, but he will use a way that is thousands of times more painful than that!

She pressed against the wall and asked in a trembling voice.

“What do you want to do to me?”

The man’s thin lips opened lightly, and he laughed lowly.

“Naturally let you remember a feeling that will be unforgettable for a lifetime.”

As he said, he turned slightly to look at the man beside him.

“Feed her things down.”

In the next second, the two tall men strode to Zoey Gu’s side and clasped her neck with a hand and forced her to raise her head.

“Um... let go...”

As soon as she opened her mouth, a reddish-brown pill made a “gudong” sound and swallowed it into her belly instantly.

Two days later, return to the garden.

In the evening, the sound of a car’s engine came from the courtyard.

Liam Lu, who had been sitting on the sofa in the living room and smoking constantly, turned his head, and saw Shiyue strode in from outside, his expression flustered.

“Liam, your guess is correct!”

Shiyue had an excited expression and spoke extremely fast.

“It was not Miss Gu who was killed that night when it rained, but a woman who died in the hospital morgue. Someone deliberately got to the scene to confuse the audience!”

Hearing this, Liam Lu stood up abruptly, a bright light flashed in his eyes.

Zoey is not dead, she is still alive!

Liam Lu stretched out his hand to grab the information and photos in Shiyue's hand, looked down quickly, and asked deeply.

"anything else?"

"Also, the last call on Miss Gu's phone was made by Miss Yun. On the night of Miss Gu's car accident, the Yun family did take her away. It's just..."

Shiyue said, frowning and looking at Liam Lu.

"The people of the Yun family have always done everything carefully. This time I took Miss Gu, but there were many loopholes along the way, and I found it easily."

Shiyue's face changed as he spoke, and he seemed to react instantly.

"Could it be that they did it on purpose?"

Liam Lu squinted his eyes, staring at the information in his hand, and the corner of his mouth slowly conjured up a cold arc.

"They are waiting for me to pass."

Shiyue was taken aback for a moment, and suddenly couldn't help violently speaking.

"I x! The Yun family is too strong in revenge, right? Lu Shao, although you failed to get together with Miss Yun, you have given her enough compensation for the Yun family. And you didn't even touch it. Past her..."

"Shiyue."

Liam Lu glanced at Shiyue coldly, motioned to him to shut up, then raised his hand and threw the information in his hand, and ordered in a deep voice.

"Go make arrangements and go to Qingcheng immediately."

Shiyue was taken aback for a moment, and said in disapproval.

"Liam, this clearly means that the Yun family is waiting for you. Although the Lu family controls the H country's economy, the main power is in Yudu. Moreover, Miss Yun's brother Yun Zhihan is vicious, and I'm afraid that he will be aggressive By the time..."

"Go get ready." Liam Lu interrupted Shiyue.

At the end, he closed his eyes again and said something lowly.

"Some things, you will understand when you meet the right person in the future."

Even if it is a sea of fire.

Because Zoey Gu is there, he must go.
