

Chapter 1161: Thoughts of Love

"I know, I know. You're the only one with a kind heart." Gong Yi lowered his head and kissed her hair, then changed the topic, "What do you want to eat tonight?"

Ye Xiaotao thought for a moment, "I want to eat dessert..."

"Okay, western cuisine then."

...

Xue Wu quickly moved in. Ye Xiaotao was very polite to her, so she settled down with a peace of mind. As for Gong Yi, one day, she would make a name for herself and had him look at her in a new light.

That day, Xue Wu spent an hour putting on a delicate light make-up. Because she had an interview today so she had to dress herself up beautifully.

In terms of beauty, although she was not as good as Ye Xiaotao, she was still young and pretty.

But she was worried that she did not have any pretty dresses in her closet.

Xue Wu frowned and thought for a moment. Got It..

She immediately walked out of the room, and Ye Xiaotao was preparing breakfast in the kitchen. Today, Ye Xiaotao was wearing a loose white sweater. The apartment was warm, so she did not wear pants. The sweater covered her knees, and her bare legs were long and slender, white and tight, which was quite pleasant to the eye.

Even though Xue Wu was reluctant to admit and jealous, she also admitted that at this moment, Ye Xiaotao not only made women feel ashamed, but also men... could not stop looking at her.

"Good morning, Xiaotao." Xue Wu greeted Ye Xiaotao with a pleasant smile.

"Xue Wu, you're awake. Hurry up and brush your teeth and wash your face. Breakfast is ready." Ye Xiaotao was making a fruit platter. After sprinkling a layer of cheese, she pinched a cherry with her slender fingers and put it in her mouth. Yes, it was so sweet.

"Xiaotao, I woke up late today. Let me prepare breakfast tomorrow."

"It's okay. Whoever is free can prepare breakfast. There are no rules." Ye Xiaotao put the fruit platter on the table.

"Okay." Xue Wu nodded, and then she said embarrassedly, "Xiaotao, I have to go to a big company for an interview today, but... I don't have... beautiful clothes. Can you please lend me one?"

Ye Xiaotao looked at Xue Wu, "Okay, I have a few new clothes in my closet. You can pick them out yourself. If you like them, you can wear them."

“That’s great, Xiao Tao. Thank you.”

Xue Wu ran into Ye Xiaotao’s room with great joy. She couldn’t wait to open the closet, and there were a few rows of beautiful clothes hanging in there.

Xue Wu looked at the tag, and her eyes were wide open. These were all the big brands in Milan’s Fashion Week, and each one of them cost four figures.

In addition, Ye Xiaotao had high standards and good taste. These clothes were all very beautiful.

Xue Wu took a maple-leaf-coloured coat and spun around a few times. She was too happy that she wanted to try all of these clothes and pick the most beautiful one.

...

Xue Wu arrived at the magnificent five-star hotel. There were already many pretty girls waiting outside the interview room.

Xue Wu looked at those young ladies, then confidently straightened her back. She was the most beautiful among these people.

She was determined to get the position as the President’s Secretary of this hotel.

“What’s going on? We’ve been waiting for so long. Why isn’t the interviewer here yet?” Someone in the crowd complained.

“I say, just wait patiently. Although the Magnificent Hotel is a rising star, it has already become one of the top-class hotels in the capital in just a few years. Everyone is fighting over their heads to get into this position as the President’s Secretary. Besides, the salary here is so competitive that I’m willing to wait here for even a day.”

“Yeah...”

“Hey, what do you guys think the CEO of the Magnificent Hotel looks like? Could it be an old man with a large head and big ears?”

“I don’t know. The CEO of the Magnificent Hotel is very mysterious. No one has seen his true appearance.”

Xue Wu listened to the discussions of these people and sneered in her heart. They didn’t know the CEO of the Magnificent Hotel, but she did...

She had met him once before.

At Ye Xiaotao’s art exhibition.

That person’s appearance...

Xue Wu’s pretty face was covered with a layer of love thoughts.

At this moment, there was a commotion around them and everyone quieted down. Xue Wu raised her head and looked forward along with everyone’s gaze.

A group of people came over from the polished marble floor. They were all the core elites of the Magnificent Hotel. The man at the front was dressed in a black suit and his face was carved like jade. His silence and introspection gave him a somber aura. Beside him, AChen was saying something..., he pursed his lips and listened. With steady steps, he disappeared in front of the crowd.

“Wow...” the young ladies who came for the interview exploded, “Oh My God, is that the President of the Magnificent Hotel? He’s really... so handsome and cool...”

Xue Wu’s heart pounded wildly. Her gaze followed the direction where Leng Hao had disappeared. She fell in love with this man at first sight.

He would be hers!

Xue Wu was lost in her thoughts. At this moment, AChen stopped and instructed the manager behind him, “Prepare for the interview.”

...

The interview went very smoothly for Xue Wu. She had a high education background and specialized in the same field. Her family was willing to spend money to let her learn high-class etiquette so that one day, she could hook up with a rich husband.

AChen chose the resumes of three of the girls who were interviewing. Then, he came to the President’s office.

“President, I have chosen these three people. They are better in all aspects. Which one do you choose?”

Leng Hao sat on the black leather office chair with a pen in his right hand. He signed the document “Sha Sha” without looking up. He said indifferently, “You choose.”

AChen smiled, “Ha, this is... the President’s secretary. You Choose, President.”

AChen spoke carefully. His CEO’s mood had been volatile for the past month like a snowy mountain. He was afraid that if he accidentally encountered an avalanche, he would die without a burial place.

Leng Hao was stunned when he heard that. He raised his head and looked at the floor-to-ceiling window. This kind of window could see the outside but not the inside. At this moment, the three girls that Achen had chosen were waiting outside the office.

Leng Hao scanned the three girls with his cold eyes. Finally, his gaze stopped on Xue Wu.

“Let’s go with her.”

“Yes, President.” AChen nodded.

...

When Xue Wu found out that she had been hired, she almost jumped up. She knew that she could do it.

AChen arranged for her office, which was very close to the President’s office. For the past few days, she had been very active and outstanding. However, there was one thing that made her extremely frustrated and discouraged.

Once, the head of the Procurement Department sent a document up and needed the President to sign it. She could not help but feel excited. But these few days, Leng Hao had come and gone without a trace, so she had no chance to get close to him.

This time, she finally got the chance.

She took the document and walked towards the President's Office, but AChen stopped her on the way.

AChen asked, "Where are you going?"

"I have a document for the President to sign."

"Give it to me."

"No need... I'll go in and give it to the President myself."

"Didn't I tell you that you can't enter the President's Office? Just hand over all the documents to me in the future."

Xue Wu, ...

What kind of president's secretary was this? She didn't even have the right to see the President.

Chapter 1162: Getting Close

After being intercepted by AChen once, Xue Wu did not give up. She was waiting for an opportunity to get close to Leng Hao. After all, she came here to work for Leng Hao.

The opportunity came soon.

One day, AChen went out to do some work. Xue Wu immediately got up to make a cup of coffee. She took out the mirror and confirmed that the person in the mirror was young and beautiful. Then, she knocked on the office door.

"Come in." A deep and magnetic voice came from inside.

Xue Wu pushed the door open and entered.

Leng Hao was standing in front of the French window with his hands in his pockets. He was standing straight and there was a landscape painting hanging in front of him. He was looking at it attentively.

Xue Wu recognized that it was Ye Xiaotao's painting.

The painting exhibition that day was bought by Leng Hao.

He actually hung it in the office.

Xue Wu did not pay attention to these things. Her pair of beautiful eyes were fixed on the back of Leng Hao. He took off his suit and he was wearing a black shirt with wide shoulders and a perky butt. His waist and abdomen were well-built. His strong forearm, which was wearing an expensive watch, was in his trouser pocket, the black suit pants were hanging in a graceful arc.

Xue Wu's eyes were filled with infatuation.

"President, here's your coffee." she said in a voice like an oriole.

A few seconds later, Leng Hao, who was standing in front of her, looked back. His cold and sharp eyes swept across the coffee on the office table, then looked at Xue Wu.

Xue Wu's heart immediately palpitated. She smiled sweetly, "President, I'm your secretary. My name is Xue Wu. I brewed this coffee for you, please have a taste..."

"Get out."

Two simple and cold words interrupted Xue Wu's words.

Xue Wu was stunned.

"You don't understand what I'm saying?"

"President, I..."

"You don't have to come tomorrow."

Xue Wu felt as if she had been struck by lightning. She had never thought that this would be the outcome.

Her enthusiasm only received a few words from him.

She had only appeared for a few seconds, but he had already sentenced her to death.

Xue Wu was stunned on the spot and forgot to react.

At this moment, the office door was opened. AChen quickly walked in with a really bad expression, and he ordered Xue Wu to leave, "Xue Wu, please leave immediately!"

...

Xue Wu did not know how she walked out. She looked at AChen and said pitifully, "AChen, did the President fire me? But I don't know what I did wrong. Why did the President treat me like this?"

"Miss Xue Wu, we are all sensible people. Why do you ask something you already know? Leave quickly. Don't embarrass yourself even more." AChen smiled insincerely.

Xue Wu's face instantly turned red and pale. She felt as if someone had slapped her in the face.

AChen ignored her and turned around. He sighed, "You shouldn't be thinking about the wrong person. Why don't you take a look at yourself? The girls these days are getting more and more out of line."

...

In the afternoon, Leng Hao processed the documents and left the office. AChen followed behind him, "President, there is an appointment with the boss of the Darong Group in half an hour."

“En.” Leng Hao nodded.

AChen still wanted to open his mouth as he had a question about when his CEO would return to T City?

The Old Master had returned to Hong Kong four years ago. To put it bluntly, Hong Kong was the CEO's home. However, the CEO had been staying in T City for the past four years. While the Young Lady was in T City so it made sense for the CEO to stay. However, now that the CEO had come to the capital and it seemed like he had plans to live here for a long time...

What was the CEO thinking about?

In the past month, the CEO was simply a workaholic. He worked day and night, not allowing himself a single minute of free time...

AChen knew that all of this was because of... that person.

AChen followed Leng Hao's footsteps and the two of them walked towards the VIP elevator. At this moment, Xue Wu's voice sounded from behind, “CEO, Please Wait a moment. Regarding today's matter, I can explain.”

Xue Wu chased after him. After thinking about it, she still felt indignant that she could not leave so embarrassedly like this.

It was not easy for her to get this close to Leng Hao. She would not give up.

AChen had a headache. Xue Wu's little tricks were not enough for him to see. He thought that she would stop at this point. As long as Xue Wu still had a little bit of shame, she would retreat.

But this Xue Wu was really... shameless and she was willing to go all out.

AChen looked at Leng Hao in front of him. The man's footsteps did not stop because of Xue Wu's appearance. Obviously, the man wanted him to settle this matter quickly.

“Miss Xue Wu, please wait.” AChen stopped Xue Wu.

Xue Wu had no choice but to stop. She looked past AChen at Leng Hao in front of her. The man had one hand in his pocket and was already standing in front of the VIP elevator. From her angle, she could only see the back of his clean and sharp head.

“President, it is indeed my fault that I made you a cup of coffee today. I admit that I admire you, but this is not enough for you to fire me. Please give me another chance. I will definitely change.”

Ding! The elevator door opened. Leng Hao strode into the elevator.

“President!” Xue Wu shouted.

However, the elevator door closed in front of her eyes.

“Miss Xue Wu, the President's intention is very clear. Please don't pester me anymore. If there is a next time, please forgive me for not being polite.” After saying that, AChen turned around and walked towards the elevator.

Xue Wu's heart sank. She knew that she was done, then what else should she do?

At this moment, a melodious ringtone sounded, and she answered

She took out her phone and saw that it was a call from Ye Xiaotao.

At this moment, Xue Wu was upset. She pressed the button to pick up the call. Her tone was not very good, "Hello, Xiaotao, what did you want to talk to me about?"

"Oh, Xue Wu, I want to ask if you're coming back for dinner tonight?"

Xue Wu's mood was extremely bad right now. She replied in a strange tone, "What time is it now, how can it be time for dinner..."

Xue Wu's next words stopped abruptly because she realized that the VIP elevator door had opened.

Leng Hao, who had disappeared in front of her just now, had miraculously returned!

His deep eyes were fixed on her face.

Xue Wu, ...

"Hello, Xue Wu, are you listening? Are you coming back for dinner tonight?"

Xue Wu immediately came back to her senses in a great mood, "Oh, Xiaotao, I won't be going back for dinner tonight. Go on a date with Young Master Gong. Have a good time and don't worry about me."

...

Xue Wu hung up the phone and quickly ran up to the door of the VIP elevator. Looking at Leng Hao's handsome and exquisite face, she said anxiously, "President, let me explain..."

"There's no need to explain." Leng Hao said indifferently, "Come in."

Enter the VIP elevator?

Xue Wu couldn't believe it. She was in the abyss just now, but suddenly flew to heaven?

"Okay, thank you, President." Xue Wu walked in generously.

AChen, who was outside the door, saw the door of the VIP elevator close in front of him. He,...

...

After exiting the elevator, Leng Hao took the lead to walk out with his long legs and Xue Wu followed closely behind him.

"President, don't you blame me anymore?" She carefully asked.

Chapter 1163: Are You in a Relationship?

Leng Hao walked out of the hall without looking away. There was no expression on his handsome face.

"Mmm... come back to work tomorrow."

Xue Wu immediately cheered, "President, thank you. I'll definitely work harder."

Leng Hao did not say anything. He held the car keys with two fingers on his right hand and walked towards his Maybach.

This was a good opportunity. Xue Wu stood where she was and acted like a shy little girl reserved and hesitated for a moment, "President, it's not easy to take a taxi here. Can I take a ride with you?"

Leng Hao opened the door of the driver's seat and looked at Xue Wu, "You live alone?"

"No, I live with a good friend. Ye Xiaotao, the daughter of the Ye family. Her stepmother is my biological cousin."

The Ye family was famous throughout the capital and had an illustrious family background. In Xue Wu's opinion, mentioning about the Ye family at this time would raise her status in Leng Hao's heart.

"Oh, is that so?" Leng Hao responded.

Xue Wu didn't know if her eyes were playing tricks on her. Just now, she seemed to have seen a trace of tender love on Leng Hao's cold and handsome face.

"Come on up. I'll send you off."

Xue Wu immediately made a big yes in her heart and quickly sat in the passenger seat.

...

In the car.

Leng Hao did not speak. The car was very quiet, like the aura of a glacier emitted from a man's body. It was abstinent all over.

Xue Wu sat beside him. She could even smell the healthy and clean body fragrance of him.

"President, I live in the Purple Bamboo Garden. It's very close to here." Xue Wu said.

The Purple Bamboo Garden.

Leng Hao repeated the name in his heart. Had she moved out of the Ye Family and lived there?

It had been a long time since he had inquired about her.

He disappeared in her world as she wished.

He had been working hard for the past month to prevent himself from thinking about her, and this was how he had spent the past four years.

When he heard Xue Wu say the word "Xiaotao" in the elevator, he suddenly realized that he had not seen her for a very, very long time.

It had been so long that it felt like a long century.

Xue Wu's biological cousin was Auntie Miao, right? He had an impression of Auntie Miao who treated Xiaotao very well...

He pressed his large palm on the steering wheel with some force. Leng Hao's Adam's apple gently rolled, and yes, he missed her...

He missed her very much.

The feeling of missing someone was that it made his whole body felt weak, but his heart was in pain.

"President, it's still early. To thank you from sending me home, I'll treat you to dinner."

Xue Wu waited for Leng Hao's reply. She thought that he would not refuse because he treated her so special by letting her into the VIP elevator and even sending her home.

Thinking of this, she was secretly happy.

However, the man replied in a long silence without responding to her.

The atmosphere in the car immediately went down. When the man did not speak, he had an aura of being a thousand miles away from others. Xue Wu said a few more words, but Leng Hao did not seem to hear her at all so she could only shut her mouth resentfully.

The Maybach soon stopped at the Purple Bamboo Garden. Xue Wu unfastened her seatbelt. After thinking for a moment, she looked sideways at Leng Hao and said, "President, do you want to go upstairs and have a cup of tea?"

Leng Hao looked upstairs through the car window, "Don't you live alone?"

"Oh, you mean Xiaotao? Xiaotao must have gone out on a date with Young Master Gong. Their relationship is very good. Young Master Gong is very obedient to Xiaotao and he cherished her so much like she would melt in his hands. I'm so envious of her."

Is that so?

Leng Hao curled his lips, "Ha..."

He laughed.

After that, he stopped talking.

Xue Wu felt that this man's temper was really unpredictable. In order to not make him dislike her, she could only stop right here and get out of the car, "President, I'll go back first. Bye-bye."

Leng Hao looked ahead without looking at her.

The smile on Xue Wu's face froze and she felt very awkward.

...

Xue Wu did not win, so she left on her own accord. Leng Hao did not leave. He found a pack of cigarettes in a secret compartment and lit it.

He rolled down the car window and started to smoking a cloud.

Xue Wu's words about Young Master Gong and Xiaotao kept echoing in his ears. He felt that the scar in his heart had been stabbed by a sharp knife, and then he was torn into a bloody mess.

He knew how good Gong Yi was to her.

But he thought that if she was willing to give him a chance, he would do better than Gong Yi.

But there was no chance.

He smoked urgently and coughed a few times until there was a trace of tears in the corner of his eyes.

On such a cold night, he was enduring a heart-wrenching pain alone.

The Maybach had been parked by the roadside. Leng Hao stayed from five in the afternoon to eight in the evening. He did not know what he was waiting for. He just did not want to leave.

At this time, a flashy yellow Ferrari sports car appeared on the street in front. The driver's door opened and Gong Yi came out.

Leng Hao was leaning against the seat in a slightly dispirited manner. When he saw Gong Yi through the windshield, he was shocked and instantly sat up straight.

Gong Yi went around the car and opened the front passenger seat. Ye Xiaotao came out.

Leng Hao's gaze was fixated on Ye Xiaotao. Today, she was wearing a white mesh shirt with a printed sheath skirt, and a Korean style coat in light yellow. Her silky black hair draped over her shoulders, the 24-year-old was like a blooming peony, charming and alluring.

Leng Hao's eyes darkened.

However, in the next second, he saw Gong Yi hugging her slender waist and leaning over to kiss her forehead.

He was far away, so he couldn't hear what the two were talking about. However, the girl was smiling sweetly in Gong Yi's arms. There was one-head of height difference between the two, so she was raising her head to talk to Gong Yi.

On the street, she and Gong Yi were like a couple in love.

Leng Hao slowly lowered his eyes. It was his extravagant hope.

She had already gone far away, and he was the only one left standing where he was.

He was just holding on to those pitiful memories, unwilling to let go.

Heh.

How ridiculous.

When he looked up again, Ye Xiaotao had already disappeared from his sight. Gong Yi watched her disappear before getting into the car and speeding away.

Leng Hao looked upstairs through the car window, but he didn't look away for a long time.

...

Ye Xiaotao returned to the apartment and happened to see Xue Wu coming out of the shower.

"Xiaotao, you're done with your date with Young Master Gong. I thought you weren't coming back tonight?" Xue Wu joked mischievously.

Ye Xiaotao entered her room and glared at Xue Wu, "What are you talking about?"

Xue Wu followed Ye Xiaotao into the room. Ye Xiaotao stood in front of the dressing table and took off her earrings. Xue Wu asked curiously, "Xiaotao, how do you see if a man likes you?"

Ye Xiaotao immediately turned around, "Xue Wu, are you in a relationship?"

"Shh, Lower Your Voice."

"Then quickly tell me, who do you like?"

Xue Wu's face was filled with sweetness, "He's my boss, the president of the Magnificent Hotel."

"Magnificent Hotel? You went to work at the Magnificent Hotel? That hotel has dominated the capital for a few years, I've heard of it. But, you've only been there for a few days, haven't you?"

Chapter 1164: When Could He Finally Enter Her Heart

Xue Wu was unhappy when she heard that, "Xiaotao, are you trying to say that I'm going for his money, or that he, a great CEO, doesn't like me and that I am flattering myself?"

Ye Xiaotao was speechless as she explained, "Xue Wu, what are you thinking? I mean, you've only been working for a few days. Do you know each other well? What kind of person is he? Might he be not as good as you think he is... Xue Wu, this relationship thing is a big deal. You have to be careful."

"I know." Xue Wu leaned against the wardrobe. Thinking of Leng Hao's handsome face, she smiled sweetly and said, "He is exquisite and handsome. His bearing is extraordinary. His private life is also clean with no many girls around him..."

"Really? is he really as good as you say?" Ye Xiaotao was dubious.

"You don't believe me? Let me show you his photo!" Xue Wu immediately took out her phone. When she went to work yesterday, she saw Leng Hao and secretly take a profile picture in the company.

"Look, this is the man I like." Xue Wu pointed at Leng Hao in the phone and said confidently.

Ye Xiaotao looked at him, and when she saw him, her pupils suddenly shrank.

Even if it was a blurry profile, she already recognized him at a glance.

Leng Hao!

She didn't expect that the man Xue Wu liked was him!

Ye Xiaotao suddenly remembered the wedding that she attended in T City a few months ago. He was the owner of the winery, so it was not strange that he was now the President of the Magnificent Hotel.

“Xiaotao, how is he? Isn't he very handsome?”

Ye Xiaotao came back to her senses with her face a little pale, “Well... he looks good...”

“The man I like is definitely the best.”

“But, does he... like you?” Ye Xiaotao asked softly.

“Yes, Xiaotao. Let me tell you, I'm his secretary now. Today, not only did he let me enter the VIP elevator with him, he even personally drove me home. He even wanted to treat me to dinner, but I didn't agree because I felt it would be too fast. Isn't there a saying? After a man treats you to dinner, the next step is to... get into a room with you...” Xue Wu perfectly explained what it meant to lie through your teeth, and the more she talked, the more excited she became. She even intimately held Ye Xiaotao's slender arm.

“How is it, Xiaotao? Are you happy for me?”

Ye Xiaotao's lips curled up, “Yes, I'm happy.”

Xue Wu wanted to say something, but Ye Xiaotao pulled back her slender arm first, “Xue Wu, I'm tired. I'm going to sleep. Let's talk tomorrow.”

“Oh, good night, Xiaotao. Sweet dreams.” Xue Wu walked out.

Ye Xiaotao closed the door.

Xue Wu walked to her room. For some reason, she felt that Ye Xiaotao was a little strange. She didn't seem to be happy. Xue Wu snorted in her heart. Ye Xiaotao must be jealous of her, jealous that she found such a good man.

Just wait and see. She will live a better life than Ye Xiaotao!

...

The next day, in the studio.

Ye Xiaotao sat on a wooden stool with a drawing board in front of her, and she was drawing with a pencil in her right hand.

However, an entire morning had passed, and she did not manage to draw a single piece of work.

She tore off the white paper on the drawing board, crumpled it into a ball, and threw it on the ground.

She continued to draw.

“Xiaotao,” at this moment, her assistant Xiao Ai walked in, “What do you want to eat for lunch...”

Xiao Ai's words came to an abrupt end because she saw crumpled paper all around Ye Xiaotao's feet.

“Xiaotao, what’s wrong with you today? Are you not in a good mood? You don’t look well either...” Xiao Ai asked with concern.

Ye Xiaotao shook her head absentmindedly, “I’m fine.”

“Xiaotao, why don’t you rest for a while? I’ll make you a cup of coffee?”

“Okay.”

The coffee was ready in no time. Xiao Ai placed the coffee on the desk, “Xiao Tao, come and rest.”

“Okay.” Ye Xiaotao stood up. She went to the desk and reached for the Coffee Cup.

“Hiss” The coffee spilled all over and Ye Xiaotao retracted her burnt index finger.

“Ah Xiaotao, what happened to you? Did you burn your finger? Hurry up and let me take a look. This is your drawing hand. Should I call the doctor...”

“No need.” Ye Xiaotao did not let Xiao Ai look at her finger.

“Xiaotao,” Xiao Ai looked at her expression and asked hesitantly, “Is there something on your mind? You seem... distracted.”

“I’m fine, Xiao Ai. I’m not feeling well. I’ll go back first. Call me if there’s anything.” Ye Xiaotao picked up her bag.

...

Back in the apartment, Ye Xiaotao fell asleep on her big bed.

She didn’t sleep well last night. Even after rolling around twice, she was still not sleepy.

She opened her eyes and looked at the ceiling above her head. Her mind was in a mess. No one knew what she was thinking about.

She covered her head with the soft blanket and forced herself to sleep.

She really fell asleep and she even dreamed about Xue Wu and... Leng Hao.

Xue Wu held onto Leng Hao’s muscular arm and stood in front of her. She introduced him proudly and happily, “Xiaotao, this is my boyfriend. We’re going to get married soon.”

The scene changed and she arrived at a church. Xue Wu was wearing a white wedding dress and was standing next to Leng Hao. She didn’t know who was speaking ‘I do’.

She felt a pain in her stomach. She looked down and saw that her stomach was swollen. She was more than seven months pregnant. There was warm liquid rushed out from between her legs and she collapsed on the ground. She looked at the man in front of her who was standing with his back facing her and called him heartbroken, Leng Hao, save me, save our Little Xiaotao...

Ye Xiaotao opened her eyes and saw the familiar ceiling. However, her vision was blurred.

She reached out to touch her face and felt the wetness on her hand.

Her face was already filled with tears.

Little Xiaotao...

It had been a long time since she had thought of Little Xiaotao. It was not that she had forgotten, but she was in too much pain that she did not dare to think about her. She could not think about it.

At this moment, the sound of "Ding Ling" interrupted her thoughts. Someone was knocking on the door.

Ye Xiaotao came back to her senses. She quickly wiped her tears away, then got up and walked to open the door of the apartment. Gong Yi was standing outside the door.

Gong Yi rushed over with his eyes full of nervousness, "I was going to pick you up after work, but Xiao Ai said that you came home at noon that you don't seem to be feeling well. Why didn't you call me? Do you know how worried I was?"

"Xiao Ai is making a fuss. Don't listen to her nonsense. I just didn't sleep well last night." Ye Xiaotao's voice was a little hoarse.

Gong Yi watched her closely, "Why didn't you answer my calls?"

"You called? Sorry, I didn't hear you. I fell asleep just now." Ye Xiaotao turned around and entered the living room.

Gong Yi followed behind her. He reached out his two hands to hug her waist and leaned over to kiss her face. He asked in a low voice, "What's wrong? Are you crying?"

Her eyes were red.

"No, maybe I didn't sleep well." Ye Xiaotao broke free from his embrace, "What do you want to drink? Orange juice?"

She walked into the kitchen.

Gong Yi looked at her charming back and his eyes dimmed. When could he finally enter her heart?

Chapter 1165: High Fever

Gong Yi drank a cup of orange juice and then stayed in Ye Xiaotao's room, "Xiaotao, shall we go out for dinner?"

Ye Xiaotao stood by the window with a cup of warm tea in her hands. She looked at the neon lights at night and shook her head, "I'm not going. I still have to draw."

She hadn't finished her work yet. She closed her eyes in the afternoon and slept until the evening.

"Then we'll eat at home. What do you want to eat? I'll cook it myself." As he spoke, Gong Yi rolled up his sleeves, "By the way, what did you eat for lunch?"

Lunch?

Ye Xiaotao was stunned. She seemed to have... not eaten.

She didn't feel hungry now either.

Gong Yi could roughly guess at her expression. He walked over to her side with his long legs and reached out to hold her face. The girl's pupils were clearly black and white. They were watery, and at this moment, there was a hint of sickly weakness. He was moved by her, "Girl, What's going on? Tell me, huh?"

Ye Xiaotao looked at the concern in his eyes, "I..."

Before she could finish her sentence, a car light flashed past. Ye Xiaotao heard the sound of a car engine coming from downstairs.

She gently pushed Gong Yi away and reached out to open the pink gauze curtain.

There was a Maybach parked downstairs. Xue Wu was getting out of the passenger seat.

"Isn't that Xue Wu? Who sent her back? That Maybach is a limited edition model. Even wealthy people might not be able to afford it. Sure, it's been a few days since we last met. This Xue Wu has already become one of the richest people on the list." Gong Yi said with a smile.

Ye Xiaotao put down the veil, "Oh, that's the President of the Magnificent Hotel."

"The Magnificent Hotel? No wonder. The president of the Magnificent Hotel was very mysterious. Half a year ago, the upper-class people in the capital held a social party. It was said that the first right-hand seat in the front row of the party was reserved for this president, but he didn't even show up... Xiaotao, do you think..."

"That's enough," Ye Xiaotao interrupted Gong Yi, "Have you said enough? If you've said enough, then leave."

"Leave? Why? I still have to cook for you."

"There's no need. Xue Wu is back. It's not convenient for you to stay here. Hurry up and leave. I'll contact you another day." Ye Xiaotao pushed Gong Yi out of the room and then closed the door.

"Hey, Stinky girl." Gong Yi looked at the tightly shut door in front of him and didn't know whether to laugh or cry.

This girl was really spoiled by him.

He sighed, then helplessly curled his lips and turned around to leave.

...

Ye Xiaotao heard Gong Yi leave in the room. A minute later, the apartment door opened again, and Xue Wu came back.

Ye Xiaotao walked over and opened the door.

Xue Wu stood at the entrance to change her shoes. She was in a very good mood and was humming a happy tune. When she saw Ye Xiaotao, she immediately smiled and said, "Xiaotao, you're home. You came back so early today."

Ye Xiaotao pursed her lips and said, "Mn."

"Xiaotao, what do you think this is?" Xue Wu opened her palm.

Ye Xiaotao took a look and saw that it was a pearl.

The pearl had a fresh color and was obviously expensive.

"Is this... a gift from someone else?" Ye Xiaotao asked.

Xue Wu pretended to smile mysteriously. "Xiaotao, take a guess."

Xue Wu entered her room with a glowing face.

Ye Xiaotao looked at Xue Wu's tightly shut door and stood rooted to the ground. After a long while, she smiled self-deprecatingly and closed her own door.

Was it so important that Leng Hao gave it to her? Why did she have to ask?

She had Gong Yi, and he would also have other women to marry from now on.

She just thought it was funny. That man was so clumsy when he was with her that he wouldn't give her any gifts. Now that he was with other girls, he seemed to have an epiphany.

It was so romantic to drive an expensive car to someone else's place and give them pearls as gifts.

But, what did this have to do with her?

No, it had nothing to do with her at all!

...

Ye Xiaotao didn't go to the studio because she was sick and had a fever.

She used the thermometer to check. It wasn't considered high, but of 39 degrees. She didn't go to the hospital, but drank some water and covered herself with the blanket to sleep and sweat.

Gong Yi called. She used the excuse of working overtime to push him away. When she opened her eyes again, it was already night time.

She struggled to sit up from the bed and looked at the time. It was eight o'clock.

She got up from the bed and felt dizzy. She touched her head with her hand. It was very hot and it was not brought down at all. She probably needed some fever medicine.

Opening the door, she said hoarsely, "Xue Wu, Xue Wu..."

The apartment was very quiet. There was no one there.

Xue Wu did not come back.

Ye Xiaotao stood where she was and was at a loss for a moment. It was eight o'clock at night which was very late, but Xue Wu did not come back. Xue Wu should have gotten off work by five.

Ye Xiaotao turned around and went to the bedside to get her phone and dialed Xue Wu's number.

The phone rang a few times before the other end of the line picked up slowly, "Hello, Xiaotao."

"Hello, Xue Wu." Ye Xiaotao's throat was very dry. She went to touch the cup on the bedside table, "I have a high fever. Can you bring me some medicine for fever when you come back? I..."

"Hello, Xiaotao, I can't talk right now." Xue Wu lowered her voice and interrupted her.

Ye Xiaotao froze. She looked down at the cup in her hand. There was not a drop of water in the cup. Under the light, her face was as pale as a piece of paper, "Xue Wu, where... Where are you now? What... are you doing?"

"Aiyo," Xue Wu called out in a sweet voice, "I'm busy now. I have someone by my side. Let's talk when we get back. You know what I mean."

"Du du." Xue Wu hung up the phone.

Ye Xiaotao held the phone. She listened to the busy tone in a daze. She knew what it meant?

What did she know?

Oh, it was probably... Leng Hao took Xue Wu for a meal and then got a hotel room with her.

Heh.

With that in mind, Ye Xiaotao's vision suddenly went dark. All the things just had to happen at this moment that the apartment had a power outage.

Ye Xiaotao got up and groped her way to the living room in the dark.

However, she suddenly stopped in her tracks. What did she want to do?

She didn't know how to fix electricity.

There weren't any candles in the apartment either.

So be it. It was good to be dark.

Ye Xiaotao wanted to sit on the sofa, but she unexpectedly sat on the carpet. Forget it, she felt so cold now. She curled herself up and hugged herself tightly with her two slender arms.

She wanted to give herself some warmth.

...

After an unknown amount of time, about an hour, the apartment door was opened.

Xue Wu's voice sounded, "Why is it so dark here? is the electricity out? Xiaotao, Xiaotao, are you home?"

There was no sound in the apartment.

Xue Wu was quite curious. Didn't Ye Xiaotao have a high fever? She should be at home. Could it be that Gong Yi had picked her up?

That's great. Ye Xiaotao isn't at home and the power was out, so does she have an excuse to invite Leng Hao up?

His car shouldn't have left yet.

Xue Wu immediately took out her phone and dialed Leng Hao's number.

The call went through very quickly. Leng Hao's deep and sexy voice came through. "Hello."

"Hello, President. Have you left yet? There's something I need to trouble you with."

Chapter 1166: For My Wife

"What?" Leng Hao asked.

"There's suddenly no electricity in the apartment. Could you please go upstairs and help to check what's wrong?"

Leng Hao didn't say anything.

Xue Wu continued in a delicate voice, "President, you know that we girls don't know anything about electricity. It's so dark in the apartment. Xiaotao and I will be afraid."

"Okay." After a short response, Leng Hao hung up the phone.

Xue Wu was overjoyed. He was going upstairs!

This was a once-in-a-lifetime opportunity.

Something would definitely happen when a man and a woman were together alone.

Xue Wu's face was glowing with love thoughts. She put her bag on the sofa and then reached out to take off her coat. The sweater inside was a V-neck. She tugged at the collar to reveal her delicate chest curves.

After she was done, there was a "Ding Ling" sound of knocking on the door.

Xue Wu immediately ran to open the door, "President, you're here."

"Yes." Leng Hao stepped into the apartment. "Where's the circuit breaker?"

"Oh, it's in the kitchen."

Leng Hao walked towards the kitchen.

Xue Wu followed behind him. Looking at the man's straight back, she wondered if she should pretend to fall and let him hug her?

"Ouch!" Xue Wu tripped.

However, this was definitely not her plan!

She wanted to pretend to fall and was about to take action. However, when she passed by the sofa, something suddenly hit her. She was completely unprepared.

Xue Wu screamed and pounced forward.

"Bang!" She fell heavily.

Leng Hao turned around when he heard the noise. His eyes were attracted by a small ball curled up by the sofa.

His pupils contracted and he quickly stepped forward and squatted on one knee. He reached out his big palm and grabbed the girl's delicate shoulder. He anxiously asked, "What's wrong?"

Ye Xiaotao didn't move.

"Why are you sitting here? Are you afraid of the dark?" Leng Hao went to hug her. He found that her whole body was like ice.

"Why is your body so cold? Say something!" He raised his voice.

Ye Xiaotao was confused. Suddenly, she heard someone talking. She raised her head in a daze. With the moonlight shining through the window, she saw the handsome face magnified in front of her.

She was thinking that he was really as handsome and suave as Xue Wu had said.

Even from such a close distance, he was so handsome that there was nothing to complain about.

In fact, when she fell in love with him, it was not because of his good looks, but after falling in love with him, there was no one else in her eyes.

Seeing that she did not speak and looked silly, Leng Hao became even more anxious. He knelt one knee on the ground, unbuttoned his coat and pulled her into his arms.

"Xiaotao..." he called her name in a low voice. His big palm held her delicate and cold body and pressed her into his arms. He looked sideways and kissed her beautiful hair.

She did not know how much his heart ached for her current appearance. His heart felt like it was being pulled by a large palm that made him unable to breathe.

She had always been an exquisite porcelain doll in his eyes. In the past, when they were intimate in bed, he had not allowed her to open her eyes, because when she opened her eyes, she looked at him like a little girl who did not know anything and looked at a strange uncle, making him reluctant to use force.

He thought that he would never be able to hold her again, but now, she was in his arms.

Leng Hao kissed her hair and then kissed her face. He whispered in a low, almost devout voice, "Xiaotao..."

Ye Xiaotao felt that she was trapped in a warm and broad embrace. There was a faint smell of a man's body in her nostrils. It was a clean, healthy, and very decent smell.

Her cheeks were itchy, and he kissed her hard. He didn't seem to have shaved, and there was a layer of residue that tickled her.

Most women would like a man like him.

Xue Wu, for example, was infatuated with him.

Ye Xiaotao had completely come to her senses and she said hoarsely in his arms, "Let go of me."

Leng Hao froze.

Ye Xiaotao reached out her hand and pushed him away with all her strength.

Leng Hao was caught off guard and sat on the carpet.

Ye Xiaotao stood up and walked into her room.

With a bang, the door was closed.

...

Xue Wu was the most confused one. She tried every means to invite Leng Hao up, but she didn't expect that in the end, Leng Hao would actually... actually hug Ye Xiaotao!

What was going on?

For the first time, Xue Wu realized that there was something going on between Leng Hao and Ye Xiaotao.

Xue Wu stood up in a fluster. She looked at Leng Hao who was still sitting on the carpet.

"President...President..."

Leng Hao closed his eyes for a moment before opening them again. He stood up straight and went into the kitchen.

His eyes lit up. It was a call.

"President, you're so awesome. You got it done in such a short time..." Xue Wu smiled pleasantly.

Leng Hao walked into the living room. He looked at Ye Xiaotao's tightly shut door and asked softly, "What... happened to her?"

"Oh, Xiaotao seems to have... a fever..."

Leng Hao retracted his gaze and left the apartment.

Xue Wu, who was left on the spot,

...

The Maybach galloped on the street as fast as it could and stopped in front of a pharmacy.

The man in a well-tailored black suit was tall and handsome. Leng Hao crossed the street and walked into the pharmacy expressionlessly. The elite aura on his body still attracted girls with admiring gaze.

“Lady boss, Bring me a bottle of fever medicine.”

“Coming.” The lady boss of the pharmacy ran over. Her eyes lit up when she saw Leng Hao. What a handsome man. “Sir, take the fever medicine you want.”

Leng Hao glanced at the small orange bottle of fever medicine. “Is it bitter?”

“What?” The lady boss understood, “It’s not bitter, not bitter at all. It’s sweet. Sir, are you buying it for your baby?”

Only the parents who bought medicine for their baby would ask if the medicine tasted bitter.

“No.” Leng Hao shook his head.

“Then it is for...”

Leng Hao took out his wallet and a brand new ‘Grandpa Mao’ “it’s for my wife.” He took the fever medicine and left, “Keep the change.”

The lady boss looked at the man’s back and sighed. It was rare to see a handsome man who loved his wife so much. Why didn’t she meet one when she was young?

...

Ye Xiaotao went back to her room and took a hot shower. She was covered in cold sweat just now. Her high fever seemed to have subsided a little, but now her limbs were weak.

She changed into a new set of clothes and went out of the bathroom.

Xue Wu saw her and quickly asked, “Xiaotao, where are you going?”

“I’m going to buy medicine.”

Ye Xiaotao came to the pharmacy, “Lady Boss, give me a bottle of fever medicine.”

“Coming.” The lady boss quickly ran over. When she saw Ye Xiaotao, her eyes brightened up again. What aay was it today? She just saw a handsome man and now this beautiful girl.

She was really beautiful!

“Little girl, here’s Your Fever Medicine.”

“Thank you.” Ye Xiaotao went to take out her wallet, but she was embarrassed. She forgot to bring her wallet when she came out.

“Lady boss, I forgot to bring money. Leave the medicine here first. I’ll go back and get the money.”

“Miss, there’s no need. You can take the medicine.”

“I’m so sorry...”

Chapter 1167: We Are in the Same Room

"It's okay. A gentleman came to buy some fever medicine just now. He gave me 100 yuan. I'll treat this bottle of fever medicine as his treat."

"Thank you, then. Thank you, lady boss. Thank you to that gentleman as well."

"No need to thank me. That gentleman said that he was buying for his wife. He even asked if the medicine was bitter. Tell me, how much does that gentleman love his wife? Little girl, have you found a boyfriend yet? You have to find one like this in the future."

"Ha." Ye Xiaotao smiled, "I don't have that kind of fortune."

She only had an ex-husband, which made her hurt all over.

Ye Xiaotao turned around and left.

...

The Maybach stopped at the Purple Bamboo Garden again. Leng Hao opened the car door and wanted to go upstairs.

However, he stopped because from afar, he saw Ye Xiaotao coming from the front.

The girl was wearing a short white jacket with light-colored jeans underneath. Her silky black hair was tied up into a bun. Her entire person was pure and tender like a rose that had just bloomed.

She had probably not eaten dinner yet. One of her hands was in the pocket of the jacket. There was a plastic bag hanging on her slender wrist and her right hand was holding something that looked like a green tea puff. She lowered her eyes and bit into it.

Leng Hao stood where he was and locked his eyes on her. For the first time, he felt that it was such a blissful thing to be able to look at someone from afar.

However, the girl did not seem to have a good appetite. She took a few bites of the green tea puff and threw it into the trash can.

She put both her small hands into her pockets, lowered her eyes and walked towards the Purple Bamboo Garden, kicking a small pebble under her feet out of boredom.

What's wrong with her?

Is she in a bad mood?

Did Gong Yi bully her and make her sad?

He hadn't seen Gong Yi today.

Leng Hao secretly thought that if Gong Yi dared to treat her badly, he would definitely not let him off!

...

Ye Xiaotao walked past a street and was about to turn when a pair of shiny black leather shoes appeared in her line of sight.

She looked up from the shoes and saw Leng Hao.

She slowly stopped.

Leng Hao looked at the delicate and beautiful face in front of him and his eyes were filled with tender heartache. He said in a low voice, "Is the fever gone? Why did you come out alone?"

Ye Xiaotao curled her lips and smiled sharply and coldly, "Tell me, what do you want?"

Leng Hao's eyes immediately dimmed.

He pursed his lips and did not speak.

"Great CEO Leng, you seem to be closer to Xue Wu recently. Please don't tell me you don't know about the relationship between Xue Wu and me and the Ye family. Just tell me what your purpose is."

"I didn't..."

"Huh, didn't? Great CEO Leng, we had a short marriage history, and we were each other's exes. Now that you're looking for a woman, you coincidentally found Xue Wu. You drove your car to my building and stayed out all night with my roommate. If things develop well, we'll become half a family, and I'll have to happily call you brother-in-law. Great CEO Leng, are you trying to annoy me?"

Hearing her sarcastic words, Leng Hao's face turned cold, "Is everything I do now all wrong in your eyes?"

"It's not wrong, it's just that, CEO Leng, I beg you, can you please stop hovering in front of me? Can you please disappear from my sight? Do you know that I feel nauseous just looking at you right now? My whole body will be in a bad state."

Nauseous?

She actually used this word.

Leng Hao's large palm that was hanging by his side slowly clenched into a fist. Every word of hers was like a knife that cut him into pieces. How much gentleness she had given him in the past was how cruel she was to him now.

He was just asking for humiliation.

"This is for you." He opened his palm.

He had been tightly holding the bottle of fever medicine.

"What?" Ye Xiaotao took a look at the fever medicine and then frowned coldly, "Take it back. I don't want your stuff!"

Leng Hao looked at her determined expression, "Is it because looking at me makes you sick to your stomach, so you even feel nauseous when I give you something?"

"Yes."

Without any hesitation, Ye Xiaotao spat out a word.

"Okay." Leng Hao smiled, "I understand."

He turned around and left.

Ye Xiaotao looked at his receding figure, watched him throw the fever medicine in his hand into the trash can, and watched him drive the Maybach away at lightning speed. She suddenly felt a dull pain in the depths of her heart.

But, why did it hurt?

...

Ye Xiaotao moved out of the Purple Bamboo Garden and rented a new apartment. Without seeing those people she didn't want to see, her life returned to peace.

One day, Gong Yi picked her up from work. Ye Xiaotao sat in the passenger seat. Gong Yi said mysteriously, "I'll take you to a place."

"Where?" Ye Xiaotao asked.

"My friends who started their business together flew over from America. They all want to meet their future lady boss."

To meet his most important friends.

"Oh, okay. Where are they?" She was already Gong Yi's fiancée. One day, she would have to meet them.

"They are in the hotel. We will go there now."

Half an hour later, Ye Xiaotao stood at the entrance of the hotel. She looked at the golden sign on the hotel door. There were two magnificent words — magnificent.

Magnificent Hotel.

"Xiaotao, what are you waiting for? Let's go in." Gong Yi held her slender waist.

"Oh." Ye Xiaotao curled her lips and followed him in.

Gong Yi had a total of six companions. They were all young and talented, so it was not difficult for Ye Xiaotao to get to know them. Looking at Ye Xiaotao's charming face, everyone teased Gong Yi about his good taste.

Gong Yi was quite proud, "Of course. If this girl is not good, how I can wait for her for so many years."

As he said that, Gong Yi continued, "You guys change your clothes. Xiaotao and I will also go to the room to take a shower. Later, we will have dinner together, and after that we will go out to have fun"

“Okay.”

Gong Yi held Ye Xiaotao as they walked along the corridor of the hotel. He passed a room card to Ye Xiaotao and said, “Your room.”

Ye Xiaotao took the room card, “Where’s your room?”

Gong Yi raised his eyebrows and whispered into her ear, “We’ll be in the same room. Later, how about we take a bath together?”

Ye Xiaotao froze.

“Alright, I’m just lying to you. Why can’t I joke with you at all?” Gong Yi caressed her hair lovingly. “I’ve arrived at my room. Your Room is in front. You can go by yourself.”

“Okay.” Ye Xiaotao nodded.

Gong Yi entered his room.

Ye Xiaotao looked down at the room card. 2506. She walked forward and reached the door of Room 2506 and opened it.

This was a presidential suite. It was located in the center of the city but had a view of the sea. She took off the bag on her shoulder and tiredly sat down by the bed.

She hadn’t done anything, but she felt very tired.

At this moment, a voice suddenly rang in her ear, and the door of the bathroom actually opened.

Chapter 1168: All Those Hate and Love

Ye Xiaotao was shocked. There was someone in the room?

She quickly looked up.

A cold air swept out from the bathroom. Then, a handsome figure walked out. The man was wearing a gray shirt unbuttoned and a black brief underneath. He was not wearing shoes, and stepped on the soft wool carpet with his bare feet.

Ye Xiaotao’s clear black and white pupils kept enlarging. How could it be him?

Leng Hao!

Leng Hao also realized that there was someone in the room. His cold and fierce black eyes glanced sharply at the bed. He was surprised for a brief moment when he saw Ye Xiaotao and then his eyes softened.

But that softness was quickly hidden in his eyes. He threw the towel in his hand on the sofa and reached out to button his shirt.

Ye Xiaotao looked at him in a daze. He stood beside her and unhurriedly buttoned his shirt. Then, he took a black suit pants from the closet and put it on. His actions could be described as elegant.

The Leng family was quite prominent in Hong Kong. Although they were doing business in the underworld, Leng Hao had received a good education since he was young. Not to mention those bloody experiences, he was a complete Young Master.

Ye Xiaotao found that her gaze lingered on him too much, so she averted her gaze in embarrassment and annoyance.

She was no longer the little girl who was less than 20 years old that liked to cling to him whenever she saw him. When he was working in the study, she also liked to sit on his lap. She loved to sleep. When she closed her eyes to sleep and would find herself still on his lap when her eyes opened. How sweet she had been then that she had her arms around his neck and kissed him on the cheek.

Although he was a little clumsy, her kisses would have caused him to lose his breath. At that time, he would have left his work and asked her to sit on his lap and wanted her.

However, she was pregnant so she could not satisfy him. She fell into his arms with a flushed face. He panted in her ear with his burning eyes, tenderly asked her, "What should I do?"

This would delay his work. After three or four times, he would no longer allow her to climb onto his laps while he was working.

Ye Xiaotao lowered her gaze. The past sweet memories were clearly projected in her mind. It turned out that all these years, she had never forgotten not only the hatred, but also... the deep love that had once been engraved in her bones.

Her fair little hands gripped tightly onto the bed sheet.

At this moment, her vision went dark, and a refreshing bath fragrance filled her nostrils. Someone was approaching her.

Ye Xiaotao shuddered, and in an instant, all the thorns on her body stood up like a hedgehog. She raised her eyes and stared at him warily and coldly, "What do you want to do?"

Leng Hao had already put on his clothes. He looked down at her from above, and then slowly bent down.

His sudden approach made Ye Xiaotao quickly lean back. In her sight was his exquisite and handsome face magnified. He had just taken a shower, and his neat short black hair was wet, making him look especially young and handsome.

Ye Xiaotao didn't want to see him, and she didn't want to be mesmerized by him again. She stared at him coldly and said mockingly, "What's wrong with you? What? Did I not make myself clear last time. Is it because President Leng is forgetful? This is my room. What's the meaning of you barging into my room? Oh, I forgot that this hotel is yours. You can just use your authority to find out my room number. But, Great President Leng, don't You feel shameless by doing this?"

Leng Hao pursed his thin lips. He looked at the girl's chattering cherry mouth, red lips and white teeth...
He was indeed filthy.

Only he himself knew what kind of reaction he had down there.

Lowering his eyelids, he said in a low and hoarse voice, "Your butt..."

Butt...

What was he saying? ? ?

With a slap, Ye Xiaotao reached out and gave him a slap.

She was too ashamed and angry. She used her full strength, and with this slap, he tilted his face, and a clear palm print quickly appeared on his handsome right cheek.

"Shameless!" She scolded him.

Leng Hao didn't feel any pain. This pain was nothing compared to the one in his heart. His eyes were surging, and he tightly looked at the girl. In the end, his eyes relaxed, and the black color in the bottom of his eyes shattered into nets full of helplessness and hopelessness.

"Do you really hate me so much now?" He gritted his teeth and asked.

Ye Xiaotao met his gaze, "Ha, is there a need to ask this question?"

He didn't need to ask.

Because he knew the answer.

She had made him disappear from her world more than once.

"Ha..." Leng Hao laughed and reached out his right hand.

Ye Xiaotao felt something being pulled out from under her butt.

The man had already straightened up. Ye Xiaotao glanced at him, and a black leather belt appeared in his hand.

Ye Xiaotao froze for a moment, and then her entire face burned up.

It turned out that his leather belt was under her butt.

He didn't have any dirty thoughts at all and it was her that thinking too much.

She suddenly thought of why his leather belt had fallen on this bed in advance. Just now, she seemed to have seen him take out a pair of trousers from the wardrobe. Could it be?

Ye Xiaotao's pupils contracted. Was this his room?

Did she go to the wrong room?

Ye Xiaotao looked at the man in fear and unease.

Leng Hao fastened his belt and did not look back at the girl. He opened the door with his long legs.

“President.” AChen happened to be standing outside the door, “President Lin of Sunshine Construction has arrived. We should go down... President, what happened to your face?”

AChen saw the finger marks on Leng Hao’s face and his voice changed, “Who hurt you? Someone Come!”

AChen shouted.

But at this time, AChen felt a cold and fierce gaze on his face. AChen looked up and saw Leng Hao looking at him with a frown and displeasure.

AChen immediately shut up,...

AChen then realized that he entangled himself out of concerns. He had neglected a very important question that was which assassin or enemy dared to come and slap his president’s face? Unless... it was a woman...

AChen looked passed Leng Hao’s shoulder and peeped into the room.

But he didn’t see anything because Leng Hao had already closed the door.

AChen, ...

Well, well, who else could dare to slap his president and make his president protect him like a treasure other than his ex-wife?

Who else could it be?

“President, President Lin is here. Your face...”

“It’s alright.” Leng Hao reached out and touched his own face. Although she had hit him hard, her little strength could not hurt him at all. The slap mark on his face would disappear soon.

“AChen, after the meeting with President Lin, help me prepare a private plane. Let’s... go back.”

Go back?

AChen was stunned, “President, where are we going back?”

Go back where?

His home was in Hong Kong, and City T was only his temporary residence. He had stayed in T City for the past four years just to wait for her.

“Back to Hong Kong.”

...

Gong Yi knocked on Room 2506’s door, but no one opened it.

He was wondering where that girl had gone.

He took out his phone to make a call.

“Gong Yi.” At this moment, Ye Xiaotao’s voice sounded from behind.

Chapter 1169: She’s Not My Wife

Gong Yi turned around, and Ye Xiaotao was right in front of him.

“Xiaotao, where did you come from? Didn’t you go into your room?” Gong Yi was puzzled.

“Oh, I just... received a call...”

Can’t you answer the call in your own room?

Gong Yi looked straight at Ye Xiaotao, “Xiaotao, What’s wrong with you lately? I noticed that you’ve been acting weird lately, and you’re always absent-minded.”

“I...” Ye Xiaotao’s eyes started to darken.

“Boss,” Gong Yi’s friends came out at this time, “We’re ready. When do we leave?”

Now was not the time to talk. Gong Yi had to temporarily suppress the doubts in his heart. He walked over and hugged Ye Xiaotao’s shoulders, “Let’s go.”

...

The group took the elevator down to the first floor. As soon as they entered the hall, Ye Xiaotao saw Leng Hao.

Leng Hao was surrounded by a group of people standing in front of him. Beside him was President Lin of Sunshine Construction and the two of them were shaking hands.

Gong Yi was stunned when he saw Leng Hao. Quickly, something flashed in his eyes. He turned to look at the attendant beside him, who whispered in his ear, “Young Master, that is the boss of the Magnificent Hotel, President Leng.”

Gong Yi froze. Then, a fire flashed in his head and he now understood everything.

Ye Xiaotao had been acting strangely lately. It was probably since Xue Wu moved into the Purple Bamboo Garden. He had seen Xue Wu being sent back by a Maybach. That night, she said that it was the President of the Magnificent Hotel.

She knew that it was Leng Hao.

Was all her abnormal actions because of Leng Hao?

Because of Leng Hao and Xue Wu?

Gong Yi looked at Ye Xiaotao beside him, whose face was a little pale. She stopped where she was and her watery eyes were fixated on the man in front of her.

She was looking at Leng Hao.

President Lin exchanged a few pleasantries with Leng Hao. Then, he turned his gaze and saw Ye Xiaotao immediately, "President Leng, that seems to be Mrs. Leng."

Mrs. Leng...

Gong Yi's friends gasped. They clearly saw that President Lin's eyes were on Ye Xiaotao.

Ye Xiaotao didn't have any impression of President Lin. Four years ago, Leng Hao didn't take her out to socialize so she didn't know any of his clients.

Later, she thought that he didn't care about her.

Just like a man and woman who were in love or married, but they never appeared in each other's circle of friends.

Because they didn't love each other.

Ye Xiaotao looked at Leng Hao. She was somewhat gloating in her heart and wanted to hear how he would respond.

Leng Hao glanced at her from the side. Very quickly, as if he was looking at a stranger. He curled his lips and said to President Lin in a low voice, "That's not my wife."

She wasn't his wife.

Ye Xiaotao lowered her long eyelashes. Very good. His answer made her very satisfied because this was what she had always asked for. But why did her heart feel empty again?

She was a little disappointed.

"How is that possible? That's your wife. I shouldn't be mistaken." President Lin was suspicious.

Because President Lin had a deep impression of Ye Xiaotao.

Four years ago, he and Leng Hao had a long-distance video on the Internet because of a business deal. When the video was halfway through, he suddenly saw a delicate figure barging in. That day, she was wearing a white suspenders and an emerald green gauze dress with lantern sleeves, she was bright and dazzling.

The hem of the skirt barely covered her perky buttocks. She ran barefoot on the carpet, calling out as she ran, "Hubby..."

The girl's voice was sweet and soft, making his eardrums go numb.

He looked at the girl's face. Her delicate willow-leaf eyebrows, pink lips, black hair, and white skin. The strong visual impact made his eyes flash with amazement.

After four years, he had never forgotten.

He wanted to take a second look, but he heard Leng Hao growl unhappily, "Go back to your room!"

He saw the girl freeze. She was also cute, stuck out her pink tongue at Leng Hao, then turned and ran away.

There was no trace of her.

His eyes were still following the direction where the girl disappeared. At this time, Leng Hao on the other end of the screen glanced at him without a change in expression with his eyes sharp like knives.

“Heh, heh heh...” he quickly withdrew his gaze in embarrassment, “Young Master Leng, I’ve long heard that you’re already married. This must be Mrs. Leng.”

“Yes.” Leng Hao nodded.

“Then Young Master Leng is too ungrateful. You married such a beautiful lady, why didn’t you bring her along with you when you were socializing? Everyone thought that you were still single and had sent you many beautiful women. No wonder you didn’t even look at those women. It turns out that you have a mistress in your house.”

Leng Hao pondered for a moment, “She is not suitable for those places.”

“Oh, Haha, so Young Master Leng is reluctant to have her social around.” He laughed.

Men’s social gatherings were often filled with red wine and cigarette. Even in a proper place, they could not avoid smoking and drinking. After three rounds of drinking, men liked to open a few dirty words. The women present, whether they were their original spouses or their little lovers who were brought out for a stroll.. will have their faces blushed.

Leng Hao could not bear to part with them.

At that time, he was still thinking that he had just glanced at his wife and he was already unhappy. This man was too possessive.

Since President Lin was so insistent, the atmosphere was a little tense. AChen saw that his President’s expression was a little ugly and he wanted to step forward to smooth things over.

However, at this moment, a sweet and soft voice was heard, “President...”

AChen turned around and had three black lines on his forehead as Xue Wu had actually come.

Xue Wu stepped forward and grabbed Leng Hao’s muscular arm. She looked at President Lin and said, “President Lin, Hello. I am the President’s current girlfriend.”

Current?

President Lin immediately understood that there had been a divorce.

He really did not understand. Why did he leave such a beautiful woman behind?

From this, it could be seen that even if one ate too much bird’s nest, they would also get sick of it. Men were all the same.

“Oh, I see. Just pretend that I didn’t say anything just now. President Leng, let’s go upstairs.” President Lin smiled.

Leng Hao glanced at Xue Wu who was blinking her beautiful eyes at him. He didn't have much expression on his face, but in the end, he didn't shake her off.

"Let's go."

The group entered the elevator.

Ye Xiaotao watched as the elevator door closed in front of her. The corner of her mouth slowly curved into a mocking and self-deprecating smile.

Yes, she was already an ex.

No wonder he didn't pester her anymore. He already had a new lover by his side.

At this moment, Ye Xiaotao felt her waist tighten. In a hurry, she looked up and directly bumped into Gong Yi's clear and injured eyes.

Ye Xiaotao was immediately startled and felt guilty.

"Gong Yi, I..."

"Let's go." Gong Yi hugged her and left.

...

Leng Hao drank a lot of wine. He did not reject any drink that President Lin offered.

AChen went up and tried to persuade him a few times. His President was not good at drinking and he got drunk a few times. Every time he got drunk, he would ruin things. Four years ago, because he got drunk, that girl became Mrs. Leng. Later, because he got drunk, the Little Young Master was gone and that girl became an ex-wife.

In the past four years, his President did not drink at all. It was probably because he had drawn the painful lessons of the past.

Now, however, the CEO is acting out of character.

It was not the drinks that intoxicated him, but the person himself.

Chapter 1170: He Would Never Have Children Again

AChen sighed in his heart. Yes, his ex-wife was in the arms of another man. How could the President not be hurt?

Leng Hao drank a few bottles of wine and then stood up. His footsteps were a little unsteady, but his eyes were still clear. with no sign of drunk in them, "President Lin, I'm going out to get some air. Please suit yourself."

"Okay, President Leng. I think you're drunk. Go back to your room and rest."

Leng Hao did not say anything else. He turned around and walked out.

AChen quickly went up to support hi,. "President, be careful..."

But before he could touch the sleeves of his President, a pair of small white hands grabbed Leng Hao's muscular arm before he could, "Let me send the President off."

AChen looked at the person who came..

It was Xue Wu again.

AChen stood up straight. He didn't want to say anything at first, but after thinking for a while, he said, "Miss Xue Wu, do you know how pigs die?"

Xue Wu was stunned. She thought seriously for a moment, "They were killed?"

"Ha, they died of stupidity." AChen replied.

Xue Wu, ..

"Haven't you heard of the words 'as dumb as pigs'? Miss Xue Wu?" After saying that, AChen turned around and returned to the luxurious private room with pride.

Xue Wu, ...

Xue Wu was about to vomit blood. She glared at AChen's back as he left. When she became Mrs. Leng One day, the first thing she would do was fire him.

She was so angry!

Although she was angry, Xue Wu still had a sweet smile on her face, "President, let me send you back to your room."

...

When she arrived at room 2508, Xue Wu wanted to push the door open and enter.

She was secretly delighted. The door in front of her was the one that led to heaven. As long as she pushed open the door, with Leng Hao still drunk, even if nothing happened between them, she would create something between them.

She could not wait.

However, before her hand touched the doorknob, the man beside her said, "You can go."

Xue Wu froze. She looked at Leng Hao blankly, "What?"

The man's hair fell down to cover his beautiful eyes. His thin lips moved and he said again, "You don't have to come to work tomorrow."

Xue Wu felt as if she was struck by lightning. She couldn't even speak. What?

Leng Hao shook off her hand and opened the door directly.

“President, what did I do wrong? Why?”

“Because there’s no need.” Leng Hao closed the door.

...

Leng Hao walked into the room and fell on the soft bed. He opened his eyes and looked at the bright crystal chandelier above his head.

“Knock, knock.” Xue Wu crazily knocked on the door outside, “President, Why did you fire me? Please give me an explanation. I can change, please don’t treat me like this...”

It was so noisy.

Leng Hao dialed the hotel’s internal line, “AChen, get rid of the woman outside my door.”

Soon, Xue Wu saw AChen.

AChen had a smile on his face. He said slowly, “Miss Xue Wu, why are you doing this? I heard that cannon fodder usually doesn’t live past three episodes, but why are you gone so quickly? You are really a disgrace to the cannon fodders...”

Xue Wu,...

It was quiet outside the door, then Leng Hao closed his eyes.

All his strength seemed to have been drained. His head was dizzy, his body was uncomfortable, and his heart even felt worse. He was not injured at all, but his entire body seemed to be in a bad state.

He did not need any reason to fire Xue Wu. He had chosen her out of the three candidates because he felt that the clothes Xue Wu was wearing resembled her taste.

Later on, he heard Xue Wu calling the name Xiaotao on the phone, so he sent Xue Wu home. Because of Xue Wu, he had a reason to get closer to her.

But now, he did not need to.

She hated him so much, and she still felt nauseous when she saw him.

He was like a dirty thing in her eyes.

But, he did not understand what was dirty about him?

From the beginning to the end, his body, his heart, only belonged to her.

Leng Hao rolled his dry Adam’s apple. Forget it, let’s just end it like this. Why force it?

Very soon, he was dreaming.

He dreamed of the long-distance video call with President Lin. He was talking about business, but she suddenly ran in. When President Lin saw her, his eyes were filled with surprise and envy.

He did not like it.

He did not like it very much.

Most of the people in his circle were big shots. Those men who played the most in their lives were women. If they met a pure and innocent girl, they would even snatch her.

The dirtier the person, the more they would crave for clean things.

She was clean. The flowers that were raised in the greenhouse were not tainted by any dust. She was born extremely beautiful. If she was placed in the circle of those big shots, who knew how many people would covet her.

That was why he never brought her out.

That period of time was really happy. They were cooped up at home. He hugged her when he was at work and also when he was sleeping and the days were peaceful and satisfied.

Was it because he got it too easily?

That was why he lost it so quickly.

Leng Hao slowly opened his eyes. His eyes were moist, and two streams of hot tears flowed out from the corners of his eyes.

He wiped his tears with his thumb and stood up.

His stomach hurt so much that he reached out to cover it. A layer of sweat quickly formed on his forehead.

He drank on an empty stomach. In addition, he had not been eating regularly for the past four years, and his stomach ailments often acted up. This time, it was even more urgent and fierce.

Leng Hao struggled out of bed and walked out of the room.

As he walked along the corridor, he felt his vision darken. His straight back leaned against the wall, and he felt that every breath he took was painful.

He bent down with his face pale.

At this moment, a burst of laughter rang in his ears. Someone was talking, "Boss, you have to get married quickly and give birth to a small boss for me."

"How is one enough? A group? Boss, give birth to a football team."

"That's right. After you give birth, we will take care of your children. Each of us will have one child and a free nanny."

"That's enough." Gong Yi smiled, "Each of you will have one child. Do you think my children are monkeys?"

As he spoke, Gong Yi hugged Ye Xiaotao tightly, "For how many children should we have, it would all up to my wife."

Looking at Gong Yi's bright and warm eyes, Ye Xiaotao curled the corners of her lips and slightly smiled, "Let's have two for the time being."

“Did you hear that? My wife has spoken!”

The companions laughed, “Yes, from now on, we’ll listen to the Lady Boss.”

Ye Xiaotao’s lips twitched as a response. She looked forward, and with this look, she slowly stopped in her tracks.

“Why aren’t you leaving, Xiaotao?” Gong Yi also stopped.

He looked forward. There was a person standing not far away. He was not standing, but leaning against the wall with his back bent. He looked a little weak.

Leng Hao knew that the group of people were looking at him. He did not want them to see him in such a sorry state. She was so happy right now and wanted to have two children with Gong Yi. If she saw him standing there, he didn’t know how she would think of him.

He endured the pain and stood up straight, walking forward.

His footsteps were a little slow, and the distance between them shrank little by little. When he passed by them, he thought that he would never have children again. He only had Little Xiaotao.

Enough.

Chapter 1171: Two Fools

Xiaotao...

A warm, sticky sensation tickled his nose and threatened to spill out. Hastily, Leng Hao reached out with his hands in an attempt to stymie the flow.

His nose was bleeding.

He couldn’t be more embarrassed.

Fortunately, she had not seen it.

Leng Hao quickened his steps, disappearing amidst the throngs of the crowd.

“Isn’t that the president of the Magnificent Hotel?” muttered several acquaintances of his.

“Yes, it was. I think he’s not feeling well.”

Gong Yi turned to the girl beside him. She stood rooted to the ground, lost in a daze. “Xiaotao, let’s go back to our room,” said Gong Yi.

Upon hearing Gong Yi’s voice sounding in her ears, Ye Xiaotao shook off her stupor and replied softly, “... okay.” Not once did she look at Gong Yi throughout the entire sequence of events.

...

After his friends had returned to their rooms, Gong Yi escorted Ye Xiaotao to hers. The number on the door indicated that it was Room 2506. "Xiaotao, we have arrived. Have a good rest tonight."

"Okay," responded Ye Xiaotao as she entered her room.

"Xiaotao." Gong Yi clasped her slender wrist in his hand, not letting go.

Ye Xiaotao looked up. "What's wrong?"

Gong Yi studied her tear-filled eyes. Ye Xiaotao was as beautiful as ever. The only difference being the dull lifelessness that had overtaken her vivacious spirit.

He smiled. "Nothing."

"Then I'll be going in." Ye Xiaotao wrenched herself free from Gong Yi's grip before shutting the door behind her.

Gong Yi stared intently at the door and a bitter smile crept to his lips. Was he not good enough for her?

Ye Xiaotao sat on the lone bed in her room. She sat there silently – as still as a statue carved out of jade. The room was so quiet that it felt suffocating.

A few minutes later, she suddenly stood up and walked to the door that led out of her room. Turning the knob, she peeked out into the hallway. She bolted the instant she determined that no one was around.

Taking the elevator down to the first floor, Ye Xiaotao ran out through the main doors of the hotel. She took the stairs two at a time as she hurried down towards the street. In her haste, she accidentally bumped into a woman but she did not stop to apologize. Instead, the encounter seemed to spur her on and she fled like the wind.

The woman Ye Xiaotao had hit was furious. "Who was that? She didn't even apologize for having bumped into me. She must have lost her mind."

...

Ye Xiaotao panted as she ran down the street; neon lights flashed and flickered against the polished surfaces of the cars that sped past. Eventually, she stopped. She stood in place, anxiously scanning the streets for a sign – any sign that would point her to Leng Hao

The neon cars in the city were very bright. She stood in the same spot and anxiously looked around, but there was no one she was looking for.

She crossed the street. When the cold wind of spring blew past her face like a blade, she felt her heart slowly recover from the acceleration of her running.

Leng Hao...

Where did he go?

Perhaps no one else had seen the bright burst of crimson but she.

It was a brilliant shade of red.

Four years ago, in the fire that had ravaged her body in flames. The most important person in her life – her little Xiaotao – had been lost.

Now that very same colour had reappeared, rushing out from the cavities that made up his nose. Her heart trembled. She was suddenly so afraid. She was afraid of losing it again.

She was afraid of losing... him.

At this moment, she realized that nothing was important. Compared to him, nothing in this world was more important.

What she had wanted then had not changed. It had remained the same from the very beginning.

But, where was he?

“Leng Hao!” Ye Xiaotao screamed his name under the dark sky. She searched up and down the road but failed to catch sight of him. Just then, as she thought of expanding her search to encompass the area near the traffic lights, she came to a standstill.

Across the street from her stood Leng Hao.

At this moment, Leng Hao stood with his back to her. However, there was another person in his arms, Xue Wu.

Xue Wu was hugging him tightly.

Ye Xiaotao stood stock still, paralyzed by the scene that was unfolding before her eyes. She stared blankly at the woman who was hugging him.

It was then she remembered that she wasn't the only one who hadn't changed. A similar spectacle had taken place in the past. Four years ago, Bai Lingyun had dominated him. Now, Xue Wu was hugging him.

She felt like a complete fool!

Raising her head to meet the falling rain, she laughed.

Tears poured out from the sky in an unending squall. It was so cold.

She turned around.

When she did, Ye Xiaotao saw a person standing in front of her. Gong Yi was holding a black umbrella, his eyes never straying from hers.

“Gong... Yi...”

Gong Yi sighed but padded slowly to her side, nonetheless. He draped his black coat over her shoulders. “It's raining. You'll catch a cold like that.”

Ye Xiaotao's eyes were moist. Her cherry red lips trembled as she whispered helplessly in a pain-filled voice, “I'm sorry, I'm sorry. I just...”

“Hush now, you silly girl. You don't need to explain yourself.” Gong Yi gently pulled her into his arms. “I'm the one who loves you. I'm also the one who's waiting for you. You have not promised me anything.”

Everything I've done for you was of my own volition. You have not coerced me in any way; so you don't have to say you are sorry. You don't have to apologize."

"But, but..." Ye Xiaotao covered her face with her hands, letting her tears meander their way around her fingers.

"There's no need for butts. If you don't love a person as good as me then you must be blind. I followed you all the way here, and I still don't know what you want to say. That's because my love for you is blind. Since there's a fool like you in this world, then I'll accompany you as your fool."

Two fools blinded by love.

..

Ye Xiaotao returned to the Ye residence the next day. She had returned for a set of documents.

The maid opened the door for her. "Eldest Miss, you're back?"

"Yes. Where is my father and Auntie Miao?"

"Master and Madam Miao went out early this morning. Would you like me to give them a call?"

"There's no need. I'll be leaving soon."

Ye Xiaotao rushed upstairs. At this moment, a voice sounded. "Xiaotao, you're back?"

Ye Xiaotao appraised the individual who called out to her from the floor above. It was Xue Wu.

Xue Wu was carrying a bag in her hand and sported an ingratiating smile, "Xiaotao, I've borrowed a few sets of new clothes from your closet. I noticed that you had plenty to spare. You don't mind, do you?"

Many things had transpired in the last few days. Even though Xue Wu was Auntie Miao's cousin, Ye Xiaotao couldn't treat her without a grudge.

Ye Xiaotao nodded indifferently. "It's fine. You can have them if you would like."

She brushed past Xue Wu and popped into her room.

Xue Wu followed her in. "Xiaotao, I've already resigned."

Ye Xiaotao was tidying up her documents at her desk. She replied casually, "Oh, is that so?"

"Yes, Xiaotao. You might not know this, but our CEO was hospitalized last night. His stomach was bleeding. As his girlfriend, I resigned in order to take care of him. He said that in the future when he takes care of me, I would only need to think about being his wife.

Ye Xiaotao listened expressionlessly. She didn't deign to respond.

"Xiaotao, I really envied your relationship with Young Master Gong but that is in the past. I never expected that I would find a man who loves me. President Leng is really good to me. He drove me home and even gave me several priceless pearls. Being together tonight... just like this... makes me feel so fortunate.

Ye Xiaotao stopped in her tracks and slowly turned to look Xue Wu in the eye. “Xue Wu, you should know of my relationship with Leng Hao, right?”

Xue Wu froze the moment Ye Xiaotao’s question escaped her lips.

That’s right. Xue Wu knew.

After the night of the power outage, she had spent a large sum of money to investigate the relationship shared by Leng Hao and Ye Xiaotao in secret. What she found shocked her to the core. Leng Hao and Ye Xiaotao had once been in a short-lived marriage. She did not know what caused them to break up. All she knew was that someone had gone to great lengths to ensure the marriage was covered up...

Abruptly, Xue Wu was struck with an epiphany and she began to realize what kind of role she had played in the palm of Leng Hao’s schemes.

Leng Hao had used her to get close to Ye Xiaotao.

He had invited her to work with him because of Ye Xiaotao. He sent her home on a daily basis because of Ye Xiaotao. Every word he had spoken to her had been about Ye Xiaotao. She had never existed in his eyes, to begin with. How could she when it was Ye Xiaotao’s figure that occupied his heart?

Chapter 1172: Don’t You Know It in Your Heart

Xue Wu was driven mad with jealousy. Why did Ye Xiaotao take over all the good things in the world?

She was born well, had a good appearance, and great painting skills. She was talented and beautiful, and the number of men who adored her can fill the capital. She was even guarded by a prince like Gong Yi.

Even now why did Leng Hao belong to her?

Xue Wu was unwilling and resentful. She was attracted to Leng Hao first. She put in all her effort, but Ye Xiaotao did nothing, yet she got everything.

However, Xue Wu could only hate her in her heart. She didn’t dare to shed all pretence of cordiality with Ye Xiaotao, so when Ye Xiaotao asked the question directly, Xue Wu’s expression changed. She quickly said in a soft voice, “Xiao Tao, I’ve heard a little about you and my CEO, but it’s been four years. You have Young Master Gong by your side. You should let go of CEO now...”

“I’m in a relationship with the CEO now, and he told me that he likes me. Isn’t that good? We’ve found our own soulmates, perhaps we can be family in the future.”

Did she hear a little about them?

Ye Xiaotao sneered in her heart. Her short marriage with Leng Hao had long been covered up by her father. There were only a few people in the capital who knew about it. Xue Wu must have spent a lot of time and money to find out about it.

“Family? Xue Wu, I don’t remember you changing your surname to Ye.”

When she said this, Xue Wu was stunned.

Ye Xiaotao threw away the documents in her hand and smiled, "Xue Wu, aren't you going to the hospital to visit Leng Hao? It just so happens that I'm free now. Let's go together. No matter what, he's my ex-husband. I have to congratulate him since he has found a new lover."

Xue Wu, ...

.....

In the hospital ward.

Leng Hao was dressed in blue and white striped attire. He was leaning against the headboard of the bed. His face was very pale, and the circle of green dregs on his chin added to his decadence and vicissitudes of life.

The doctor checked his body. Achen asked with concern, "Doctor, How's My CEO's condition?"

"This patient's stomach problem has been accumulated for a long time. He should have had it a long time ago. Those who suffer from stomach disease must quit smoking and alcohol. Take care of yourself during the day. Although a doctor can treat patients, if the patient doesn't take care of themselves, we can't do anything about it. " The gastric bleeding since last night has stabilized. You have to stay in the hospital and observe for a few days."

"Okay, thank you, Doctor."

The doctor left.

There were only two people left in the ward. Achen glanced at Leng Hao carefully. The man lowered his eyes and no one knew what he was thinking.

"CEO, let me get you some hot water."

His lips were dry.

However, Achen's words did not receive a response. Leng Hao did not even raise his head to look at him. Achen scratched his head with his hand and tried to smooth things over. "Hehe, let me get you some water."

Achen poured a cup of hot water into the cup. At this moment, the ward door opened and someone walked in.

Achen looked up and saw that it was Xue Wu.

This woman again.

Achen sighed in his heart. His hot temper had almost flared up. All these years, he started a company with the CEO and he had refined himself to be a gentleman. However, when he saw this haunting woman, he really wanted to go back to his old profession and make her disappear in a second.

Of course, Xue Wu automatically ignored Achen's gloomy expression. She walked to the bedside and said sweetly, "President, I made millet porridge for you early this morning. Let me feed you."

Leng Hao did not respond.

Xue Wu placed the Thermo flask on the cabinet. She did not feel embarrassed at all. She said to herself, "CEO, this millet porridge is very good for your body. If you find it delicious, I can make it for you often in the future..."

Achen stood at the side and watched this woman doing a one-woman show coldly. At this moment, he saw another person.

Achen was stunned. "Ex-wife. Oh no, Miss Ye..."

Leng Hao, who was on the bed, immediately raised his head when he heard the voice. He saw Ye Xiaotao walk in slowly.

Leng Hao sat up from the bed instantly. His deep eyes fell on her body.

Ye Xiaotao was also looking at him silently.

Achen did not expect his ex-wife would come to the hospital to visit his CEO. He was stunned for a moment. At the same time, he heard a hoarse voice, "Get out!"

"Yes." Achen did not hesitate for a second. He did not even need to look to know that the CEO asked him to leave. He lifted his feet and left.

"And you." Leng Hao looked at Ye Xiaotao tightly. His words was for Xue Wu.

Xue Wu once again demonstrated what it meant to "play dead." She chuckled and then sat down by the bed. "My CEO, the porridge is getting cold. Let me feed you some porridge."

Ye Xiaotao smiled sarcastically and turned to leave when she saw this.

"Pa!" The sound of a porcelain bowl being broken came from behind. Xue Wu screamed in fear. A gust of wind blew beside Ye and her slender wrist was grabbed by a big palm.

"Don't leave," Leng Hao said in a low and hoarse voice.

Ye Xiaotao looked sideways. He came down in a hurry. He didn't even wear shoes, and his bare feet stepped on the floor. Perhaps he hadn't slept all night, his eyes were filled with a layer of bloodshot, which make him looked haggard.

"Both of you are lovers and concubines. What do you want me to stay for? To be the third wheel?"

Leng Hao frowned. "Who is the lover and who is the concubine? Explain clearly."

"Haha." Ye Xiaotao laughed and glanced at Xue Wu.

The bowl in Xue Wu's hand was smashed on the floor by Leng Hao. She couldn't avoid it in time. Her entire right hand was burned red by the hot porridge. She was in so much pain that she shed tears.

At this moment, her heart trembled when she saw that Ye Xiaotao was looking at her. "Xiaotao, I..."

"I have nothing to do with her," Leng Hao said briefly.

Ye Xiaotao looked at the man's red eyes. "Do you think I'll believe you?"

As soon as she said that, her slender wrist hurt. He increased the force.

She frowned unhappily and glared at him. "It hurts."

"Then you don't talk so weirdly." Leng Hao loosened his force, but he didn't let go of her slender wrist.

"Did I say something wrong? Didn't you drive her home..."

"Because you were upstairs."

"Didn't you give her pearls..."

"Pearls? I didn't."

"She said that both of you were together for the whole night..."

"Why would I be with her? I was working overtime all night. Achen can testify for me."

Ye Xiaotao looked at Xue Wu. Xue Wu's face turned from red to green. She knew that Ye Xiaotao did it on purpose. She was humiliating her.

Only then did Xue Wu realize that she was not as easy to bully as she appeared to be. If she really provoked her, she would peel off the person's skin from the inside out.

"Oh, is that so? Now I don't know who to believe. She told me that both of you are dating and you are liking her that you will be keeping her in the future..."

"Ye Xiaotao, don't you know who I like and who I want to keep?" Leng Hao interrupted her.

Ye Xiaotao raised her eyes to look at him. The man's eyes were moving. He stared at her with pain and passion.

Chapter 1173: You Want Me to Die or Live

Ye Xiaotao avoided his gaze.

Leng Hao stared at her and shouted, "Achen!"

"Yes, President." Achen, who was guarding outside the door, walked in quickly.

"Get her out."

"Yes."

Achen walked to Xue Wu. "Miss Xue Wu, do you think if you should leave by yourself, or should I take you with me?"

Xue Wu...

She was unwilling. "President, I don't want to leave. Let me stay and take care of you. I...Hmm!"

Xue Wu's mouth was covered by Achen's hand. His other hand grabbed her arm, twisting and restraining her. He stretched out his leg and kicked Xue Wu's back knee. Xue Wu left although she didn't want to.

Achen got her out effortlessly and closed the door of the ward.

He wanted to do this for a long time. At this moment, his move was as smooth as flowing water.

Xue Wu was in so much pain that her face was full of tears.

The ward was completely silent. Under the man's gaze, Ye Xiaotao shook off his hand and walked towards the door.

"Where are you going?" Leng Hao caught up to her and grabbed her little hand.

Ye Xiaotao avoided him and did not let him succeed. "Since Xue Wu has left, I should leave too."

"Did you come here just to make Xue Wu leave?"

"Yes."

"So now she has left, I have no value anymore to you."

Men were stupid. He never thought of the reason why did she want to make Xue Wu Leave?

"Yes." Ye Xiaotao nodded.

"Haha..." Leng Hao laughed gently. He quickly walked forward and hugged her directly from behind.

Ye Xiaotao froze and struggled quickly. "Let go!"

"I won't let go." Leng Hao closed his tired eyes and buried his head in her hair. Her hair smelled so good, it was the same as four years ago.

"How can you be so cruel to me? If you want me to give up, then don't come to see me. This morning when I lay on the hospital bed and looked at the sun outside, I was so sad that I felt like I was going to die. But you came. Even if you didn't do it for me, I felt like I was alive. But if you're going to leave again, Xiaotao, do you want me to die and live again?"

The tip of Ye Xiaotao's nose turned red when she heard the man's painful murmurs. She sneered and shook off his embrace. "What does your life or death have to do with me?"

She reached out to open the ward door.

But her shoulder was held by him. The man exerted force and she twisted her body. Just as she was about to struggle, her two small hands were held by him and pressed against the wall.

She was held in his arms just like that.

“Leng Hao, let go of me! Don’t touch me!” She screamed out of control.

Leng Hao’s eyes were turbulent. He stared at her crazily and fiercely, like a wild beast that was on the verge of breaking the bottom line. He panted and sneered, “If I listen to you, can you like me a little?”

“In your dreams!”

“If that’s the case, why should I listen to you? Since you already hate me, I might as well make myself feel better.”

Leng Hao bent down and kissed her bright red lips after he finished his words.

He wanted to kiss her for a long time.

Ye Xiaotao tilted her head to the side and refused to let him kiss her. What right did he have to kiss her?

Leng Hao’s thin lips landed on her face. Her skin was like egg white, tender and fragrant. His Adam’s apple rolled along her face and buried his face in her pink neck.

Ye Xiaotao was in pain and could not hide from him. The light smell of disinfectant on his body filled her nostrils. At this moment, she did not feel bad. She even felt that it smelled good.

His lips were very dry, and her skin was delicate. Wherever his lips touched, she felt itchy and painful. This feeling was familiar with four years ago and it spread throughout her body instantly, like an electric current.

She tightened her body, gritted her teeth, and panted.

She hated herself. Gong Yi had been so good to her, but when Gong Yi touched her, she wanted to push him away. Now that he touched her, although she hated him so much, her body accepted him.

All these years, she had not forgotten anything.

She had not even forgotten the feeling of rolling with him.

Leng Hao felt his mouth dry, and his throat felt like burning charcoal. He was no longer satisfied with the intimacy between his neck. He let go of her small hand and reached out to unbutton her coat.

His hands had to be taken off. Ye Xiaotao beat him with all her strength. She pressed down on his large palm and refused to let him unbutton her coat. He was impatient and directly tore her coat button from above.

His two large palms slid down from her fragrant shoulders. The fingertips of his thumb accidentally touched the up and down of her chest. He closed his eyes and slowly put his hands on her slender waist. The soft and beautiful curves there made him forget to return, he pressed his lips against her earlobe and panted in pain.

Ye Xiaotao tried her best to avoid the hot breath that he exhaled. Her small hands patted his big palms to prevent him from touching them.

However, she was sensitive enough to sense that there was something like a wooden stick pressing against her lower abdomen.

Her whole face was burning, and she knew what it was.

“Leng Hao, you’re nasty!” She cursed.

Leng Hao opened his mouth and bit her earlobe. He laughed hoarsely, “How am I nasty?”

Ye Xiaotao, ...

She lowered her head and glanced at that thing. The gown was very loose, and that area looked like a tent.

She was extremely angry. She reached out her hand without caring about anything and grabbed it with force.

Leng Hao grunted, don’t know whether he was happy or in pain.

“Leng Hao, let go of me. If you don’t let go, I’ll make you cripple!” She was furious.

Leng Hao was not doubting what she said at all. She would cripple him.

He reached out his right hand and pinched her delicate cheeks. He forced her to look at him. “Haha,” he smiled. “Then cripple it. Since you don’t want it anymore, what good is it for me to keep it?”

“You!” Ye Xiaotao clenched her teeth. “Do you think I don’t dare?”

“I know you dare, but I really won’t let go.” As he spoke, Leng Hao rubbed his nose against her face. “Do you still remember? There was once when you were interested in this thing and held it for a whole night...”

Ye Xiaotao let go of his things and quickly covered his mouth.

She didn’t want him to say anything.

At this moment, her eyes were watery, as if she was extremely ashamed and angry. Leng Hao looked at her without blinking and then silently kissed her palm.

Ye Xiaotao moved her hand away immediately.

The next second, her lips softened, and Leng Hao kissed her.

His overwhelming kiss swept over, and Ye Xiaotao’s eyes widened. When he pressed on her teeth, she forgot to clench her teeth and let him drive straight in.

Leng Hao closed his eyes and kissed her. He gently and forcefully sucked on her sweetness, and then hooked her little tongue.

It was this feeling that made his scalp go numb and his blood boil. In the past four years, this feeling had appeared more than once in his dreams.

He thought that he would never have the chance again.

Her mouth was so sweet, like jelly.

Ye Xiaotao's small hand that was pressed against his chest tightened his hospital gown slowly. She wanted to resist, but her palm was powerless, and her entire body was about to go soft.

Her long eyelashes that were like a fan fluttered twice. She closed her eyes as if she was appointed to do so. Her small hand that was grabbing his gown loosened slowly, and then she climbed onto his broad shoulders.

Chapter 1174: Let's Get to Try on the Wedding Dress Tomorrow

At this moment, a melodious ringtone was heard, and the phone in her coat pocket rang.

Ye Xiaotao suddenly opened her eyes and reached out to push him.

Leng Hao was immersed in this kiss, so he was being pushed away unexpectedly. His eyes were tainted with lust, scarlet and flirtatious. "What's wrong?" He asked.

Ye Xiaotao was a little stunned. Her small hand pressed against him, and she lowered her head to take the phone.

The moment she lowered her head, her lips were being kissed again.

"No..." Ye Xiaotao turned her head to avoid it.

Leng Hao kissed her face, and then he used his thumb to rub her red and swollen lips. "Xiaotao, I..."

"It's Gong Yi calling," she said.

Leng Hao froze.

Ye Xiaotao took the opportunity to push him away, opened the ward door, and quickly walked out.

.....

Ye Xiaotao stood by the window at the entrance of the corridor, enjoying the cold wind outside. She looked at herself in the mirror. Her cheeks were red and her eyebrows were charming. She looked like she had been doted on by a man before.

She clenched her phone tightly.

The phone rang once, but she didn't pick it up. However, Gong Yi on the other end was persistent. Her phone rang again.

Ye Xiaotao didn't take the elevator. She walked down the stairs step by step and picked up the phone. "Hello, Gong Yi..."

"Hello, Xiaotao, what's wrong? I couldn't get your phone open. I thought something happened to you. I was so worried about you," Gong Yi's anxious voice could be heard from the phone.

Ye Xiaotao looked at her toes and said softly, "I'm in the hospital."

"What? Hospital? Xiaotao, you..."

"I'm fine. It's... Leng Hao."

Gong Yi fell silent suddenly.

"Gong Yi, I've thought about it thoroughly. I shouldn't have dragged you into this. Let's turn back before it's too late. I..."

"Xiaotao," Gong Yi interrupted her, "Are you free tomorrow? The customised Milan's wedding dress is ready. Let's go and try it on. You'll definitely look gorgeous in it."

"Gong Yi..."

"Xiaotao, don't talk. I don't want to hear anything. Don't think that I don't have a temper. If you say something that you shouldn't, I'll be angry too. I think you won't be so cruel that you don't even let me be a fool."

Ye Xiaotao...

"Alright girl, I know that you've been in a bad mood recently. I am not seeing you for today. Rest well. I'll pick you up tomorrow to try on your wedding dress. See you."

Gong Yi hung up the phone.

Ye Xiaotao listened to the busy tone. She felt very guilty, distress, and she was at a loss. Gong Yi was a very good man, but she wasn't worthy of him.

She did not want to hurt him.

What should she do?

.....

After going down to the first floor, Ye Xiaotao walked to the hospital hall. At this time, a group of people walked in front of her. When the person at the front saw Ye Xiaotao, his eyes lit up.

"Little Sister."

Ye Xiaotao looked up and saw that it was her elder brother, Ye Lin.

"Brother." She called out indifferently.

"Little Sister, why are you here in the hospital? Are you not feeling well? Come, let Brother have a look. This hospital belongs to your brother. I'll get the best professor to treat you."

Ye Xiaotao was looking at Ye Lin's fake face. She didn't like her elder brother very much. Her elder brother was good-for-nothing and didn't have any real talent. He only thought about inheriting the inheritance.

"No need, brother. I'm fine."

“How can you say you are fine? Let’s go. I’ll get someone to do a full-body check on you.”

“No, Brother. I am leaving now.”

Ye Xiaotao said goodbye to him and left.

“Boss,” Ye Lin’s subordinate whispered, “The eldest miss is becoming more and more arrogant. She’s looking down on you.”

Ye Lin snorted, “Who asked her to be the apple of that Old man’s Eye?”

“Boss, I don’t think the master has any intention of leaving his property to you. The eldest miss is now engaged to the Gong family. That Little Prince Gong is a shrewd person and is very favoured by the master. Will the master leave all the property to the eldest miss and the son-in-law?”

Ye Lin’s face was ferocious. “How dare he? !”

“Boss, the property is all dependent on master’s words. We can’t just surrender, or else we will regret it later.”

“What do you mean?”

The subordinate looked in Ye Xiaotao’s direction.

“No.” Ye Lin shook his head. “She’s been with Young Master Gong recently. I haven’t had the chance to do it...”

“Then we can drive a wedge between young miss and Young Master Gong first. When there’s a rift between them, we’ll make a move against Young Master Gong first, then we’ll deal with the young Miss. After that, all of the Ye family’s assets will be yours, Boss.”

Ye Lin stroked his chin and looked at his subordinate with approval. “Alright, you’re quite quick-witted. That’s a good idea, but how do we drive a wedge between Xiaotao and Young Master Gong?”

The subordinate revealed a greedy and wretched smile. He whispered into Ye Lin’s ear, “Drug young miss and then find a man to...”

Ye Lin heard this and said, “Haha, that man is you, right?”

“Boss, I’m doing all this for you.”

“Alright, don’t say it like that. My sister is beautiful. Many noble young masters want her. It’s hard for you to even lay a finger on her with your status. Nevermind, since you’re following me, I will treat you nice. Deal then.”

The subordinate was overjoyed. “Thank you, Boss.”

“Yes, but Xiao Tao has always been aware of me. Who should I send to drug her without anyone knowing?” Ye Lin was in a difficult position.

“This...” there was no one else to choose from.

At this moment, a woman suddenly appeared in Ye Lin's sight. Xue Wu burst into tears and snot. She came out in an embarrassing state.

Ye Lin's eyes lit up.

.....

Ye Xiaotao returned to her apartment. Her mind was in a mess. She took an early shower at night and wanted to go to bed.

At this moment, there was a "ding ling" sound. Someone was knocking on the door.

Who was it?

Ye Xiaotao looked through the peephole. Xue Wu was standing outside the door.

She didn't want to see Xue Wu at all, but Auntie Miao was there. She didn't want to make the situation too awkward.

Ye Xiaotao opened the door.

"Xiaotao." Xue Wu's eyes were red, and she looked pitiful.

"What's the matter?"

"Xiaotao, I came to say goodbye to you. I'll go back to my hometown tomorrow."

Ye Xiaotao was quite surprised. She knew that Xue Wu came to the capital, wanted to make some achievements, but did she left just like that before the matter was settled?

"Then take care. I am not sending you." Ye Xiaotao was about to close the door.

"Xiaotao, wait a minute. I know I've done a lot of things wrong. You probably won't forgive me, but I still want to apologize to you. I have something to say to you as well. Can you let me in?"

"If you have something to say, just say it here."

"It's about Leng Hao."

Ye Xiaotao frowned when she heard this name. In the end, she let go of the doorknob and let Xue Wu in.

Both of them came to the living room. Ye Xiaotao sat on the sofa, and Xue Wu spoke, "Xiaotao, I have lied to you on some things. In fact, Leng Hao doesn't like me. On the third day of work, I wanted to get close to him, so I gave him a cup of coffee. He fired me on the spot, but you called me that time. After I mentioned your name, he let me stay here. He even sent me home."

Chapter 1175: Save Me

"He didn't give me that pearl either. It's me who asked for it from my cousin when we were shopping. Other than that, I was alone the night you had a high fever. President Leng came to the company at eight o'clock that night, so I get a chance to encounter and ask him to send me home.

“On the night when President Leng got sick, he drank a lot. After saying goodbye to President Lin, he fired me immediately. I didn’t give up, so I stayed outside the hotel. When President Leng came out from the hotel, I rushed up to him and hugged him, but he quickly pushed me away.

“Xiao Tao, President Leng liked you from the beginning to the end. I admit that I was jealous of you. I really liked President Leng. That’s why I was so stupid. I’m sorry.”

Even if she didn’t say it, Ye Xiaotao had guessed that there was nothing between him and Xue Wu.

“Xue Wu, for Auntie Miao’s sake, I forgive you. You can go now.” Ye Xiaotao stood up and returned to her room.

Xue Wu’s eyes were filled with hatred. She secretly took out a small bag of medicinal powder from her bag and sprinkled it into ye Xiaotao’s Cup when she saw that the door was closed.

“Xiaotao, I’ll be leaving now. Goodbye.”

Xue Wu walked out.

.....

Ye Xiaotao wasn’t sleepy at all. She suddenly didn’t want to sleep. Her mouth was a little dry. She walked into the living room, picked up a cup, and poured a cup of warm water.

She drank the warm water in one gulp.

She returned to the room and lay on the bed to sleep. Soon, she felt her whole body heating up.

She sat up and reached out to cover her face. Her cheeks were burning. Why was her body so hot?

Ye Xiaotao got off the bed and took two steps. She immediately noticed the strange feeling on her body. When she walked, her legs accidentally rubbed against each other, and there was a current flowed through her.

She was no longer a young girl. This reaction was not unfamiliar to her. She seemed to... want it.

Was she drugged by someone?

That glass of water...

Xue Wu!

Ye Xiaotao quickly bent down to get her phone. She wanted to call her daddy.

However, at this moment, a faint sound rang in her ears. She turned around and saw the door being pushed open. A man in black walked in.

Ye Xiaotao was shocked. She knew that she had fallen into a trap. “Who are you? What do you want?”

Ye Lin's subordinate closed the door and looked at Ye Xiaotao. His eyes were wide open. "Little beauty," he rubbed his palms together in a wretched manner, "You don't have to care who I am. You just need to know that tonight, your brother is here to dote on you."

"Such a shameless! Do you know who I am? I am the eldest daughter of the Ye family. If you dare to touch a single hair on my head, I guarantee that you will die without a burial place!" Ye Xiaotao retreated to the windowsill alertly.

"Haha, alright. Even if I die under the peonies, I will still be a romantic ghost!" After saying that, the subordinate directly pounced on Ye Xiaotao.

"Ah!" Ye Xiaotao screamed. She turned around to open the window. She wanted to call for help, but when her hand grabbed the tassel curtain, her entire body was thrown onto the soft bed.

Ye Xiaotao wore a white gauze nightgown after taking a shower. The nightgown reached the base of her fair thighs. Being flung like this, her right shoulder was exposed. Her fair skin and jade-like bones made her subordinates swallow his saliva.

"Little beauty," he pounced on her and pressed her down, "It's said that the daughter of the Ye family is the top beauty of the city. It's true. Compared to you, all the women I've known in my life are mediocre. My wife is school belle, but I can't even get it up when I look at her now. But for you, I can get it up three times a day, Haha."

Foul words!

"Bastard!" Ye Xiaotao reached out to slap him.

However, her hand was grabbed by her subordinate and pressed down. The subordinate laughed out loud with a ferocious expression, "Little beauty, you better be smart so that you suffer less later. I'm not Young Master Gong. Be good, I'll make you happy that you wish you were dead."

The subordinate went to lift her skirt after he said that.

"No! Don't touch me, get away from me!" Ye Xiaotao tried her best to cover her skirt.

The subordinate straightened up and reached out to take off his pants. He couldn't wait for a second for such a beautiful thing beneath him.

"Little beauty, don't struggle anymore. You've been drugged. Don't you want to do as well?"

Ye Xiaotao felt her body getting hotter and hotter, and her vision started to blur. If this condition continued, her fate would be to be raped.

And in the situation where she was willing to be.

She bit her lower lip with her scallop-like teeth until a bloodstain appeared. There were helpless tears in her eyes. "Save me, save me... Leng Hao..."

Leng Hao, where are you?

The subordinate forcefully tore away Ye Xiaotao's dress and separated her legs. When he saw the white lace underwear that she was wearing underneath, his eyes were filled with blood due to his excitement.

What kind of dumb luck did he have to be able to press the top beauty in the entire capital beneath him. It was known that those noble young masters squeezed their heads so hard but they couldn't even see her face.

"Hahaha..." his subordinate laughed complacently.

At this moment, he felt a weight on his shoulder, and a large palm pressed down on him.

"Who is it? Go away, don't ruin my good deed..." the subordinate shouted reflexively.

Before he could finish his sentence, he was punched in the face.

"Bang!" The subordinate was knocked to the ground by the fierce punch.

He raised his head and saw that there was another person in the room. It was Leng Hao.

"Leng... President Leng..." the subordinate was so scared that his whole body was trembling. He turned around and crawled towards the door.

Leng Hao was born in the underworld. He would never be able to fight against him. Escape was more important.

Leng Hao clenched his fists tightly. His handsome features were as cold as hell. He glanced at the bed. The girl was already curled up on the bed in a daze.

As long as he thought about what would happen next if he was a second late, he was urged to kill.

He quickly stepped forward, bent down and grabbed him by the collar. He dragged him to the living room like he was dragging a dead object.

"President Leng, please spare me. I was paid to do things for others... as long as you spare me, I will tell you the mastermind behind the scenes..." the subordinate kept kowtowing.

Leng Hao kicked his subordinate in the chest. With a "Pu" sound, the subordinate spat out a mouthful of blood.

"I will investigate the mastermind behind the scenes. I also want to take your life..." after saying that, Leng Hao stepped on the crotch of his subordinate directly.

"Ah!" His subordinate screamed, rolled his eyes, and fainted from the pain.

.....

Leng Hao returned to her room and quickly walked to the bedside. "Xiaotao..."

He reached out and patted Ye Xiaotao's blushing face.

"Oh, I am so hot..." Ye Xiaotao held his big palm and rubbed it like a kitten.

The heat on her face shocked him. Leng Hao sat by the bedside and reached out to pull her into his arms. The strong and clean man's masculinity made her tremble. "I am so hot..."

She curled up and kept burying her body into his muscular waist.

Leng Hao's Adam's apple rolled and his body tensed up. Damn it, if this continued, he would be the first one who could not stand it.

Chapter 1176: Help me call Gong Yi

Leng Hao reached out and lifted her into his arms. He dialled a number. "Hello, Achen, bring a doctor and come here!"

She was being drugged.

That kind of drug.

He had been in the underworld and was very familiar with that kind of drug. He knew it just by looking at her.

This morning in the hospital, he forcefully kissed her and she left. He had stayed in the hospital bed for a whole day. That night, he was discharged. He drove the car to her apartment. He sat in the car and looked at the upstairs quietly. The light in her room was on.

He didn't know what he wanted to do. He just wanted to look at her.

However, he suddenly saw the curtains as if someone had yanked them. He was keen and sensed that something was wrong, so he quickly went upstairs.

The door of the apartment was easy for him. When he entered the door of her room, he heard a man's dirty laughter coming from the room. When he pushed the door open, he saw a scene that made him feel like he was about to explode. A dirty man in black was riding on her legs. He looked like he was about to...

He was so glad that he came at the right time.

If she was hurt, he was not sure what he going to do. He would want the whole world to die for her.

"Oh, I am so hot..." Ye Xiaotao buried her small face in his arms, and her small hands touched his sexy chest muscles.

It was so comfortable.

"Xiaotao, bear with it. It will be fine in a while. You will be fine with me here..." Leng Hao quickly grabbed her small hands to stop her from flirting. He grabbed the blanket and wrapped her tightly.

He didn't dare to look at her like this, and he didn't want anyone to see her either.

.....

Achen rushed over with the doctor. "President, what's wrong with Miss Ye?"

“She’s been drugged.” As he spoke, Leng Hao looked at the doctor who was gasping for breath. “Come and take a look.”

“Yes.” The doctor wiped the sweat from his forehead and went forward. However, he was in a difficult position. The patient was wrapped up like a dumpling. How can he diagnose her?

“It’s so hot. I want to... take off my clothes...” at this moment, her delicate voice sounded. The quilt slid down a little, revealing a charming little face.

The doctor’s eyes lit up.

However, at this moment, Leng Hao glared at him coldly. “Be good, stop fooling around...” he lowered his head and coaxed the little woman in his arms.

The doctor...

“How is she?” Leng Hao asked unhappily.

The doctor stood up straight and lowered his gaze. He did not dare to look around anymore. “I can see that the patient’s breath is hazy. The drug has entered deep into the body. The only way now is to get a man.”

Leng Hao pursed his thin lips and say nothing.

At this moment, the little woman in his arms moved uneasily again. She stretched out her slender arms and hugged his neck, like a little girl who was not satisfied with the bath. “It’s so hot, take off your clothes... I want it, don’t you want it?”

As she said this, she blinked her misty watery eyes and pouted her little mouth as she looked at him aggrievedly.

Which man would not be moved by her when they saw her behave like this? Leng Hao’s entire body stiffened, and hot blood rushed straight to his brain.

“I want it... stop fooling around...” he coaxed and pressed her into his arms.

Ye Xiaotao’s small hand directly reached down, and then she grabbed it. Her silky black hair draped over half of her shoulders. She raised her small head and muttered, “Give me your big baby...”

Leng Hao, ...

He was burning with fire.

Achen’s eyes almost fell out when he saw this scene. He didn’t expect this ex-wife to be so... unrestrained...

No wonder the president was so fascinated by her.

“What are you looking at? Get out!” Leng Hao growled at him.

Achen, ...

“Yes, President. I’ll get out now.” Achen immediately turned around. “Doctor, let’s go...”

Where was the doctor beside him?

Achen walked out of the room. The doctor was standing in the living room waiting for him. Achen was very displeased. "Hey, doctor, why did you leave without saying anything?"

The doctor glanced at Achen calmly. "Because if I stayed there, I would be scolded."

Achen, F *CK!

"Hey, Doctor." Achen was unhappy, so he deliberately picked on him. "Were you just making things up? Did you know the patient's condition just by looking at her? I suspect that your medical license is fake?"

"Hehe." The doctor smiled. "This license is real. But I am indeed making things up."

Achen...

"Your president won't even let me take a look at the patient. It would be useless even if Hua Tuo came here. He had something in his mind that couldn't be said. Since that's the case, I'll help him out naturally. Kid, you're too inexperienced. Learn more."

Achen...

"By the way, don't forget to transfer my payment to my card later." The Doctor swaggered out of the apartment.

Achen,...

.....

In the room, Ye Xiaotao hung on Leng Hao's body like an octopus. She pulled his shirt out of his belt and reached her little hand in. She touched his eight-pack abs and kissed his face in satisfaction, "It's so comfortable... take off your clothes..."

Leng Hao held her little hand. "Don't make trouble..."

"It's fine if you don't take off your clothes, I'll take off mine..." as she said that, Ye Xiaotao went to pull off her pyjamas.

"Xiaotao!" He didn't want her to take off her pyjamas.

Ye Xiaotao looked at him with her misty eyes and she was looking aggrievedly. "Don't you want me... I can make you very comfortable..."

If this situation continued, something bad would happen. He wanted her!

He wanted her so badly that he was going crazy.

But if he wanted her just like that, how would she think of him when she woke up? He was taking advantage of her.

He reached out his big palm and grabbed her shoulder forcefully. "Xiaotao, open your eyes and look at me. Look at who I am."

If she recognized him and wanted him, he would not hesitate, even if she resented him afterwards.

The pain on her shoulder made Ye Xiaotao frown. Her mind cleared up a little. Looking at the handsome face in front of her, she said in a daze, "Leng Hao?"

"It's me."

"Why are you here?" Ye Xiaotao looked at her room and noticed the discomfort on her body. She immediately pushed him away. "I'm drugged. Hurry up and get out!"

Leng Hao froze.

Ye Xiaotao climbed down from his lap and stumbled toward the door. However, she fell on the carpet after only one step.

"Xiaotao," Leng Hao quickly went to help her up. "Did you get hurt anywhere?"

"Don't touch me!" She screamed and retreated backwards.

Leng Hao's hand froze in air.

Ye Xiaotao's head was dizzy and confused. She used her slender arms to protect herself. A voice in her heart kept telling her not to let him touch her, not to let him touch her.

If he touched it, she would be in trouble!

"Where's my cell phone? Where's my cell phone?" Ye Xiaotao looked around for her cell phone.

Leng Hao looked at the cell phone that had fallen nearby the curtain. "Who do you want to call?"

"Gong Yi... Gong Yi..." she lowered her eyes and called Gong Yi's name twice. "Get a phone and ask him to come quickly..."

Leng Hao felt a needle pierced deeply into his brain. She was actually looking for Gong Yi.

"Help me make a call." Ye Xiaotao reached out her small hand and grabbed his muscular arm. She begged helplessly, "Help me call Gong Yi. Please... I feel so uncomfortable..."

Chapter 1177: I'm the One Who Wants You

Leng Hao looked at her and did not move. After a long while, he moved his thin lips. "I can do that too..."

He can do that too.

Ye Xiaotao was shocked and retracted her hand quickly. She shook her head. "No, no... I'm going to try on my wedding dress tomorrow. I'm Gong Yi's fiancée..."

As she said that, she struggled to stand up. "I'll go find him myself..."

Before she could stand up, her legs went soft and she fell straight down. This fall landed on the man's strong and sturdy thigh.

Ye Xiaotao looked up in a hurry and she looked into Leng Hao's deep, painful and burning eyes.

Her entire body seemed to be burning. She avoided her eyes quickly and refused to look at him again. She could not look at him. She knew... that she wanted him now.

When she was pressed down by that wretched man just now, all her thoughts were about him.

She wanted him to come and rescue her.

She was thinking that if she was defiled, she would not live a miserable life. She was not allowing herself to become dirty.

Perhaps she was very traditional in her bones. She only accepted that she had one man.

That man was... him.

"Xiao Tao..." the man's hot breath pressed in, it was overbearing and dangerous. "Don't think about Gong Yi anymore. He won't come."

"What do you mean?"

"If I don't let him come, he will not come." Leng Hao looked at her and said word by word.

"Pa!" Ye Xiaotao reached out and slapped him. "Do you know what you're talking about?"

Leng Hao was being slapped by half of his face. He knew what he was talking about. He had never been more awake than at this moment in his life.

He turned around and looked at her with a smile. His smile was like a poppy on the edge of a cliff, bright and despairing. "You won't be able to walk out of this room today. I want you today."

"You!" Ye Xiaotao was trembling all over. When she tried to hold herself together, her mind started to wander again. She was really hot. It was as if there were bugs gnawing at her bone marrow.

It was so uncomfortable.

Leng Hao knew that she was uncomfortable, and so was he. But what could he do? Other than forcing her, forcing her to want him, what else could he do?

He would not call Gong Yi unless he died.

Ye Xiaotao's face became redder and redder. At this moment, a strong arm wrapped around her soft waist and let her sit on his lap.

"Leng Hao, please, don't..." she supported his shoulders and wanted to get up. She really couldn't. If she had sex with him, what should Gong Yi do?

She was Gong Yi's fiancée.

Gong Yi had accompanied her during her most difficult years. Gong Yi waited for her for twenty years. Gong Yi was the second man beside her father to pamper her. She didn't want to hurt him.

She hated herself. Why did she do this? Why did she like this bastard?

“Xiao Tao, I want you. Be good. Get the feelings of me wanting you.”

Leng Hao closed his eyes and unzipped his pants.

“Ah!” Ye Xiaotao screamed in pain. It really hurt. However, she didn’t know if it was because of the drug in her body or something else, but in the next second, she went blank.

Her silky black hair drew an extreme arc in the air.

Leng Hao was not feeling good. His shoulders were scratched by her nails. He raised his head slightly, and her prominent male Adam’s apple rolled up and down in a sexy way.

Time seemed to freeze in this moment of sparks. After two minutes, Ye Xiaotao was resting softly on his shoulder with sweat all over her body.

“Enough... I am feeling better now...” she wanted to get up.

Leng Hao hugged her and kissed her wet hair with joy and affection. “You’re still the same as before. When you’re done, you leave me alone.”

Ye Xiaotao buried her face in his neck and muttered in pain, “I don’t want to... It’s because you forced me... what should I do in the future...”

“Be with me.”

Leng Hao whispered these two words into her ear and then buckled her slender waist again...

Ye Xiaotao was in a daze. She felt like she was on a small boat. When she opened her eyes, she found that she was still on the carpet with him.

She immediately pushed him and said coquettishly, “Go to the bed... go to the bed...”

Leng Hao stopped for a moment. He held her butt and brought her to the bed.

Her black hair fell on the snow-white pillow. Ye Xiaotao’s tipsy eyes saw that he had not even taken off his shirt, and he was still wearing his tie.

She could no longer hold back the tears in her eyes. She covered her face with her hand and sobbed softly, “Gong Yi... Wuwu, Gong Yi...”

This name was her last salvation.

She was calling Gong Yi. At this moment, she was calling Gong Yi’s name. Leng Hao felt as if thousands of arrows had pierced his heart, and that powerless bitterness spread from the tip of his heart.

But he did not regret it.

“Honey,” Leng Hao leaned down and kissed her trembling fingertips, kissing away her boiling tears. He held her lips, “Honey, remember, the person who wants your body is me, not Gong Yi! Ha, I don’t think Gong Yi will want you anymore. He won’t want a woman who will be on my body in the next second.”

“Don’t say it!” Ye Xiaotao opened her mouth and bit his lips. The sweet smell of blood flowed into her mouth.

Leng Hao took the opportunity to put his tongue into her mouth.

Ye Xiaotao seemed to be suffering from a serious illness, and her whole body was soaked in sweat. She beat him and shook her head like a rattle drum. "I want to shower, I want to shower..."

"Good girl, honey, wait for a while..."

"No, I want to shower now." Ye Xiaotao acted like a coquettish child and reached out to pull the tie around his neck.

Leng Hao's exquisite eyes were filled with tenderness. He picked her up and both of them walked to the bathroom.

The warm liquid rushed onto her body. Ye Xiaotao sighed comfortably. At this moment, a large palm was placed on her shoulder, and her body was twisted.

Her two small hands were forced against the ceramic tiles.

"You..."

Leng Hao covered her from behind. "It's not enough."

Ye Xiaotao could not tell whether her face was filled with water or tears. She had been escaping from him for around four years, but she still could not escape.

She suddenly thought of a very serious problem. "Precaution... Leng Hao, precaution!"

It's good that she still knew who he was.

He held her body, which was moving restlessly, and said in a hoarse voice, "It's too late."

.....

Ye Xiaotao opened her eyes, and the bright moonlight shone through the layers of gauze curtains. She was so confused about what time it was.

It seemed to be night.

She moved and realized that she was locked up. Underneath her was a broad and warm chest. She was being hugged.

She remembered.

Her gaze fell on the carpet. There were her pyjamas and men's shirts and trousers. There was a luxurious smell in the room.

She had to admit that it was not a dream. She really had sex with Leng Hao.

Her long eyelashes trembled. She wanted to get up.

However, her waist was pressed by his large palm. When she moved, Leng Hao woke up. He buried himself in her neck and took a whiff. He said, "Sleep for a while."

"Let go!" She said coldly.

Leng Hao opened his eyes immediately.

Ye Xiaotao pulled his fingers one by one. Then, she sat up and got off the bed. Her feet fell on the carpet and she almost collapsed. Her whole body felt like it had been run over by a car. Her legs were extremely uncomfortable.

Chapter 1178: Gong Yi, I'm sorry

She knew what it was, so her little face changed from red to pale.

She didn't remember how many times he had done it, but she was sure that he did it deep inside her.

Ye Xiaotao took a few deep breaths, then bent down to pick up her pyjamas.

The pyjamas were torn and couldn't be worn anymore.

Her hands were trembling and she did not have any strength. He had tortured her too much.

At this moment, her small hand was wrapped in a large palm. Leng Hao picked up the men's shirt from the carpet and draped it over her body. "Wear my clothes."

"No!" She was so emotional that she hit his hand.

"Stop moving!" Leng Hao straightened her body and helped her fasten the buttons. "Be a good girl and put on your clothes. Otherwise, I will still want you if you are wearing nothing."

Ye Xiaotao stared at him with red eyes and forced out two words, "Savage!"

Leng Hao didn't refute her. After buttoning the buttons, he took out two pieces of tissue paper and stretched his big palm between her legs.

Ye Xiaotao was shocked and immediately stepped back.

She didn't retreat because Leng Hao stretched out his long arm and pulled her into his arms.

Ye Xiaotao's whole body tensed up and she frowned in her beautiful eyebrows.

"Does it hurt?" Leng Hao looked at her, and his eyes were filled with tenderness.

Ye Xiaotao snorted and forcefully turned her little head aside. Why did he as an instigator pretend to ask this?

Leng Hao knew that she blamed and resented him, so he sighed. He used his long fingers to hook up her pants and knelt on one knee. His rough hand held her small and delicate ankle.

"What else do you want to do?" Ye Xiaotao yelled at him.

"I want to f*ck you for the rest of my life. Are you willing for that?" Leng Hao helped her to put on her pants.

Ye Xiaotao...

After putting on her clothes, she left.

“Where are you going?” Leng Hao asked.

Ye Xiaotao didn't answer. She could go anywhere, she just didn't want to stay with him.

“I'll ask Achen to send you.” Looking at her determined and stubborn back, Leng Hao took a step back and said.

“No need.”

“If you let others saw you like this, are you going to tell the whole world what I did on you just now?” Leng Hao was exasperated. He had no idea what to do with her.

Ye Xiaotao's footsteps paused for a moment, and then she closed the door with a bang.

Achen was waiting outside the apartment.

This time, Achen was smart. He lowered his head and didn't look at Ye Xiaotao, but his gaze caught the sight of the woman's fair thighs. Her knees were red and very dazzling.

Achen chuckled in his heart. CEO was too... wild. He used the... back... position.

“Miss Ye, where are you going? I'll send you.” Achen handed over the black coat in his hand.

No matter how angry Ye Xiaotao was now, she was rational. She couldn't meet anyone in this condition. She took the black coat and put it on herself, then followed Achen down the stairs and into the car.

.....

In the car, Achen looked straight ahead. He didn't even dare to blink his eyes. “Miss Ye, you haven't mentioned where you're going?”

“Back to the Ye house.” Her voice was very hoarse, but it was also charming.

“Yes.”

Ye Xiaotao turned her head to look out of the window. She saw a pharmacy.

It was the pharmacy where she bought the fever medicine.

“Stop the car.”

Achen quickly stopped the car by the roadside.

Ye Xiaotao reached out to open the car door.

“Miss Ye, what do you want to buy? I'll help you... buy...”

Ye Xiaotao had left.

Achen: “Hmm, alright, both of them are so hard to please.”

At this time, a series of ringtones rang. Leng Hao called.

“Hello, President...”

“Hello.” Leng Hao’s deep and hoarse voice sounded from the other end. It was very sexy.

Achen waited for the rest of his sentence, but he realized that his CEO had stopped talking after saying “Hello”. Achen understood. “CEO, Miss Ye wanted to go back to the Ye house, but she asked me to stop the car by the roadside and then she went into a pharmacy.”

Pharmacy?

Leng Hao’s lips curled up slowly when he heard this word. She went to buy the aftercare medicine. She didn’t want to be pregnant with his child again.

“Du du”, so Achen heard the busy tone on the other end.

Achen...

.....

In the pharmacy.

The youngest son of the Lady Boss was one year old this year. He just learned to walk, and he was playing alone on the shelves. He looked at the two medicine bottles in his hands.

He couldn’t read, so he didn’t know what these two medicine bottles were for. He thought it was fun, so he twisted the two bottle caps open.

One pill was white in colour, and the other pill was orange.

The youngest son put the white pill in orange, and the orange pill changed to white. Lastly, he twisted the bottle cap again.

“Baby, what are you doing?” At this time, the Lady Boss picked up the youngest son.

The youngest son: Giggle, Giggle, Giggle.

“Lady Boss.”

“Coming, coming.” The Lady Boss rushed over with her little son in her arms. When she saw who it was, she said, “Oh, isn’t this the pretty girl last time?”

“Miss, what do you want to buy?”

Ye Xiaotao said, “Birth control pills.”

Birth control pills?

The lady boss glanced at Ye Xiaotao. A large man’s black coat covered her body, covering her delicate and voluptuous body. Her black hair fell, and there were a few strands of sweat wrapped around her pink neck. Through the open collar of her white shirt, the lady boss found some hickeys which looked extremely sexy.

“Miss, here you are.” The Lady Boss handed the bottle of medicine to her.

Ye Xiaotao lowered her head and took the money.

“Miss, you should take less of this medicine. It’s not good for your health. I think if a man doesn’t want to have a child, he should take some precautions. Since he doesn’t take any precautions, it means that he wants to have a child with you. If you have a child, you should give birth to it. What a magical little life. Look at my little son...” the lady boss pushed her little son to Ye Xiaotao.

Ye Xiaotao glanced at the drooling baby and said with a faint smile, “If my son was still here, he would be able to join us now.”

The Lady Boss...

.....

Ye Xiaotao returned to the Ye family home and went into her room. She took milk rose bath in the bathtub.

She poked her body with a towel until her skin turned red, but she couldn’t get rid of the scent he left on her body.

Her body was covered with the hickeys he left behind.

Ye Xiaotao hugged her knees and lowered her head in a daze.

At this moment, her phone rang. It was a call.

She glanced at it. It was from Gong Yi.

Her eyes were filled with complicated emotions. Her fair fingers pressed the call button. “Hello, Gong Yi.”

“Hello, girl. Why aren’t you sleeping? It’s already night.”

“Aren’t you still awake?”

“I’m too excited. I can’t fall asleep by just thinking about you putting on the wedding dress for me tomorrow. Girl, are you suffering from insomnia just like me?” Gong Yi’s soft voice came from the phone.

Ye Xiaotao’s face was pale. She was struggling and wandering in pain. After a long while, she said, “Gong Yi, I am not going tomorrow. I’m really sorry.”

Chapter 1179: My Young Master Was Missing

Gong Yi froze. “What happened? What happened?”

“I slept with Leng Hao...” Ye Xiaotao clenched her fists and dug her nails deep into her palms.

“What?” Gong Yi exploded. “Was he forcing you to do that? This b*stard, I won’t let him go. I’m going to kill him now!”

“Gong Yi,” Ye Xiaotao interrupted him. “Don’t look for him, he didn’t force me.”

There was a dead silence, then, "Xiaotao, do you know what you're talking about?"

Boiling tears rolled down from the corner of her eyes. Ye Xiaotao put her fist to her mouth and bit it hard, "I'm sorry, Gong Yi, it was my choice... I'm really sorry, you're so nice to me. I didn't want to hurt you... I know I'm cheap, I made you sad and disappointed, I am not worthy for you. Gong Yi, I'm sorry, I can't marry you. You can hate me, just hate me..."

Ye Xiaotao hung up the phone after saying that.

Tears had burst out of her eyes, she hugged herself and sobbed. She felt so ashamed and guilty, she had hurt the person she didn't want to hurt the most.

But, what could she do?

No one came to teach her what to do now, she felt that she couldn't take another step forward in her life, she was in a prison.

Ye Xiaotao mixed her tears and swallowed two pills when she saw the bottles of birth control pills.

She still did not forgive him.

She would not give him another baby.

Xiao Xiaotao, who knew how to kick daddy in the stomach to protect mommy whenever she got bullied, was the pain in her heart forever.

.....

Ye Xiaotao fell into a deep sleep. She was woken up by the noise outside.

She opened her eyes slowly. It was dawn.

Her eyes were dry and red. It was because she cried for too long last night.

She got out of bed and opened the door. "What happened?"

The maid downstairs saw her and immediately said, "Miss Ye, someone broke in."

"Miss Ye," the person who broke in saw her as if she was his saviour. "Miss Ye, finally you appear. Do you know where my Young Master went? I can't find him."

"Your Young Master?" Ye Xiaotao went downstairs quickly. "Gong Yi?"

"Yes, Miss Ye. The company called this morning and said that there was an urgent document for Young Master to sign. They asked Young Master to go over when he is free. I was puzzled when I heard it because Young Master wasn't at home at all. I called him after that, but his phone was turned off. I sent people out to look for him, and he seemed to have disappeared."

“What?” Ye Xiaotao felt like she had fallen into an abyss. Her hands and feet were cold. Gong Yi... Where did Gong Yi Go?

“Miss Ye, did you quarrel with my Young Master? Aren’t you going to try on your wedding dress today? My Young Master was very happy yesterday...”

A quarrel?

Ye Xiaotao recalled the phone call last night. It was not a quarrel, she used a sharp blade to pierce through Gong Yi’s heart.

If anything happened to Gong Yi, she deserved to die.

“Miss Ye, say something. Yesterday, my master and Master Ye went to Paris to watch a show together. My master was very happy. He even said that after you two got married, he would leave the company to the Young master. He wanted to go on a global trip with Master Ye... Now that Young master is missing, there’s no one in the house to make decisions. Miss Ye, this...”

Ye Xiaotao felt even more guilty. Uncle Gong treated her like his own daughter. Both families were looking forward to their marriage, hoping that she and Gong Yi would get married and have children. But what had she done?

Did she want to destroy both families?

The most important thing now was to find Gong Yi. Ye Xiaotao forced herself to calm down, “Don’t be anxious. Gong Yi is a cautious and responsible person. Maybe he was just in a bad mood and went out to relax. I’ll send someone out to look for him now. They’ll find him very soon.”

“Okay, okay.” Gong Yi’s follower kept nodding.

“Come over.” Miss Ye wanted to call someone for help, but at this moment, her phone rang. It was a call from Ye Lin.

It was a call from Ye Lin.

Ye Xiaotao didn’t have time to deal with this elder brother right now. After picking up the phone, her tone was more anxious. “Brother, I have something urgent to do. If you have anything to say, you can talk about it later. I’m hanging up now...”

“Sister, What’s your urgent matter? Is your urgent matter more important than young master Gong’s life?” Ye Lin’s sinister voice could be heard.

Ye Xiaotao’s mind was in a mess. “Brother, you...”

“Young Master Gong is in my hands now. Sister, if you don’t want anything to happen to him, then come here on your own. I’ll wait for you at the waste paper factory in the Eastern Suburbs.”

Ye Lin hung up the phone.

Gong Yi’s follower saw that Ye Xiaotao’s expression didn’t look right, so he asked, “Miss Ye, What’s wrong? Who called?”

Ye Xiaotao came back to her senses, and the corners of her mouth twitched. "It's a friend... you can go back first. I knew where your Young Master is. I'll go and bring him back now."

.....

At the waste paper factory in the Eastern Suburbs.

Ye Xiaotao pushed the rusted door and walked in. Ye Lin was waiting for her with a group of subordinates.

"Brother, I'm here. Where's Gong Yi?" She asked directly.

"Sister, Young Master Gong is safe now. As long as you do what I say, I guarantee that you'll be safe."

"Brother, why did you kidnap Gong Yi? You're ruining your future by doing this. When Daddy and Uncle Gong come back, they won't let you off!"

Ye Xiaotao really didn't understand what this big brother was thinking. He was just a playboy, but Daddy treated him well. Daddy bought a lot of properties under his name. Wasn't that enough?

"Haha," Ye Lin sneered. "Sister, I'm afraid that when Daddy and Uncle Gong come back, I'll be left with a pile of bones!"

Ye Xiaotao didn't understand. "Brother, what are you talking about?"

"Sister, stop pretending. Don't you know that I've been driven to the edge and have nowhere else to go? Do you think I want to kidnap Gong Yi to threaten you? I haven't had enough of my glorious days, but someone is forcing me!"

"Who forced you?"

Ye Lin's eyes were filled with fear and hatred. He spat out a person's name. "Leng Hao!"

Leng Hao?

Ye Xiaotao kept silent.

"Sister, let me tell you the truth. I asked Xue Wu to drug you. The person who wanted to rape you was my subordinate. Everything was under my command."

Ye Xiaotao's pupils shrank. So it was her elder brother?

Why did her elder brother want to kill her, like her third brother?

"Brother, why did you do that?"

"Because that old man only dotes on you. He wanted to leave all the Ye family's assets to you. I'm the eldest son, what are you right to get that?" Ye Ziyi had finally disappeared, but you're still here. I've wanted to get rid of you for a long time. Initially, I wanted to let a man rape you and drive a wedge between you and Gong Yi. That way, I could get rid of both of you one by one. However, I overlooked someone, which is Leng Hao!"

Chapter 1180: You Are Such A Despicable Man

“Leng Hao found out everything. He destroyed all the properties under my name in one night to avenge me for you. He crushed my men’s eggs and threw him into the sea. He cut Xue Wu’s face and sold her to an old man in the mountains. Not only that, he ordered his men to take my life. If I hadn’t run away quickly, I would have died long ago.”

“This is the capital, the territory of the Ye family. He dared to touch me. He’s too arrogant!” Ye Lin was a dude. When he thought of Leng Hao, his body was still trembling. Leng Hao was from the underworld, and he was vigorous and decisive. His methods were ruthless, leaving no survivors, Ye was not on the same level as him.

How did he provoke that life-destructing Yama?

“Haha, fortunately, I’ve sent people to monitor Young Master Gong’s every move. Last night, Young Master Gong went to the bar to drink suddenly. He was so drunk that I took the opportunity to bring him here directly. Didn’t you all want me to die? Even if I die, I’ll drag one of you down with me!”

Ye Lin said fiercely.

Ye Xiaotao knew nothing about that. There were so many things that she did not know happened in one night. Leng Hao found out the truth of the matter so quickly and took revenge for her.

She couldn’t explain how she felt. Maybe she was touched, but when she thought of Gong Yi. Last night her phone call hurt his heart. He went to the bar to get drunk.

It was all because of her...

She was the one who hurt Gong Yi!

Ye Xiaotao felt like she was suffocated by a big rock. Her mind was full of Gong Yi. She was Gong Yi’s fiancée, but last night she had sex with Leng Hao. Now she and Leng Hao had even hurt him.

Gong Yi was so innocent.

“Brother, just say it. What do you want?”

“Sister is such a straightforward person. I want all the assets of the Ye family. Call the Butler right now.”

Ye Xiaotao frowned. “Brother, your request is too naive. Once I call the Butler, he will be suspicious regardless of whether he will listen to me or not. Brother, you’d better leave quickly. If you let Gong Yi go, I can guarantee your safety.”

“Stop talking nonsense!” Ye Lin waved the knife in his hand. “Are you going to call him? If you’re not calling, I’ll make the call. Sister, I don’t believe that if I kidnapped you, that old b*stard dares not to give me money!”

“Brother, what do you want to do?”

“Haha, what do I want to do?” Ye Lin gave his subordinates a look, “Brothers, go and tie her up for me. If the old man gives me money, we’ll take the money and go out. If the old man doesn’t give it, then I’ll give this woman to you.”

The subordinates were stunned when they heard that. “Thank you, Boss!”

They went forward and wanted to catch Ye Xiaotao.

At this time, the sky was filled with dust, and the sound of footsteps spread in all directions, surrounding the waste paper factory. A deep and pleasant voice sounded, “Young Master Ye, even if you get the Ye family’s property, aren’t you afraid that after you take the money, you will not be alive to spend it?”

Ye Xiaotao turned around and saw a group of well-trained men in black attire. They held guns in their hands and pointed them at Ye Lin.

The men in black automatically opened up a path. The cold wind blew the hem of the man’s black coat until it fluttered. The shiny black riding boots stepped on the ground with sonorous and awe-inspiring footsteps. Leng Hao arrived.

His gaze fixed on her gently. “Are you alright?”

Ye Xiaotao retracted her gaze and shook her head.

“Leng... Leng Hao, how did you manage to find me?” Ye Lin’s entire body trembled.

Leng Hao stood beside Ye Xiaotao. His shoulders shielded her behind him in a protective manner. He looked at Ye Lin and curled his lips in a bloodthirsty manner, “You’re Xiao Tao’s elder brother. I wanted to let you live, but you’re too tactless. You’re seeking your death.”

Ye Lin’s heart sank. He knew that he was over.

So it was not because he was lucky that he escaped. It was because Leng Hao gave him a chance to live.

At this time, the man in black stepped forward. His subordinates were taken down without any resistance. This made sense. Leng Hao was the young master of Hong Kong’s Leng family. His subordinates were elites comparable to the army. How could he compare to him?

Ye Lin put down the knife in his hand immediately. “President Leng, don’t kill me. Please let me live. I’ll tell you where Young Master Gong is...”

Ye Xiaotao’s eyes lit up. She was about to step forward. “Hurry up and tell me where Gong Yi is.”

At this moment, her slender arm was held by a large palm. Leng Hao restrained her.

“Leng Hao, don’t kill my brother. He knows where Gong Yi is. I want to save Gong Yi. Gong Yi must not get into trouble.” Ye Xiaotao nervously held his hand.

Leng Hao looked at her and then gave Achen a look.

Achen nodded and pulled out his gun. He loaded the gun and aimed at Ye Lin.

He was about to shoot.

“Leng Hao!” Ye Xiaotao screamed, “What are you doing?”

Leng Hao didn't say anything.

The tight nerves in Ye Xiaotao's head were completely crushed. She stared at him, “Leng Hao, you want Gong Yi's life, don't you? You are such a despicable person, do you want to wait for Gong Yi to die and take me over? Let me tell you, if Gong Yi dies, I won't live alone. I will be buried with him. I am his wife for life!”

Leng Hao looked at her hateful eyes. His delicate facial features turned cold. His sharp gaze swept across Achen, and he said in a deep voice, “Shoot!”

“Yes, President.” Achen shot.

“Ah!” Ye Lin screamed and wet his pants immediately. He collapsed on the ground, “Don't kill me, don't kill me. I'm telling you now, I put Gong Yi in the sewer in front of me. I said it out, don't kill me...”

Sewer?

Ye Xiaotao felt relieved. She withdrew her hand from Leng Hao's arm slowly.

Achen retracted his gun. “Miss Ye, you've misunderstood the CEO this time. If we don't have to do this, your brother won't tell the truth. If he drags us out for a minute, Young Master Gong will be in danger for one more minute.”

He...

Ye Xiaotao looked up at Leng Hao and recalled her fierce words. She was sorry, but she retracted her gaze and say nothing in the end.

She turned around and ran to the sewer outside the waste paper factory.

There was a manhole cover on the sewer, and it was covered with small stones. She squatted down and used her sleeve to brush away all the small stones.

Suddenly, she felt a pain in her right index finger. She was cut by the iron wire.

Fresh blood came out.

“What's wrong? Let me have a look.” Her injured hand was held by a big hand.

“Nothing much...” she withdrew her hand and continued to brush the small stone.

“The iron wire has rusted. I need to squeeze the blood out of your finger immediately.” Her small hand was held again.

Ye Xiaotao looked up at him and begged in a low voice, “Can you please go away? The injury on my hand is not a problem. The one who's in the way is Gong Yi. He's down there right now, and it's very dangerous!”

“Are you sure you want me to leave? If I leave, would you be able to save Gong Yi on your own?”
